

Amendment No. 3

Ref: CESL/06/2023-24/PM-eBusSewa/23241106/Amdt-3

Date: 29.12.2023

To,
M/s
.....

Subject: Amendment No. 3 "Selection of Bus Operator for Procurement, Supply, Operation and Maintenance of 3,600 Electric Buses and Development of Allied Electric and Civil Infrastructure on Gross Cost Contracting (GCC) under PM-eBus Sewa."

References:

- i) NIT/Bid Document No.: CESL/06/2023-24/PM-eBusSewa/23241106 Dated:17.11.2023 [E Tender Id-1919]
- ii) Corrigendum No. 1 dated 24.11.2023
- iii) Amendment No. 1 dated 14.12.2023 and Amendment No-2 Dated 28.12.2023

Dear Sir/Madam,

The following Amendments(s) to above mentioned RfP are hereby authorized: -

1. The amended Volume-I, Volume-II and Volume-III of Section-4 and Section-6 of RfP has been placed.
2. The Clarification/Amendment and General Clarifications has been placed at **Annexure-A**

Other terms and conditions of subject tender remain unchanged.

Thanking You

Sd- /

For and on behalf of CESL
(A wholly owned subsidiary of EESL)

SECTION-4

(Note: The terms and conditions stipulated herein that is section-4 will supersede any contradictory/similar/overlapping terms and conditions in any other section/part of tender)

Name of Work: -: Request for Proposal for Selection of bus operator for Procurement, Supply, Operation and Maintenance of 3,600 Electric Buses and development of allied electric and civil infrastructure on Gross Cost Contracting (GCC) under PM-eBus Sewa

NIT/Bid Document No.: CESL/01/2023-24/PM-eBusSewa/20231116

Dated 16.11.2023

This Section 4 of Request for Proposal (RfP) comprises of three volumes:

- Instructions to Bidders (Volume 1)
- Concession Agreement (Volume 2)
- Technical Specifications (Volume 3)

The Bidder is expected to examine all Instructions to Bidders, Concession Agreement and Technical Specifications in the RfP Document and to furnish with its Proposal all information or documentation as is required by the RfP Document.

The bidding documents including this RfP Document and all attached documents are and shall remain the property of Convergence Energy Services Limited (CESL) and are transmitted to the Bidders solely for the purpose of preparation and the submission of their respective Proposal in accordance herewith. Bidders are to treat all information as strictly confidential and shall not use it for any purpose other than for preparation and submission of their Proposal. CESL will not return any Proposal, or any information provided along therewith.

The statements and explanations contained in this RfP are intended to provide an understanding to the Bidders about the subject matter of this RfP and shall not be construed or interpreted as limiting in any way or manner whatsoever the scope of services, work and obligations of the Selected Bidder to be set forth in the Concession Agreement or the Authority, the Authority's right to amend, alter, change, supplement or clarify the scope of service and work, the Concession Agreement to be awarded pursuant to the RfP Document including the terms thereof, and this RfP including terms herein contained.

Consequently, any omissions, conflicts or contradictions in the Bidding Document including this RfP are to be noted, interpreted, and applied appropriately to give effect to this intent and no claim on that account shall be entertained by either CESL or the Authority.

DISCLAIMER

1. This Request for Proposal (RfP) document is not an agreement or offer by CESL to the prospective Bidders or to any other party. The purpose of this RfP document is to provide interested parties with information to assist the formulation of their Bid. The RfP document is based on material and information available in public domain.
2. This RfP, is not transferable and the information contained therein are to be used only by the person to whom it is issued. It may not be copied or distributed by the recipient to third parties (other than in confidence to the recipient's professional advisors). If the recipient does not continue with its involvement in the Project in accordance with this RfP, this RfP must be kept confidential.
3. While this RfP has been prepared in good faith, neither CESL nor its employees or advisors/consultants make any representation or warranty expressed or implied as to the accuracy, reliability or completeness of the information contained in this RfP. The Bidders shall satisfy themselves, on receipt of the RfP document, that the RfP document is complete in all respects. Intimation of any discrepancy shall be given to this office immediately. If no intimation is received from any Bidder within ten (10) days from the date of issue of this RfP document on or before the date & time mentioned in this RfP, it shall be considered that the issued document, complete in all respects, has been received by the Bidders.
4. This RfP document includes statements, which reflect various assumptions arrived at by CESL to give a reflection of current status in the RfP. These assumptions should not be entirely relied upon by Bidders in making their own assessments. This RfP document does not purport to contain all the information each Bidder may require and may not be appropriate for all persons. It is not possible for CESL to consider the investment objectives, financial situation and particular needs of each party who reads or uses this RfP document. Certain Bidders may have a better knowledge of the Project than the others. Each Bidder should conduct its own investigations and analysis and should check the accuracy, reliability and completeness of the information in this RfP document and obtain independent advice from appropriate sources.
5. Neither CESL, its employees nor its consultants will have any liability to any Bidder or any other person under the law of contract, tort, the principles of restitution or unjust enrichment or otherwise for any loss, expense or damage which may arise from or be incurred or suffered in connection with anything contained in this RfP document, any matter deemed to form part of this RfP document, the award of the Project, the information supplied by or on behalf of CESL or its employees, any consultants or otherwise arising in any way from the qualification process for the said Project.
6. By participating in the bidding process, each of the Bidder shall have acknowledged and accepted that it has not been induced to enter into such agreement by any representation or warranty, expressed or implied, or relied upon any such representation or warranty by or on behalf of CESL or any person working in the bidding process.
7. CESL may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement this RfP document. Such updates, amendments, or supplements, if any, will however be circulated to the Bidders within reasonable time prior to the last date for submission of Bid.
8. Each Bidder unconditionally agrees, understands, and accepts that the CESL reserves the rights to accept or reject any or all Bids without giving any reason. Neither CESL nor its advisers shall entertain any claim of any nature, whatsoever, including without limitations, any claim seeking expenses in relation to the preparation of Bids.
9. This RfP may be withdrawn or cancelled by the CESL at any time without assigning any reasons thereof. CESL further reserves the right, at its complete discretion to reject any or all the Bids without assigning any reasons whatsoever.

1. DEFINITIONS

- 1.1 **“Associate/ Parent”** means a Company that either directly or indirectly controls or is controlled or is under common Control (sister concern) with a Bidder and hereinafter is referred to as Associate or Parent, as the case maybe.
- 1.2 **“Applicable Laws”** shall mean the laws and any other instruments having the force of law in India as they may be issued and in force from time to time and a list of such laws is placed at Annexure D
- 1.3 **“Authority”** shall mean public transport corporations/ state transit authority/ state transport undertakings and/ or any entity owned by the government (central/ state/ municipal) which is engaged in public transport services and is a party to the Concession Agreement.
- 1.4 **“Bidder(s)”** shall mean individual entity or a Consortium of entities, as the case maybe, bidding in response to this RfP
- 1.5 **“Bid Due Date”** means the last date by which the Bidder(s) can submit their bid in response to this RfP along with all other relevant documents to CESL as per the timeline defined in Clause 21.3 of RfP Volume 1.
- 1.6 **“Control”** means the following:
- a. The ownership of common shareholders, directly or indirectly (i.e., together with one or more of its subsidiaries/Holding companies), of at least 51% of the voting shares/ shareholding of the firm in question, OR
 - b. The right to appoint majority of the directors or to control the management or policy decisions exercisable by a person or persons acting individually or in concert, directly or indirectly, including by virtue of their shareholding or management rights or shareholders agreements or voting agreements or in any other manner.
- 1.7 **“Electric Bus/ e-Buses/ Buses”** means a bus complying with Standards and Specifications as detailed in Volume 3 “Technical Specifications of e-buses”.
- 1.8 **“OEM”** means Original Equipment Manufacturer of Buses which is a registered bus manufacturer in India under applicable laws.
- 1.9 **“Project Implementing Entity or Special Purpose Vehicle or SPV”** means an entity which is incorporated by the Selected Bidder(s) for executing the Agreement and implementing the Project.
- 1.10 **“Selected Bidder(s)”** means a bidder that is issued Letter of Confirmation of Quantity (“LoCQ”) by CESL for its respective Lot as per the provisions of Clause 12 of RfP Volume 1.

2. BACKGROUND

India is at the cusp of an e-mobility revolution. The Government of India (GoI) is moving towards accelerated adoption of EVs to cut down its fuel import bills, carbon emissions and air pollution. It has announced a target to reach 30% EV adoption by 2030.

Government of India aims to augment public sector bus fleet with a view to strengthening, modernizing, and greening public transport in India. An increase in the number of Electric buses on Indian roads will help to enhance economic development commuter mobility, local production, reduce air pollution, climate change and increase in employment. Crucially, changing to Electric Buses will reduce fossil fuel import bills. For this Government of India has approved the PM-eBus Sewa scheme on 16th August 2023. The scheme aims to augment urban bus operations with central assistance of 20,000 crore for deploying 10,000 electric buses - underscoring India's commitment to fostering sustainable transport solutions to achieve our decarbonization ambitions. The scheme shall also provide 10 years of operational support for buses besides associated bus infrastructure development and Green Urban Mobility initiatives. The administrative Ministry for this scheme is Ministry of Housing and Urban Affairs (MoHUA). This Bid document is being issued under the guidelines for PM-eBus Sewa, notified by MoHUA, and the guidelines can be accessed at the link: <https://mohua.gov.in/upload/uploadfiles/files/PM-eBus-Sewa-Guidelines-Part-I.pdf>

Payment Security Mechanism (PSM) will also be a part of the PM-eBus Sewa Scheme. As per the scheme guidelines, State Guarantee will be provided for payment of bus operations and States/ Union Territory (UT) shall agree to the PSM being developed by Government of India. Payment Security will be provided to the Operator as per the Concession Agreement signed between Authority and the Operator for procurement and operation of e-buses through Payment Security Mechanism being developed by GoI. Note on the proposed PSM under PM-eBus Sewa Scheme is in Annexure E. The Selected Bidder(s) has the option to execute the Concession Agreement only after the PSM has been notified by GoI.

MoHUA has aggregated the demand from the cities shortlisted under this scheme. A total demand of 3,600 was received from 7 States and 3 UTs. Details of demand received from the participating States/ UTs is as under:

Packagel: This package contains the demand for 9m and 12m Buses.

States/ UT	7m 9m Standard Floor AC	9m 12m Standard Floor AC	12m Standard Low Floor AC	Total
Bihar	-200	200	200-	-400
Chandigarh	-	-	-100	-100
Gujarat	-425	425-	-	-425
Haryana	-200	200-	-	-200

Total	450-2,026	2,076974	-1,074-100	3,600100

Package 2: This package contains the demand for 7m Buses.

States/ UT	7m Standard Floor AC
J&K	75
Maharashtra	193
Meghalaya	30
Odisha	60
Punjab	142
Total	500

3. ABOUT CESL

Energy Efficiency Services Limited (EESL) is an Energy Service Company (ESCO), promoted by Ministry of Power, Government of India as a Joint Venture of four reputed public- sector undertakings: NTPC Limited, Power Finance Corporation Limited, REC Limited and Power Grid Corporation of India Limited. EESL works through its wholly owned subsidiary Convergence Energy Services Limited (CESL) on electric mobility. CESL offers interventions that solve multiple gap areas in the energy ecosystem by amalgamating seemingly independent yet complementary sectors such as electricity, transport, home appliances and introducing models for adoption at scale through government partnerships and innovative financing such as carbon markets.

CESL launched a ‘Grand Challenge (GC)’ on 30th September 2021 to aggregate demand from the 9 cities selected for phase-II of the FAME II scheme on an Operational Expenditure (OPEX) basis, i.e., using Gross Cost Contracts (GCC). Under this model, the private service provider invests in the purchase of bus and charging infrastructure along with its operations and maintenance throughout the contract tenure and in return receive a per km (“PK”) fee. The revenue collection would continue to remain with the city. The model has the advantage of enabling the contracting authority to focus on overseeing service delivery, limiting the upfront capital investment by cities and the need to manage staff, and at the same time transferring the technology risk of electric buses to the service providers who are best suited to manage them.

To this end, CESL on behalf of Public Transport Agencies (also referred to as Authorities or State Transport Corporations in this Tender) for the aggregated demand received from Ministry of Housing and Urban Affairs (MoHUA) under PM-eBus Sewa Scheme, is floating a tender for “Selection of Bus Operator for Procurement, Supply, Operation and Maintenance of 3,600 buses. Buses shall be fully built electric buses of 7m, 9m, and 12m length along with allied electrical & civil infrastructure under Gross Cost Contract (GCC) Model in line with Volume 3 (the “Project”).

4. SCOPE OF WORK

- 4.1 This RfP has been prepared for the deployment of 7m, 9m and 12m electric buses on GCC basis, through the PM-eBus Sewa. A Concession Agreement as per the format provided in Volume 2 (“Agreement”) shall be signed between the Selected Bidder and the participating Authority (individual Agreements to be signed with each Authority). The ~~annual~~ monthly assured kms and period of Concession Agreement (“Concession Period”) for different types of buses is provided below.

Bus Type	Monthly Assured Kms	Concession Period
Type I* buses		
7m Standard Floor AC Bus	4,800	12 years

Signature :-

Date : 29-12-2023

Bus Type	Monthly Assured Kms	Concession Period
9m Standard Floor AC Bus	5,400	12 years
12m Standard Floor/ <u>Low Floor</u> AC Bus	6,000	12 years

*Type I definition as per AIS: 052

4.2 The scope of work for CESL shall be as follows:

- a. CESL shall play the role of a Program Manager for deploying electric buses under and shall be responsible for following:
 - i. Designing and implementing a transparent and fair competitive bid process.
 - ii. Designing and drafting of bid documents, agreements, and other documentation
 - iii. Finalization of the technical specifications for buses suitable for the participating STUs
 - iv. Floating of Tender for e-Buses deployment
 - v. Discovery of GCC prices and communicate the same to Authorities and Selected Bidders
 - vi. Assist Authorities and the Selected Bidder to finalize and sign the Concession Agreement.
 - vii. Administering Payment Security Mechanism (PSM) to be setup by Government of India (GOI) for Buses under this tender document.

5. BRIEF DESCRIPTION OF THE BIDDING PROCESS

The key points of bidding process are as follows:

- 5.1 **Bidding Process:** CESL has adopted a single-stage, two-envelope process (referred to as the "Bidding Process") for selection of the Bidder (The "Bidder", which expression shall, unless repugnant to the context, include the members of the Consortium) for award of the Project. Under this process, a Bid shall be invited under two envelopes. Along with the Bid, the Bidder shall pay to CESL a non-refundable sum of INR 25,000 towards bid-document fees. Eligibility and qualification will be determined based on details submitted in envelope 1 (Technical Bid). The Financial Bid as the second envelope shall be opened of only for those Bidders whose Technical Bids are responsive to eligibility and qualifications requirements as per this RfP. The eligibility and qualification of each bidder shall individually be assessed based on the requirement for each of the specified States/ UTs in the RfP.
- 5.2 **Evaluation and Allocation Process:** Bids will be evaluated based on the INR per km rate quoted by the Bidders for each Lot. Please refer to Clause 12 of this RFP for further details on award of contract and the evaluation process.
- 5.3 **Due Diligence and Site Visit:** Bidders are encouraged to examine and familiarize themselves fully about the Project/ nature of assignment, local conditions, availability of necessary materials, applicable laws and regulations, and any other matters considered relevant by them before submitting the bid. Bidders are encouraged to visit the depots where possible. Any comments shall be sent in writing and will be addressed by CESL during the Pre-Bid Meeting.
- 5.4 **Acknowledgement by Bidder:** It shall be deemed that by submitting the Bid, Bidder has made a complete and careful evaluation of RfP, received all relevant information from CESL, accepted risk of inadequacy, error or mistakes provided in RfP, acknowledged no conflict of interest, agreed to bound by undertakings provided by it under and in terms hereof. CESL shall not be liable for any omission, mistake, or error in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to the RfP or the Bidding Process, including any error or mistake therein or in any information or data given by either the Authority or CESL.

Signature : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da8016722444d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=ID.2.5.4.17=110003, O=ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

5.5 **Cost of Bid:** Bidders shall be responsible for all the costs associated with the preparation of their bid establishing eligibility, submission and participation in the bid process. CESL will not be responsible or in any way liable for such costs, regardless of the conduct or outcome of the bidding process.

5.6 **Bid Currency:** All prices quoted in the Bid shall be quoted in Indian National Rupee(s) (INR)

5.7 **Bid Validity:** Bid shall remain valid for a period of 180 days from Bid Due Date. CESL reserves the right to reject a bid as non-responsive if such bid is valid for a period of less than bid validity period and CESL shall not be liable to send an intimation of any such rejection to such Bidder.

In exceptional circumstances, prior to expiry of the original bid validity period, CESL may request the Bidders to extend the period of validity for a specified additional period. The request and the responses thereto shall be made in writing. A Bidder may refuse the request without forfeiting their Bid Security/ EMD. A bidder agreeing to the request will not be permitted to modify his bid but will be required to extend the validity of his Bid Security/ EMD for the period of the extension, and in compliance with RfP terms in all respects. The price as per the bid shall be valid for the entire duration of the Agreement when awarded within the bid validity period.

5.8 **Number of Bids by Bidder:** No Bidder, its Associate or any of consortium members or their associates shall submit more than one Bid for each individual Lot pursuant to this RfP. For each Lot any Bidder applying individually as single Bidder or a part of a consortium shall not be entitled to submit another Bid either individually or as member of another consortium, directly or indirectly through an associate of any other Bidder, as the case may be. If a Bidder submits or participates in more than one Bid in this manner, all such Bids shall be disqualified and rejected.

5.9 **Price Bid:** The Bidder needs to meet/ fulfil the eligibility and qualification criteria provided to qualify in the RfP. Bidder would be required to quote the rate in INR/km as per the contract conditions specified in this RfP. Price bid of only those Bidders fulfilling the eligibility and qualification criteria shall be opened. The Bidder having the lowest and responsive price Bid, which is determined as per clause 12 of this RfP, shall be considered as preferred Bidder for award of the project.

5.10 **Quotations:** Bidders should quote their rates in figures and numbers in the unit of Indian Rupees per kilometer, specified in the e-tender by carefully punching in the appropriate field. All prices quoted in the Bid shall be quoted in Indian Rupee(s) (INR). All taxes & charges necessary to affect the procurement and services for Operation of Stage Carriage Services of Electric Buses such as Goods & Service Tax (GST) etc. under the project should be included in the unit rate quoted by the bidder. **Price quoted is exclusive of GST, any taxes on unit rate if applicable will be borne by the Authority.**

All Price Bids shall be submitted through the e-tendering system and Bidders shall take utmost care while quoting rates and other charges, if any. No subsequent variation in the rates quoted in the price Bid will be allowed whatsoever. Issues such as error and misunderstandings, internet troubles and so on will not be entertained.

6. PROJECT MANAGEMENT CHARGES

6.1 CESL will charge Project Management Charges (PMC) at the rate of INR 41,000 + GST as applicable per bus from the Selected Bidder(s) of each lot. Out of this amount, an upfront fee of INR 11,000 + GST as applicable per bus to shall be paid at the time of bid submission by all the Bidders. The remaining amount of INR 30,000 + GST as applicable per bus shall be paid by the Selected Bidder for each lot as

per the milestones defined in clause 6.2

Activity	PMC Fee	Remarks
At the time of Bid Submission by all the bidders	Upfront ₹11,000 per bus + GST	The upfront fees will be adjusted for the Selected Bidders of each lot and for all the remaining Bidders a full refund of upfront fee will be made within 30 days from the issue of LoCQ to the Selected Bidders. No interest shall be payable on the PMC charges by CESL.

The Project Management Charges shall be paid only through NEFT/RTGS, as per the banking details given below:

Account Name: **Convergence Energy Services Limited**
Account Number: **000705051799**
Account Type: **Current**
Bank Name & Branch: **ICICI Bank, New Delhi Branch**
IFSC Code : **ICIC0000007**
MICR Code : **110229002**

- 6.2 CESL will enter into a Management Services Agreement with the Selected Bidder and will raise invoices for PMC charges to Selected Bidder as per the milestone defined below. GST will be extra as applicable.

Milestone	Activity completed	PMC fee	Remarks
1 st	Upon execution or the issue of supply order/LoA from Authority to Selected Bidder, whichever is earlier.	₹15,000 per bus +GST	Half of the balance fees (₹30K) for the overall awarded quantity
2 nd	Upon execution of the Agreement with the Authority.	₹15,000 per bus +GST	Remaining fees (₹15K) for the overall awarded quantity

- 6.3 The bidder will be required to make the payment against the invoice within 30 days of invoicing date else an interest charge @ 18% p.a. will be charged on delayed payment from the due date.

7. EARNEST MONEY DEPOSIT (EMD) / BID SECURITY

- 7.1 Bidder shall furnish a EMD i.e. Bid Security for the captioned work. It shall be provided from scheduled banks only, in form of irrevocable bank guarantee/ account payee demand draft in favour of CESL payable at New Delhi in the format as specified in Annexure 2 of Section 6.

- 7.2 Bidders may submit EMD in the form of Insurance Surety Bonds as well.

- 7.3 The Parent/ Associate whose Financial credentials have been used by the Bidder may alternatively provide Bid Security on behalf of the Bidder which should be supported by a Board resolution authorizing CESL to forfeit the Bid security in line with the provisions of this Tender. [BM1]

7.4 The State/ UT wise EMD details are provided in the table below:

Package 1

State/ UT	No. of Buses	Amount (in INR crores)
Bihar	400	10.99
Chandigarh	100	3.09
Gujarat	425	10.21
Haryana	200	4.80
J&K	200125	4.783.31
Maharashtra	1,453260	37.6133.83
Meghalaya	5020	1.060.48
Odisha	350290	8.837.66
Puducherry	75	2.14
Punjab	347205	85.38

Package 2

State/ UT	No. of Buses	Amount (in INR crores)
7m-J&K	75	1.47
7m-Maharashtra	193	3.78
7m-Meghalaya	30	0.58
7m-Odisha	60	1.17
7m-Punjab	142	2.78

7.31.1 The State/ UT wise EMD details are provided in the table below:

7.47.5 If a Bidder opts to bid for more than one State/ UT, then the EMD requirement for the Bidder would be the cumulative EMD requirement for all the States/ UTs being bid for, under each package.

7.57.6 No interest will be payable by CESL on the EMD.

7.67.7 The EMD of the Selected Bidder will be returned after the Performance Security (in the form of Contract Performance Bank Guarantee or Insurance surety bonds) in the format as specified in the Agreement, is furnished to the Authority, and all dues to CESL are paid. Written confirmation from the Authority or alternatively proof of receipt of Performance Security/ CPBG by the Authority shall be required before releasing the EMD.

7.77.8 EMD of all techno-commercially/financially unsuccessful bidders will be returned to them within 30 days.

of issuance of Letter of Confirmation of Quantity (LoCQ) to the successful bidder by CESL.

~~7.87.9~~ EMD may be provided by more than one bank.

~~7.97.10~~ The EMD of a Bidder shall be forfeited in the following events:

- a. If a bidder withdraws/modifies/changes its Bid during the period of Bid validity.
- b. In the case of a Selected Bidder, if the bidder fails to sign the Concession Agreement with the Authority for any default on their part within the stipulated time as specified under this RfP.
- c. Successful bidder fails to furnish the required CPBG within stipulated time as per the terms and conditions mentioned in this RfP.
- d. In case the Selected Bidder does not clear its dues as per due dates specified in this RfP.
- e. Bidders submitting any wrong information or making any misrepresentation in their Bid as per the RfP terms.
- f. If the bidder engages in fraudulent practices as mentioned in clause 20 of Volume 1 within the period of validity of bid.
- g. In case of occurring of any other event as may be specifically stated in the RfP document.

8. BIDDING CONDITION FOR SINGLE BIDDER/ CONSORTIUM AND FORMATION OF PROJECT IMPLEMENTING ENTITY (SPV)

A Bid under this RfP can be submitted by either a Single Bidder or a Consortium as defined in this RfP.

8.1 Single Bidder

- a) The Bids can be submitted by either an OEM or its Parent/ Associate as a Single Bidder that fulfils the eligibility criteria mentioned in clause 9 of Volume 1.

8.2 Consortium

- a) Consortium of maximum 3 (three) members is allowed.
- b) At least one of the members of the Consortium should be an OEM or its Associate and the OEM or its Associate shall be required to fulfil the Technical Qualification criteria mentioned in clause 9 of Volume 1. Further, the OEM or its Associate shall mandatorily hold minimum 26% shareholding in the Consortium and shall also continue to hold minimum 26% of the subscribed and paid-up equity share capital in the Project Implementing Entity till the end of the Agreement period.
- c) The Bid shall contain a legally enforceable Consortium Agreement entered amongst the Members of the Consortium, designating one of the Members to be the Lead Member. Each Member in Bidding Consortium shall duly sign the Consortium Agreement making it liable for raising the required funds for its respective equity investment commitment as specified in the Consortium Agreement. Name of consortium members and their roles & responsibilities shall be indicated clearly in the consortium agreement (which is required to be submitted in the bid) including name of lead and non-lead members and should be duly notarized. Consortium Agreement shall be submitted in the format specified at Annexure 7 of Section 6. In absence of Consortium Agreement, the Bid will not be considered for evaluation and will be rejected.

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- d) The lead member of the consortium shall hold at least fifty one percent (51%) shareholding in the Consortium and shall continue to hold a minimum 51% of the subscribed and paid-up equity share capital in the Project Implementing Entity up to the Commercial Operation Date (COD) of the Project.
- e) Provided that the Lead Member of the Consortium will be liable to the extent of 100% of the total proposed commitment of equity investment of the Consortium i.e. for both its own equity contribution as well as the equity contribution of other Members.
- f) The Lead Member of the Consortium will be the single point of contact for the purposes of this bid process before the date of signing of Concession Agreement. Settlement of any dispute amongst the Consortium Members shall not be the responsibility of CESL and CESL shall not bear any liability whatsoever on this account.
- g) The Lead Member should designate at the most two persons to represent the Consortium in its dealings with CESL. The person(s) designated by the Lead Member should be authorized through a Power of Attorney (as per format specified in Annexure 4 of Section 6) to perform all tasks including, but not limited to providing information, responding to enquiries, signing of Technical Bid on behalf of the Consortium, etc. The Consortium members shall provide board resolutions from their respective Boards for committing their respective portion of equity requirement for the Project. Additionally, the Lead member shall provide a Board resolution committing to make good any shortfall in the equity for the project, in case of any member not meeting its equity commitment.
- h) The Bid should also contain signed Letter of Consent (as per Annexure 8 in Section 6) from each Member of Consortium confirming that the entire Bid has been reviewed and each element of the Bid is agreed to by them including investment commitment for the Project.
- i) In addition, the Bid should also contain Board Resolution from Lead Member of the Consortium in favour of their respective authorized representatives for executing the POA, Consortium Agreement and signing of the requisite formats.

8.3 Project Implementing Entity

- a) In case the Single Bidder, is notified as Selected Bidder under the provisions of this RfP, it has the option of executing the Agreement and implementing the Project through a Special Purpose Vehicle (SPV) i.e. a Project Implementing Entity incorporated as a subsidiary Company of the Selected Bidder for implementing the Project, with 100% direct shareholding in the SPV which has to be registered under the Indian Companies Act, 2013, before signing of Concession Agreement. For avoidance of doubt, it is clarified that the SPV as mentioned above should be an immediate subsidiary of the Selected Bidder, without any intermediaries involved.
- b) In case the Selected Bidder is a Consortium, it shall be mandatory to form an SPV (Project Implementing Entity) to execute the Concession Agreement and implement the Project. In case of the Consortium, the OEM or its Associate shall mandatorily hold minimum 26% subscribed and paid-up equity share capital in the SPV throughout the period of the Agreement.
- c) The Selected Bidder can form only a single SPV for each Concession Agreement that shall be signed under this Project. In the interest of clarity, it is mentioned that only one SPV is allowed per Authority per Selected Bidder for signing the Agreement with the respective Authority and implementing the project. **However, the same SPV may be used by the Selected Bidder to execute**

- d) The SPV should not consist of more than 1 OEM or its Associate as an equity stake holder in that SPV.
- e) The SPV shall at no time undertake or permit any Change in Ownership except in accordance with the provisions of the Agreement; and that the Selected Bidder (or the Consortium members), shall hold not less than:
- i) 51% (fifty-one per cent) of its subscribed and paid-up Equity on the date of this Agreement and for a period of 3 (three) years from the date of Commercial Operations Date (COD) as defined in the Agreement; and
- ii) Additionally, the OEM or its Associate shall continue to hold at least 26% of the subscribed and paid-up equity shareholding in the SPV till the end of the period of Agreement.
- f) Any non-compliance with the provision hereof by the Selected Bidder with regards to shareholding requirement during the Agreement period, and failure to remedy such non-compliance within [30 (thirty)] days from the date of Authority's notice in this regard shall constitute an operator(s) (as defined in the Agreement) event of default, which shall entitle the Authority to terminate the Concession Agreement in accordance with the provisions thereof.
- g) Notwithstanding the provisions of above, the Selected Bidder shall ensure, that in the event it has been selected for the Project on the financial capabilities of its/any of the Parent/ Associate, the said Parent/ Associate shall remain a(n) Parent/ Associate of the successful bidder, for at least three years from COD (as defined in the Agreement).
- h) Further, Selected Bidder shall also ensure, that in the event it has been selected for the Project on the technical capabilities of its/any of the Parent/ Associate, the said Parent/ Associate shall remain a(n) Parent/ Associate of the Selected Bidder, till the end of the Agreement.

9.2 The Bidder is required to separately meet the financial qualification criteria mentioned above in the ~~table~~tables for each of the States/ UTs. In case a Bidder is submitting a Bid for more than one State/ UT, then the financial qualification criteria is required to be met cumulatively for all such States/ UTs in each package.

9.3 The Bidder may seek qualification based on technical and financial capability of its Parent and/ or Associate(s) for the purpose of meeting the Qualification criteria.

9.3.1 The technical capability of a particular entity, including its Parents and/or Associates, shall not be used directly or indirectly by more than one Bidder/ Consortium member for an individual State/ UT(s) in which the Bidder is participating.

~~9.3.2 The Bidder/ Consortium member must be a wholly owned subsidiary of its Parent, whose credentials are being used for seeking qualification based on financial capability.~~

~~9.3.3~~9.3.2 In case the Bidder or Member of the consortium uses the technical and financial capability of its Parent/ Associate for the purpose of meeting the qualification criteria, then a certificate by the Statutory Auditor clearly explaining how the Parent/ Associate firm meets the above definition of the Parent/ Associate under the RfP shall be submitted by the Bidder.

~~9.3.4~~9.3.3 However, credentials of the partners of Joint Venture cannot be clubbed for the purpose of compliance with technical and financial capability for the purpose of meeting the Qualification criteria.

10. SUBMISSION OF THE BID

10.1 The information and documents in Technical Bid will be submitted by the Bidder as per the formats specified in Section 6 of this document.

10.2 Strict adherence to the formats wherever specified, is required. Wherever, information has been sought in specified formats, the Bidder shall refrain from referring to brochures/ pamphlets. Non-adherence to formats and/ or submission of incomplete information may be a ground for rejecting the bid.

10.3 Bid documents shall be signed and stamped by the authorized signatory of the bidder on each page. In case of a Consortium, this signature shall be that of the authorized signatory and shall bind the bidder to the contract. The signed pages shall be scanned and uploaded at designated places. In case of printed and published documents, only the cover shall be initialed. All the alterations, omissions, additions, or any other amendments made to the bid shall be initialed by the person(s) signing the Bid. Each page of the Bid must be numbered at the right-hand top corner.

10.4 The Bid shall include unconsolidated/consolidated audited annual accounts (consisting of unabridged Balance Sheet, Profit and Loss Account, profit appropriation account, Auditors Report, etc.), as the case may be, of Bidder or each member in Consortium including Lead Member for the last three (3) financial years immediately preceding the Bid Due Date.

- 10.5 The Bidder should designate at the most two persons to represent the Bidder in its dealings with CESL. The person(s) should be authorized to perform all tasks including, but not limited to providing information, responding to enquiries, signing of Bids etc. The Bidder should submit, along with Bid, a Power of Attorney (as per format specified in Annexure 3 and 4 of Section 6), authorizing the signatory of the Bid. Bidder shall submit the board resolution committing 100% of equity requirement for the Project, in the Bid.

11. CONFLICT OF INTEREST

- 11.1 A Bidder shall not have a conflict of interest that affects the Bidding process (the “Conflict of Interest”). In the event a Bidder is found to have a Conflict of Interest, CESL may choose to reject the Bid, terminate the Agreement (in the event it has been awarded) as per termination clause in the Agreement.
- 11.2 Any Bidder found to have a Conflict of Interest shall be disqualified. A Bidder shall be deemed to have a Conflict of Interest affecting the bidding process, if:
- a) the Bidder or its Member (or any constituent thereof) and any other Bidder or its Member (or any constituent thereof) have common controlling shareholders or other ownership interest; Provided that this disqualification shall not apply in cases where the direct or indirect shareholding of a Bidder or its Member (or any shareholder thereof having a shareholding of more than 15% (fifteen per cent) of the paid up and subscribed share capital of such Bidder or its Member, as the case may be) in the other Bidder or its Member, is less than 15% (fifteen per cent) of the subscribed and paid-up equity share capital thereof; Provided further that this disqualification shall not apply to any ownership by a bank, insurance company, pension fund or a public financial institution referred to in sub-section (72) of section 2 of the Companies Act, 2013. For the purposes of this Clause, indirect shareholding held through one or more intermediate persons shall be computed as follows: (i) where any intermediary is controlled by a person through management control or otherwise, the entire shareholding held by such controlled intermediary in any other person (the “Subject Person”) shall be taken into account for computing the shareholding of such controlling person in the Subject Person; and (ii) subject always to sub-clause (a) above, where a person does not exercise control over an intermediary, which has shareholding in the Subject Person, the computation of indirect shareholding of such person in the Subject Person shall be undertaken on a proportionate basis; provided, however, that no such shareholding shall be reckoned under sub-clause (ii) if the shareholding of such person in the intermediary is less than 26% of the subscribed and paid-up equity shareholding of such intermediary; or
 - b) a constituent of such Bidder is also a constituent of another Bidder; or
 - c) such Bidder or its Member thereof receives or has received any direct or indirect subsidy, grant, concessional loan or subordinated debt from any other Bidder or its Member, has provided any such subsidy, grant, concessional loan or subordinated debt to any other Bidder or its Member; or
 - d) such Bidder has the same legal representative for purposes of this Bid as any other Bidder; or
 - e) such Bidder, has a relationship with another Bidder, directly or through common third party/ parties, that puts either or both of them in a position to have access to each other’s information about, or to influence the Bid of either or each other; or
 - f) such Bidder has participated as a consultant to the Authority in the preparation of any documents, design, or technical specifications of the Project.
- Explanation: In case a Bidder is a Consortium, then

the term Bidder as used in this Clause shall include each Member of such Consortium.

*City wise demand is placed at Annexure B.

12.2 Bidding Conditions:

1. Each State/ UT in **Package 1** will have only one ~~unique~~ Selected Bidder. A Bidder participating for a particular State/ UT in Package 1 may also participate for the same State/ UT in Package 2.
2. The Bidder may participate in the Bid for either one or more States. **However, Bidder must mandatorily submit price bid for all Lot(s) pertaining to a particular State in **Package 1** in which it is participating.** The Bidder will be considered disqualified in case a Price Bid is not submitted for any Lot forming part of the State in **Package 1** in which the Bidder is participating. It is further clarified that a Bidder participating for a particular state in Package 1 need not mandatorily participate for the same State/ UT in Package 2.

For example, for Chandigarh the Bidder must quote for Lot 3 to be considered qualified, for Bihar the Bidder must quote for Lot 1 & 2 to be considered qualified for the State of Bihar, for J&K the Bidder must quote for Lot 6, ~~Lot & 7 and Lot 8~~ to be considered qualified for J&K under Package 1 and the same Bidder may or may not quote for 7m buses in the State/ UT as per Package 2.

3. The L1 price for each State/UT for **Package 1** will be calculated using the weighted average price (“**Weighted PK Fees**”) bid for all lots forming part of the Price Bid for that State-/UT.

4. For **Package 2**, Bids will be evaluated independently for each lot, depending on the INR per km rate quoted by the Bidders.

A sample illustration for the State of **J&K and MeghalayaBihar** has been presented below for the Bidder(s).

Example 1: Price Bid submitted for J&K:

Type of Buses =>	7m	9m	12m
J&KBihar		Lot 61	Lot 72 Lot 8
No of Buses (A)		75200	80200 45
Assured kms/day (B)	16 0	180	200
Total bus kms of operation (kms/day) (C) I = A x B	1236,000	14,40 0	940,000
Sum of bus kms of operation (kms/ day) (D)	35,40076,000 (1236,000+14,400+9 + 40,000)		
Quoted "PK fee" by bidder (INR/km) (E) I	42	55	60
Cost of Operation per day (INR/ day) (F) = C x E	5041,980,000	7922,400,00	540,00 0
Total Cost of Operation of Buses (INR/ day) (G)	1,8364,380,000 (5041,980,000+792,000+540 + 2,400,000)		
Weighted PK Fee (INR/ km) (H) = G / D	51.86 57.63		

Example 2: Price Bid submitted Weighted PK fee for Meghalaya:

4.5. Weighted PK fee Package 1 is only for determination of Lowest bidder (L1) in a particular State/UT.

5.6. To further clarify, payment to the Selected Bidder will be made as per the Quoted rate for each Lot(s) in that State/UT.

6.7. The maximum number of cumulative Buses that can be allotted to one Bidder **in Package 1** will be restricted to **2,520170 Buses** (“Quantity Restriction”). If the selected bidder is L1 in multiple states and the cumulative no of buses in those States are more than 2,520170 then such bidder is eligible to get maximum up to 2,520170 buses only. In such cases, L1 bidder will have the right to choose the State(s) of its choice subject to the maximum of cumulative 2,520 buses. 170 buses. However, there will be no Quantity Restriction in Package 2 and any awarded quantity in Package 2 will not be included in Quantity Restriction under Package 1.

Type of Buses =>	7m	9m	12m
Meghalaya	Lot 12	Lot 13	-
No of Buses (A)	30	20	—————
Assured kms/day (B)	160	180	N/A
Total bus kms of operation (kms/day) (C) = A x B	4,800	3,600	N/A
Sum of bus kms of operation (kms/ day) (D)	8,400 (4,800+3,600)		
Quoted “PK fee” by bidder (INR/km) (E)	46	54	N/A
Cost of Operation per day (INR/ day) (F) = C x E	220,800	194,400	N/A
Total Cost of Operation of Buses (INR/ day) (G)	415,200 (220,800+194,400)		
Weighted PK Fee (INR/ km) (H) = G / D	49.43		

12.3 CESL shall appoint Selected Bidder(s) for each State in the following manner:

1. The Financial bids of those Bidders who are found responsive and are qualified in accordance with the terms of this RfP shall be opened and evaluated independently for each lot, depending on the INR per km rate quoted by the Bidders.
2. A list of all such Bidders whose financial bids are opened will be prepared ranking the Lowest Bidder (L1) up to the Highest Bidder (H1) separately for each Package for each State. (“Rank List”).
3. The Bidder quoting the Lowest Price (L1 Bidder) shall be considered the “Preferred Bidder” for each State/ UT individually in Package 1 and Package 2.
4. In case ~~the cumulative number of Buses to be awarded to one~~ Bidder is L1 for more than 2,520/170 No. of Buses in Package 1, then CESL shall ask the Preferred Bidder to choose the States in Package 1 in which it wishes to operate.
5. For the remaining States in Package 1, CESL shall call the Second Lowest Bidder (L2) for each State where the L1 Bidder has agreed to forego its allotment due to the Quantity Restriction and request the L2 Bidder to carry out the scope of work as per the RfP at the Lowest Price at which the First Bidder (L1) is considered for award (Price Matching).
6. In case the L2 bidder agrees to match the Lowest Price (L1), it shall be considered the “Second Preferred Bidders” and be eligible for award of the remaining quantity of those States.
7. If Second Lowest Bidder (L2) does not agree to match the price of the First Preferred Bidder (L1) but subsequent lowest bidders (L3/L4/L5 etc.) do agree to match the price of the First Preferred Bidder, they shall be considered the “Second Preferred Bidders”.
8. In case none of bidders agree to match the price of First Preferred Bidder (L1), the entire lot may be recommended to be awarded to L1, at the sole discretion of CESL based on their eligibility criteria as defined in the RfP.
9. CESL, and only CESL, retains right to negotiate with the bidder(s). CESL also does not bind itself to accept the preferred bid before or after the negotiations and it reserves the right to accept or reject any bid, in whole or in part. To be clear, this right is not automatically passed on to States/ Cities participating in this Tender.
10. Upon opening of the Price bids, in case Price quoted by Lowest Bidder in relation to the market rate or its internal estimate or Good Industry Practice is found to be not as per market benchmark, CESL shall be entitled to solicit, at its sole discretion, detailed price analysis for any or all items specified in Price Bid, from the said bidder to demonstrate the internal consistency of those prices.
11. CESL shall declare the Preferred Bidder(s) as Selected Bidder(s) if it's/their bid(s) is/are most favorable/favourable as per the provisions of RfP and shall suggest to Authority to enter into Agreement with these Selected Bidder(s).
12. After the financial evaluation of the submitted bids, CESL shall issue LoCQ (Letter of confirmation of quantity) for each Lot to the Selected Bidder.
13. If there is only one Bidder for a particular State, CESL shall deem this a “poor response”. CESL shall discuss with Authority and proceed to recommend award of 100% quantity subject to approval of the Authority.

13. PREPARATION AND SUBMISSION OF TECHNICAL BID AND PRICE BID

13.1 Format and Signing of Bid

- a. The Bidder shall provide all the information sought under this RfP. CESL will evaluate only those bids that are received online in the required formats and complete in all respects. Bid Security, cost of bid document, Power of Attorney (POA) and Joint Bidding/ Consortium Agreement etc. as specified in the RFP are to be submitted in hard copies.
- b. The Bid shall be typed and signed in **indelible blue ink** by the authorized signatory of the Bidder. All the alterations, omissions, additions, or any other amendments made to the Bid shall be initialed by the person(s) signing the Bid.
- c. All pages of the Bid shall be serially numbered, and Bid shall comprise of index mentioning the details of all the appendices and annexures and other documents submitted by the Bidder.

13.2 All the information and documents in Bid shall be submitted in English language only.

13.3 Bidders shall mention the name, designation, telephone number, fax number, email address of the authorized signatory and complete address of the Bidder in the covering letter as per annexure 1 in Section 6.

13.4 All pages of the Bid shall be initialed and stamped by the authorized signatory on behalf of the Bidder.

13.5 A Bidder shall submit only one Bid in the same bidding process, either individually as Bidder or as a Member of a Consortium.

13.6 The technical and financial capability of a particular company / particular project (Parent and/ or Associate) shall not be used directly or indirectly by more than one Bidder/ Member of a Consortium including Lead Member / Bidder.

13.7 This Request for Proposal (RfP) document is not transferable. The RfP document and the information contained therein is for the use only by the Bidder to whom it is issued. It may not be copied or distributed by the recipient to third parties (other than in confidence to the recipient's professional advisors). In the event that the recipient does not continue with its involvement in the Project, this RfP document must be kept confidential.

13.8 Though adequate care has been taken while preparing this RfP document, the Bidder shall satisfy himself that the document is complete in all respects. Intimation of any discrepancy shall be given to CESL immediately. If no intimation is received from any Bidder within ten (10) days from the date of issue of RfP document, it shall be considered that the RfP document is complete in all respects and has been received by the Bidder.

13.9 Bids submitted by the Bidder and opened on scheduled date and time as stipulated in this RfP shall become the property of CESL and CESL shall have no obligation to return the same to the Bidder.

13.10 CESL may, at its sole discretion, ask for additional information / document and/or seek clarifications from a Bidder after the Bid Due Date, inter alia, for the purposes of removal of inconsistencies or infirmities in its Bid. However, no change in the substance of the Financial Bid shall be sought or permitted by CESL.

13.11 Non submission and/or submission of incomplete data/ information required under the provisions of RfP shall not be construed as waiver on the part of CESL of the obligation of the Bidder to furnish the said data / information unless the waiver is in writing.

13.12 All Bidders are required to ensure compliance with all the Applicable Laws.

15. OTHER REQUIREMENTS

- 15.1 Bidders shall ensure that any number mentioned in the Price bid shall be followed by words in relation to such numerical format of the number, and in the event there is a conflict in the numerical and word format of the number, the number provided in words shall prevail.
- 15.2 In case of the Bidder being company incorporated under Indian Companies Act 1956/ 2013, the power of attorney (POA) in favor of Authorized Signatory shall be submitted in the format provided in Annexure 3 and 4 of Section 6. The POA shall be supported by a board resolution (as per the format in Annexure 9 of Section 6).
- 15.3 The Selected Bidder and the Authority are encouraged to facilitate the participation of women in the operations of the electric buses, deployed under the PM's e-Bus Sewa scheme.

16. REJECTION OF BID

- 16.1 CESL reserves the right to verify all statements, information and documents submitted by the Bidder in response to the RfP and the Bidder shall, when so required by CESL, make available all such information, evidence and documents as may be necessary for such verification. Any such verification, or lack of such verification by CESL shall not relieve the Bidder of its obligations or liabilities hereunder nor will it affect any rights of the Authority thereunder.
- 16.2 CESL reserves the right to reject any Bid or take other administrative action if:
- At any time, a material misrepresentation is made or uncovered, or
 - The Bidder does not provide, within the time specified by CESL, the supplemental information sought by the Authority for evaluation of the Bid.
 - Such misrepresentation/ improper response shall lead to the disqualification of the Selected Bidder. If the Selected Bidder is a Consortium, then the entire Consortium may be disqualified/ rejected. If such disqualification/ rejection occurs after the Bids have been opened and the lowest Bidder gets disqualified/rejected, then CESL reserves the right to annul the Bidding Process and invite fresh Bids.
- 16.3 A bid can be rejected by CESL without any further correspondence, as non-responsive, if,
- Technical and/or price bid is not submitted online in the manner as prescribed is not in conformity with the terms and provisions.
 - Technical and/or price bid is not submitted /incomplete submitted in the bid-forms.
 - Price Bid submitted in physical form shall be considered nonresponsive and rejected.
 - Bid security (EMD) and RfP fees or EMD do not conform to the provisions set forth in this RfP is not submitted.
 - The bidder engages in any fraudulent practices defined in section 20 of this RfP.
 - A bidder submits or participates in more than one bid under this RfP.
 - Record of poor performance such as abandoning the work, rescinding of contract for which the reasons are attributable to the non-performance of the bidder or consistent history of litigation awarded against the applicant or financial failure due to bankruptcy is observed.
 - Bidder is debarred or terminated or blacklisted in India by Central Govt. organization / State Govt.

organization/any Municipal Corporation / ULBs etc. In this regard, the relevant provisions of Clause 3.5 “Debarment of Suppliers” of Manual of Procurement of Goods (Updated June 2022) issue by Department of Expenditure, Ministry of Finance, GoI shall be applicable.

- i. The Bidder or any of its Associates has had any of their contracts terminated by any central, state, or local government or government instrumentality for breach of such contract by the Bidder or any of its Associates, and that such termination has not been set aside or stayed by a competent judicial authority.
- j. The Bidder or any of its Associates has been categorized as a willful defaulter by any lender, in accordance with applicable laws.
- k. CESL reserves the right to seek information and evidence from the Bidders with respect to their continued eligibility at any time during the Bidding Process and each Bidder undertakes to promptly provide all of the information and evidence requested by CESL.
- l. Any of the directors has a criminal history or has been convicted by any court of law for any of the offenses under any Indian laws.
- m. Any criminal proceeding is pending in any court of law in India against any of the directors and if any such proceeding culminates into conviction.
- n. If Bidder makes an effort to influence CESL in its decisions on bid evaluation, Bid comparison or selection of the successful Bidder.
- o. Bidders may specifically note that while evaluating the Bid, if it comes to CESL’s knowledge expressly or implied, that some Bidders may have compounded in any manner whatsoever or otherwise joined to form an alliance resulting in distorting competitive price discovery or delaying the processing of Bid, then the Bidders so involved are liable to be disqualified for this contract as well as future bids/contracts.

16.4 Predatory Pricing/Abnormally high price. In case the Price Bid of the Lowest Bidder is found to be unrealistically lower or unrealistically higher than internal estimate/benchmark or market rate or Good Industry Practice, CESL reserves the right to seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, allocation of risks and responsibilities, and any other requirements of the bid document. If, after evaluating the price analyses, the price is found to be abnormally higher than market benchmark, then the Bid/Proposal may be rejected as non-responsive and will not be considered any further for award.

16.5 Cartel Formation/Pool Rates. It is possible that sometimes a group of bidders quote the same rate against a tender. Such pool/cartel formation is against the basic principle of competitive bidding and defeats the very purpose of an open and competitive tendering system. Such and similar tactics to avoid/control true competition in a tender-“leading to “Appreciable Adverse Effect on-”Competition” (AAEC) have been declared as an offence under the Competition Act, 2002, as amended by the Competition (Amendment) Act, 2007. In case of evidence of cartel formation, CESL may carry out detailed cost analysis by associating experts if necessary, and if the same is established, suitable administrative actions can be resorted to by CESL such as rejecting the offers, reporting the matter to trade associations, the Competition Commission or NSIC, etc., and requesting them, inter-alia, to take suitable strong actions against such firms.

17. SIGNING OF CONCESSION AGREEMENT

- 17.1 The Selected Bidders (s) would be required to execute the Concession Agreement as per the timelines defined within this RfP. The Concession agreement that shall be signed between the Authority and Selected Bidder under this Project is provided in Volume 2 of this RfP.
- 17.2 All incidental expenses related to execution of the Concession Agreement shall be borne by the Selected Bidder.

18. CONTACTS DURING BID EVALUATION

Bids shall be deemed to be under consideration immediately after they are opened and until such time CESL makes official intimation of award/ rejection to the bidders. While the bids are under consideration, bidders and/ or their representatives or other interested parties are advised to refrain, save and except as required under the bidding documents, from contacting by any means, CESL and/ or their employees/representatives on matters related to the bids under consideration.

19. CONFIDENTIALITY AND PROPRIETARY DATA

Information relating to the examination, clarification, evaluation, and recommendation for the bidders shall not be disclosed to any person who is not officially concerned with the process or is not a retained professional advisor advising CESL in relation to, or matters arising out of, or concerning the bidding process. CESL will treat all information, submitted as part of the bid, in confidence and will require all those who have access to such material to treat the same in confidence. CESL may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or is to enforce or assert any right or privilege of the statutory entity and/ or CESL or as may be required by law or in connection with any legal process.

All documents and other information supplied by the Authority or submitted by a Bidder to the Authority shall remain or become the property of the Authority.

Bidders are to treat all information as strictly confidential and shall not use it for any purpose other than for preparation and submission of their Bid. The Authority will not return any Bid or any information provided along therewith.

20. FRAUDULENT AND CORRUPT PRACTICES

- 20.1 The Bidders and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process. Notwithstanding anything to the contrary contained herein, CESL may reject a Bid without being liable in any manner whatsoever to the Applicant if it determines that the Bidder has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process.
- a. Without prejudice to the rights of CESL under Clause a) hereinabove, if a Bidder is found by CESL to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, such Bidder shall not be eligible to participate in any tender or RfP issued by CESL during a period of 2 (two) years from the date such Bidder is found by CESL to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.
- b. For the purposes of this clause, the following terms shall have the meaning hereinafter respectively assigned to them:
- 20.2 **“Corrupt practice”** means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the bidding process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of CESL who is or has been associated in any manner, directly or indirectly, with the bidding process or the LOA or has dealt with matters concerning the contract or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of CESL, shall be deemed to constitute influencing the actions of a person connected with the bidding process); or
- Engaging in any manner whatsoever, whether during the bidding process or after the issue of the LOA or after the execution of the contract, any person in respect of any matter relating to the project or the LOA or the contract or otherwise, who at any time has been or is a legal, financial or technical adviser of CESL in relation to any matter concerning the project;
- 20.3 **“Fraudulent practice”** means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding Process.
- 20.4 **“Coercive practice”** means impairing or harming, or threatening to impair or harm, directly or indirectly, any person or property to influence any person’s participation or action in the Bidding Process.
- 20.5 **“Undesirable practice”** means (i) establishing contact with any person connected with or employed or engaged by CESL with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or (ii) having a Conflict of Interest; and
- 20.6 **“Restrictive practice”** means forming a cartel or arriving at any understanding or arrangement among Bidders with the objective of restricting or manipulating a full and fair competition in the Bidding Process.

21. INSPECTION AND PROCUREMENT SCHEDULE

- 21.1 The procurement of bus after the award of contract shall be subject to prototype approval by a central agency nominated by MoHUA. The central agency will carry out a detailed inspection and trial of the prototype bus to ensure compliance with RfP specifications including particularly bus battery capacity and range, quality of the bus and workmanship. Bidder should provide testing certificates as per the requirement stated in Volume 1 with the Technical Bid which will comply the statutory requirements as stipulated in Motor Vehicles Act, 1988 /Central Motor Vehicle Rules including the CMVR Type Approval of the Electric bus offered at the time of delivery of vehicle.
- 21.2 Each State may also carry out a centralized test trial of the prototype bus for each type of Bus (7m, 9m and 12m) demanded by those States under this RfP or it can refer the report submitted to MoHUA by the central agency. The test trial of prototype bus operation systems is to measure its performance in terms of battery capacity, battery range as well to ensure the compatibility of the charging requirement of electric bus with subsisting bus schedule. In case of any non-compliance in the final prototype bus, remedial work shall be immediately carried out by the operator at its own risk and cost. In the event of operator not being able to showcase a prototype bus meeting RfP specification within 60 days beyond the stipulated date of prototype delivery, then, it shall be considered an event of default by the operator leading to annulment of the award of contract and termination of the agreement.

21.3 A detailed tentative timeline for the procurement is provided below:

For 9m and 12 m Standard Floor/ Low Floor AC

S. No.	Details	Timeline	No. of days from LoA for delivery of buses
1	Bid Due Date (T0)	T0	
2	Completion of technical Evaluation (T1)	T0 + 7 Days	-
3	Opening of Financial Bids received by CESL (T2)	T1 + 7 Days	-
4	Price Matching (T3)	T2 + 7 Days	-
5	Sharing of prices with States and acknowledgement (T4)	T3 + 2 Days	-
6	Approval of Prices and Issuance of LoA by the Authority (T5)	T4 + 2 Week	-
7	Submission of performance security and signing of Concession agreement (T6)*	T5 + 8 Weeks	-
8	Prototype testing and approval of the same (T7)	T6 + 2 weeks	-
9	Completion of conditions precedent and handover of depots by the STU/Authority (T8)	T6 + 12 Weeks	-
10	Fit-out works completion and delivery of min 40% Buses qty awarded in the LOA	T8 + 6 Weeks	182 days
11	Delivery of minimum 75% Buses qty awarded in the LOA	T8 + 18 Weeks	266 days
12	Delivery of 100% Buses qty awarded in the LOA	T8 + 30 Weeks	350 days

** The Selected Bidder(s) has the option not to execute the Concession Agreement unless the PSM scheme has been notified by GoI.*

For 7m Standard Floor AC*

S. No.	Details	Timeline	No. of days from LoA for delivery of buses
1	Bid Due Date (T0)	T0	
2	Completion of technical Evaluation (T1)	T0 + 7 Days	-
3	Opening of Financial Bids received by CESL (T2)	T1 + 7 Days	-
4	Price Matching (T3)	T2 + 7 Days	-
5	Sharing of prices with States and acknowledgement (T4)	T3 + 2 Days	-
6	Approval of Prices and Issuance of LoA by the Authority (T5)	T4 + 2 Week	-
7	Submission of performance security and signing of Concession agreement (T6)*	T5 + 8 Weeks	-
8	Prototype testing and approval of the same (T7)	T6 + 16 weeks	-
9	Achievement of Appointed Date (Completion of conditions precedent and handover of depots by the STU/Authority) (T8)	T6 + 12 Weeks	-
10	Fit-out works completion and delivery of min 40% Buses qty awarded in the LOA	T8 + 820 Weeks	196280 days

S. No.	Details	Timeline	No. of days from LoA for delivery of buses
11	Delivery of minimum 70% Buses qty awarded in the LOA	T8 + 18 32 Weeks	266 364 days
12	Delivery of 100% Buses qty awarded in the LOA	T8 + 30 44 Weeks	350 448 days

~~*In case of 7m Buses, the The Selected Bidder will be given(s) has the option not to execute the Concession Agreement unless the PSM scheme has been notified by GoI.~~

~~The additional 14 Weeks for the Prototype approval. It is further clarified that this time relaxation for 7m Buses is being provided only for the first tender being rolled out under PM eBus Sewa.~~

22. GOVERNING LAW AND JURISDICTION

The Bidding Process shall be governed by, and construed in accordance with, the laws of India and the Courts at New Delhi shall have exclusive jurisdiction over all disputes arising under, pursuant to and/ or in connection with the Bidding Process.

23. INDEMNITY

23.1 CESL in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to;

- Suspend and/ or cancel the bidding process and/ or amend and/ or supplement the bidding process or modify the dates or other terms and conditions relating thereto.
- Consult with any Bidder in order to receive clarification or further information.
- Retain any information and/ or evidence submitted to CESL by, on behalf of, and/ or in relation to any Bidder; and/ or
- Independently verify, disqualify, reject and/ or accept any and all submissions or other information and/ or evidence submitted by or on behalf of any Bidder.

23.2 It is deemed that by submitting the Bid/ Eligibility and Qualification Submission, the Bidder agrees and releases CESL, its employees, agents and advisers, irrevocably, unconditionally, fully and finally from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and/ or performance of any obligations hereunder, pursuant hereto and/ or in connection with the Bidding Process and waives, to the fullest extent permitted by applicable laws, any and all rights and/or claims it may have in this respect, whether actual or contingent, whether present or in future.

24. INDIGENIZATION AND COMPONENT WISE MANUFACTURING AND ORIGIN INFORMATION

Bidder should comply indigenization of components as mentioned in Table 1 below. This requirement needs to be certified by the authorized testing agency.

Table 1 – Compliance for indigenization of xEV parts of eBus

S No.	Item Description
2	Electric Compressor
3	Power and control Wiring harness along with connectors
4	MCB/Circuit breakers/ electric safety device
5	AC Charging Inlet Type 2
6	DC Charging Inlet CCS2 / CHAdeMO
7	DC charging inlet BEVC DC 001
8	Traction Battery Pack
9	Wheel rim integrated with hub motor
10	DC – DC Convertor
11	Electronic Throttle
12	Vehicle Control Unit
13	On Board Charger
14	Traction Motor
15	Traction Motor Controller/ inverter
16	Instrument Panel
17	Lighting: Headlamp, Tail Lamp, Indicators, Interior Lamp, Flasher etc.
18	Body Panel

Note: Traction Battery pack to be assembled domestically, for which battery cells and associated thermal and battery management system may be imported.

Note: Basis the above table each Bidder has to ensure >50% domestic value Addition at vehicle level along with above mentioned norms to be certified by ICAT/ARAI/CIRT or any other testing agency notified under Rule 12 of the CMVR

Formula: {[Ex-Factory Price (Net of GST)- Import Content]/Ex-factory Price (Net of GST)} *100

Import Content: Sum of FOB Value of all imported components or materials in the final product including import duties.

OEM should submit the certification from the testing agency for compliance to the above-mentioned table.

Semiconductor and related components, Vehicle Control Unit, Reverse parking alert system (RPAS), Body Control Module, Vehicle Location Tracking System exempted from calculation for Domestic Value Content.

Commodity items, Tires (Natural Rubber, SBR, Carbon Black) exempted from calculation for Domestic Value Content

ANNEXURE E: NOTE ON PROPOSED PAYMENT SECURITY MECHANISM (PSM) SCHEME FOR PM-eBUS SEWA

NOTE ON PROPOSED PAYMENT SECURITY MECHANISM (PSM) SCHEME FOR PM-eBUS SEWA

Introduction

Ministry of Heavy Industries (MHI), GoI is coming up with a new scheme titled **"Payment Security Mechanism for electric busses funded by GOI schemes"** by facilitating a dedicated Payment Security Fund (PSF). The scheme has two components:

- i) **Payment Security** to the operators/OEMs as per the Concession Agreement signed between Public Transport Authority (PTA)¹ and the operators/OEMs for procurement and operation of e-buses.
- ii) **Consent of State/UT for Direct Debit Mandate (DDM)**. This would require a consent from State/UT in a prescribed format.

The **detailed mechanism** to be followed under the scheme is given below:

1. Event of PSM Triggering

- i. In case of delay/non-payment of bill by PTA within the prescribed time as per concession agreement. The event will lead to **"Default by PTA"**
- ii. OEM/operator shall report the matter and submit the proposal to the fund manager (CESL).

2. Disbursement from Payment Security Fund (PSF) by CESL

- i. CESL will verify, approve, sanction the proposal, and disburse the funds in the Escrow to the extent of the default.

3. Repayment Mechanism of PSF by PTAs

- i. PTAs must repay the entire amount along with the bank interest² within 90 days from the date of disbursement of funds from PSF.
- ii. In addition, Late Payment Surcharge (LPS) @ 3% per annum based on number of days delayed from the date of fund disbursement from PSF, will be applicable to PTA.

4. Invocation of DDM by RBI

- i. If non-repayment by PTA persists beyond 90 days, CESL shall report the matter to the Steering Committee of PSM under MHI to invoke the DDM.
- ii. MHI would invoke DDM based on Committee's recommendations by informing RBI which would debit the entire amount from the current account of the State/UT Government and will transfer the same to the PSF.

¹ Public Transport Authority (PTA) is any government agency which is operating buses in India including State Transport Undertakings (STUs), State Transport Corporations (STCs), Special Purpose Vehicles (SPVs) etc.

² The bank interest shall be calculated at the prevailing 3 years SBI's Marginal Cost of Funds based Lending Rate (MCLR), compounded annually.

Volume 2 – Concession Agreement

Procurement, Supply, Operation and Maintenance Of Electric Buses and Development of Allied Electric and Civil Infrastructure on Gross Cost Contracting (GCC) under

PM-eBus Sewa

CONCESSION AGREEMENT

THIS CONCESSION AGREEMENT (“**Agreement**”) is entered into on this {the day of....., 20.....}¹

BETWEEN

- 1 **THE [MUNICIPAL ADMINISTRATION] OF [•]** represented by [•], and having its offices at [•] (hereinafter referred to as the “**Authority**” which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns) of One **Part**;

AND

- 2 {***** Limited, a company incorporated under the provisions of the Companies Act, 2013 and having its registered office at, (hereinafter referred to as the “**Operator**” which expression shall, unless repugnant to the context or meaning thereof, include its successors and permitted assigns and substitutes) of the Other **Part**.

WHEREAS:

- (A) Ministry of Housing and Urban Affair (“MoHUA”), Government of India has approved the PM-eBus Sewa scheme on 16th August 2023. The scheme aims to augment urban bus operations with central assistance of 20,000 crore for deploying 10,000 electric buses - underscoring India's commitment to fostering sustainable transport solutions to achieve our decarbonization ambitions. Further, under this scheme MoHUA aggregated the demand from ~~xxxx State~~ 10 States/ UTs of ~~xxxxxx~~ 3,600 Buses.
- (B) Convergence Energy Services Ltd (“CESL”) is appointed as the centralized tendering agency under this scheme. In response to the demand aggregated by MoHUA, CESL floated a tender “Selection of Bus Operator for Procurement, Supply, Operation and Maintenance of ~~xxxxxx~~ 3,600 buses” (the “**Request for Proposal**” or “**RFP**”) to Bidders for undertaking the Project on date, 20....
- (C) After evaluation of the bids received, CESL accepted the bid of the {Selected Bidder/ Consortium} (the “**Selected Bidder**”) for the city of [•] and communicated the same to the Authority.
- (D) Authority issued a Letter of Award No. dated (hereinafter called the “**LOA**”) to the Selected Bidder requiring, *inter alia*, the execution of this Agreement within [•] days of the date of issue thereof.

¹ The provisions in curly parenthesis and blank spaces shall be retained in the draft Agreement and shall be suitably modified/ filled after completion of the bid process to reflect the particulars relating to the Selected Bidder and other post-bid particulars.

- (E) Pursuant to the issuance of LOA by Authority, the Selected Bidder shall be designated as the Operator. In case, the Selected Bidder proposes to form a SPV in accordance with the provisions of the RfP, such SPV shall be incorporated as a private limited company under the Companies Act, 2013 and designated as the Operator which shall undertake and perform the obligations and exercise the rights of the Selected Bidder under the LOA, including the obligation to enter into this Agreement for undertaking the Project.
- (F) (to be added only if the SPV of the Selected Bidder is signing the Concession Agreement) By its letter dated, the Operator has also joined in the said request of the Selected Bidder to the Authority to accept it as the entity which shall undertake and perform the obligations and exercise the rights of the Selected Bidder including the obligation to enter into this Agreement pursuant to the LOA. The Authority has agreed to the said request of the Operator, has accordingly agreed to enter into this Agreement with the Operator for Supply, Operation and Maintenance of Buses, subject to and on the terms and conditions set forth hereinafter.

NOW THEREFORE in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the sufficiency and adequacy of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

ARTICLE-1 : DEFINITIONS AND INTERPRETATION

1.1 Definitions

The words and expressions beginning with capital letters are defined in this Agreement (including those in Article 43) shall, unless the context otherwise requires, have the meaning ascribed thereto herein, and the words and expressions defined in the Schedules and used therein shall have the meaning ascribed thereto in the Schedules.

1.2 Interpretation

1.2.1 In this Agreement, unless the context otherwise requires,

- (a) references to any legislation or any provision thereof shall include amendment or re-enactment or consolidation of such legislation or any provision thereof so far as such amendment or re-enactment or consolidation applies or is capable of applying to any transaction entered into hereunder;
- (b) references to laws of the State, laws of India or Indian law or regulation having the force of law shall include the laws, acts, ordinances, rules, regulations, bye laws or notifications which have the force of law in the territory of India and as from time to time may be amended, modified, supplemented, extended or re-enacted;
- (c) references to a “**person**” and words denoting a natural person shall be construed as a reference to any individual, firm, company, corporation, society, trust, government, state or agency of a state or any association or partnership (whether or not having separate legal personality) of two or more of the above and shall include successors and assigns;
- (d) the table of contents, headings or sub-headings in this Agreement are for convenience of reference only and shall not be used in, and shall not affect, the construction or interpretation of this Agreement;
- (e) the words “**include**” and “**including**” are to be construed without limitation and shall be deemed to be followed by “**without limitation**” or “**but not limited to**” whether or not they are followed by such phrases;
- (f) references to “**construction**” or “**building**” include, unless the context otherwise requires, investigation, design, developing, engineering, procurement, delivery, transportation, installation, processing, fabrication, testing, commissioning and other activities incidental to the construction, and “**construct**” or “**build**” shall be construed accordingly;

User ID : mahendra.singh
Serial No : 162B840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- (g) references to “**development**” include, unless the context otherwise requires, construction, renovation, refurbishing, augmentation, upgradation and other activities incidental thereto, and “**develop**” shall be construed accordingly;
- (h) any reference to any period of time shall mean a reference to that according to Indian Standard Time;
- (i) any reference to “**hour**” shall mean a period of 60 (sixty) minutes commencing either on the hour or on the half hour of the clock, which by way of illustration means 5.00 (five), 6.00 (six), 7.00 (seven) and so on being hours on the hour of the clock and 5.30 (five thirty), 6.30 (six thirty), 7.30 (seven thirty) and so on being hours on the half hour of the clock;
- (j) any reference to a day shall mean a reference to a calendar day;
- (k) reference to a “**business day**” shall be construed as reference to a day (other than a Sunday and public holiday) on which banks in [Delhi] are generally open for business;
- (l) any reference to a month shall mean a reference to a calendar month as per the Gregorian calendar;
- (m) any reference to a “**quarter**” shall mean a reference to the period of 3 (three) months commencing from April 1, July 1, October 1, and January 1, as the case may be;
- (n) references to any date, period or Project Milestone shall mean and include such date, period or Project Milestone as may be extended pursuant to this Agreement;
- (o) any reference to any period commencing “**from**” a specified day or date and “**till**” or “**until**” a specified day or date shall include both such days or dates; provided that if the last day of any period computed under this Agreement is not a business day, then the period shall run until the end of the next business day;
- (p) the words importing singular shall include plural and vice versa;
- (q) references to any gender shall include the other and the neutral gender;
- (r) “**lakh**” means a hundred thousand (100,000) and “**crore**” means ten million (10,000,000);

- (z) time shall be of the essence in the performance of the Parties' respective obligations. If any time period specified herein is extended, such extended time shall also be of the essence.

- 1.2.2 Unless expressly provided otherwise in this Agreement, any Documentation required to be provided or furnished by the Operator to the Authority shall be provided free of cost and in three copies, and if the Authority is required to return any such Documentation with their comments and/or approval, they shall be entitled to retain 2 (two) copies thereof.
- 1.2.3 The rule of construction, if any, that a contract should be interpreted against the Party responsible for the drafting and preparation thereof, shall not apply.
- 1.2.4 Any word or expression used in this Agreement shall, unless otherwise defined or construed in this Agreement, bear its ordinary English meaning and, for these purposes, the General Clauses Act, 1897 shall not apply.

1.3 Measurements and arithmetic conventions

All measurements and calculations shall be in the metric system and calculations done to 2 (two) decimal places, with the third digit of 5 (five) or above being rounded up and below 5 (five) being rounded down; provided that the drawings, engineering dimensions and tolerances may exceed 2 (two) decimal places as required.

1.4 Priority of agreements, clauses and schedules

- 1.4.1 This Agreement, and all other agreements and documents forming part of or referred to in this Agreement are to be taken as mutually explanatory and, unless otherwise expressly provided elsewhere in this Agreement, the priority of this Agreement and other documents and agreements forming part hereof or referred to herein shall, in the event of any conflict between them, be in the following order:
- (a) this Agreement; and
- (b) all other agreements and documents forming part hereof or referred to herein, i.e. the Agreement at (a) above shall prevail over the agreements and documents at (b).
- 1.4.2 Subject to the provisions of Clause 1.4.1, in case of ambiguities or discrepancies within this Agreement, the following shall apply:
- (a) between two or more Clauses of this Agreement, the provisions of a specific Clause relevant to the issue under consideration shall prevail over those in other Clauses;

ARTICLE-2 : SCOPE OF THE AGREEMENT

2.1 Scope of the Agreement

The scope of the Agreement (the “**Scope of the Agreement**”) shall mean and include, during the Contract Period:

- (a) Designing, manufacturing, procurement and supply of the buses conforming to the Specifications and Standards set forth in Schedule-B (the “**Buses**”) and in accordance with the provisions of this Agreement;
- (b) Operation and Maintenance of Buses in accordance with the provisions of this Agreement;
- (c) Equip, Operate and Maintain the Maintenance Depots on the Depot Sites specified in Schedule-A, in accordance with the provisions of this Agreement.
- (d) Development, Operation and Maintenance of allied electric and civil infrastructure of the Charging Infrastructure at the Maintenance Depots for charging of the Buses.

ARTICLE-3 : AWARD OF CONCESSION

3.1 The Concession

3.1.1 Subject to and in accordance with the provisions of this Agreement, Applicable Laws and the Applicable Permits, the Authority hereby awards to the Operator the right to design, manufacture, procure, supply, Operate and Maintain the Buses, Install, Operate and Maintain the Charging Infrastructure and Equip, Operate and Maintain the Maintenance Depots (the “**Concession**”) for a period commencing on and from the Appointed Date and ending on the date (the “**Contract Period**”)

- (i) falling 12 (twelve) years for Type-I bus services after the Scheduled COD; or
- (ii) on which average utilisation of: 10,00,000 km for all 7m, 9m and 12 m Buses, whichever is earlier, and the Operator hereby accepts the Concession and agrees to implement the same as its obligation subject to and in accordance with the terms and conditions set forth herein.

3.1.2 Subject to and in accordance with the provisions of this Agreement, the Concession hereby granted shall oblige or entitle (as the case may be) the Operator to:

- (a) Design, manufacture, procure, and supply the Buses in accordance with Applicable Laws, Applicable Permits, the Specifications and Standards, the Designs and Drawings and the provisions of this Agreement;
- (b) Operate and Maintain the Buses in accordance with Applicable Laws, Applicable Permits, Good Industry Practices and the provisions of this Agreement;
- (c) Right of Way, access and licence in respect of the Depot Sites for performing its Maintenance Obligations in accordance with the provisions of this Agreement;
- (d) Undertake the Fit Out Works and Operate and Maintain the Maintenance Depots in accordance with the provisions of this Agreement;
- (e) Install, Operate and Maintain the Charging Infrastructure in accordance with the provisions of this Agreement;
- (f) Perform and fulfil all of the Operator’s obligations under and in accordance with this Agreement;
- (g) Save as otherwise provided in this Agreement, bear and pay all costs, expenses and charges in connection with or incidental to the performance of the obligations of the Operator under this Agreement;
- (h) Neither assign, transfer or sublet or create any lien or Encumbrance on this Agreement nor transfer, sub-lease, sub-licence or part possession of the Maintenance Depots and the real estate related thereto including the Depot Site, save and except as expressly permitted by this Agreement;

ARTICLE-4 : CONDITIONS PRECEDENT

4.1 Conditions Precedent

- 4.1.1 The Authority and the Operator shall meet the Conditions Precedent as defined in this section after Agreement signing. Save and except as provided in Articles 4, 7, 8, 9, 10, 13.4, 13.6, 16.5, 21, 29, 30, 35, 37, 39 and 42, or unless the context otherwise requires, the respective rights and obligations of the Parties under this Agreement shall be subject to the satisfaction in full of the conditions precedent specified in this Clause 4.1 (the “**Conditions Precedent**”). Provided, however, that a Party may grant a waiver from satisfaction of any Condition Precedent by the other Party in accordance with the provisions of Clauses 4.1.2 or 4.1.3, as the case may be, and to the extent of such waiver, that Condition Precedent shall be deemed to be fulfilled for the purposes of this Clause 4.1.1.
- 4.1.2 The Conditions Precedent required to be satisfied by the Authority prior to the Appointed Date shall be deemed to have been fulfilled when the Authority shall have:
- (a) handed over to the Operator unencumbered and vacant possession and Right of Way to those Maintenance Depots that are required to be handed over prior to the Appointed Date in accordance with the provisions of Clause 10.2.4;
 - (b) procured all Authority Applicable Permits as specified in Schedule-C;
 - (c) subject to Clause 4.1.3(a), executed the Escrow Agreement;
 - (d) subject to Clause 4.1.3(b), executed the Substitution Agreement;
 - (e) if not already provided as on the date of this Agreement, the Authority shall, within 30 (thirty) days from the date of this Agreement, submit the Deployment Plan to the Operator in accordance with Clause 16.5.

Provided that upon request in writing by the Authority, the Operator may, in its discretion, waive any of the Conditions Precedent set forth in this Clause 4.1.2. For the avoidance of doubt, the Operator may, in its sole discretion, grant any waiver hereunder with such conditions as it may deem fit.

- 4.1.3 The Conditions Precedent required to be satisfied by the Operator shall be deemed to have been fulfilled when the Operator shall have:
- (a) executed the Escrow Agreement;
 - (b) executed the Substitution Agreement;

- (c) delivered to the Authority from the Consortium Members, their respective}² confirmation, in original, of the correctness of their representations and warranties set forth in sub-clauses (k), (l) and (m) of Clause 7.1;
- (d) procured all the Operator Applicable Permits specified in Schedule-C required for the procurement of the Buses and the Fit Out Works, unconditionally or if subject to conditions, then, to the extent relevant, comply with all such conditions, such that the Operator Applicable Permits are and shall be kept in full force and effect as may be required under Applicable Laws;
- (e) executed the Financing Agreements and delivered to the Authority 3 (three) true copies thereof, duly attested by a Director of the Operator;
- (f) delivered to the Authority 3 (three) true copies of the Financial Package and the Financial Model, duly attested by a Director of the Operator, along with 3 (three) soft copies of the Financial Model in MS Excel version or any substitute thereof, which is acceptable to the Senior Lenders; and, if applicable, 3 (three) true copies of the Bus Lease Agreement(s);
- (g) complied with its obligations as set out in Clause 13.4 (Prototype);
- (h) delivered to the Authority a legal opinion from the legal counsel of the Operator with respect to the authority of the Operator to enter into this Agreement and the enforceability of the provisions thereof;
- (i) executed the Product ~~Guarantee~~Warranty Undertaking as specified in Schedule-W; and
- (j) executed the Comprehensive Maintenance Agreement as specified in Schedule-Z;

Provided that upon request in writing by the Operator, the Authority may, in its discretion, waive any of the Conditions Precedent set forth in this Clause 4.1.3. For the avoidance of doubt, the Authority may, in its sole discretion, grant any waiver hereunder with such conditions as it may deem fit.

- 4.1.4 Each Party shall make all reasonable endeavours to satisfy the Conditions Precedent within 12 weeks from the date of this Agreement and shall provide the other Party with such reasonable cooperation as may be required to assist that Party in satisfying the Conditions Precedent for which that Party is responsible.
- 4.1.5 The Parties shall notify each other in writing, at least once a month on the progress made in satisfying the Conditions Precedent and expected date of complying with all Conditions Precedent. Each Party shall promptly inform the other Party when any Condition Precedent for which it is responsible has been satisfied.
- 4.1.6 The Operator shall, upon satisfaction or waiver, as the case may be, of all the respective Conditions Precedent, notify the Authority of the occurrence of the Appointed Date.

² **Drafting Note** – Delete if not applicable.

4.2 Satisfaction of the Conditions Precedent

- (a) Unless otherwise specified, the Operator and the Authority shall satisfy or procure the satisfaction of the Conditions Precedent that it is responsible for, within 12 weeks from the date of this Agreement (the **Scheduled CP Satisfaction Date**).
- (b) If any Party fails to satisfy any Condition Precedent that it is required to fulfil by the Scheduled CP Satisfaction Date due to:
 - (i) a Force Majeure Event;
 - (ii) a Change in Law;
 - (iii) in case of the Operator, undue delay by the relevant Government Authority in granting any Operator Applicable Permit, despite the Operator having applied for such Operator Applicable Permit within the specified timelines, on payment of the prescribed fees and having complied with the requirements of Applicable Laws in making such application; or
 - (iv) delay by the other Party in fulfilling any Condition Precedent required to be satisfied by them or in performing any other obligation under this Agreement, which impacts its ability to satisfy its Conditions Precedent,

then the Scheduled CP Satisfaction Date for the affected Party shall be extended on a day-for-day basis for the period of such delay.

- (c) Each Party shall cooperate and use its reasonable efforts to assist the other Party in satisfying its Conditions Precedent.

4.3 Damages for delay by the Authority

- (a) In the event that the Authority does not procure fulfilment or waiver of the Conditions Precedent set forth in Clause 4.1.2 by the Scheduled CP Satisfaction Date (as the same may be extended in accordance with the provisions of Clause 4.2(b) above), or, within the time period specified for the fulfilment of such Condition Precedent, the Authority shall pay to the Operator Damages in an amount calculated at the rate of 0.1% (zero point one per cent) of the Performance Security for each day's delay beyond the Scheduled CP Satisfaction Date until the fulfilment of such Conditions Precedent, subject to a maximum of 20% (twenty per cent) of the Performance Security. If the Authority delays in fulfilling its Conditions Precedent such that the cap on Damages set out herein is breached, then the Authority may continue to pay the Operator Damages in an amount calculated at the rate of 0.1% (zero point one per cent) of the Performance Security for each additional day's delay and if the Authority fails to pay such Damages, the Operator may, in its sole discretion, terminate the Agreement. Provided that in the event of a delay by the Operator in procuring fulfilment of any of its Conditions Precedent specified in Clause 4.1.3 and where such delay impacts the Authority's ability to fulfil any of its Conditions Precedents, no Damages shall be due or payable by the Authority under this Clause 4.3 until the date

on which the Operator shall have procured fulfilment of the relevant Conditions Precedent specified in Clause 4.1.3.

- (b) Upon termination of this Agreement pursuant to Clause 4.3 (a), the Authority shall return the Performance Security submitted by the Operator subject to the Operator having paid in full any amounts due and payable by it to the Authority as on the date of termination.

4.4 Damages for delay by the Operator

- (a) In the event that (i) the Operator does not procure fulfilment or waiver of any or all of the Conditions Precedent set forth in Clause 4.1.3 by the Scheduled CP Satisfaction Date (as the same may be extended in accordance with the provisions of Clause 4.2 (b)), or, within the time period specified for the fulfilment of such Condition Precedent, the Operator shall pay to the Authority Damages in an amount calculated at the rate of 0.1% (zero point one per cent) of the Performance Security for each day's delay until the fulfilment of such Conditions Precedent, subject to a maximum amount equal to the Performance Security, and upon reaching such maximum, the Authority may, in its sole discretion and subject to the provisions of Clause 9.2, terminate the Agreement. Provided that in the event of delay by the Authority in procuring fulfilment of the Condition Precedent specified in Clause 4.1.2 and where such delay impacts the Operator's ability to fulfil any of its Conditions Precedents, no Damages shall be due or payable by the Operator under this Clause 4.4 until the date on which the Authority shall have procured fulfilment of the relevant Conditions Precedent specified in Clause 4.1.2.
- (b) Upon termination of this Agreement pursuant to Clause 4.4 (a), the Authority shall encash the Performance Security submitted by the Operator.

4.5 Deemed Termination upon delay

Without prejudice to the provisions of Clauses 4.2, 4.3 and 4.4 and subject to the provisions of Clause 9.2, the Parties expressly agree that in the event the Appointed Date does not occur, for any reason whatsoever, before 400 (four hundred) days of the date of this Agreement or any other mutually extended period agreed by the Parties, all rights, privileges, claims and entitlements of the Operator under or arising out of this Agreement shall be deemed to have been waived by, and to have ceased with the concurrence of the Operator, and the Agreement shall be deemed to have been terminated by mutual agreement of the Parties. Provided, however, that in the event the delay in occurrence of the Appointed Date is on account of the Authority failing to fulfil its Conditions Precedent, the Authority shall return the Performance Security submitted by the Operator subject to the Operator having paid in full any amounts due and payable by it to the Authority as on the date of termination. Further, in the event the delay in occurrence of the Appointed Date is on account of the Operator failing to fulfil its Conditions Precedent, the Authority shall encash the Performance Security submitted by the Operator.

ARTICLE-5 : OBLIGATIONS OF THE OPERATOR

5.1 Obligations of the Operator

- 5.1.1 The Operator shall procure the Buses as per the Delivery Schedule provided in Schedule-G hereto for providing the Services in accordance with the Deployment Plan and in accordance with the terms and conditions of this Agreement.
- 5.1.2 Without affecting the generality of the provisions contained in Clause 5.1.1 above, the Operator shall procure at its cost and expense, all Operator Applicable Permits from Government Instrumentalities including but not limited to the certificate of registration, certification of fitness from the relevant Regional Transport Office (RTO) having jurisdiction over the Project for all Buses and shall Operate and Maintain the Buses in accordance with the terms and conditions of this Agreement.
- 5.1.3 Subject to and on the terms and conditions of this Agreement, the Operator shall, at its own cost and expense, undertake the Fit Out Works and Operation and Maintenance of the Maintenance Depots for the maintenance of Buses and shall observe, ~~fulfil~~fulfill, comply with and perform all its obligations set out in this Agreement or arising hereunder.
- 5.1.4 Subject to and on the terms and conditions of this Agreement, the Operator shall, at its own cost and expense, undertake the design, engineering, procurement, installation and Operation and Maintenance of the Charging Infrastructure and shall observe, fulfil, comply with and perform all its obligations set out in this Agreement or arising hereunder.
- 5.1.5 Power supply at 415 V only up to pillar of LT distribution transformer(s) shall be made available by the Authority ("Point of Supply"), the remaining power infrastructure upto the chargers will fall under the scope of Operator. The Operator shall procure, install, operate and maintain adequate metering equipment for the Charging Infrastructure to accurately record throughout the term of this Agreement the electricity consumed for charging the Buses.
- 5.1.6 The Operator shall comply with all Applicable Laws and Applicable Permits (including renewals as required) in the performance of its obligations under this Agreement.
- 5.1.7 The Operator shall ensure that they have a minimum of 1 no. of Maintenance Vehicle ("Break Van") for each lot of 50 Buses or lower. This Break Van should be available at the Depot for servicing or towing any Bus that has a breakdown during normal course of operations.
- 5.1.8 The Operator shall maintain minimum 5% of additional Buses as spare to ensure 100% availability of Fleet from the date of Lot COD of each Lot as per the Delivery Schedule.

5.1.9 Save and except as otherwise provided in this Agreement or Applicable Laws, as the case may be, the Operator shall, in discharge of all its obligations under this Agreement, conform with and adhere to Good Industry Practice.

5.1.10 Operator shall have the right to prepare and monetize the carbon assets generated under the PM-eBus Sewa. This means that it shall have the right to register the project under any scheme launched by the Government of India in this regard and/ or voluntary market registries. The monetization of any carbon assets from the operations of the Buses and any carbon credits generated from bus operations during the Contract Period shall be the attributable solely to the Operator.

5.1.11 The Operator shall, at its own cost and expense, in addition to and not in derogation of its obligations elsewhere set out in this Agreement:

- (a) make, or cause to be made, necessary applications to the relevant Government Instrumentalities with such particulars and details as may be required for obtaining the Operator Applicable Permits and any other Applicable Permits other than the Authority Applicable Permits, and obtain and keep in force and effect such Applicable Permits in conformity with Applicable Laws;
- (b) make, or cause to be made, necessary applications to the relevant Government Instrumentalities with such particulars and details as may be required for obtaining renewals or extensions of any Authority Applicable Permits after the Appointed Date;
- (c) procure, as required, the appropriate proprietary rights, licences, agreements and permissions for materials, methods, processes, know-how and systems used or incorporated into the Buses, Maintenance Depots and Charging Infrastructure;
- (d) perform and fulfil its obligations under the Financing Agreements;
- (e) make reasonable efforts to maintain harmony and good industrial relations among the personnel employed by it or its Contractors in connection with the performance of its obligations under this Agreement;
- (f) ensure that its Contractors comply with all Operator Applicable Permits and Applicable Laws and Good Industry Practices in the performance by them of any of the Operator's obligations under this Agreement;
- (g) bear and pay for all electricity consumed for the purposes of performing the Operator's obligations or exercising its rights under this Agreement, including without limitation, all electricity required for, or in relation to the Fit Out Works, Operation and Maintenance of the Maintenance Depot (including the Charging Infrastructure) and Operation & Maintenance of the Buses (which, for the avoidance of doubt includes any electricity required for charging the Buses), provided that the Operator may claim from the Authority such amounts towards reimbursement of such electricity cost pursuant to Clause 22.5;
- (h) always act in a manner consistent with the provisions of this Agreement and not omit or cause or fail to do any act, deed or thing, whether intentionally or otherwise, which may in any manner be violative of any of the provisions of this Agreement;

- (i) ensure that Users are treated with due courtesy and provided with ready access to services and information;
- (j) support, cooperate with and facilitate the Authority in the implementation and operation of the Project in accordance with the provisions of this Agreement;
- (k) take all reasonable precautions for the prevention of accidents on or around the Maintenance Depots and provide all reasonable assistance and emergency medical aid to accident victims; and
- (l) vacate and handover peaceful possession of the Maintenance Depots to the Authority upon Termination of this Agreement or expiry of the Contract Period, in accordance with the provisions of this Agreement.

5.2 Obligations relating to Project Agreements

5.2.1 It is expressly agreed that the Operator shall, at all times, be responsible and liable for all its obligations under this Agreement notwithstanding anything contained in any other Project Agreements or any other agreement, and no default under any other Project Agreement or agreement shall excuse the Operator from its obligations or liability hereunder.

5.2.2 The Operator shall submit to the Authority the drafts of all Project Agreements (to which the Authority is not a party) or any amendments or replacements thereto for its review and comments, and the Authority shall have the right but not the obligation to undertake such review and provide its comments, if any, to the Operator within 15 (fifteen) days of the receipt of such drafts. Within 7 (seven) days of execution of any Project Agreement or amendment thereto, the Operator shall submit to the Authority a true copy thereof, duly attested by a Director or any person authorised by the Board of Directors of the Operator, for its record. For the avoidance of doubt, it is agreed that the review and comments hereunder shall be limited to ensuring compliance with the terms of this Agreement. It is further agreed that any failure or omission of the Authority to review and/ or comment hereunder shall not be construed or deemed as acceptance of any such agreement or document by the Authority. No review and/or observation of the Authority and/or its failure to review and/or convey its observations on any document shall relieve the Operator of its obligations and liabilities under this Agreement in any manner nor shall the Authority be liable for the same in any manner whatsoever.

5.2.3 The Operator shall not make any addition, replacement or amendments to any of the “**Financing Agreements**” without the prior written consent of the Authority if such addition, replacement or amendment has, or may have, the effect of increasing the Total Project Cost, and in the event that any replacement or amendment is made without such consent, the Operator shall not enforce such replacement or amendment nor permit enforcement thereof against the Authority. For the avoidance of doubt, and subject to this Clause 5.2.3, no prior consent of the Authority shall be required for restructuring or rescheduling of the debt of the Operator provided such restructuring or rescheduling does not result in an increase in the Total Project Cost.

5.2.4 Notwithstanding anything to the contrary contained in this Agreement, the Operator shall not sub-lease, sub-license, assign or in any manner create an Encumbrance on the Depot Sites,

without prior written approval of the Authority, which approval the Authority shall not unreasonably withhold or delay unless, such sub-lease, sub-licence, assignment or Encumbrance has or may have a material adverse effect on the rights and obligations of the Authority under this Agreement or Applicable Laws.

5.2.5 The Operator shall procure that each of the Project Agreements contains provisions that entitle the Authority to step into such agreement, in its sole discretion, in substitution of the Operator in the event of Termination or Suspension (the “**Covenant**”). For the avoidance of doubt, it is expressly agreed that in the event the Authority does not exercise such rights of substitution within a period not exceeding 90 (ninety) days from the Transfer Date, the Project Agreements shall be deemed to cease to be in force and effect on the Transfer Date without any liability whatsoever on the Authority and the Covenant shall expressly provide for such eventuality subject to the Operator issuing a notice of reminder to the Authority at least 15 (fifteen) days prior to the expiry of the aforesaid 90 (ninety) day period. The Operator expressly agrees to include the Covenant in all its Project Agreements and undertakes that it shall, in respect of each of the Project Agreements, procure and deliver to the Authority an acknowledgment and undertaking, in a form acceptable to the Authority, from the counter party(ies) of each of the Project Agreements, whereunder such counter party(ies) shall acknowledge and accept the Covenant and undertake to be bound by the same and not to seek any relief or remedy whatsoever from the Authority in the event of Termination or Suspension.

5.2.6 Notwithstanding anything to the contrary contained in this Agreement, the Operator agrees and acknowledges that selection or replacement of an O&M Contractor and execution of the O&M Contract shall be subject to the prior approval of the Authority from national security and public interest perspective, the decision of the Authority in this behalf being final, conclusive and binding on the Operator, and undertakes that it shall not give effect to any such selection or contract without prior approval of the Authority. Provided however, that this Clause 5.2.6 shall not apply to any subcontracts entered into by the Operator for the provision of any housekeeping or basic office support staff services. For the avoidance of doubt, it is expressly agreed that approval of the Authority under this Clause 5.2.6 shall be limited to national security and public interest perspective, and the Authority shall endeavour to convey its decision thereon expeditiously. It is also agreed that the Authority shall not be liable in any manner on account of grant or otherwise of such approval and that such approval or denial thereof shall not in any manner absolve the Operator or its Contractors from any liability or obligation under this Agreement.

5.2.7 **Product GuaranteeWarranty by the OEM to the Authority**

In case of Termination of the Agreement, the OEM guaranteeswarranties Product restoration to ensure continuous operation of Buses and other infrastructure provided by the Operator under this Agreement. The Product GuaranteeWarranty Undertaking to be executed by the OEM is at Schedule W. In addition to the Product GuaranteeWarranty, OEM also agrees to execute Comprehensive Maintenance Contract as specified in Schedule Z.

For the purpose of clarity, it is mentioned that a specific distinction between OEM and its associate/Parent is specifically made. The Agreements referred herein shall be signed by OEM i.e manufacturing the eBuses.

5.3 Obligations relating to Change in Ownership

- 5.3.1 The Operator shall not undertake or permit any Change in Ownership, except with the prior written approval of the Authority.
- 5.3.2 Notwithstanding anything to the contrary contained in this Agreement, the Operator agrees and acknowledges that:
- (a) all acquisitions of Equity by an acquirer, either by himself or with any person acting in concert, directly or indirectly, including by transfer of the direct or indirect legal or beneficial ownership or control of any Equity, in aggregate 25% (twenty five per cent) or more of the total Equity of the Operator; or
 - (b) acquisition of any control directly or indirectly of the Board of Directors of the Operator by any person either by himself or together with any person or persons acting in concert with him,

shall constitute a Change in Ownership requiring prior approval of the Authority from national security and public interest perspective, the decision of the Authority in this behalf being final, conclusive and binding on the Operator, and undertakes that it shall not give effect to any such acquisition of Equity or control of the Board of Directors of the Operator without such prior approval of the Authority. For the avoidance of doubt, it is expressly agreed that approval of the Authority pursuant to this Clause 5.3.2 hereunder shall be limited to a national security and public interest perspective, and the Authority shall endeavour to convey its decision thereon expeditiously. It is also agreed that the Authority shall not be liable in any manner on account of grant or otherwise of such approval and that such approval or denial thereof shall not in any manner absolve the Operator from any liability or obligation under this Agreement. It is further agreed that in the event of any acquisition of shares or control in the Selected Bidder (or Lead Member in case of a consortium) or its holding company by another entity, which results in a Change in Ownership as set forth in this Clause 5.3.2, the Operator shall inform the Authority of such occurrence within 15 (fifteen) days thereof and seek consent of the Authority under and in accordance with the provisions of this Clause 5.3. In the event the Authority denies its consent to such Change in Ownership, a Change in Ownership in breach of this Clause 5.3 shall be deemed to have occurred.

For the purposes of this Clause 5.3.2:

- (i) the expression “acquirer”, “control” and “person acting in concert” shall have the meaning ascribed thereto in the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011 or any statutory re-enactment thereof as in force as on the date of acquisition of Equity, or the control of the Board of Directors, as the case may be, of the Operator;
- (ii) the indirect transfer or control of legal or beneficial ownership of Equity shall mean transfer of the direct or indirect beneficial ownership or control of any company or companies whether in India or abroad which results in the acquirer acquiring control over the shares or voting rights of shares of the Operator; and
- (iii) power to appoint, whether by contract or by virtue of control or acquisition of shares of any company holding directly or through one or more companies (whether situate in

India or abroad) the Equity of the Operator, not less than half of the directors on the Board of Directors of the Operator or of any company, directly or indirectly whether situate in India or abroad, having ultimate control of 25% (twenty five per cent) or more of the Equity of the Operator shall constitute acquisition of control, directly or indirectly, of the Board of Directors of the Operator.

5.4 Obligations relating to employment of foreign nationals

The Operator acknowledges, agrees and undertakes that employment of foreign personnel by the Operator and/or its Contractors and their sub-contractors shall be subject to grant of requisite regulatory permits and approvals including employment/residential visas and work permits, if any required, and the obligation to apply for and obtain the same shall and will always be of the Operator and, notwithstanding anything to the contrary contained in this Agreement, refusal of or inability to obtain any such permits and approvals by the Operator or any of its Contractors or sub-contractors shall not constitute Force Majeure Event, and shall not in any manner excuse the Operator from the performance and discharge of its obligations and liabilities under this Agreement. Provided that, the Authority shall provide reasonable assistance to the Operator, if required, in relation to applying for any employment/residential visas and work permits in accordance with Clause 6.1.2(l).

5.5 Obligations relating to employment of personnel

5.5.1 The Operator shall ensure that the personnel engaged by it in the performance of its obligations under this Agreement are at all times properly trained for their respective functions.

~~5.5.2 The Operator shall, notwithstanding its obligations contained herein for employment and training of staff, undertake capacity building training and workshops for the Operations and Maintenance of the Buses and Maintenance Depots and other infrastructure., as may be directed by the Authority and in accordance with Article 23 hereto.~~

~~5.5.3 The Operator shall ensure that the personnel engaged by it in the performance of its obligations under this Contract are at all times properly trained and possess the requisite skill and qualifications as per Good Industry Practice and Applicable Laws for undertaking their respective functions as provided in Article 23 of this Agreement.~~

~~5.5.4~~ 5.5.2 The Operator shall observe Equal Opportunity employment practices. Operator shall provide adequate women-friendly facilities at depots for women and other socially disadvantaged groups. The Operator shall submit an annual statement to the Authority in this regard showing the positive actions taken to encourage employment of women, specially-abled and other socially disadvantaged groups and results thereof duly classified by gender, disability and other social disadvantage.

~~5.5.5~~ 5.3 Prior to engaging any driver for operating the Buses, the Operator shall ensure that each such driver receives a combination of classroom instruction and behind-the-wheel

instruction as specified in Article 23, sufficient to enable each driver to operate the Bus in a safe and efficient manner in terms of this Agreement.

~~5.5.6 The Operator shall ensure that each driver receives a refresher training course from time to time in accordance with Good Industry Practices and Applicable Laws during the Contract Period as specified in Clause 23.2.~~

~~5.5.7~~ 5.4 The Authority may require the Operator to immediately remove any staff member/ personnel employed by the Operator for the purpose of the Project, who in the opinion of the Authority:

- (a) persists in any misconduct;
- (b) is incompetent or negligent in the performance of his duties;
- (c) fails to conform with any provisions of this Agreement; or
- (d) persists in any conduct which is prejudicial to the safety and security of the passengers and general public,

in each case, subject to provision of reasonable evidence.

~~5.5.8~~ 5.5 The Operator shall be solely and exclusively responsible for all drivers, employees, workforce, personnel and staff employed or contracted for the purposes of implementing the Project. The Operator shall ensure that all personnel and staff are under its continued supervision to (i) provide Bus Service in a safe and efficient manner to the public; and (ii) carry out all other obligations of the Operator as set out in this Agreement. Provided however the Authority shall not be liable for payment of any sum or give compensation for any claim (including but not limited to compensation on account of death/ injury/ termination) of such nature to such foregoing personnel and staff of the Operator at any point of time during the Contract Period or thereafter; the Operator undertakes to hold harmless and keep the Authority indemnified in this regard for any claim for payment raised by such foregoing persons or any third party.

~~5.5.9~~ 5.6 The Operator shall ensure that all drivers, personnel and staff wear uniforms as approved by the Authority. The Operator shall at its own cost and expense, provide uniforms and shall ensure that drivers and any other personnel and staff employed by it shall, at all times, wear clean uniforms while on duty or doing any act in relation to the Project.

~~5.5.10~~ 7 The Operator shall be responsible for all the costs and expenses for employment of drivers and other personnel including but not limited to expenses for travel, training of its employees, and payment to vendors engaged by the Operator in connection with the implementation of this Project.

~~5.5.11~~ 8 The Operator shall make efforts to maintain harmony and good industrial relations among the labour and personnel employed in connection with the performance of the

Operator's obligations under this Agreement by exercising appropriate supervision and control;

5.5.129 The Operator shall be responsible for employing any and all competent manpower, personnel, labour, etc., as may be required to be deployed by it for implementation of the Project and as such the Operator on an exclusive basis shall be responsible for exercising supervision and control over such manpower, personnel, labour, etc. For all intents and purposes under this Contract, the Operator alone shall be the principal employer in terms of the provisions of the Factories Act, 1948 and the Contract Labour (Regulation and Abolition) Act, 1970 in respect of such manpower, personnel, labour, etc. The Authority shall at no point of time be concerned in any manner whatsoever with any employee or labour related issues of such manpower, personnel, labour, etc. of the Operator and shall not have any liability or responsibility towards them. The Operator shall keep the Authority indemnified for all claims that may arise due to Operator's non-compliance with any provisions of this Clause 5.5.12.

5.6 Advertisement and Branding of Buses

The Buses or any part thereof shall not be branded in any manner to advertise, display or reflect the name or identity of the Operator or its shareholders, save to the extent as provided in Clause 16.7. Provided that, the Operator may affix the brand logo, make and model of the Bus at the front and rear end of the Bus. The Operator undertakes that it shall not, in any manner, use the name or identity of its shareholders to advertise or display its own identity, brand equity or business interests, including those of its shareholders, save and except as may be necessary in the normal course of business. For the avoidance of doubt, it is agreed that the Operator may, at every Maintenance Depot, display its own name at a spot where other public notices are displayed for the Users.

5.7 Obligations regarding risk of loss or damage

- 5.7.1 The Operator shall bear the risk of loss in relation to each Bus for the performance of its Operation and Maintenance obligations hereunder.
- 5.7.2 Notwithstanding the Operator's obligations under Article 37, the Operator shall take or cause to be taken all steps necessary under Applicable Laws to protect the Authority against claims by other parties with respect thereto in accordance with the terms and provisions of this Agreement.

5.8 Obligations relating to information

- 5.8.1 Without prejudice to the provisions of Applicable Laws and this Agreement, upon receiving a notice from the Authority for any information that it may reasonably require or that it considers to be necessary to enable it to perform any of its functions, the Operator shall provide such information to the Authority forthwith and in the manner and form required by the Authority.
- 5.8.2 After receiving a notice from the Authority for reasoned comments on the accuracy and text of any information relating to the Operator's activities under or pursuant to this Agreement which the Authority proposes to publish, the Operator shall provide such comments to the Authority in the manner and form required by the Authority.

5.9 Obligations relating to aesthetic quality

The Operator shall maintain a high standard in the appearance and aesthetic quality of the Buses, the Maintenance Depot and the Project as a whole and achieve integration of the Buses, Maintenance Depots and Charging Infrastructure with the character of the surrounding landscape through both appropriate design and sensitive management of all visible elements. The Operator shall engage a professional architect, town planner and consultants of repute for ensuring that the design of the Buses and Maintenance Depots meets the aforesaid aesthetic standards.

5.10 Obligations relating to noise control

The Operator shall take all such measures as may be necessary in accordance with Applicable Laws and Good Industry Practice to control and mitigate the noise arising from the Buses and the Maintenance Depots and its impact on the Users and the surrounding neighbourhood.

5.11 Facilities for physically challenged and elderly persons

The Operator shall, in conformity with the guidelines issued from time to time by the Ministry of Social Justice and Empowerment, or a substitute thereof, procure a barrier free environment for the physically or visually challenged and for elderly persons using the Buses. To the extent that Good Industry Practices require the implementation of higher standards than those set out by the Ministry of Social Justice and Empowerment, or a substitute thereof, the Operator shall adhere to such higher standards.

5.12 Obligations relating to Charging Infrastructure

The Operator agrees that it shall procure, construct, install and provide the Charging Infrastructure at the Maintenance Depots such that each Maintenance Depot is capable of Overnight Charging a minimum 50 (fifty) Buses and opportunity charging of Buses at mutually identified locations (Maintenance depot, Terminal, etc.,) for a maximum period of ~~30 (thirty)~~45 (forty five) minutes in accordance with the Deployment Plan. The Operator agrees that it shall ensure that the Charging Infrastructure are used only for the purpose of charging of Buses and no other purpose whatsoever.

5.13 Obligations relating to appointment of Drivers and Staff

- a. The Operator shall provide a driver with valid driving license issued by the competent authorities under the Applicable Laws, including Motor vehicles Act, 1988 having experience of 2 years to drive transport vehicles including Buses of the kind defined herein and valid passenger service badge, age within 21 to 60 years.
- b. The Operator shall appoint drivers for operating the buses by taking into Police verification of individual candidate.
- c. The Operator or its sub-contractor shall have to make payment to the driver's bank account through RTGS/_NEFT -mode only.
- d. The driver while on duty should have valid identity cards as required under M.V. Act/Rules (Motor Vehicle Act and Rules).

- e. The driver along with vehicle should report for duty in a neat and clean uniform prescribed by Authority, at the assigned depot and at the assigned time. Similarly other staff members employed by the operator should use uniform prescribed by Authority.
- f. The Operator shall provide the list of all employees with their residential addresses, mobile nos. to the Authority.
- g. The Operator shall not employ category of persons as drivers for operating of Buses who were employed on any other bus service and were replaced by the owner/co-owner on a complaint made against him by the Authority.
- h. The Operator shall ensure that no employee working with him also at the same time works on the roll of Authority or any other organization.
- i. A driver employed by the Operator shall undergo the medical fitness examination by medical officer of Authority at appropriate cost or any other reputed hospital / medical institution from the City and he/she will be permitted to ply the vehicles only if he/she is fit for the job of driver to drive the Buses as mentioned herein.
- j. The Operator shall not deploy any drivers which have been blacklisted from operation of a heavy commercial vehicle and or a transport vehicle and such drivers should not have any pending cases related to fatal accidents or traffic fines due or have his license suspended at any time during the last [3] years preceding the date of execution of the Agreement;
- k. However, Authority may require the Operator to remove any person employed by it for the Bus Services, who in the opinion of Authority:
 - i Persists in any misconduct,
 - ii Is incompetent or negligent in the performance of his/her duties,
 - iii Fails to conform with any provisions of the Tender/Agreement, or
 - iv Persists in any conduct which is prejudicial to safety, health, or the protection of the general public/ environment.
 - v Is a person convicted by a competent court of law.
 - vi Is a person who is involved in any fatal accident.
- l. Operator be solely and exclusively responsible for all drivers, employees, workmen, personnel and staff employed for the purposes of implementing the Agreement.
- m. The Operator shall ensure that all personnel and staff are under its supervision so as to provide the Bus Service in a safe and efficient manner to the public.
- n. Provided, however Authority shall not be liable for any payment or claim or compensation (including but not limited to compensation on account of death/injury/termination) of any nature to such foregoing persons at any point of time during tenure of this Agreement or thereafter and the operator shall keep Authority indemnified in this regard.
- o. Ensure that all drivers, personnel and staff are well behaved with passengers.

ARTICLE-6 : OBLIGATIONS OF THE AUTHORITY

6.1 Obligations of the Authority

- 6.1.1 The Authority shall, at its own cost and expense undertake, comply with and perform all its obligations set out in this Agreement or arising hereunder.
- 6.1.2 The Authority agrees to provide support to the Operator and undertakes to observe, comply with and perform, subject to and in accordance with the provisions of this Agreement and Applicable Laws, the following:
- (a) as a part of the Deployment Plan, provide the Operational Routes to be undertaken by the Operator as detailed in Clause 16.4 herein and in accordance with the Deployment Plan;
 - (b) subject to and on the terms and conditions of this Agreement, the Authority shall handover peaceful and unencumbered possession of Maintenance Depots, which meet the Minimum Maintenance Depot Specifications, to the Operator in accordance with the timelines set out in Clause 10.2.5;
 - (c) provide the Operator with adequate Right of Way and license to use the Maintenance Depots in accordance with the provisions of this Agreement;
 - (d) at its own cost and expense, provide, or cause to be provided, road connectivity (sufficient for the movement of the Buses and other vehicles and machinery required for the Operation and Maintenance of the Maintenance Depots) to the nearest motorable road, at any location at the boundary of the Maintenance Depots in accordance with Clause 12.1;
 - (e) procure and provide to the Operator, electricity connections (at the available HT metering level, which for the avoidance of doubt may be a 11/22/33/66 kV connection) and sub-station up to power supply at 415 V only upto pillar of LT distribution transformer(s) at the ~~location~~sub-station of the Maintenance Depots specified in Schedule-A for charging of the Buses and operation of the Charging Infrastructure, along with all requisite permissions, approvals and licenses in relation to the utilisation by the Operator of such electricity connection. The maintenance of the electricity connections and substations up to 415V at the locations of the Maintenance Depots shall be in the scope of Authority;
 - (f) bear the cost of additional electricity charges payable in relation to the charging of the Buses in accordance with Clause 22.5;
 - (g) procure and provide access and connections, at its cost, to municipal water and sewage disposal utilities for the Maintenance Depots, provided that the Operator shall remain liable to pay any regular bills raised by the relevant Government Instrumentality for the use of such utilities;
 - (h) upon written request from the Operator, and subject to the Operator complying with Applicable Laws, provide all reasonable support and assistance to the Operator in procuring the Operator Applicable Permits;

- (i) not do or omit to do any act, deed or thing which may in any manner be violative of any of the provisions of this Agreement;
- (j) support, cooperate with and facilitate the Operator in the implementation and operation of the Project in accordance with the provisions of this Agreement;
- (k) upon written request from the Operator and subject to the provisions of Clause 5.4, provide reasonable assistance to the Operator and any expatriate personnel of the Operator or its Contractors to obtain applicable visas and work permits for the purposes of discharge by the Operator or its Contractors their obligations under this Agreement.;
- (l) The Authority shall bear passenger tax from revenue collection and/or from applicable passenger taxes levied by State Transport Authorities from operations in jurisdictions outside the registered state for interstate operations. Additionally, the Authority shall also bear the cost of tolls from operations of buses as per the deployment schedule. The above-mentioned costs shall be reimbursed to the operator by the Authority on submission of actual receipts by the Operator.
- (m) Collection of fares and shall also bear the associated costs for such activity.

6.1.3 The following minimum depot infrastructure shall be provided by Authority:

- a) Proper drainage system at the depot to avoid stagnation of water .
- b) The depot pavement shall be concretized or blacktopped.
- c) Adequate parking area (approx. 150 sq.m. per bus including basic depot requirements, such as parking, workshops, staff amenities, administrative block, etc.) for parking of buses allocated to the depot and additional space for parking the spare Buses deployed by the Operator.
- d) Civil infrastructure facilities that include security booths, office with adequate space, first-aid facility and rest room, canteen, spare parts store, Effluent treatment plant (ETP), Street light, depot yard lighting, septic tank, workshop sheds (for washing facilities, maintenance / service pits @ 2 pits per 50 buses).
- e) Boundary wall: approx. 2 m height with 0.6m railing.

ARTICLE-8 : DISCLAIMER

8.1 Disclaimer

- 8.1.1 The Operator acknowledges that prior to the execution of this Agreement, the Operator has, after a complete and careful examination, made an independent evaluation of the Request for Proposal, this Agreement, the Specifications and Standards, the Depot Sites, local conditions, physical qualities of ground, subsoil and geology and all information provided by the Authority and/ or CESL or obtained, procured or gathered otherwise, and has determined to its satisfaction the accuracy or otherwise thereof and the nature and extent of difficulties, risks and hazards as are likely to arise or may be faced by it in the course of performance of its obligations hereunder. Save as provided in Clause 7.2, the Authority makes no representation whatsoever, express, implicit or otherwise, regarding the accuracy, adequacy, correctness, reliability and/or completeness of any assessment, assumption, statement or information provided by it and the Operator confirms that it shall have no claim whatsoever against the Authority in this regard.
- 8.1.2 The Operator acknowledges and hereby accepts the risk of inadequacy, mistake or error in or relating to any of the matters set forth in Clause 8.1.1 above and hereby acknowledges and agrees that the Authority shall not be liable for the same in any manner whatsoever to the Operator, the {Selected Bidder/ Members of Consortium} and its Associates or any person claiming through or under any of them.
- 8.1.3 The Parties agree that any mistake or error in or relating to any of the matters set forth in Clause 8.1.1 above shall not vitiate this Agreement.
- 8.1.4 In the event that either Party becomes aware of any mistake or error relating to any of the matters set forth in Clause 8.1.1, that Party shall immediately notify the other Party, specifying the mistake or error; provided, however, that a failure on part of the Authority to give any notice pursuant to this Clause 8.1.4 shall not prejudice the disclaimer of the Authority contained in Clause 8.1.1 and shall not in any manner shift to the Authority any risks assumed by the Operator pursuant to this Agreement.
- 8.1.5 Except as otherwise provided in this Agreement, all risks relating to the Agreement shall be borne by the Operator and the Authority shall not be liable in any manner for such risks or the consequences thereof.

ARTICLE-9 : PERFORMANCE SECURITY

9.1 Performance Security

9.1.1 The Operator shall, for the performance of its obligations hereunder till the ~~expiry~~^{end} of the ~~Contract Period~~^{1 year from COD}, provide to the Authority, on or prior to, the date of this Agreement, an irrevocable and unconditional guarantee from a Bank for a sum equivalent to Rs. [**** (Rupees *****)]³ in the form set forth in Schedule-D (the “**Performance Security**”). Until such time the Performance Security is provided by the Operator pursuant hereto and the same comes into effect, the Bid Security shall remain in force and effect, and upon such provision of the Performance Security pursuant hereto, the Authority shall release the Bid Security to the Operator.

9.1.2 The Parent/ Associate of the Operator whose financial credentials were used by the Selected Bidder can also provide security on behalf of the Operator, provided that such Parent/ Associate in addition to Schedule-D submit a board resolution authorizing the Authority to invoke such Performance Security as per the provisions of the Concession Agreement.[BM3]

9.2 Appropriation of Performance Security

9.2.1 The Authority shall, without prejudice to its other rights and remedies hereunder or in law, be entitled to encash and appropriate, from time to time and as many times as required by the Authority, from the Performance Security such amounts as may be due to it under this Agreement, including in respect of any Damages payable by the Operator for a failure to perform its obligations under this Agreement, for an Operator Default or for failure to meet any Condition Precedent, in accordance with the terms of this Agreement.

9.2.2 Upon any encashment and appropriation from the Performance Security by the Authority, the Operator shall, within 15 (fifteen) days thereof, replenish, in case of partial appropriation, to its original level the Performance Security, and in case of appropriation of the entire Performance Security provide a fresh Performance Security, as the case may be, and the Operator shall, within the time so granted, replenish or furnish fresh Performance Security as aforesaid failing which the Authority shall be entitled to terminate this Agreement in accordance with Article 32.

9.3 Release of Performance Security

9.3.1 The Performance Security shall remain in force and effect ~~during~~^{till} the ~~Contract Period~~^{end of first year from the date of COD} and shall be returned to the Operator within ~~30 (thirty)~~^{60 (sixty)} days from the date ~~on which the Contract Period expires~~^{of completion of 1 year from COD} or upon Termination of this Agreement due to an Authority Default within 120 (one hundred and twenty) days of the Termination Date, without any interest, subject to any deductions which may be made by the Authority in respect of any amounts due and payable by the Operator to the Authority in accordance with the terms of this Agreement.

9.3.2 ~~9.3.2~~—If the Performance Security is scheduled to expire before the ~~expiry~~^{end} of the ~~Contract Period~~^{release period as per 9.3.1}, then the Operator shall obtain an extension of the

³ Calculated at approximately 3% (Three per cent) of the Total Project Cost.

Performance Security or furnish a new Performance Security in the form set forth in Schedule-D at least 30 (thirty) days prior to the expiry of the Performance Security. If the Operator fails to extend or replace the Performance Security, the Authority shall be entitled to claim the entire amount then available under the Performance Security and retain such amount as a cash security until such time as the Operator submits an extension or replacement of the Performance Security to the satisfaction of the Authority.

ARTICLE-10 : RIGHT OF WAY FOR DEPOTS

10.1 Site for the Maintenance Depots

The site(s) for the Maintenance Depots shall comprise the real estate described in Schedule-A and in respect of which a license shall be provided and granted by the Authority to the Operator as a licensee under and in accordance with this Agreement (the “**Depot Site(s)**”) in order for the Operator to carry out and perform its obligations under this Agreement.

10.2 Licence and Right of Way for Maintenance Depots

- 10.2.1 The Authority hereby grants to the Operator access to the Depot Site(s) for carrying out, at its sole risk and expense, any surveys, investigations and soil tests that the Operator may deem necessary prior to the Appointed Date. The Operator expressly agrees that the Authority shall have no liability whatsoever in respect of any survey, investigations and tests carried out or work undertaken by the Operator on or about the Depot Site(s) pursuant hereto in the event of Termination or otherwise.
- 10.2.2 In consideration of the license fee of Re.1 (Rupee One) per annum, this Agreement and the covenants and warranties on the part of the Operator herein contained, the Authority, in accordance with the terms and conditions set forth herein, hereby grants to the Operator, effective from the dates specified in this Clause 10.2, leave and licence rights in respect of the Maintenance Depots at the locations described, delineated and shown in Schedule-A hereto (the “**Licensed Premises**”), free of any Encumbrances, to develop, equip, operate and maintain the said Licensed Premises, together with all and singular rights, liberties, privileges, easements and appurtenances whatsoever to the said Licensed Premises, any part thereof belonging to or in any way appurtenant thereto or enjoyed therewith, for the duration of this Agreement and, solely for the purposes permitted under this Agreement, and for no other purpose whatsoever.
- 10.2.3 The Authority shall ensure that the Maintenance Depots handed over to the Operator under this Agreement comply in all respects with the Minimum Maintenance Depot Specifications.
- 10.2.4 The Authority shall, in accordance with the timelines prescribed in Clause 4.1.2, provide and grant to the Operator, vacant access, constructive possession and licenses to possess the following Maintenance Depots:
- (a) the Maintenance Depot situated at {****}; and

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

(b) the Maintenance Depot situated at {***}.⁴

10.2.5 On and from the Appointed Date, the Authority shall provide and grant to the Operator, vacant access, constructive possession and license to possess additional Maintenance Depots, if any in line with the Delivery Schedule so as to enable the Operator to deploy the Buses in accordance with the Deployment Plan. The timeline accordance with this Clause 10.2.5 below:

- (a) within [6 (six)] months after the Appointed Date, the Authority shall handover the Maintenance Depot(s) situated at {****};
- (b) within [9 (nine)] months after the Appointed Date, the Authority shall handover the Maintenance Depot(s) situated at {****};.....
- (c) within [12 (twelve)] months after the Appointed Date, the Authority shall handover the Maintenance Depot(s) situated at {****};.....

(each of the above dates, a “**Scheduled Maintenance Depot Handover Date**”).

10.2.6 Subject to Clause 10.2.7 below, in the event that the Authority fails to provide vacant access, constructive possession and license to possess the Maintenance Depots specified in Clause 10.2.5 above, which comply with the Minimum Maintenance Depot Specifications, on or prior to the respective Scheduled Maintenance Depot Handover Date, it shall pay to the Operator as Damages, Rs. 10,000 (Rupees ten thousand) per day per depot for each day of delay until, for all the Maintenance Depots required to be handed over by the Authority, vacant access, constructive possession and license to possess thereof is delivered to the Operator in accordance with the requirements of this Agreement.

10.2.67 If the Authority is unable to handover, to the Operator, Maintenance Depots which meet the Minimum Maintenance Depot Specifications by the relevant Scheduled Maintenance Depot Handover Date, then the Authority may, by way of a written notice provided at least 30 (thirty) days prior to the relevant Scheduled Maintenance Depot Handover Date, require the Operator to takeover possession and control of the Maintenance Depot on an “as is where is” basis. On and from the date on which the Operator takes over peaceful, vacant and unencumbered possession of the Maintenance Depot, the Operator shall, at the cost of the Authority and without prejudice to its obligations to carry out the Fit Out Works, undertake and perform all such works and activities that may be required in order to ensure that the Maintenance Depot meets the Minimum Maintenance Depot Specifications. The scope of work required to be undertaken by the Operator in this regard, including the costs payable by the Authority for such work, shall be mutually discussed and agreed by the Parties by way of a Change of Scope Order. The Operator shall also be entitled to a mutually agreed extension of the Scheduled Maintenance Depot Completion Date, with such extension being not less than 90 (ninety) days.

10.2.78 Notwithstanding the provisions of Clause 10.2.2, the licence granted in respect of the Licensed Premises hereunder shall expire in respect of such Licensed Premises upon the transfer of the relevant Maintenance Depots upon the early termination or expiry of this Agreement.

10.2.89 The Operator hereby irrevocably appoints the Authority (acting directly or through a nominee) to be its true and lawful attorney, to execute and sign in the name of the Operator, a transfer or

⁴ **Drafting Note** – List of Maintenance Depots being handed over by the Authority prior to the Appointed Date to be finalized and populated at the time of signing.

surrender of the license granted/ to be granted hereunder at any time after the Contract Period has expired or has been terminated earlier in terms hereof, sufficient proof of which will be the declaration of any duly authorised officer of the Authority, and the Operator consents to it being registered for this purpose.

10.3 Handover of the Licensed Premises

10.3.1 For each Maintenance Depot that is to be handed over to the Operator pursuant to the terms of this Agreement, after the Appointed Date, the Authority's Representative and the Operator shall, on a mutually agreed date and time, inspect the Licensed Premises and prepare a memorandum containing an inventory of the Licensed Premises including the vacant and unencumbered land, buildings, structures, road works and trees on or attached to the Licensed Premises. Such memorandum shall have appended thereto a statement (the "Appendix") specifying in reasonable detail those parts of the Licensed Premises to which vacant possession has not been granted to the Operator. Signing of the memorandum, in two counterparts (each of which shall constitute an original), by the authorised representatives of the Parties shall, subject to the provisions of Clause 10.2.2, be deemed to constitute a valid licence and Right of Way to the Operator for free and unrestricted use and development of the vacant and unencumbered Licensed Premises during the Contract Period under and in accordance with the provisions of this Agreement and for no other purpose whatsoever. For the avoidance of doubt, it is agreed that possession with respect to the parts of the Licensed Premises as set forth in the Appendix shall be deemed to have been granted to the Operator upon vacant access thereto being provided by the Authority to the Operator.

10.3.2 Without prejudice to the provisions of Clause 10.3.1, the Parties hereto agree that the Authority shall have granted vacant possession and Right of Way to the Licensed Premises such that the Appendix shall not include more than 10% (ten per cent) of the total area of the Licensed Premises or such area as maybe mutually decided between the parties. and in the event Financial Close is delayed solely on account of delay in grant of such vacant access and Right of Way, the Authority shall be liable to payment of Damages under and in accordance with the provisions of Clause 21.1.1.

10.3.3 On and after signing the memorandum referred to in Clause 10.3.1, and until the Transfer Date, the Operator shall maintain a round-the-clock vigil over the Licensed Premises and shall ensure and procure that no encroachment thereon takes place, and in the event of any encroachment or occupation on any part thereof, the Operator shall report such encroachment or occupation forthwith to the Authority and undertake its removal at its cost and expenses.

10.3.4 The Authority shall make best efforts to procure and grant, no later than 30 (thirty) days from the relevant Scheduled Maintenance Depot Handover Date, the Right of Way to the Operator in respect of all land included in the Appendix, and in the event of delay for any reason other than Force Majeure or breach of this Agreement by the Operator, it shall pay to the Operator, Damages in a sum calculated at the rate of Rs. 1,000 (Rupees one thousand) per day for every 500 (five hundred) square metres or part thereof, commencing from the 31st (thirty first) day after the Scheduled Maintenance Depot Handover Date and until such Right of Way is procured.

10.3.5 The Operator may, if so requested by the Authority, procure on behalf of the Authority, on the terms and to the extent specified by the Authority, the additional land required for ancillary buildings or for construction of works specified in any Change of Scope Order issued under

Article 15, in accordance with this Agreement and upon procurement, such land shall form part of the Licensed Premises and vest in the Authority; provided that the Operator may, by notice given to the Authority no later than 60 (sixty) days from the Appointed Date or the date of Change of Scope Order, as the case may be, require the Authority to initiate and undertake proceedings for acquisition of such land under the provisions of the Applicable Laws and the Authority shall take all such steps as may be reasonably necessary for such land acquisition forthwith. Provided further that the cost of land acquired under this Clause 10.3.5 shall be borne by the Authority in accordance with Applicable Laws and that the land to be acquired by the Authority hereunder as a part of the Licensed Premises shall be deemed to be included in the Appendix referred to in this Clause 10.3 and dealt with in accordance with the provisions thereof. For the avoidance of doubt, it is agreed that the minimum area of land to be acquired for the ancillary buildings, electric sub-stations and approach roads thereof shall conform to the provisions of Schedule-A. It is further agreed that the Authority may, at any time after the Bid Date, *suo moto* acquire the land required hereunder.

10.4 Maintenance Depot to be free from Encumbrances

The Maintenance Depots made available by the Authority to the Operator pursuant hereto shall be free from all Encumbrances and occupations and without the Operator being required to make any payment to the Authority on account of any costs, compensation, expenses and charges for the acquisition, development, possession and use of such Licensed Premises for the duration of the Contract Period, except insofar as otherwise expressly provided in this Agreement.

10.5 Protection of Site from encroachments

During the Contract Period, the Operator shall protect the Licensed Premises from any and all occupations, encroachments or Encumbrances, and shall not place or create nor permit any Contractor or other person claiming through or under the Operator to place or create any Encumbrance or security interest over all or any part of the Licensed Premises or the Project Assets, or on any rights of the Operator therein or under this Agreement, save and except as otherwise expressly set forth in this Agreement.

10.6 Access to the Authority

The licence, Right of Way and right to the Licensed Premises granted to the Operator hereunder shall always be subject to the right of access of the Authority and their employees and agents for inspection, viewing and exercise of their rights and performance of their obligations under this Agreement.

10.7 Geological and archaeological finds

It is expressly agreed that mining, geological or archaeological rights do not form part of the license granted to the Operator under this Agreement, and the Operator hereby acknowledges that it shall not have any mining rights or interest in the underlying minerals, fossils, antiquities, structures or other remnants or things either of particular geological or archaeological interest. Such rights, interest and property on or under the Depot Sites shall vest in and belong to the Authority or the concerned Government Instrumentality. The Operator shall take all reasonable precautions to prevent its workmen or any other person from removing or damaging such interest or property and shall inform the Authority and any other concerned Government

Instrumentality forthwith of the discovery thereof and comply with such instructions as the Authority or the concerned Government Instrumentality may reasonably give for the removal of such property. For the avoidance of doubt, it is agreed that any reasonable expenses incurred by the Operator hereunder shall be reimbursed by the Authority and to the extent that the Fit Out Works have been impeded as a result, the Operator shall be given an extension of time. It is also agreed that the Authority shall procure that the instructions hereunder are issued by the concerned Government Instrumentality within a reasonable period so as to enable the Operator to continue the Fit Out Works with such modifications as may be deemed necessary.

10.8 Felling of trees

The Authority shall procure any Applicable Permits required for felling of trees to be identified by the Operator for this purpose if and only if such trees cause a material adverse effect on the Fit Out Works or the Operation and Maintenance of the Maintenance Depots, as the case may be. In the event of any delay in felling thereof for reasons beyond the control of the Operator, it shall be excused for failure to perform any of its obligations hereunder if such failure is a direct consequence of delay in the felling of trees. For the avoidance of doubt, the costs and expense in respect of felling of trees shall be borne by the Operator and any revenues thereof shall be paid to the Authority.

10.9 Unforeseen Site Conditions

If, after the Maintenance Depots are handed over the Operator in accordance with this Article 10, the Operator encounters any adverse physical conditions at the Licensed Premises, which could not have been reasonably foreseen by acting in accordance with Good Industry Practices, the Operator may seek a Change of Scope in accordance with Article 15. Upon receipt of a request for a Change of Scope due to unforeseen conditions relating to the Licensed Premises, if, in the opinion and sole discretion of the Authority, such conditions could not have been reasonably foreseen by a prudent developer acting in accordance with Good Industry Practices, then the Authority shall issue a Change of Scope Order in accordance with Article 15. Any decision of the Authority regarding the existence of any unforeseen conditions relating to the Licensed Premises shall be final and binding.

ARTICLE-11 : UTILITIES, ASSOCIATED ROADS AND TREES

11.1 Existing utilities and roads

Notwithstanding anything to the contrary contained herein, the Operator shall ensure that the respective entities owning the existing roads, right of way or utilities on, under or above the Depot Site(s) are enabled by it to keep such utilities in continuous satisfactory use, if necessary, by providing suitable temporary or permanent diversions with the authority of the controlling body of that road, right of way or utility, and the Authority shall, upon written request from the Operator, initiate and undertake at its cost, legal proceedings for acquisition of any right of way necessary for such diversion.

11.2 Shifting of obstructing utilities

The Operator shall, subject to Applicable Laws and with assistance of the Authority, undertake shifting of any utility including electric lines, water pipes and telephone cables, to an appropriate location or alignment within or outside the Depot Site if and only if such utility causes or shall cause a Material Adverse Effect on the Fit Out Works, Operation or Maintenance of the Maintenance Depots. The cost of such shifting shall be borne by the Authority or by the entity owning such utility, if the Authority so directs, and in the event of any delay in shifting thereof, the Operator shall be excused for failure to perform any of its obligations hereunder if such failure is a direct consequence of delay on the part of the entity owning such electric lines, water pipes or telephone cables, as the case may be.

11.3 New utilities and transport systems

The Operator shall allow, subject to such conditions as the Authority may specify, access to, and use of the Depot Sites for laying telephone lines, water pipes, electric cables or other public utilities. Where such access or use causes any financial loss to the Operator, the Authority shall pay compensation or damages as per Applicable Laws. For the avoidance of doubt, it is agreed that use of the Depot Site(s) under this Clause shall not in any manner relieve the Operator of its obligation to undertake the Fit Out Works and Operate and Maintain the Maintenance Depot in accordance with this Agreement and any damage caused by such use shall be restored forthwith.

ARTICLE-12 : COMPLETION OF THE MAINTENANCE DEPOTS

12.1 Road Connectivity

The Authority shall, at its own cost and expense, provide, or cause to be provided road connectivity (sufficient for the movement of the Buses and other vehicles and machinery required for the Operation and Maintenance of the Maintenance Depots) between the boundary of the relevant Maintenance Depot and the nearest motorable road, by no later than the timeline specified in Clause 10.2.4 and 10.2.5.

12.2 Obligations prior to commencement of construction

Prior to commencement of the Fit Out Works, the Operator shall:

- (a) submit to the Authority its detailed design, construction methodology, quality assurance procedures, and the procurement, engineering and construction time schedule for completion of the Fit Out Works at the Maintenance Depots (including installation of the Charging Infrastructure);
- (b) appoint its representative duly authorised to deal with the Authority in respect of all matters under or arising out of or relating to this Agreement;
- (c) undertake, do and perform all such acts, deeds and things as may be necessary or required before commencement of the Fit Out Works under and in accordance with this Agreement, the Applicable Laws and Applicable Permits; and
- (d) make its own arrangements for quarrying of materials needed, if any, for the Maintenance Depot under and in accordance with the Applicable Laws and Applicable Permits.

12.3 Maintenance during Fit Out Period

While undertaking the Fit Out Works, the Operator shall maintain, at its cost, the existing roads along the alignment of the Maintenance Depots so that their traffic worthiness and safety are at no time materially inferior as compared to their condition 7 (seven) days prior to the date on which such Maintenance Depots are handed over by the Authority, and shall undertake the necessary repair and maintenance works for this purpose; provided that the Operator may, at its cost, interrupt and divert the flow of traffic if such interruption and diversion is necessary for the efficient progress of the Fit Out Works and conforms to Good Industry Practice. For the avoidance of doubt, it is agreed that the Operator shall at all times be responsible for ensuring safe operation of the existing roads along the alignment of the Maintenance Depots.

12.4 Drawings

In respect of the Operator's obligations relating to the Drawings of the Maintenance Depots as set forth in Schedule-F, the following shall apply:

- (a) The Operator shall prepare and submit, with reasonable promptness, 3 (three) copies each of all Drawings to the Authority for review.

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da8016722444d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- (b) By submitting the Drawings for review to the Authority, the Operator shall be deemed to have represented that it has determined and verified that the design and engineering of the Fit Out Works, including the field construction criteria related thereto, are in conformity with the Scope of the Agreement, Specifications and Standards, Applicable Laws and Good Industry Practice.
- (c) Within 15 (fifteen) days of the receipt of the Drawings, the Authority shall review the same and convey its observations to the Operator with particular reference to their conformity or otherwise with the Scope of the Agreement and the Specifications and Standards. The Operator shall not be obliged to await the observations of the Authority on the Drawings submitted pursuant hereto beyond the said 15 (fifteen) days period and may begin or continue the Fit Out Works at its own discretion and risk. However, if the Authority fails to provide its observations on the Drawings submitted by the Operator within 30 (thirty) days of receipt of such Drawings, the Drawings shall be deemed to be approved subject to the Operator issuing a notice of reminder to the Authority at least 7 (seven) days prior to the expiry of the aforesaid 30 (thirty) day period.
- (d) If the aforesaid observations of the Authority indicate that the Drawings are not in conformity with the Scope of the Agreement or the Specifications and Standards, such Drawings shall be revised by the Operator and resubmitted to the Authority for review. The Authority shall give its observations, if any, within 7 (seven) days of receipt of the revised Drawings.
- (e) No review and/or observation of the Authority and/or its failure to review and/or convey its observations on any Drawings shall relieve the Operator of its obligations and liabilities under this Agreement in any manner nor shall the Authority be liable for the same in any manner.
- (f) Within 90 (ninety) days of the issuance of the Maintenance Depot Completion Certificate for each Maintenance Depot, the Operator shall furnish to the Authority a complete set of as-built Drawings, in 2 (two) hard copies and in its editable digital format or in such other medium and manner as may be acceptable to the Authority, reflecting the Fit Out Works actually designed, engineered and constructed, including an as-built survey illustrating the layout of the Maintenance Depots and setback lines, if any, of the buildings and structures.

12.5 Completion of the Maintenance Depots

- 12.5.1 On and from the date on which the Authority hands over possession of each of the Maintenance Depots to the Operator pursuant to Clause 10.2.4, 10.2.5 or 10.2.6, as the case may be, the Operator shall undertake the Fit Out Works for such Maintenance Depot in conformity with the Specifications and Standards set forth in Schedule-B. Subject to Clause 10.2.6, the Operator shall complete the Fit Out Works within ~~30 (thirty) days~~ 6 weeks for 9m and 12 m Buses and 20 weeks for 7m Buses, from the date on which each Maintenance Depot is handed over by the Authority pursuant to Clause 10.2.4 and 10.2.5 (each date the “**Scheduled Maintenance Depot Completion Date**”).

- 12.5.2 In the event that the Operator fails to complete the Fit Out Works by the Scheduled Maintenance Depot Completion Date (as may be extended in accordance with the terms of this Agreement), unless such failure has occurred due to a Delay Event, it shall pay Damages to the Authority in a sum calculated at the rate of 0.1% (zero point one per cent) of the amount of Performance Security per bus times the number of buses allocated to the specific depot for each day of delay until the Fit Out Works are completed and the relevant Maintenance Depot is ready to be put into commercial operation. For the avoidance of doubt, it is agreed that recovery of Damages under this Clause 12.5.2 shall be without prejudice to the rights of the Authority under this Agreement, including the right of Termination thereof.
- 12.5.3 In the event that the Maintenance Depot Completion Date, for any Maintenance Depot, does not occur within 270 (two hundred and seventy) days from the relevant Scheduled Maintenance Depot Completion Date (as may be extended in accordance with the terms of this Agreement), unless the delay is on account of a Delay Event, the Authority shall be entitled to terminate this Agreement for an Operator Default and the consequences of such termination as set out in Article 33 shall apply.
- 12.5.4 Upon completion of the Fit Out Works at each Maintenance Depot, the Operator shall issue a notice to the Authority pursuant to which the Authority, or the Authority's Representative, shall, within 7 (seven) days from the date of such notice, inspect the Maintenance Depot to assess its conformity with the Specifications and Standards. If the Maintenance Depot complies with the Specifications and Standards, the Authority shall issue a completion certificate for the Maintenance Depot ("**Maintenance Depot Completion Certificate**"). If, however, pursuant to any inspection undertaken by the Authority, or the Authority's Representative, any defects or deficiencies are identified in the Maintenance Depot, the Operator shall, no later than 30 (thirty) days from the date of such notice, rectify and remedy such defects or deficiencies and shall issue a notice to the Authority pursuant to which the Authority may re-inspect the Maintenance Depot. The process set out in this Clause 12.5.4 shall continue until all defects and deficiencies in the Maintenance Depot have been rectified and the Authority has issued the Maintenance Depot Completion Certificate for such Maintenance Depot.

12.6 Extension of Time

- 12.6.1 Subject to Clause 12.6.2 below, the Operator shall be entitled to a day-for-day extension of the relevant Scheduled Maintenance Depot Completion Date and the Delivery Schedule if and only to the extent that performance of the Fit Out Works for such Maintenance Depot or the procurement of the Buses is, or will be, delayed due to a Delay Event.
- 12.6.2 The Operator shall promptly provide the Authority with:
- a notice upon becoming aware of any Delay Event; and
 - (ii) a notice of its claim for extension the Scheduled Maintenance Depot Completion Date and Delivery Schedule, with such notice specifying the nature of the Delay Event, the extent of delay suffered or likely to be suffered by the Operator, the mitigation measures being taken or proposed to be taken by the Operator in order to minimise the impact of the Delay Event, and any other information relevant to claim such extension.

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

Subject to Clause 12.6.3 below, the issuance of such notice within 7 (seven) days from the date the Operator became aware of the Delay Event shall be a condition precedent to the Operator's entitlement to an extension under this Clause 12.6.

- 12.6.3 Where a Delay Event has a continuing effect or where the Operator is unable to determine whether the effect of a Delay Event will actually cause delay to the Fit Out Works or procurement of the Buses, so that it is not practical for the Operator to provide notice in accordance with Clause 12.6.2 above, a statement to that effect with reasons together with any other relevant information shall be submitted in place of the notice required pursuant to Clause 12.6.2. In such an event, the Operator shall, as soon as reasonably practical, submit to the Authority the information required pursuant to Clause 12.6.2.
- 12.6.4 Without prejudice to the Operator's obligations to notify the Authority regarding the occurrence of a Delay Event above, the Operator shall: (i) keep and maintain records to accurately substantiate and establish claims for extensions under this Clause 12.6; and (ii) give the Authority access to such records and documents or provide the Authority with copies, if so requested.
- 12.6.5 If there are two or more concurrent causes of delay and only one of those concurrent causes is a cause of delay which would entitle the Operator to an extension of time in accordance with this Clause 12.6, then the Operator shall not be entitled to an extension of time for the period of such concurrency.
- 12.6.6 The Operator shall not be entitled to any extension of time for any reason whatsoever, including due to:
- (i) delay caused in complying with any instructions of the Authority which are directly attributable to any act or omission of the Operator;
 - (ii) failure of any Contractor to commence or carry out any work within the prescribed timelines;
 - (iii) unavailability or shortage of equipment, materials or any other resources (including any utilities); or
 - (iv) inclement weather conditions except in case of Force Majeure.
- 12.6.7 Any Dispute between the Parties with respect to the occurrence, length of subsistence or consequence of any Delay Event shall be settled in a final and binding manner in accordance with the Dispute Resolution Procedure.

ARTICLE-13 : PROCUREMENT OF BUSES

13.1 Standards and Specifications

The Operator shall procure Buses meeting all the Specifications and Standards provided in Schedule-B.

13.2 Ownership of Buses

The Operator agrees that it shall be solely responsible for the procurement of Buses. Subject to the terms of this Agreement, the Parties agree that during the Contract Period, ownership of the Buses shall remain with the Operator and the Operator shall cause all Buses to be registered in the name of the Operator, or, where title and ownership of the Buses lies with any other Person pursuant to the terms of any Project Agreement, in the name of such Person, and the Authority shall not exercise any right, title, or interest over any of the Buses, unless provided otherwise under the terms of this Agreement. The Operator shall have the right to lease the Buses required to be provided under this Agreement under the Bus Lease Agreements on terms that are consistent with this Agreement. ~~In instances where the Buses are leased to the Operator or the Financier, then the Ownership and Registration of the Buses shall be in the name of the Lessor.~~

13.3 Delivery Schedule

The Operator shall procure the Buses as per the Delivery Schedule provided in Schedule-G hereto and shall ensure the Buses are ready for Commencement of Service in accordance with Article 14. The Operator further agrees that prior to procurement of the Buses, it shall procure a Prototype Bus for the approval of the Authority in accordance with Clause 13.4.

13.4 Prototype

13.4.1 The Operator shall, within 30 (thirty) days ~~(for 12m and 9m bus)~~ and within 60 days ~~(for 7m bus)~~ from the date of issuance of LOA, provide to the Authority (or any nominee appointed by it for this purpose) 5 (five) copies of the Designs and Drawings (along with soft copies) of a sample Bus that conforms to the Specifications and Standards (the “**Prototype**”), as specified in Schedule-F. Provided that the Operator may, share only the details of the layout of the Prototype and not share any propriety information forming part of Designs and Drawings of the Prototype.

13.4.2 The Authority, or any independent third party agency appointed by the Authority for this purpose, shall depute a team of experts for undertaking a review of the Designs and Drawings to ensure compliance with the requirements of this Agreement. Based on the review, the Authority (or its nominee) shall prepare and submit a report (the “**Design Report**”) highlighting therein, amongst other aspects, any specific non-compliances in the Designs and

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

Drawings with the requirements of this Agreement. The Authority (or its nominee) shall submit a copy of the Design Report to the Operator within 15 (fifteen) days from the date of receiving the Designs and Drawings of the Prototype from the Operator. It is agreed that any failure or omission of the Authority, or its nominee, to review and/ or comment on the Designs and Drawings or to highlight any deficiency therein shall not be construed or deemed as acceptance of any such Designs and Drawings by the Authority, or its nominee (if any) and, notwithstanding anything to the contrary, the Operator acknowledges and agrees that it is the sole responsibility of the Operator to ensure that the Designs and Drawings are fully in compliance with the requirements of this Agreement.

- 13.4.3 Pursuant to the Design Report or otherwise, the Operator shall carry out such modifications in the Designs and Drawings as may be necessary in order for the Prototype to conform to the requirements of this Agreement, including without limitation, the Specifications and Standards. The Authority expressly agrees that it (and any nominee of the Authority) shall, subject to the provisions of this Agreement and Applicable Laws, maintain the confidentiality of any Designs and Drawings provided to them by the Operator and shall endeavour to protect the Intellectual Property rights of the Operator, if any, therein.

13.5 Tests at Manufacturer's Plant

- 13.5.1 Prior to procuring the supply of the Prototype, the Operator shall carry out, or cause to be carried out on the Prototype, at its own cost and expense, all Tests in accordance with Schedule-H and such other tests that the Operator may consider necessary to demonstrate that the Prototype complies in all respects with the requirements of this Agreement, including the Specifications and Standards. The Operator shall provide to the Authority (or its nominee) forthwith, a copy of the Operator's report on each test containing the results of such test and the action, if any, that it proposes to take for compliance with the requirements of this Agreement, including the Specifications and Standards.
- 13.5.2 The Operator shall, with at least 2 (two) weeks' notice to MoHUA, convey the date, schedule and type of tests that shall be conducted on the Prototype at the manufacturer's plant and the central testing agency nominated by MoHUA shall have the right to witness the tests. It is clarified that all costs incurred on account of the visit of central testing agency to the manufacturer's plant shall be borne by the Operator. Each State may also carry out a centralized test trial of the prototype bus for each type of Bus (7m, 9m and 12m) demanded by the Authority in those States or it can refer the report submitted to MoHUA by the central testing agency.
- 13.5.3 The central testing agency shall prepare and submit a report forthwith on the tests witnessed by it highlighting therein, amongst other aspects, any specific non-compliances with the requirements of this Agreement. The central testing agency shall submit a copy of this report to the Operator and MoHUA for review. The Operator shall, prior to dispatch of the Prototype for delivery to the Authority, procure that defects and deficiencies, if any, are rectified and the Prototype conforms with the Specifications and Standards. It is agreed that any failure or omission of the central testing agency appointed by MoHUA, to witness and/or comment on

any tests conducted or to highlight any deficiency therein shall not be construed or deemed as acceptance of such tests by the Authority and, notwithstanding anything to the contrary, the Operator acknowledges and agrees that it is the sole responsibility of the Operator to ensure that the tests carried out on the Prototype are fully in compliance with the requirements of this Agreement.

- 13.5.4 In the event of failure of any Test specified in Clause 13.5.1, the Operator shall rectify the defect and conduct repeat Tests, and the procedure specified in this Clause 13.5 shall apply *mutatis mutandis* to such repeat Tests.

13.6 Supply of Prototype

- 13.6.1 The Operator shall, no later than ~~30 (thirty) days~~ 2 weeks (for 12m and 9m buses) and 16 weeks (for 7m bus) after the execution of this Agreement, procure and deliver a Prototype and demonstrate to the central testing agency nominated by MoHUA, the tests and trials conducted in accordance with the provisions of Clause 13.5.
- 13.6.2 In the event that the Operator fails to procure the Prototype within the period specified in Clause 13.6.1, the Authority may recover from the Operator an amount equal to 0.5% (zero point five per cent) of the Performance Security as Damages for each and every week, or part thereof, by which the delivery of the Prototype is delayed; provided that such Damages shall not exceed 10% (ten per cent) of the Performance Security.

13.7 Acceptance of Prototypes

- 13.7.1 Upon procurement of the Prototype by the Operator, the Authority (or its nominee) shall, for determining that the Prototype conforms to the requirements of this Agreement, including the Specifications and Standards, inspect the Prototype. Once the Operator has successfully demonstrated to the central testing agency that the Prototype conforms to the requirements of this Agreement, including pursuant to any tests required to be undertaken based on instructions from the Authority, the Authority shall, no later than 7 (seven) days from such date, issue a notice to the Operator, certifying that the Prototype is in compliance with the requirements of this Agreement, including the Specifications and Standards.
- 13.7.2 The Parties expressly agree that acceptance of the Prototype by the Authority (or its nominee) shall not relieve or absolve the Operator of its obligations and liabilities under this Agreement in any manner whatsoever.

13.8 Procurement of Buses

Upon approval of the Prototype in accordance with Clause 13.7, the Operator shall procure the remaining Buses in accordance with the provisions of Schedule-G and shall comply with timelines of the Delivery Schedule specified therein. The Operator agrees that the Buses shall include the same specifications and standards as the approved Prototype provided in this Article 13.

13.9 Delay in Procurement

13.9.1 In the event the Operator is unable to procure any Bus as per this Article 13, for reasons not directly attributable to a Delay Event, the Operator shall pay Damages at the rate of 0.1 % (zero point one per cent) of the Performance Security per bus for each day of delay for each Bus (whose procurement is delayed) till the date of procurement of such Bus.

13.9.2 If the procurement of any Bus is delayed by a period exceeding 60 (sixty) days from the scheduled date of procurement of such Bus as provided in the Delivery Schedule, for reasons not directly attributable to a Delay Event, or if the Damages payable by the Operator for such delay in procurement of Buses exceeds 10% (ten percent) of the Performance Security, notwithstanding anything provided in this Agreement, it shall be regarded as an Operator Default.

The Damages payable by the Operator shall become due and payable within 7 (seven) days of receipt of notice in this regard from the Authority.

13.10 Readiness for Commencement of Service

13.10.1 The Operator agrees that it shall undertake such activities as required under Applicable Law, Applicable Permits and Good Industry Practice in order to ensure that each Lot of Buses procured in accordance with the Delivery Schedule are ready for Commencement of Service. Without limiting the generality of the foregoing, such activities shall include:

- (a) joint inspection with the Authority of the Buses proposed to be introduced into service;
- (b) obtaining the certificate of registration for each Bus proposed to be introduced into service;
- (c) obtaining the certificate of fitness for each Bus proposed to be introduced into service;
- (d) payment of all applicable Taxes;
- (e) obtaining insurance for each Bus proposed to be introduced into service in accordance with Article 25; and
- (f) any other readiness related activity to ensure roadworthiness of the Buses proposed to be introduced into service.

User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

13.10.2 The Operator shall achieve readiness for Commencement of Service for each Lot of Buses procured by it in accordance with Article 14, no later than 30 (thirty) days from the date of procurement of such Lot of Buses, or any extended period as may be agreed upon by the Parties.

13.10.3 The Parties hereto expressly agree that if the delay in achieving readiness for Commencement of Services for any Lot of Buses procured has arisen solely and directly on account of any Delay Event, the Operator shall be entitled to such additional time as may be reasonably required by the circumstances of the case for achieving readiness for Commencement of Services.

13.11 Damage due to accident

13.11.1 The Operator shall be liable for any damage to the Bus on account of accidents. The Operator agrees that it shall undertake repair and rectification of such damaged Bus such that the Bus conforms to the Specifications and Standards, to the satisfaction of the Authority.

13.11.2 The Operator agrees that the Authority shall not be responsible for any liability arising out of any civil or criminal proceedings instituted by any third party, as a result of such accident of the Bus and the Operator agrees that it shall keep the Authority and its officers, servants, agents, indemnified from and against any and all suits, proceedings, actions, demands and third party claims for any loss, damage, injury, death, cost and expense of whatever kind and nature arising from such accidents.

13.11.3 The Operator shall notify the relevant Government Instrumentalities and the Authority of any accidents verbally, within 1 (one) hour of its occurrence followed by a written notice (setting out in reasonable detail the cause of the accident and the steps taken or proposed to be taken by the Operator in connection with the same) and in the event, such accident involves any fatality, the Operator shall intimate such accident verbally within 5 (five) minutes of the occurrence of such accident, followed by a written notice (setting out in reasonable detail the cause of the accident and the steps taken or proposed to be taken by the Operator in connection with the same). Where any persons involved in the accident have suffered physical injuries, the Operator shall co-ordinate with the relevant Government Instrumentalities to ensure timely medical help and treatment. The Authority shall provide reasonable assistance and support to the Operator in such situation.

13.11.4 In the event of an accident of a Bus leading to its complete destruction, such that the Bus cannot be repaired and operated in normal circumstances, and is rendered inoperable, the Operator shall replace such damaged Bus with a new Bus of such make and model which meets the Specifications and Standards and as acceptable to the Authority. The Operator agrees that any Bus brought as a replacement to a damaged Bus in accordance with this Clause 13.11.4 shall be used in the Bus Service for the remaining Contract Period.

ARTICLE-14 : ENTRY INTO COMMERCIAL SERVICE

14.1 Inspection by the Authority

- 14.1.1 The Authority (or its nominee) may inspect each Bus or any Lot of Buses procured by the Operator, in accordance with the provisions of this Clause 14.1, prior to the Operator putting such Bus into operation.
- 14.1.2 The Operator shall notify the Authority, no later than 45 (forty-five) days prior to the date of procurement of the Buses, the date and time on which each Lot of Buses is to be procured and available for inspection. The Authority may, in its discretion, nominate its representative to carry out an inspection of such Buses at a scheduled date and time.
- 14.1.3 The Operator shall provide the assistance necessary for the Authority Representative to perform the inspection in accordance with the provisions of this Clause 14.1. For the avoidance of doubt, the Parties expressly agree that such inspection shall be completed within a period of 72 (seventy two) hours from the time when a Bus is made available for inspection and upon expiry thereof, the Bus shall, subject to satisfactory completion of the safety inspection under Clause 14.1.2, be deemed to have been approved by the Authority.
- 14.1.4 The Operator shall ensure that all Buses meet the prescribed safety standards as set out in the Specifications and Standards and Applicable Law, including but not limited to, ensuring that the Buses are fitted with CCTV cameras, ~~digital ticketing systems~~, automatic vehicle locator systems, fire and smoke detection equipment and panic buttons designed to send real-time alerts to the Control Centre. In the event that, pursuant to any inspection conducted in accordance with Clause 14.1, the Authority's Representative concludes that any Bus does not conform with the safety standards set out in the Specifications and Standards and this Agreement, and is therefore not safe for entry into service, it shall convey to the Parties forthwith, a report stating in detail the reasons for its findings. The Operator shall, notwithstanding anything to the contrary contained in this Article 14, not introduce such Bus into service until all defects and deficiencies have been rectified by the Operator and the Bus has been presented to the Authority for re-inspection. Upon presentation by the Operator of any such Bus for introduction in service, the Authority's Representative shall re-inspect such Bus and upon it being satisfied that the Bus conforms to the safety standards set out in the Specifications and Standards and this Agreement, the Operator shall be allowed to introduce such Bus into service.
- 14.1.5 The Authority Representative shall, pursuant to any inspection conducted under this Clause 14.1, also submit an inspection report for each Bus identifying any minor defects and deficiencies required to be rectified by the Operator in conformity with the Specifications and Standards (the "**Punch List**"). The Operator shall, no later than 30 (thirty) days from the date on which it receives the Punch List, rectify each item in the Punch List and notify the Authority of the same. The Authority may, in its discretion, inspect the Bus within 7 (seven) days thereof. and in the event that any Punch List items remain un-rectified, the Operator shall pay to the

Authority as Damages, an amount of 1% (one per cent) of the Performance Security per bus for each day of delay until all items of the Punch List for the particular bus are rectified.

14.2 Commercial Operation Date (COD) for Respective Lot of Buses

14.2.1 The Operator shall within 30 (thirty) days from the date of delivery of each respective Lot of Buses (as mentioned in the Delivery Schedule) comply with the following:

- (a) ensure activities related to readiness for Commencement of Services are completed;
- (b) appoint duly experienced and trained drivers holding valid driving licenses in accordance with Applicable Law;
- (c) deposit copy of the driving licenses of the appointed drivers with the Authority; and
- (d) ensure that the Maintenance Depot Completion Certificate has been issued in accordance with Clause 12.5.4 for each Maintenance Depot;
- (e) ensure that the Charging Infrastructure required for the charging of such Lot of Buses has been installed and is commissioned and ready to operate in accordance with the requirements of this Agreement; and
- (f) procure and install the necessary movable assets such as plant and equipment, materials, consumables, etc. at the Maintenance Depot as required for the Operation and Maintenance of the Buses, the Maintenance Depots and the Charging Infrastructure.

14.2.2 Upon completing the activities enumerated in Clause 14.2.1 above for the each Lot of Buses, the Operator shall intimate in writing to the Authority of its readiness to achieve COD for such Lot of Buses, along with detailed proof of completing each such activity. The Authority shall, within 2 (two) days of receiving such written intimation, inspect the relevant documents and the Maintenance Depot, including the Charging Infrastructure, to determine compliance by the Operator with its obligations in Clause 14.2.1 above. Upon being satisfied that the Operator has duly complied with all the requirements set forth in Clause 14.2.1 above for achieving COD for such Lot of Buses, the Authority shall within a period no longer than 5 (five) days from such inspection, issue to the Operator a Completion Certificate (the “**Completion Certificate**”) for such Lot of Buses. In the event, any deficiencies or shortcomings are observed by the Authority in relation to the fulfilment by the Operator of its obligations under Clause 14.2.1 for any particular Buses, the Authority shall exclude such Buses from the relevant Lot and shall issue a Completion Certificate with respect to the remaining Buses in the Lot. For the Buses that have been excluded from a particular Lot, the Authority shall issue a notice to the Operator within 2 (two) days of such inspection highlighting the deficiencies or shortcomings. The Operator shall rectify/remove the deficiencies within such period as specified by the Authority and the Authority shall, upon being satisfied that the deficiencies identified by it have been rectified, forthwith issue the Completion Certificate for such Buses. Provided however, that if the deficiencies or shortcomings observed by the Authority are minor in nature and can be rectified in the usual course of performing Operations and Maintenance of the Buses, the Authority shall not withhold the Completion Certificate for such Lot of Buses. Provided further that the issuance of the Completion Certificate in such cases does not, in any

User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

manner, affect the Operator's obligation to rectifying any deficiencies or shortcomings identified by the Authority.

- 14.2.3 The date of issuance of the Completion Certificate for a particular Lot of Buses shall be reckoned as the "**Lot Commercial Operation Date**" or "**Lot COD**" under this Agreement. The date when the Completion Certificate is issued for all Lots of Buses required to be introduced into service by the Operator, shall be the Commercial Operation Date ("**COD**") under this Agreement whereupon the Project enters into commercial service, provided, however, that the entry of any Buses into commercial service shall always be subject to compliance with the provisions of Clause 18.3. After a Lot COD, the Operator shall ensure Commencement of Service of the Buses in such Lot in accordance with the Deployment Plan.
- 14.2.4 In the event, the Authority fails to issue the Completion Certificate and the notice for deficiency in respect of Buses for which Completion Certificate is withheld under Clause 14.2.2, then the COD for the said Lot of Buses will be deemed ("Deemed Lot COD") to have been achieved on the 7th day after receipt of the notice of the Operator towards readiness for operations for the concerned Lot of Buses.

14.3 Damages for delay

If COD does not occur prior to the 91st (ninety first) day after the Scheduled Maintenance Depot Completion Date for the last Maintenance Depot handed over by the Authority pursuant to Clause 10.2.5, as the same may be extended in accordance with the terms of this Agreement (such date, the "**Scheduled COD**"), for reasons not directly attributable to a Delay Event, the Operator shall pay Damages to the Authority calculated at the rate of 0.1% (zero point one per cent) of the amount of Performance Security per bus times the number of buses allocated to the specific depot for each day of delay until COD is achieved. Provided however, if the Operator is unable to achieve COD on account of a Delay Event, then the Operator shall be entitled to a day-for-day extension of the Scheduled COD if and only to the extent that COD is, or will be, delayed due to a Delay Event. In this context, the provisions of Clause 12.6 shall apply to any extension of the Scheduled COD that is sought by the Operator.

ARTICLE-15 : CHANGE OF SCOPE

15.1 Change of Scope

15.1.1 The Authority may, notwithstanding anything to the contrary contained in this Agreement, require the provision of upgraded technology or additional works and services in the Buses or at the Maintenance Depots, which are not included in the Scope of the Agreement (the “**Change of Scope**”). Any such Change of Scope shall be made in accordance with the provisions of this Article 15 and the costs thereof shall be expended by the Operator and reimbursed to it by the Authority in accordance with this Article 15.

15.1.2 If the Operator determines at any time that a Change of Scope is necessary for providing safer and improved services, it shall by notice in writing require the Authority to consider such Change of Scope. The Authority shall, within 30 (thirty) days of receipt of such notice, either accept such Change of Scope with modifications, if any, and initiate proceedings in accordance with this Article 15 or inform the Operator in writing of its reasons for not accepting such Change of Scope, as the case may be.

15.2 Procedure for Change of Scope

15.2.1 In the event that the Authority determines that a Change of Scope is necessary, it shall issue to the Operator a notice specifying in reasonable detail the works and services contemplated thereunder (the “**Change of Scope Notice**”).

15.2.2 Upon receipt of a Change of Scope Notice, the Operator shall, with due diligence, provide to the Authority such information as is necessary, together with preliminary Documentation in support of:

- (a) the impact, if any, which the Change of Scope is likely to have on the time required for completing the Fit Out Works and the Delivery Schedule, if the Change of Scope is required to be carried prior to COD; and
- (b) the options for implementing the proposed Change of Scope and the effect, if any, each such option would have on the costs and time thereof, including a detailed breakdown by work classifications specifying the material and labour costs calculated in accordance with Good Industry Practice.

15.2.3 Upon receipt of information set forth in Clause 15.2.2, if the Authority decides to proceed with the Change of Scope, it shall convey its preferred option to the Operator, and the Parties shall thereupon make good faith efforts to agree upon the time and costs for implementation thereof. Upon reaching an agreement, the Authority shall issue an order (the “**Change of Scope Order**”) requiring the Operator to proceed with the performance thereof. In the event that the Parties are unable to agree, the Authority may, by issuing a Change of Scope Order, require the Operator to proceed with the performance thereof pending resolution of the Dispute in accordance with the Dispute Resolution Procedure.

Date : 29-12-2023

- 15.2.4 The provisions of this Agreement, insofar as they relate to Tests, shall apply *mutatis mutandis* to any modifications in the Buses undertaken by the Operator under this Article 15.

15.3 Payment for Change of Scope

- 15.3.1 Unless otherwise mutually agreed by the Parties, within 15 (fifteen) days of issuing a Change of Scope Order, the Authority shall make a part payment to the Operator of a sum equal to 20% (twenty per cent) of the cost of Change of Scope as determined pursuant to Clause 15.2 upon the submission by the Operator of a bank guarantee for an equivalent amount, which bank guarantee shall be valid for a period of 180 (one hundred and eighty) days, substantially in the form specified in Schedule-D. To the extent that the work under the Change of Scope Order is not completed within a period of 180 days from the date of the Change of Scope Order, the Operator shall procure an extension of the validity of the bank guarantee.
- 15.3.2 The Operator shall, after commencement of work, present to the Authority bills for payment in respect of the works and services in progress or completed works and services, as the case may be, supported by such Documentation as is reasonably sufficient for the Authority to determine the accuracy thereof. Within 30 (thirty) days of receipt of such bills, the Authority shall disburse to the Operator such amounts and after making a proportionate deduction for the advance payment made hereunder. In the event of any Dispute, final adjustments thereto shall be made under and in accordance with the Dispute Resolution Procedure.
- 15.3.3 Notwithstanding anything to the contrary contained in Clause 15.3.1 and 15.3.2, all costs arising out of any Change of Scope Order, other than those agreed as a part of the Change of Scope Order, shall be borne by the Operator.

15.4 Restrictions on certain works

- 15.4.1 Notwithstanding anything to the contrary contained in this Article 15, the Authority shall not require the Operator to undertake any works or services if such works or services are likely to delay the procurement and deployment of the Buses in accordance with the requirements of this Agreement; provided that in the event that the Authority considers such works or services to be essential, it may issue a Change of Scope Order, subject to the condition that the works forming part of or affected by such Change of Scope Order shall not be taken into account for purposes of determining completion of the Maintenance Depot.
- 15.4.2 Notwithstanding anything to the contrary contained in this Article 15, the cumulative costs relating to all Change of Scope Orders for provision of works and services shall not exceed 5% (five percent) of the Total Project Cost during the Contract Period.
- 15.4.3 Notwithstanding anything to the contrary, unless the Parties agree otherwise, the Authority shall not require the Operator to undertake any Change of Scope which involves upgradation of batteries used in the Buses due to technological advancements in battery chemistry.

ARTICLE-16 : OPERATION OF BUSES

16.1 Operations of Buses

- 16.1.1 The Operator shall make available and Operate and Maintain the Buses in accordance with the provisions of this Agreement, including without limitation, the Deployment Plan, and shall comply with the operation and maintenance requirements as provided in Schedule-I of this Agreement.
- 16.1.2 The Operator shall be fully responsible for ensuring the safety and security of the Buses at all times, including during operations and while the Buses are at the Maintenance Depots. In the event the Operator fails to ensure the security of the Buses and there is any theft of or damage to the Bus or any component of the Bus including but not limited to any component, spare parts, hardware, software, instruments etc., the Operator shall, as soon as is reasonably practical, repair or replace, as the case may be, such Bus or Bus component, spare, parts, hardware, software, instrument(s) etc. of the same or equivalent quality and specification, after giving prior written notice to the Authority.
- 16.1.3 Upon successful completion of the contract period, the operator retains the ownership of the buses under the Concession agreement and the Authority shall claim no right to transfer of ownership of such buses.

16.2 Maintenance Depots

- 16.2.1 The Operator shall use the Maintenance Depots, only for the purposes of the Operations and Maintenance of the Buses and any other activity specified in this Agreement.
- 16.2.2 The Operator shall ensure that the Maintenance Depots are adequately staffed with skilled personnel, equipped with requisite equipment, plant and machinery and stocked with Consumables, so as to ensure compliance with the Operations and Maintenance standards provided in this Agreement.

16.3 Operation Manual

- 16.3.1 The Operator shall prepare an operation manual (the “**Operation Manual**”) for the operation of Buses in conformity with Good Industry Practice and the provisions of this Article 16. The Operator shall provide 10 (ten) copies of a provisional operation manual (the “**Provisional Operation Manual**”) to the Authority no later than the date on which the Prototype is delivered pursuant to Clause 13.6. The Authority may review the Provisional Operation Manual and convey its comments to the Operator within a period of 15 (fifteen) days from the date of receipt thereof. The Operator shall revise the Provisional Operation Manual, as may be necessary, and provide 10 (ten) copies of the Operation Manual, accompanied by an electronic copy thereof, no later than the 15 (fifteen) days from the date on which it receives any comments from the Authority. The Operation Manual shall be revised and updated once every year and the provisions of this Clause 16.3 shall apply, *mutatis mutandis*, to such

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

revision. For the avoidance of doubt, the Authority and the Operator expressly agree that until the Operation Manual is provided hereunder, the Provisional Operation Manual shall apply.

16.3.2 The Operation Manual shall include:

- (a) instructions to operating staff for operation of the Bus;
- (b) instructions for troubleshooting the Buses, including any software incorporated in the Buses;
- (c) dos and don'ts for operating staff;
- (d) safety precautions to be taken by the operating staff;
- (e) rating and layout of equipment;
- (f) operating limits of installed systems; and
- (g) control and safety features of the Buses.

16.4 Routes and Schedules

16.4.1 The Parties agree that the Authority shall have the exclusive right to determine routes, frequency and schedule of the Buses as part of Deployment Plan throughout the Contract Period. The Authority shall provide the routes to the Operator for operation of the Buses as specified in Schedule-J (the “**Deployment Plan**”). All Operational Routes will be such that their origin, destination and opportunity charging location is one or more Maintenance Depots allocated to the Operator as per Schedule-A.

16.4.2 The Authority shall be required to consult with the Operator in case it carries out a change to any Operational Route, provided the Authority shall have no obligation to accept or be bound by any suggestions made by the Operator as part of such consultation. Notwithstanding anything to the contrary, the Authority agrees that any revised Operational Route shall only have an origin, final destination and opportunity charging location at one of the Maintenance Depots or an Opportunity Charging Station allocated to the Operator as per Schedule-A. The Operator shall only ply Buses on the Operational Routes, unless directed otherwise by the Authority. For the avoidance of doubt, it is clarified that the Authority may amend the Operational Routes by providing at least 5 (five) days prior notice to the Operator under and in accordance with the provisions of this Agreement. Provided further that if the Authority changes any Operational Routes pursuant to this Clause 16.4.2, there shall be no reduction in the Monthly Assured Bus Kilometers.

16.4.3 Subject to the requirements set out in Clause 16.4.2 and this Clause 16.4.3, the Authority may change an Operational Route any number of times. However, the Authority shall not change any Operational Route (involving a change of the origin, destination or opportunity charging locations) more than [] times in a Contract Year per Bus to ensure operational efficiencies.

- 16.4.4 Subject to Clause 16.4.3, the Authority may, after providing notice to the Operator, change the Operational Route(s)/ frequency/ schedule of the Buses due to any reason whatsoever including but not limited to passenger feedback, special circumstances, festivals and seasonal requirements. In case the Authority makes any such change(s), it shall notify the Operator in writing 5 (five) days prior to required implementation of such change. Provided however, that any given time during the Contract Period, all Operational Routes must have an origin, destination and opportunity charging location at one of the Maintenance Depots as per Schedule-A.
- 16.4.5 Unless directed by the Authority, the Operator shall maintain the frequency of the Buses as specified in the Deployment Plan.
- 16.4.6 The actual hours of operations for each Bus in a day shall be specified by the Authority in the Deployment Plan. The Parties agree that the hours of operation may be segregated into peak hours and off-peak hours of operation.
- 16.4.7 In the event there is a need for change in the Operational Route of a Bus, the Operator shall inform the control centre established by the Authority for monitoring of all activities (“**Control Centre**”) and the same shall be tallied with the change in route length measured by the Intelligent Transit Management Systems (“**ITMS**”) installed by the Operator or the odometer reading at the end point of the route and the distance so measured shall be reckoned for the purpose of making payment to the Operator.
- 16.4.8 Notwithstanding anything contained in Clause 16.4, if the Authority wishes to deploy a Bus on any route which requires the Bus to undergo opportunity charging at a location that is not a Maintenance Depot as per Schedule-A (“**Opportunity Charging Stations**”), then the Authority shall, at its cost, be responsible for procuring and providing to the Operator:
- (a) vacant and unencumbered possession of land and right of way to such location on which the Operator will be required to install the charging infrastructure;
 - (b) an electricity connection to such location (at the available HT metering level, which for the avoidance of doubt may be a 11/22/33/66 kV connection) and sub-station (if required) up to 415 V-; and
 - (c) any and all Applicable Permits that might be required for installing and operating the charging infrastructure at such location.

Any deployment of Buses undertaken pursuant to this Clause 16.4.8, as well as payment of the cost of any additional charging infrastructure installed by the Operator, shall be undertaken by way of a Change of Scope in accordance with Article 15.

16.5 Deployment Plan

16.5.1 The Authority shall develop a Deployment Plan according to which the Operator shall operate the Buses. The parameters to be included in the Deployment Plan are set out in Schedule-J and shall include:

- i. details of the Operational Routes;
- ii. schedules of the Buses (including description of Bus Stops); and
- iii. frequency and schedule providing Bus headways, based on-peak and off-peak hours, (the “**Deployment Plan**”).

16.5.2 A Deployment Plan shall be submitted to the Operator in accordance with the timelines set out in Clause 4.1.2. Within 15 (fifteen) days from the date of submission of the Deployment Plan by the Authority, the Operator shall review and provide comments, if any, on the draft Deployment Plan. The Parties expressly agree and acknowledge that any comments provided by the Operator on the Deployment Plan shall be solely from the perspective of ensuring compliance with the terms of this Agreement. The Authority may, in its sole discretion, incorporate any of the Operator’s comments and submit a revised Deployment Plan within 15 (fifteen) days from the date on which it receives comments from the Operator. Any dispute between the Parties on the Deployment Plan shall be settled in accordance with the Dispute Resolution Procedure.

16.5.3 The Operator shall operate the Buses in accordance with the Deployment Plan finalised pursuant to Clause 16.5.2 and shall at all times ensure that the required routes and frequency of Buses is maintained as specified under the Deployment Plan or as per the instructions of the Authority issued from time to time.

16.5.4 The Operator shall ply the Buses in accordance with the Deployment Plan.

16.5.5 The Authority reserves the right to make changes to the Deployment Plan from time to time with prior notification, of at least 5 (five) days, of such change to the Operator. The Parties agree that changes to the Deployment Plan by the Authority shall not have an effect of exceeding 20% (twenty percent) of the Total Scheduled Bus Kilometers as mentioned in the Deployment Plan.

16.5.6 If, pursuant to any revisions in the Deployment Plan under Clause 16.5.5, the Operator is of the view that it will be unable to meet any of the Key Performance Indicators set out in Article 20, it shall issue a notice to the Authority setting out in detail its reasons. The Operator shall provide all necessary documentation and data in support of its claim. Upon such a notice being issued, the Parties shall discuss in good faith with a view to agreeing on such revisions to the Deployment Plan as may be necessary while ensuring that the Operator is not unduly prevented from achieving the Key Performance Indicators. Any dispute between the Parties on any revisions to the Deployment Plan shall be settled in accordance with the Dispute Resolution Procedure.

16.5.7 If, based on the operations of the Buses and the data collected from the ITS, there are delays in completing Bus trips for a continuous period of 1 (one) month, and such delays are not a result of a breach by the Operator of its obligations under this Agreement, the Authority may, in its sole

discretion, review and revise the Deployment Plan with a view making such changes as may be required in order to eliminate such delays.

- 16.5.8 Notwithstanding anything to the contrary contained herein, the Parties agree that any amendment to the Operational Routes or the Deployment Plan shall not reduce the Monthly Assured Bus Kilometers and the Operator shall continue to be paid the Fee calculated in accordance with Article 22.

16.6 Incidents En-Route

- 16.6.1 In case of a Breakdown of a Bus during normal course of Operations, the Operator shall immediately inform the Control Centre and its maintenance team whereupon the Operator shall ensure speedy tow-away of the affected Bus within 1 (one) hour of the Breakdown. The Operator shall as soon as is reasonable practicable, provide a replacement Bus to complete the route after such breakdown, or shall transfer all (or as many as capacity permits) Users to the next Bus plying on the same Operational Route in order to minimise inconvenience to the Users, failing which it will be deemed as an Operator Default and the Operator shall be liable to pay Damages of 20 kms deduction per instance. In case bus is not repaired or towed away from the break down spot within a period of 1 (one) hour, Operator shall be liable to pay additional damages of deduction of 20 kms per each additional hour.
- 16.6.2 The Operator shall ensure regular communication with Buses throughout the Operation Period by making use of relevant technology as specified in this Agreement, more specifically provided in Clause 19.7.
- 16.6.3 In an unforeseen event involving unruly behaviour by passengers or vandalism in or involving the Bus, the Operator shall forthwith intimate the Authority. If the Bus in question is not in a condition to complete the Operational Route or go back to the Bus Depot, then the Operator shall arrange to tow-away such Bus within 1 (one) to 3 (three) hours of such occurrence, failing which Operator shall be liable to pay Damages of 20 kms deduction for each such incident. The Operator shall, on a best effort basis provide a replacement Bus to complete the route after such incident or shall transfer all (or as many as capacity permits) Users to the next Bus plying on the same Operational Route in order to minimize inconvenience to the Users.
- 16.6.4 The Operator shall make provisions for the adequate availability of first aid kits on the Buses or at the Maintenance Depots for assisting any persons or Users in need of first aid on-site and shall also co-ordinate with the relevant Government Instrumentalities including but not limited to the police to ensure timely medical help to any injured Users.
- 16.6.5 The Operator shall extend all cooperation requested by the Authority including but not limited to filing complaints to the police and or any other investigation undertaken in relation to any incidents on the Buses.

16.7 Advertising on Buses and Maintenance Depots

- 16.7.1 Subject to Applicable Law, the Authority may display advertisements on the Buses and at the Maintenance Depot. Other than to the extent set out in this Agreement, the Operator shall have no right to display any advertisement on the Buses or the Maintenance Depots.
- 16.7.2 The Authority shall ensure that the display of any advertisements on the Buses and Maintenance Depot does not interfere in any way with the performance by the Operator of its obligations under this Agreement.
- 16.7.3 The Authority shall at all times ensure that no part of the Buses including but not limited to the external and internal colour, body of the Buses or any part of the Maintenance Depots are damaged due to the placement of any advertisements or any other form of display material. The Authority shall ensure that the advertisements are displayed in such a manner that it does not obstruct partially or completely, the visibility from inside and outside of the Buses. If any damage is caused to the Buses or the Maintenance Depots directly as a result of the placement of any advertisements by the Authority, the Authority shall be liable to reimburse the Operator all costs incurred by the Operator in rectifying such damage.
- 16.7.4 Placement of Advertisement
- (a) The Authority may place the advertisement inside and outside the Buses at designated slots described, such that it does not obstruct any safety, advisory or other mandatory information.
 - (b) The Authority may place the advertisement on the boundary wall of the Maintenance Depots or any other slot identified by the Authority.
- 16.7.5 The Authority shall be entitled to appropriate the entire revenue generated from the display of advertisements on the Buses and at the Maintenance Depots.

16.8 User Fare

- 16.8.1 On and from the Lot COD of the first Lot of Buses till the Transfer Date, the Authority or a third party nominated by the Authority (“**Authority Nominated Personnel**”) shall have the right to demand, collect and appropriate User Fare from the Users in accordance with this Agreement.
- 16.8.2 The Authority or Authority Nominated Personnel shall, in accordance with Clause 16.8.1 above, provide conductors for collection of the User Fare, every day prior to commencement of operations for the day, at the Maintenance Depot and on the time decided by the Authority. In the event the conductor does not report on time (with a relaxation of up to 5 minutes) or remains absent, the Operator shall promptly inform the Authority’s Representative, who shall provide a replacement promptly.

16.8.3 The Operator acknowledges and agrees that upon payment of User Fare to the Authority or the Authority Nominated Personnel, any User shall be entitled to use the Buses and the Operator shall not place, or cause to be placed, any restriction on such use, except to the extent specified in any Applicable Law, Applicable Permits or the provisions of this Agreement. It is clarified that the Authority or Authority Nominated Personnel shall collect User Fare from passengers prior to boarding the Bus and the Operator shall have the right to refuse entry to passengers refusing payment of the User Fare.

16.8.4 The Operator and its employees shall always extend courtesy while interacting with public.

ARTICLE-17 : MAINTENANCE OF BUSES

17.1 Maintenance Obligations

- 17.1.1 The Operator shall maintain all Buses in accordance with the provisions of this Article 17, the Specifications and Standards, the Maintenance Manual and the Maintenance Requirements (the “**Maintenance Obligations**”).
- 17.1.2 The Parties agree that for discharging the Maintenance Obligations hereunder, the Operator shall provide its staff, movable equipment, Spares and Consumables, workshop, office space etc. The Parties further agree that the workshop space to be provided hereunder by the Operator for discharging the Maintenance Obligations of the Operator shall be no less than 100 m (hundred metres) long and 20 m (twenty metres) wide, within the Maintenance Depot.

17.2 Maintenance Manual

- 17.2.1 The Operator shall prepare a repair and maintenance manual (the “**Maintenance Manual**”) for the maintenance of Buses in conformity with Good Industry Practice and the provisions of this Article 17. The Operator shall provide 10 (ten) copies of a provisional maintenance manual (the “**Provisional Maintenance Manual**”) to the Authority no later than 90 (ninety) days from the Appointed Date. The Authority may review the Provisional Maintenance Manual and convey its comments to the Operator within a period of 15 (fifteen) days from the date of receipt thereof. The Operator shall revise the Provisional Maintenance Manual, as may be necessary, and provide to the Authority 50 (fifty) copies of the Maintenance Manual, accompanied by an electronic copy thereof, no later than 30 (thirty) days from the date on which it receives comments from the Authority. The Maintenance Manual shall be revised and updated once every year and the provisions of this Clause 17.2 shall apply, *mutatis mutandis*, to such revision. For the avoidance of doubt, the Parties expressly agree that until the Maintenance Manual is provided hereunder, the Provisional Maintenance Manual shall apply.
- 17.2.2 The Maintenance Manual shall include details of the periodic intervals at which the Operator will perform its Maintenance Obligations on each Bus (“**Scheduled Maintenance**”). The Operator shall ordinarily undertake Scheduled Maintenance at the Maintenance Depots and shall ensure that the Maintenance Depots are fully equipped with all equipment, tools, tackles, Consumables and Spares required to undertake the Scheduled Maintenance of the Buses.
- 17.2.3 The Operator shall, at least 15 (fifteen) days prior to the date of any Scheduled Maintenance issue a notice to the Authority identifying the Buses that will undergo such Scheduled Maintenance. Such notice shall also specify the estimated time required for such Scheduled Maintenance and the estimated date on which such Buses will be made available for operations.
- 17.2.4 Any maintenance or repair of a Bus, not being Scheduled Maintenance, and arising out of any reason including Breakdown, unsatisfactory performance, defects, deficiencies, accident, vandalism, natural calamity, fire, riots, arson or negligence, shall be undertaken by the Operator as unscheduled maintenance (the “**Unscheduled Maintenance**”). The Parties expressly agree that any and all Unscheduled Maintenance shall be undertaken promptly to procure efficient, safe and reliable operation of the relevant Bus. Any and all Unscheduled Maintenance shall

form part of the Maintenance Obligations and shall be undertaken by the Operator at its own cost and expense.

- 17.2.5 The Operator shall, within 3 (three) days of the arrival of a Bus at a Maintenance Depot for Unscheduled Maintenance arising out of the reasons specified in Clause 17.2.4, furnish to the Authority in reasonable detail the particulars of defects, deficiencies or damages.

17.3 Spares and Consumables

- 17.3.1 During the Contract Period, the Operator shall, at its own cost and expense, replace and install materials which get consumed or wear out beyond serviceable limits in the normal course of operation of a Bus, including tyres, tubes, oils, lubricants, brake blocks and pads, rubber parts and hoses, fuses, light fittings, bulbs, seats, curtains, filters, look out glass, bearings and insulators (the “**Consumables**”). Save and except as provided in this Agreement, the Consumables shall be replaced or installed, as the case may be, by the Operator when a Bus is brought to a Maintenance Depot in accordance with the provisions of this Agreement.
- 17.3.2 During the Maintenance Period, the Operator shall, at its own cost and expense, replace any part or equipment of a Bus which may be defective, damaged or worn out, by a substitute thereof (the “**Spares**”) for the efficient Operation and Maintenance of a Bus.
- 17.3.3 The Parties expressly agree that the Operator shall, supply and install doors, window panes, seats, axle-boxes, brake components, wind shield, and under-transmission piping/cabling at its own cost and expense; provided, however, that if such supply and installation have arisen on account of negligence of Authority staff, accidents, vandalism, arson, riots or natural calamities, the Authority shall be liable for the costs and expenses incurred by the Operator as a result less any amount recovered from the Insurance Cover maintained by the Operator.
- 17.3.4 The Operator shall, at its cost, maintain a sufficient inventory of Consumables and Spares for timely repair and maintenance of Buses in conformity with its Maintenance Obligations.

17.4 Maintenance Requirements

The Operator shall procure that at all times during the Contract Period, each and every Bus conforms to the maintenance requirements set forth in Schedule-I (the “**Operation and Maintenance Requirements**”).

17.5 Damages for breach of Maintenance Obligations

- 17.5.1 In the event that the Operator fails to repair or rectify any defect or deficiency in a Bus, as set forth in the Maintenance Requirements and within the period specified therein, it shall be deemed to be in breach of this Agreement and the Authority shall be entitled to recover Damages, to be calculated and paid for each day of delay until the breach is cured, at the rate of ~~0.5% (zero point five per cent) of the Performance Security per bus~~ INR 2,500 per bus. Recovery of such Damages shall be without prejudice to the rights of the Authority under this Agreement, including the right of Termination thereof.
- 17.5.2 The Damages set forth in Clause 17.5.1 may be assessed and specified forthwith by the Authority; provided that the Authority may, in its discretion, demand a smaller sum as Damages, if in its opinion, the breach has been cured promptly and the Operator is otherwise in compliance with its Maintenance Obligations. The Operator shall pay such Damages forthwith and, in the event, that it contests such Damages, the Dispute Resolution Procedure shall apply.

17.6 Demobilisation due to Emergency

- 17.6.1 If in the reasonable opinion of the Authority, there exists an Emergency which warrants the demobilisation of a Bus, the Authority shall be entitled to demobilise the Bus for so long as such Emergency and the consequences thereof warrant; provided that such ~~demobilisation~~demobilization and particulars thereof shall be notified by the Authority to the Operator without any delay, and the Operator shall diligently carry out and abide by any reasonable directions that the Authority may give for dealing with such Emergency.
- 17.6.2 The Operator shall re-mobilise the Bus as quickly as practicable after the circumstances leading to its demobilisation have ceased to exist or have so abated as to enable the Operator to re-mobilise the Bus and shall notify the Authority of the same without any delay. For the avoidance of doubt, the demobilisation of any Bus pursuant to this Clause 17.6 shall not affect the Monthly Assured Bus Kilometers and the Authority shall continue to pay the Fee to the Operator in accordance with Article 22.

17.7 Authority's right to take remedial measures

In the event the Operator does not maintain and/or repair the Bus in conformity with the provisions of this Agreement and the Maintenance Manual, and fails to commence remedial works within 15 (fifteen) days of receipt of a notice in this regard from the Authority, the Authority shall, without prejudice to its rights under this Agreement including Termination thereof, be entitled to undertake such remedial measures at the risk and cost of the Operator, and to recover its cost from the Operator. In addition to recovery of the aforesaid cost, a sum equal to 20% (twenty per cent) of such cost shall be paid by the Operator to the Authority as Damages. The Parties agree that the Authority shall not in any manner be liable for any damage to, or deterioration in, a Bus occurring on account of the remedial measures taken hereunder.

17.8 Overriding powers of the Authority

- 17.8.1 If in the reasonable opinion of the Authority, the Operator is in material breach of its obligations under this Agreement and, in particular, the Maintenance Obligations, and such breach is causing or is likely to cause material hardship to the Users or render the use of a Bus unsafe for operation, the Authority may, without prejudice to any of its rights under this Agreement, by notice, require the Operator to take reasonable measures immediately for rectifying or removing such hardship or unsafe condition, as the case may be.
- 17.8.2 In the event that the Operator, upon notice under the provisions of this Clause 17.8, fails to rectify or remove any hardship or unsafe condition affecting the operation of any Bus, within 15 (fifteen) days from the date of the notice, the Authority may exercise overriding powers under this Clause 17.8 and take over the performance of any or all the obligations of the Operator to the extent deemed necessary by it for rectifying or removing such hardship or unsafe situation; provided that the exercise of such overriding powers by the Authority shall be of no greater scope and of no longer duration than is reasonably required hereunder; provided further that for any costs and expenses incurred by the Authority in discharge of such obligations, the Authority shall be entitled to recover them from the Operator in accordance with the provisions of Clause 17.7 along with the Damages specified therein.
- 17.8.3 In the event of a national emergency, adverse weather conditions, civil commotion or any such other event, the Authority may take over the performance of any or all the rights or obligations of the Operator to the extent deemed necessary by it, and exercise such control over the Buses and Maintenance Depots or give such directions to the Operator as may be deemed necessary; provided that the exercise of such overriding powers by the Authority shall be of no greater scope and of no longer duration than is reasonably required in the circumstances which caused the exercise of such overriding power by the Authority. It is agreed that the Operator shall comply with such instructions as the Authority may issue in pursuance of the provisions of this Clause 17.8, and shall provide assistance and cooperation to the Authority, on a best effort basis, for performance of its obligations hereunder.
- 17.8.4 The Parties agree that if the Authority takes over the performance of any or all the rights or obligations of the Operator pursuant to Clauses 17.8.1, 17.8.2 or 17.8.3, then:
- (a) the period during which the Authority has taken over the operation of the Buses shall be excluded for determining compliance with the Key Performance Indicators in accordance with Article 20;
 - (b) the Authority shall continue to pay the Operator for the Monthly Assured Bus Kilometres in accordance with Clause 22.4 for the period during which the Authority has taken over the operation of the Buses; and
 - (c) the Authority shall be liable for any damage caused to the Buses during the period in which it has taken over the operations of the Buses.

17.9 Restoration of loss or damage to the Buses

Save and except as otherwise expressly provided in this Agreement, in the event that a Bus or any part thereof suffers any loss or damage during the Contract Period from any cause whatsoever, the Operator shall, at its cost and expense, rectify and remedy such loss or damage forthwith so that the Bus conforms to the provisions of this Agreement.

17.10 Modifications to the Buses

The Operator shall not carry out any material modifications to a Bus save and except where such modifications are necessary for the Bus to operate in conformity with the Specifications and Standards, Maintenance Obligations, Good Industry Practice and Applicable Laws; provided that the Operator shall notify the Authority of the proposed modifications along with particulars thereof at least 15 (fifteen) days before commencing work on such modifications and shall reasonably consider any suggestions that the Authority may make within 15 (fifteen) days of receiving the Operator's proposal. For the avoidance of doubt, all modifications made hereunder shall comply with the Specifications and Standards, Applicable Laws, Good Industry Practice and the provisions of this Agreement.

17.11 Operation Assistance

17.11.1 The Operator shall operate the Buses in accordance with the Operation Manual, Applicable Laws, Good Industry Practice and the provisions of this Agreement.

17.11.2 The Operator shall ensure that its staff are familiar and well versed with the Operation Manual.

17.11.3 The Operator shall bear the cost of electricity, including over and above the Allowed Energy Consumption, in accordance with Schedule-S.

17.12 Excuse from performance of obligations

The Operator shall not be considered in breach of its obligations under this Agreement in connection with the Operations and Maintenance of the Buses and Maintenance Depots if it is unable to perform its obligations on account of any of the following:

- (a) an event of Force Majeure;
- (b) measures taken to ensure the safe operation of Buses, except when unsafe conditions occurred because of failure of the Operator to perform its obligations under this Agreement; or

- (c) a breach by the Authority of its obligations under this Agreement and which directly affects the Operator's ability to comply with any of its obligations;
- (d) delay by the Authority in handing over the Maintenance Depots by the Scheduled Maintenance Depot Handover Dates in accordance with the terms of this Agreement;
- (e) any road accidents which prevent the Operator from complying with the requirements of this Agreement, including the Key Performance Indicators, provided that the Operator has complied with the notice requirements set out in Clause 13.11.4 and that such accidents were not caused due to reasons attributable to the Operator;
- (f) grid failures, power outages or inadequate power supply to the extent it affects the Operator's ability to adequately charge the Buses in accordance with the requirements prescribed in the Operations Manual;
- (g) blockade on any Operational Route caused by any Government Instrumentality or other reasons not attributable to the Operator;
- (h) compliance with a request from the Authority or the directions of any Government Instrumentality.

Provided that, any such inability to comply with its obligations shall be notified by the Operator to the Authority without any delay. Notwithstanding the foregoing, the Operator shall keep every unaffected Bus available for operations. Further, the Operator shall, in the event that it is prevented from performing any time-bound obligation in connection with the Operations and Maintenance of the Buses and Maintenance Depots on account of any of the events set out in this Clause 17.12, receive an extension of time for the performance of such obligation with the period of such extension being equal to the period during which any of the events set out in this Clause 17.12 subsist.

17.13 Warranties for defects and deficiencies

17.13.1 The Operator warrants that:

- (a) all equipment, supplies, plant and machinery at the Maintenance Depots as well as components, parts and systems forming part of a complete Bus including the Spares and Consumables shall be new and of utility-grade quality and in full conformity with the Specifications and Standards, Designs and Drawings, Applicable Permits, Applicable Laws and the other requirements of the Agreement, of suitable quality and fit for the purpose for which they are intended and be free from defects, deficiencies and defective workmanship;
- (b) all Buses shall be free from defects, shall comply with all Applicable Laws and Good Industry Practice and will be capable of operating in the manner intended and contemplated in the Specifications and Standards, Designs and Drawings, Applicable Permits, Applicable Laws and the Agreement;
- (c) the manufacturing, assembly and supply of the Buses shall be performed in accordance with the standards of professional care, skill, diligence and competence generally

accepted in the international independent manufacturing industry applicable to engineering and manufacturing and project management practices for manufacturing projects of similar size and type as the Project, when operated in accordance with Good Industry Practice; and

- (d) the Buses shall be capable of performing and would continue to perform as per this Agreement.

17.14 Maintenance Depots

17.14.1 For discharging its Maintenance Obligations under and in accordance with the provisions of this Agreement, the Operator shall also operate and maintain the Maintenance Depots in accordance with the Specifications and Standards, Good Industry Practices and the provisions of this Agreement.

17.14.2 Subject to adequate space being made available at the Maintenance Depots by the Authority, the Maintenance Depots shall have ~~provisions for the~~adequate repair and maintenance facilities for the entire fleet of ~~at least 50 (fifty)~~ Buses ~~at a time~~ as well as parking facility for the entire fleet of Buses deployed at such depot.

ARTICLE-18 : SAFETY REQUIREMENTS

18.1 Safety Requirements

The Operator shall develop, implement and administer a safety programme for providing a safe environment on or about the Buses and Maintenance Depots, and shall comply with the safety requirements set forth in this Article 18 and Schedule-K (the “**Safety Requirements**”).

18.2 Guiding principles

- 18.2.1 Safety Requirements aim at minimising threat of injuries, loss of human life and damage to property resulting from accidents on account of the Buses or in the Maintenance Depots, irrespective of the person(s) at fault.
- 18.2.2 Safety Requirements shall apply to all phases of construction, operation and maintenance of the Project with emphasis on identification of factors associated with accidents, consideration of the same and implementation of appropriate remedial measures.

18.3 Obligations of the Operator

- 18.3.1 The Operator shall abide by the following to ensure safety of the Buses and Maintenance Depots, human life and property:
- (a) instructions issued by the Authority;
 - (b) Applicable Laws and Applicable Permits;
 - (c) provisions of this Agreement;
 - (d) relevant standards/guidelines contained in internationally accepted codes; and
 - (e) Good Industry Practice.
 - (f) Develop a Standard Operating Procedure (including for events involving thermal incidents) and train the relevant staff on the Standard Operating Procedure
 - (g) Conducting annual safety audit and submission of the report to the Authority
- 18.3.2 The Operator shall impart safety training to its employees and shall at all times be responsible for observance of safety procedures by its staff, Contractors and agents.
- 18.3.3 The Operator shall be responsible for undertaking all the measures under its control to ensure safe operation of Buses and the safety and security of the Maintenance Depots.
- 18.3.4 The Operator agrees that the Authority shall be entitled to inspect any Bus or Maintenance Depot to verify adherence to Safety Requirements and the Operator shall be obliged to facilitate such inspection and implement the corrective measures identified in such inspection.

18.4 Safety measures during Fit Out Works

The Operator shall, while undertaking the Fit Out Works at the Maintenance Depots, provide an environment for procuring the safety of human life and property in accordance with Applicable Laws and Good Industry Practice.

18.5 Annual Safety Report

- 18.5.1 The Operator shall submit to the Authority before the 31st (thirty first) May of each Accounting Year, an annual report in 10 (ten) copies containing, without limitation, a detailed listing and analysis of all accidents occurring on account of the operation of the Buses or in the Maintenance Depots during the preceding Accounting Year and the measures taken by the Operator for averting or minimizing such accidents in the future (“**Annual Safety Report**”).
- 18.5.2 Once in every Accounting Year, a safety audit shall be carried out by the Authority. It shall review and analyse the Annual Safety Report and accident data of the preceding Accounting Year and undertake an inspection of the Buses and Maintenance Depots. The Authority shall provide a safety report recommending specific improvements, if any, required to be made in the Buses and Maintenance Depots. Such recommendations shall be implemented by the Operator in accordance with Safety Requirements, Specifications and Standards and Applicable Laws.

ARTICLE-19 : MONITORING OF OPERATION AND MAINTENANCE

19.1 Monthly Status Reports

- 19.1.1 During the Contract Period, the Operator shall, no later than 7 (seven) days after the end of each month, furnish to the Authority a monthly report stating in reasonable detail the maintenance services performed by the Operator on the Buses and the defects and deficiencies that require rectification (standard format as per schedule X). The report shall also include Key Performance Indicators achieved by the Buses, the compliance or otherwise with the Maintenance Requirements, Maintenance Manual and Operation Manual, details of any breakdowns, claims, challans etc. The Operator shall promptly give such other relevant information as may be required by the Authority.
- 19.1.2 The monthly report specified in Clause 19.1.1 shall also include a summary of the key operational hurdles and deliverables expected in the succeeding month along with strategies for addressing the same and for otherwise improving the Operator's operational performance.
- 19.1.3 The operator shall log all the maintenance activities (Scheduled, Unscheduled) for every Bus throughout the Contract Period in maintenance history register which shall be accessible to the Authority as and when required.

19.2 Accident Reporting

The Operator shall, prior to the close of each day, send to the Authority, by facsimile or email, a report containing details of any failures, accidents and other unusual occurrences relating to the Buses. A weekly and monthly summary of such reports shall also be sent within 3 (three) days of the closing of each week and month, as the case may be. For the purposes of this Clause 19.2, unusual occurrences on a Bus shall include any other troubles or events involving a Bus during operations.

19.3 Inspection

The Authority shall be entitled to inspect the Buses and Maintenance Depots after any maintenance activities have been carried out by the Operator for evaluating the compliance of the Buses and Maintenance Depot with the Maintenance Obligations. Pursuant to any such inspections, the Authority shall prepare a report of such inspection (the “**Maintenance Inspection Report**”) stating in reasonable detail the defects or deficiencies, if any, with particular reference to the Maintenance Obligations and shall notify the Operator of the same for taking remedial measures in accordance with the provisions of Clause 19.5.

User ID : mahendra.singh
Serial No : 162B840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

19.4 Tests

For determining that the Buses are being maintained in conformity with the Maintenance Obligations, the Authority may require the Operator to carry out, or cause to be carried out, the tests specified by it in accordance with Good Industry Practice. The Operator shall, with due diligence, carry out or cause to be carried out all such tests in accordance with the instructions of the Authority and furnish the results of such tests to the Authority within 15 (fifteen) days of such tests being conducted. One half of the costs incurred on such tests shall be reimbursed by the Authority to the Operator. Provided, however, that the Authority shall not bear any costs hereunder for and in respect of tests which have failed. Provided that, the date and time of such tests shall be mutually discussed and agreed by the Parties keeping in mind the operation hours of any such Bus as per the Deployment Plan.

19.5 Remedial measures

- 19.5.1 The Operator shall repair or rectify the defects or deficiencies, if any, set forth in the Maintenance Inspection Report or in the test results referred to in Clause 19.4 and furnish a report in respect thereof to the Authority within 7 (Seven) days of receiving the Maintenance Inspection Report or the test results, as the case may be.
- 19.5.2 The Authority shall require the Operator to carry out or cause to be carried out tests, at the cost of the Operator, to determine whether the remedial measures have brought the Buses into compliance with the Maintenance Obligations and Safety Requirements, and the procedure set forth in this Clause 19.5 shall be repeated until the maintenance of Buses conforms to the Maintenance Obligations and Safety Requirements. In the event that remedial measures are not completed by the Operator in conformity with the provisions of this Agreement, the Authority shall be entitled to recover Damages from the Operator at the rate of ~~0.5% (zero point five per cent) of the Performance Security~~ INR 2,500 per bus times the number of buses allocated to the specific depot.

19.6 Responsibility of the Operator

- 19.6.1 It is expressly agreed between the Authority and the Operator that any inspection carried out by the Authority or the submission of any Maintenance Inspection Report by the Authority as per the provisions of this Article 19 shall not relieve or absolve the Operator of its obligations and liabilities hereunder in any manner whatsoever.
- 19.6.2 It is further agreed that the Operator shall be solely responsible for adherence to the Key Performance Indicators specified in Article 20.

19.7 Real Time Data Access

The Operator shall ensure that the Bus deployed has real time data monitoring device in accordance with the Standards and Specifications in Schedule- P (“**Intelligent Transit System**”, “**ITS**”) complete with onboard devices on Buses which enable the Authority to monitor the real-time location and status of the Buses. The Operator shall provide the Authority access to the raw feed of the ITS. The Operator shall install the ITS to provide the data as per the data standards and communication protocols specified in Schedule -P. The Operator shall ensure integration of the data feed from ITS devices to the Centralized ITMS Platform. The Operator agrees that a failure to comply with its obligations under this Clause 19.7 shall be deemed to be an Operator Default.

ARTICLE-20 : KEY PERFORMANCE INDICATORS

20.1 Key Performance Indicators

Without prejudice to the obligations specified in this Agreement, the Operator shall operate and maintain every Bus such that it achieves the performance indicators comprising Reliability, Operational Availability, Start Punctuality, Arrival Punctuality, Trip Speed, Frequency, Safety and Infractions as specified in this Article 20, (the “**Key Performance Indicators**”).

20.2 Reliability

20.2.1 The Parties agree that the average reliability of all Buses in the fleet shall be measured on a monthly basis in terms of the number of Breakdowns per 10,000 (ten thousand) kilometres travelled by the Buses (the “**Breakdown Factor**”)

20.2.2 Breakdown Factor shall be equal to the quotient of the aggregate number of Breakdowns of all Buses multiplied by 10,000 (ten thousand) and divided by the cumulative distance travelled by all Buses in that month.

$$\text{Breakdown Factor (BF)} = \frac{\text{total no. of Breakdowns of all buses in a month}}{\text{Total bus kms operated in a month}} \times 10,000$$

20.2.3 The Operator agrees that the Breakdown Factor for the Buses, determined in accordance with Clause 20.2.2, shall be equal to or less than 0.5 (zero decimal five). The Operator agrees that for every increase in the Breakdown Factor by 0.1 (zero decimal one) above 0.5, it shall pay Damages to the Authority at the rate of 0.1% (zero decimal one) of the Monthly Fees.

20.2.4 The Authority agrees that if the Breakdown Factor is less than 0.5 (zero decimal five), then for every 0.1 (zero decimal one) decrease in the Breakdown Factor below a factor of 0.5, the Authority shall pay to the Operator an incentive equal to 0.05% of the Monthly Fees.

20.3 Operational Availability

20.3.1 After Lot COD of each Lot as per the Delivery Schedule, a Bus shall be deemed to be available for operation at all times, save and except for the instances set out in Clause 20.3.2 below.

20.3.2 The Parties agree that the period for which a Bus is deemed to be not available for operation shall be as follows:

- a) Bus is not available at the scheduled start of shift(s) turnout time as per the Deployment plan.
- b) Bus held up at Maintenance Depot/ workshop for any reason during shift(s) schedule turn out time unless such non availability is on account of reason not directly attributable to Operator such as Bus damaged due to riots, natural calamities, vandalism, traffic jams.

User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

20.3.3 The availability of the Buses shall be calculated on a shift(s) basis by dividing the number of Buses available for operations in the start of shift(s) as per the scheduled turn out time (as per Clause 20.3.1 and 20.3.2 above) by the total number of Buses contracted by the Authority under this Agreement multiplied by 100 (one hundred) (“**Availability**”).

$$\text{Availability} = \frac{\text{Total no. of buses available for operations in the start of shift(s)} \times 100}{\text{Total number of buses as per plan}}$$

20.3.4 The Operator shall at all times ensure that the Availability of the Buses during each month of the Contract Period is equal to 100” (“**Guaranteed Availability**”). To ensure this availability:

- operator should maintain minimum 5% spare buses (“Additional Buses”) from the date of Lot COD for each lot as per the Delivery schedule.
- Authority should provide additional space for these Additional Buses

20.3.5 Notwithstanding anything to the contrary contained in this Agreement, upon the occurrence of any of the events mentioned in Clause 17.12, the Buses affected by such events will be deemed to be Available for the duration of the event.

20.3.6 The Operator agrees that for any reduction in the Availability as compared to the Guaranteed Availability, it shall pay Damages to the Authority as per the table below: The Damages payable by the Operator for a failure to meet the Guaranteed Availability shall be payable monthly.

Damages in case of reduction in Guaranteed Availability			
Availability	Less than 100% and up to 95%	less than 95% and up to 90%	Less than 90%
Damages payable per non available Bus	50 bus kms / shift/ non available Bus	60 bus kms/ shift/ non available Bus	70 bus kms/ shift/ non available Bus

20.3.7 The Operator shall make the Buses available at the prescribed locations mentioned in the Deployment Plan along with driver about 15 minutes before the scheduled turn out operation on all days.

20.3.8 Operator shall ensure refurbishment of Buses after 6 years from the date of COD. Refurbishment of buses shall be such that Buses are in best conditions with completion of all missing components, proper working of major aggregates/ assemblies/ sub-assemblies, replacement of damaged body panels, replacement of cushions of passenger seats, flooring, structural members etc. the refurbishment of buses is required to be completed within window of 1 year i.e., before competition of seventh year from the date of COD. During the refurbishment period relaxation in Guaranteed Availability up to 5% (five percent) is allowed. The technical team will inspect the buses before they are put in services after refurbishment of the Bus, if the bus is found not refurbished in near to showroom condition, such Bus will not be permitted for the operations.

20.4 Punctuality

- 20.4.1 The starting time punctuality of the Buses shall be measured on a monthly basis in terms of the percentage of on-time start of trips (in accordance with the Deployment Plan) to the total number of trips operated on a daily basis in the relevant month (“**Start Punctuality**”). The total number of trips where a Bus started late (or did not start) during the month compared to the start time as set out in the Deployment Plan will be recorded and subtracted from the total number of trips operated in such month to arrive at the number of trips operated that started on-time as per the Deployment Plan.
- 20.4.2 The Operator agrees that the arrival punctuality of the Buses at the end destination of the relevant Operational Route shall be measured on a monthly basis in terms of the percentage of trips with on-time arrival at the final destination (in accordance with the Deployment Plan) to the total number of trips operated on a daily basis in such month (“**Arrival Punctuality**”). The total number of trips where a Bus arrives late at the final destination during the month will be recorded and subtracted from the number of trips operated in such month to arrive at the on-time arrival trips.
- 20.4.3 With respect to the Start Punctuality, the Parties agree that the Operator may exercise a relaxation up to 5 (five) minutes for the start time of the Bus schedule as set out in the Deployment Plan. With respect to the Arrival Punctuality, the Parties agree that the Operator may exercise a relaxation up to 10% (ten percent) of the total scheduled trip time as set out in the Deployment Plan (subject to a maximum of 15 (fifteen) minutes).
- 20.4.4 Subject to the provisions of Clause 20.4.3, the Operator agrees that the Start Punctuality determined in accordance with Clause 20.4.2 shall be equal to or more than 90% (ninety percent) in any month (“**Guaranteed Start Punctuality**”) and the Arrival Punctuality shall be equal to or more than 80% (eighty percent) in any month (“**Guaranteed Arrival Punctuality**”) respectively.
- 20.4.5 The Operator agrees that for every 1% reduction in the Start Punctuality or the Arrival Punctuality in any month, as the case may be, as compared to the Guaranteed Start Punctuality or the Guaranteed Arrival Punctuality, in each case, for that month, it shall pay Damages to the Authority at the rate of 2% of the Monthly Fees. The Damages payable by the Operator for a failure to achieve the Guaranteed Start Punctuality or the Guaranteed Arrival Punctuality shall be calculated at the end of each month. Provided however, if, based on a verification of the Start Punctuality or the Arrival Punctuality in any month, the Authority determines that the Operator has failed to achieve the Guaranteed Arrival Punctuality directly as a result of a failure to achieve the Guaranteed Start Punctuality, then in order to avoid any double counting of the Damages payable by the Operator, the Authority shall only levy Damages for a failure to achieve one of such Key Performance Indicators.
- 20.4.6 The Authority agrees that if, in any month, the Start Punctuality or the Arrival Punctuality is more than the Guaranteed Start Punctuality or the Guaranteed Arrival Punctuality for that month respectively, then for every 1% increase in the Start Punctuality or the Arrival Punctuality over and above the Guaranteed Start Punctuality or the Guaranteed Arrival Punctuality, as the case may be, for that month, the Authority shall pay to the Operator an incentive equal to 0.05% of the Monthly Fees. The incentive (if any) payable by the Authority to the Operator in accordance with this Clause 20.4.6 shall be calculated at the end of each month.

20.5 Frequency

20.5.1 The frequency of operation of all available Buses (as determined in accordance with Clause 20.3 above) shall be measured on a monthly basis in terms of:

- (a) a percentage of the cumulative completed trips travelled by all Buses to the aggregate number of scheduled trips for the same time period ("**Trip Frequency**"); and
- (b) a percentage of the cumulative Bus Kilometres travelled by all Buses to the aggregate scheduled Bus Kilometres for the same time period ("**Bus Kms Frequency**").

20.5.2 The Operator agrees that the guaranteed Trip Frequency ("**Guaranteed Trip Frequency**") and the guaranteed Bus Kms Frequency ("**Guaranteed Bus Kms Frequency**"), as the case may be, determined in accordance with Clause 20.5.1 shall be equal to or more than 94% (ninety four percent).

20.5.3 Unless otherwise set out in the Deployment Plan, the Authority shall provide minimum of [5] hours for every bus, at depot during each night, for charging, maintenance and any other activities.

20.5.4 The Buses in each direction shall be operated by the Operator in line with the Deployment plan provided by the Authority.

20.5.5 The Operator agrees that for every 1% reduction in the Trip Frequency or the Bus Kms Frequency, as the case may be, as compared to the Guaranteed Trip Frequency or the Guaranteed Bus Kms Frequency, it shall pay Damages to the Authority at the rate of 2% of the Monthly Fees. The Damages payable by the Operator for a failure to achieve the Guaranteed Trip Frequency or the Guaranteed Bus Kms Frequency shall be calculated at the end of each month. Provided however, if, based on a verification of the Trip Frequency or Bus Kms Frequency, the Authority determines that the Operator has failed to achieve the Guaranteed Trip Frequency directly as a result of a failure to achieve the Guaranteed Bus Kms Frequency, or *vic-e-versa*, then in order to avoid any double counting of the Damages payable by the Operator, the Authority shall only levy Damages for a failure to achieve one of such Key Performance Indicators, as the case may be.

20.5.6 The Authority agrees that if, in any month, the Trip Frequency or the Bus Kms Frequency is more than the Guaranteed Trip Frequency or the Guaranteed Bus Kms Frequency, respectively, then for every 1% increase in the Trip Frequency or the Bus Kms Frequency over and above the Guaranteed Trip Frequency or the Guaranteed Bus Kms Frequency, as the case may be, the Authority shall pay to the Operator an incentive equal to 0.05% of the Monthly Fees.

20.6 Safety of Operations

20.6.1 The Parties agree that the safety of the Buses in the fleet shall be measured in terms of the number of accidents per 10,000 Kms (Ten thousand kilometers) (the “**General Safety**”) and the number of severe accidents per month (the “**Severe Safety**”), respectively.

20.6.2 The General Safety shall be calculated in terms of Minor Accident Factor.

$$\text{Minor Accident Factor} = \frac{\text{No of minor accidents in a month} \times 10,000}{\text{Total Bus kms in a month}}$$

The Severe safety shall be calculated in terms of number of Major Accidents.

20.6.3 The Operator agrees that the assured General Safety (“**Assured General Safety**”) determined in accordance with Clause 20.6.1 and 20.6.2 shall be equal to or less than 0.01 (zero decimal zero one).

20.6.4 The Operator agrees that for every increase in number of accidents, by a factor of 0.01 (zero decimal zero one) as compared to the Assured General Safety, it shall pay Damages to the Authority at the rate of 2% of the Monthly Fees. The Operator agrees that for every number of Severe Safety incident occurrence, it shall pay Damages to the Authority at the rate of 2 % of the Monthly Fees for each incident.

20.6.5 The Authority agrees that if the General Safety is less than 0.005 (zero decimal zero zero five), then for every 0.001 decrease in the General Safety the Authority shall pay to the Operator an incentive equal to 0.05% of the Monthly Fees.

20.6.6 Event of serious incidents such as Bus catching fire for more than 4% (four Percent) of the lot within a period of 3 (three) months, in such situations Authority may direct Operator to take all Buses off road of that lot and ask the Operator to identify and rectify the cause. Operator may even be asked to check the complete fleet and subjected to thorough inspection by the Authority. No Monthly Assured Bus Kilometre payment will be applicable for non-operation of Buses during such period.

20.7 Operational Infractions

20.7.1 The Operator shall Operate and Maintain the Buses so as to minimize the occurrence of any of the Operational Infractions. An Operational Infraction may be identified by the Authority (or the Authority's Representative) either through inspections of the Buses and Maintenance Depots, User complaints or review of the data generated from the ITS.

20.7.2 The Operator agrees that upon the occurrence of any Operational Infraction, it shall pay to the Authority Damages of an amount corresponding to the breach of such Operational Infraction as set out in Schedule-T. In the event of any repeated Operational Infractions, the rate of Damages payable by the Operator shall increase in accordance with the provisions of Schedule-T.

20.8 Monthly Report

- 20.8.1 The Operator shall, no later than 7 (seven) days after the end of each month, furnish to the Authority a report (as per the format in schedule X) containing details of the compliance with the Key Performance Indicators of each Bus as measured on a daily basis. The Operator shall promptly give such other relevant information as may be required by the Authority for the purposes of determining whether the Operator is achieving the Key Performance Indicators as set out in this Article 20.
- 20.8.2 The Operator shall keep ~~the~~ backup for atleast 90 days of raw data and proper records of all data collected from the operation of the Buses from the Data Monitoring System, ITMS or any other systems installed, for the purposes of verification by the Authority.

20.9 Passenger Charter

The Operator shall implement a charter articulating the rights and expectations of Users (the “**Passenger Charter**”) as provided by the Authority. The Operator shall at all times be accountable and liable to Users in accordance with the provisions of the Passenger Charter and Applicable Laws.

20.10 Cap on Damages for failure to achieve Key Performance Indicators

The Operator shall ensure and procure compliance of each of the Key Performance Indicators specified in Article 20. Any Damages payable by the Operator for a failure to achieve the Key Performance Indicators set out in Clauses 20.2 ~~and 20.4~~ to 20.7 in any month in accordance with this Article 20 shall be capped at 10% of the aggregate Monthly Fees payable in such month. Any Damages payable by the Operator as a result of any Operational Infractions in any month shall be capped at 5% of the Monthly Fees for that month. ~~It is further clarified that Damages under clause 20.3 will not be subject to the 10% capping mentioned in this clause.~~

20.11 Cap on incentives for exceeding to achieve Key Performance Indicators

Any incentives payable by the Authority to the Operator for exceeding the prescribed Key Performance Indicators in accordance with this Article 20 and rates Specified in Schedule U in any month shall be capped at 5% of the aggregate Monthly Fees for the respective Month.

20.12 Initial Operating Period

During the first 30 (thirty) days of Operations after the first Lot COD as per the Delivery Schedule, the Authority shall provide allowance of up to 25% of the respective Key Performance Indicators to the Operator except safety of operations as per Clause 20.6.

ARTICLE-21 : FINANCIAL CLOSE

21.1 Financial Close

21.1.1 The Operator hereby agrees and undertakes that it shall achieve Financial Close within 12 weeks from the date of this Agreement and in the event of delay, it shall be entitled to a further period not exceeding 90 (ninety) days, subject to payment of Damages to the Authority in a sum calculated at the rate of 0.1% (zero point one per cent) of the Performance Security for each day of delay and for a further period not exceeding 80 (eighty) days, subject to payment of Damages at the rate of 0.25% (zero point two five per cent) of the Performance Security for each day of delay; provided that the Damages specified herein shall be payable every week in advance and the period beyond the said 60 (sixty) days shall be granted only to the extent of Damages so paid; provided further that no Damages shall be payable if such delay in Financial Close has occurred solely as a result of any default or delay by the Authority in procuring satisfaction of the Conditions Precedent specified in Clause 4.1.2 or due to Force Majeure; and provided further that, if such delay in achieving Financial Close has occurred directly as a result of the Authority's delay in grant of vacant access and Right of Way to the Depot Sites and Maintenance Depots in accordance with Article 10, the Authority shall pay Damages to the Operator in a sum calculated at the rate of 0.1% (zero point one per cent) of the Performance Security for each day of delay. For the avoidance of doubt, the Damages payable hereunder by the Operator shall be in addition to the Damages, if any, due and payable under the provisions of Clause 4.3 for a failure by the Operator in fulfilling any of its Conditions Precedent specified in Clause 4.1.3.

21.2 Termination due to failure to achieve Financial Close

- 21.2.1 Notwithstanding anything to the contrary contained in this Agreement, in the event that Financial Close does not occur, for any reason whatsoever, within the period set forth in Clause 21.1.1 or the extended period provided thereunder, the Authority shall have the right to terminate this Agreement.
- 21.2.2 Upon Termination under Clause 21.2.1, the Authority shall be entitled to encash from the Performance Security, an amount equal to the Bid Security and appropriate the proceeds thereof as Damages. provided, however, if Financial Close has not occurred solely as a result of the Authority being in default of any of its obligations under Clause 4.1.2, it shall, upon Termination, return the Performance Security forthwith along with the Damages due and payable under Clause 4.3.

ARTICLE-22 : FEE

22.1 Fee

22.1.1 In consideration for undertaking the Project, the Authority shall pay the Operator a fee calculated on the basis of methodology mentioned in the clause below, and in accordance with the Deployment Plan by each Bus operated by the Operator and as captured in the ITMS platform in fulfilment of the Operators obligations under this Agreement (the “**Fee**”).

22.1.2 Subject to Clause 22.4 and Clause 22.5 below, the Fee payable to the Operator under this Agreement shall be the calculated in the following manner:

a) If the actual Bus Kilometers travelled by all Buses is equal to aggregated Monthly Assured Kilometers, then Fee shall be calculated by multiplying the PK Fee (INR [●]) with such actual Bus Kilometers

b) If the actual Bus Kilometers travelled by all Buses is less than the aggregated Monthly Assured Kilometers, then Fee shall be calculated, in accordance with clause 22.3.2 by using the following formula:

$$\text{Fee} = (\text{PK Fee} * \text{actual Bus Kilometers}) + (\text{PK Fee} * 75\% * (\text{Monthly Assured Kilometers} - \text{actual Bus Kilometers}))$$

c) If the actual Bus Kilometers travelled by all Buses is more than the aggregated Monthly Assured Kilometers, then Fee shall be calculated, in accordance with clause 22.3.3 by using the following formula:

$$\text{Fee} = (\text{PK Fee} * \text{Monthly Assured Kilometers}) + (\text{PK Fee} * 50\% * (\text{actual Bus Kilometers} - \text{Monthly Assured Kilometers}))$$

For the avoidance of doubt, it is clarified that the Fee, as per the above methodology shall be calculated on a monthly basis.

22.1.3 The Parties agree that a Bus Kilometer shall comprise of the kilometers travelled by a Bus in respect of:

- (a) distance travelled by a Bus assigned on a particular Operational Route as per the Deployment Plan;
- (b) distance travelled by a Bus from the Maintenance Depot to the first point of loading passengers at the commencement of its service on a day
- (c) distance travelled by a Bus from its last Bus Stop as per the Deployment Plan to the Maintenance Depot at the end of the day’s service; and
- (d) Distance travelled by a Bus, with or without passengers, which is otherwise outside the Deployment Plan but has been requested or approved by the Authority

22.1.4 The Operator agrees and acknowledges that a Bus Kilometer, for the purpose of payment of the Fee, shall not include any kilometer travelled by the Bus to any maintenance facilities, other than the Maintenance Depot, or for any travel not authorized by the Authority or not captured in the ITMS platform or otherwise not in accordance with the terms of this Agreement.

Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da8016722444d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

22.1.5 For each month after the Lot COD of the first Lot of Buses, the Operator shall compute and provide to the Authority, the total number of Bus Kilometers that all the Buses deployed by the Operator in such month have travelled for the period being reckoned for the purpose of raising the invoice. ~~Such calculation shall be made using the ITS installed by the Operator along with the odometer reading of each Bus.~~ The Bus Kilometers will be calculated on the basis of route survey done jointly by the Authority and the Operator for the pre-determined routes before the start of operations. The payment against these Bus Kilometers will be subject to complete schedule adherence as verified through ITS.

22.1.6 In the event Bus Kilometers is not captured by ITMS on account of default of authority, the odometer reading of such fleet for the performed trips shall be referred for calculation of Bus Kilometer

22.1.7 The Authority shall deposit the Fee due and payable to the Operator subject to and in accordance with this Article 22, into the Escrow Account.

22.2 Payment of Fee

22.2.1 After the Lot COD for the first Lot of Buses, and for each subsequent month of the Contract Period, the Operator shall submit a monthly invoice in accordance with clause 22.1.2, in respect of each Bus which has been put into commercial operation, in accordance with Clause 14.2.1, in the relevant month within 7 (seven) days from the end of each month (“**Invoice**”). The first Invoice to be submitted by the Operator after the Lot COD of the first Lot of Buses shall be pro-rated for the number of days from the Lot COD of the first Lot of Buses until the last working day of the month in which the Lot COD occurs. Each subsequent Invoice shall be a monthly invoice to be submitted to the Authority by the 7th (seventh) day of the immediately following month.

22.2.2 Each Invoice shall set out the following amount

- (a) the Fee payable to the Operator for such month, based on the methodology defined in clause 22.1.2 for all Buses deployed in such month;
- (b) any costs, Damages or other charges that the Operator is entitled to recover from the Authority in terms of this Agreement;
- (c) any costs, Damages or other charges that the Authority is entitled to recover from the Operator in terms of this Agreement as notified by the Authority to the Operator and to which the Operator has no dispute;
- (d) cost of electricity to be reimbursed by the Authority to the Operator in accordance with Clause 22.5; and
- (e) [any applicable Taxes],

(collectively referred as the “**Invoice Amount**”).

22.2.3 Upon the submission of each Invoice, the Authority shall, within 7 (seven) days from the date of submission of such Invoice, convey its approval for the immediate release of 90% of the

Date : 29-12-2023

amount specified in the Invoice, with the remaining 10% to be released by the 7th (seventh) day of the next month, less any necessary deductions or adjustments in accordance with this Agreement and/or Applicable Laws (including any statutory dues).

- 22.2.4 If the Authority fails to approve an Invoice pursuant to Clause 22.2.3 above, within 15 (fifteen) days from the date of submission of such Invoice, the Invoice shall be deemed to be approved and the Operator shall have the right to approach the Escrow Bank for release of the amounts set out in the Invoice.
- 22.2.5 Any dispute between the Parties in relation to an Invoice will be settled in accordance with the Dispute Resolution Procedure.

22.3 Monthly Assured Kilometres

- 22.3.1 The Authority agrees that the Deployment Plan shall ensure the average Bus Kilometres scheduled per Bus in each month, commencing from the end of the First month of the Contract Year will be no less than [●] (the “**Monthly Assured Bus Kilometers**” for respective Lot). For the first month, the Monthly Assured Bus Kilometres for each Bus shall be calculated on a pro rata basis for the number of days each Bus has been put into Commercial Service during the period commencing from the Lot COD of such Bus and expiring at the end of the first month of the Contract Year. Notwithstanding anything to the contrary, for any Buses which are procured and put into Commercial Service after the end of the first month of the Contract Year, the Monthly Assured Bus Kilometers for each such Bus for that Contract Year shall be calculated on a pro rata basis for the number of days such Bus has been in Commercial Service during the period commencing from the Lot COD of such Buses and expiring at the end of that respective month.
- 22.3.2 In the event that a Bus made available by the Operator is not deployed for reasons directly attributable to the Authority or due to a Force Majeure Event, and as a result the Bus operates for less than the Monthly Assured Bus Kilometres in any month, then the Authority will pay to the Operator, the Fees that is calculated in accordance with clause 22.1.2.
- 22.3.3 If the Authority utilises any Bus Kilometers over and above the Monthly Assured Bus Kilometers, the Operator shall be entitled to receive Fees for such additional Bus Kilometers, calculated in accordance with clause 22.1.2.

22.4 Revision of Fee

- 22.4.1 The Parties agree that the PK Fee shall be revised every 6-months from the date of signing of this Agreement to accommodate price escalation on account of cost of maintenance, material and manpower. “**Revision in PK Fee**” will be calculated based on the formulae given below:

$$\text{PK fees (revised)} = (\text{PK fees}) + (\text{PK Fee} \times (\text{CPI}_{\text{Month}} - \text{CPI}_{\text{Base}}) / \text{CPI}_{\text{Base}} \times 0.05) + (\text{PK Fee} \times (\text{MW}_{\text{Month}} - \text{MW}_{\text{Base}}) / \text{MW}_{\text{Base}} \times 0.25)$$

Date : 29-12-2023

CPI_{Base} = Index value issued by Government of India's Labour Bureau's Consumer Price Index for Industrial Workers (CPI- IW) at the time of Bid end date.

CPI_{Month} = Index value issued by Government of India's Labour Bureau's Consumer Price Index for Industrial Workers (CPI- IW) for particular month when the price variation is applicable.

MW_{Base} = Minimum wages notified by the Labour department of that state applicable at the time of bid end date for skilled category

MW_{Month} = Minimum wages for skilled category for particular month, notified by the Labour department of that state

- 22.4.2 The Parties agree that the PK Fee shall stand revised pursuant to any amendment in accordance with this Clause 22.4 and shall become the base PK Fee payable to the Operator under this Agreement.

22.5 Electricity Cost

- 22.5.1 The Parties agree and acknowledge that, as on the date of this Agreement, the PK Fee is inclusive of electricity cost including consumption charges, fixed charges, cess, taxes and other charges imposed by the local DISCOM at HT level metering dedicated for the operator. The operator is responsible for payment of electricity charges for operation and maintenance of buses and maintenance depot to the local DISCOM. The Parties agree that the Authority is liable for any increase in electricity tariff or other related charges including fixed fee, cess, taxes, etc post the Bid Due Date and shall compensate the Operator for any such increase in tariff up to the Allowed Energy Consumption as defined in 22.5.2. The bidder shall raise invoice against the increase in input costs for electricity along with actual bills and supporting documents of the revised electricity cost on actual basis as part of monthly bills. Reconciliation of payment against the differential in electricity tariff to be done annually subject to allowed energy consumption as defined in 22.5.2.

- 22.5.2 The Parties agree that allowed energy consumption or energy efficiency at the fleet level for the bus lot shall be [●] (“**Allowed Energy Consumption**” for Lot). For the avoidance of doubt, the Allowed Energy Consumption will be calculated as follows:

*Allowed Energy Consumption = (1.3 kWh/km * Actual Bus Kms operated in a year for 12m Buses) + (1.0 kWh/km * Actual Bus Kms operated in a year for 9m Buses) + (0.8 kWh/km * Actual Bus Kms operated in a year for 7m Buses)*

To further clarify, the Allowed Energy Consumption will be calculated for only the type(s) of Buses which are deployed with the Authority.

For illustration purpose only:

A	Allowed Energy Consumption (kWh)	7,410
B	Base Electricity Tariff (INR/unit)	5

ARTICLE-23 : DAMAGES FOR DELAY

- 23.1 The Authority hereby undertakes to perform all its obligations under this Agreement failing which it shall be liable to recompense the Operator by paying Damages as per Schedule U in addition to other compensation provided for in this agreement.
- 23.2 The Operator hereby undertakes to perform all its obligations under this Agreement failing which it shall be liable to recompense the Authority by paying Damages as per Schedule V in addition to other compensation provided for in this agreement.
- 23.3 For all amounts payable under Clause 23.1 and 23.2, concerned Party shall raise invoices on the other Party on a monthly basis. Such amounts shall be payable by the other Party or otherwise adjusted against other payments due within 30 (thirty) days of receipt of notice.
- 23.4 Any deferment or delay in raising invoices shall not absolve the other Party from its obligation to pay the amounts that have accrued.

ARTICLE-24 : TRANSFER OF MAINTENANCE DEPOTS

24.1 Transfer of Maintenance Depots

- 24.1.1 The Maintenance Depots shall, in accordance with the provisions of this Agreement, be handed over to the Authority upon Termination of this Agreement or expiry of the Contract Period. The Parties expressly agree that for and in respect of the transfer hereunder, the provisions of Article 33 shall apply *mutatis mutandis*.
- 24.1.2 Upon the handover of the Maintenance Depots from the Operator to the Authority pursuant to Clause 24.1.1, all equipment, machinery, building, structures, hardware, software licenses and other assets comprising the Maintenance Depots (including the Charging Infrastructure) shall vest in the Authority without any Encumbrance.

ARTICLE-25 : INSURANCE

25.1 Insurance during Contract Period

The Operator shall effect and maintain at its own cost, during the Contract Period, such insurances for such maximum sums as may be required under this Agreement, Applicable Laws, and such insurances as may be necessary or prudent in accordance with Good Industry Practice. The Operator shall also effect and maintain such insurances as may be necessary for mitigating the risks that may devolve on the Authority as a consequence of any act or omission of the Operator during the Contract Period. The Operator shall procure that in each insurance policy, the Authority shall be a co-insured.

25.2 Insurance Cover

Without prejudice to the provisions contained in Clause 25.1, the Operator shall, during the Contract Period, procure and maintain Insurance Cover including but not limited to the following:

- (a) Construction All Risk policy during the period of Fit Outs
- (b) total loss, damage or destruction of the Maintenance Depots, Buses, Charging Infrastructure and Opportunity Charging Stations, if any;
- (c) comprehensive third party liability insurance for life, goods or property, including injury to or death of personnel of the Authority or others, arising from any accident at the Maintenance Depots or otherwise, caused by a Bus on account of any negligence of the Operator or a defect or deficiency in a Bus;
- (d) the Operator's general liability arising out of the Agreement;
- (e) workmen's compensation insurance; and
- (f) any other insurance that may be necessary to protect the Operator and its employees, including all Force Majeure Events that are insurable and not otherwise covered in items (a) to (d) above.

25.3 Notice to the Authority

No later than 15 (fifteen) days from the Appointed Date, the Operator shall by notice furnish to the Authority, in reasonable detail, information in respect of the insurances that it proposes to effect and maintain in accordance with this Article 25. Within 15 (fifteen) days of receipt of such notice, the Authority may require the Operator to effect and maintain such other insurances as may be necessary pursuant hereto, and in the event of any difference or disagreement relating to any such insurance, the Dispute Resolution Procedure shall apply.

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

25.4 Evidence of Insurance Cover

All insurances obtained by the Operator in accordance with this Article 25 shall be maintained with insurers on terms consistent with Good Industry Practice. Within 15 (fifteen) days of obtaining any insurance cover, the Operator shall furnish to the Authority, notarised true copies of the certificate(s) of insurance, copies of insurance policies and premia payment receipts in respect of such insurance, and no such insurance shall be cancelled, modified, or allowed to expire or lapse until the expiration of at least 45 (forty five) days after notice of such proposed cancellation, modification or non-renewal has been delivered by the Operator to the Authority.

25.5 Remedy for failure to insure

If the Operator fails to effect and keep in force all insurances for which it is responsible pursuant hereto, the Authority shall have the option to either keep in force any such insurances, and pay such premia and recover the costs thereof from the Operator, or in the event of computation of a Termination Payment, treat an amount equal to the Insurance Cover as deemed to have been received by the Operator.

25.6 Waiver of subrogation

All insurance policies in respect of the insurance obtained by the Operator pursuant to this Article 25 shall include a waiver of any and all rights of subrogation or recovery of the insurers thereunder against, *inter alia*, the Authority, and its assigns, successors, undertakings and their subsidiaries, affiliates, employees, insurers and underwriters, and of any right of the insurers to any set-off or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any such person insured under any such policy or in any way connected with any loss, liability or obligation covered by such policies of insurance.

25.7 Operator's waiver

The Operator hereby further releases, assigns and waives any and all rights of subrogation or recovery against, *inter alia*, the Authority and its assigns, undertakings and their subsidiaries, affiliates, employees, successors, insurers and underwriters, which the Operator may otherwise have or acquire in or from or in any way connected with any loss, liability or obligation covered by policies of insurance maintained or required to be maintained by the Operator pursuant to this Agreement (other than third party liability insurance policies) or because of deductible clauses in or inadequacy of limits of any such policies of insurance.

25.8 Application of insurance proceeds

The proceeds from all insurance claims, except life and injury, shall be paid to the Operator, and it shall apply such proceeds for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Buses or Maintenance Depots.

ARTICLE-26 : ACCOUNTS AND AUDIT

26.1 Audited accounts

- 26.1.1 The Operator shall maintain books of accounts recording all its receipts, income, expenditure, payments, assets and liabilities, in accordance with this Agreement, Good Industry Practice, Applicable Laws and Applicable Permits. The Operator shall provide 2 (two) copies of its balance sheet, cash flow statement and profit and loss account, along with a report thereon by its Statutory Auditors, within 90 (ninety) days of the close of its accounting year to which they pertain and such audited accounts, save and except where expressly provided to the contrary, shall form the basis of payments by either Party under this Agreement. The Authority shall have the right to inspect the records of the Operator during office hours and require copies of relevant extracts of books of accounts, duly certified by the Statutory Auditors, to be provided to the Authority for verification of basis of payments, and in the event of any discrepancy or error being found, the same shall be rectified and such rectified account shall form the basis of payments by either Party under this Agreement.
- 26.1.2 The Operator shall, within 90 (ninety) days of the close of each accounting year, furnish to the Authority its audited annual financial results, in the manner and form prescribed by the Securities and Exchange Board of India for publication of annual results by the companies listed on a stock exchange.
- 26.1.3 On or before the expiry of 3 (three) months after its accounting year, the Operator shall provide to the Authority, for that accounting year, a statement duly audited by its Statutory Auditors giving summarised information on (a) the bills raised by the Operator for payment by the Authority, (b) the payments received and other revenues derived from the Authority, and (c) such other information as the Authority may reasonably require.

26.2 Appointment of auditors

- 26.2.1 The Operator shall appoint, and have during the subsistence of this Agreement as its Statutory Auditors, a firm chosen by it from the mutually agreed list of 5 (five) reputable firms of chartered accountants (the “**Panel of Chartered Accountants**”), such list to be prepared substantially in accordance with the criteria set forth in Schedule-Q. In case the bidder has an existing statutory auditor meeting the eligibility criteria mentioned in Schedule-Q, the Operator shall request the Authority for appointment of the existing auditors for the project. The Authority may, at its discretion agree to the appointment of the operator’s existing Statutory Auditor for the project. All fees and expenses of the Statutory Auditors shall be borne by the Operator.
- 26.2.2 The Operator may terminate the appointment of its Statutory Auditors after a notice of 45 (forty-five) days to the Authority, subject to the replacement Statutory Auditors being appointed from the Panel of Chartered Accountants.

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O=D.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- 26.2.3 Notwithstanding anything to the contrary contained in this Agreement, the Authority shall have the right, but not the obligation, to appoint at its cost from time to time and at any time, another firm (the “**Additional Auditors**”) from the Panel of Chartered Accountants to audit and verify all those matters, expenses, costs, realisations and things which the Statutory Auditors are required to do, undertake or certify pursuant to this Agreement.

26.3 Certification of claims by Statutory Auditors

Any claim or document provided by the Operator to the Authority in connection with or relating to receipts, income, payments, costs, expenses, accounts or audit, and any matter incidental thereto shall be valid and effective only if certified by its Statutory Auditors.

26.4 Set-off

In the event any amount is due and payable by the Authority to the Operator, it may set-off any sums payable to it by the Operator and pay the balance remaining forthwith.

26.5 Dispute resolution

In the event of there being any difference between the findings of the Additional Auditors and the certification provided by the Statutory Auditors, such Auditors shall meet to resolve the differences and if they are unable to resolve the same, such Dispute shall be resolved by the Authority by recourse to the Dispute Resolution Procedure.

ARTICLE-27 : ESCROW ACCOUNT

27.1 Escrow Account

- 27.1.1 The Authority shall, prior to the Appointed Date open and establish an account (“**Escrow Account**”) with a Bank (“**Escrow Bank**”) in accordance with this Agreement and the Escrow Agreement.
- 27.1.2 For the purpose of opening and operating the Escrow Account, the Authority shall, as a Condition Precedent, enter into an agreement with the Operator and Escrow Bank (“**Escrow Agreement**”) in accordance with the format provided in Schedule-M to this Agreement.
- 27.1.3 The Authority shall on or before the Lot COD of the first Lot of Buses, deposit in the Escrow Account a sum equal to 1 (one) months’ estimated Fees payable to the Operator as a revolving fund and for this purpose, the Authority shall replenish with its own resources, any deficit that may arise in maintaining such balance of funds (“**Minimum Escrow Balance**”). It is clarified that a COD shall not be achieved under this Agreement till the time such 1 months’ estimated Fees is deposited in the Escrow Account.
- 27.1.4 During the Contract Period, the Authority shall ensure that on the 1st (first) day of each month after COD, the Escrow Account is replenished so as to maintain the Minimum Escrow Balance in accordance with the terms of this Agreement. If, at any point in time during the Contract Period, the Authority fails to maintain the Minimum Escrow Balance, it shall have a period of 15 (fifteen) days within which it shall be required to replenish the Escrow Account so as to ensure that the Minimum Escrow Balance is maintained. If the Authority fails to ensure that the Minimum Escrow Balance is maintained upon the expiry of the aforesaid 15 (fifteen) day period, then the Minimum Escrow Balance shall be increased by at a rate equal to 3% over and above the Bank Rate for every 1 (one) month that the Authority fails to maintain the Minimum Escrow Balance.

27.2 Deposit in Escrow Account

- 27.2.1 The Authority shall deposit or cause to be deposited the following inflows and receipts into the Escrow Account:
- (a) All Fees and taxes thereon due and payable to the Operator subject to and in accordance with Article 22;
 - (b) any deposits required to be made by the Authority to maintain the Minimum Escrow Balance;
 - (c) all grants, payments and financial support received by the Authority from the State Government and/or GoI in relation to the Project;
 - (d) amounts towards insurance claims, if any, received;

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, OID.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- (e) all payments due to the Operator towards any Damages payable by the Authority under and in accordance with the terms of this Agreement;
- (f) any amounts towards Termination Payment due to the Operator;
- (g) all revenues generated and all the income accruing from the Project including but not limited to the daily farebox and non-farebox revenue and advertising revenue, etc.; and
- (h) any other revenues or capital receipts from or in respect of the Project.

27.3 Withdrawal During Contract Period

27.3.1 The Authority shall, at the time of opening the Escrow Account, give irrevocable instructions, by way of the Escrow Agreement, to the Escrow Bank instructing, *inter alia*, that deposits in the Escrow Account shall be appropriated in the following order every month, or at shorter intervals as may be necessary pursuant to the terms of this Agreement, and if not due in a month then appropriated proportionately in such month and retained in the Escrow Account and paid out therefrom in the month when due:

- (a) all taxes due and payable by the Operator for and in respect of the Project;
- (b) all Fees due and payable to the Operator subject to and in accordance with Article 22;
- (c) all staff expenses payable by the Authority related to the manpower deployed exclusively for the Project;
- (d) O&M Expenses and other costs and expenses incurred by the Authority in accordance with the provisions of this Agreement, and certified by the Authority as due and payable to it;
- (e) all payments and Damages certified by the Authority as due and payable to it by the Operator; and
- (f) balance, if any, in accordance with the instructions of the Authority.

Provided that any and all payments to the Operator from the Escrow Account under this Agreement shall be first made into the account designated by the lender(s) of the Operator.

27.3.2 The Authority shall not in any manner modify the order of payment specified in Clause 27.3.1, except with the prior written approval of the Operator.

27.4 Withdrawal upon Termination

27.4.1 Notwithstanding anything to the contrary contained in the Escrow Agreement upon Termination of this Agreement, the amounts standing to the credit of the Escrow Account mentioned below shall be appropriated in the following order.

- (a) all taxes due and payable by the Operator for and in respect of the Project;

- (b) 90% (ninety per cent) of Debt Due;
- (c) all payments and Damages certified by the Authority as due and payable to it by the Operator;
- (d) retention and payments relating to the liability for defects and deficiencies set forth in Article 37;
- (e) outstanding Debt Service including the balance of Debt Due;
- (f) incurred or accrued Fees;
- (g) any payments due and payable to the Authority;
- (h) any other payments required to be made under this Agreement; and
- (i) balance, if any, in accordance with the instructions of the Authority.

Provided that no appropriations shall be made under Sub-clause (h) of this Clause 27.4.1 until a Vesting Certificate has been issued by the Authority under the provisions of Article 33. The provisions of this Article 27 and the instructions contained in the Escrow Agreement shall remain in full force and effect until the obligations set forth in Clause 27.4.1 have been discharged.

Provided further that any and all payments to the Operator from the Escrow Account under this Agreement shall be first made into the account designated by the lender(s) of the Operator.

ARTICLE-28 : TRAFFIC REGULATION AND SECURITY

28.1 Traffic regulation by the Operator

- 28.1.1 The Operator shall, in consultation with the Authority, regulate the use of the Buses by the Users in accordance with Applicable Laws and subject to the supervision and control of the Authority or a substitute thereof empowered in this behalf under the Applicable Laws.
- 28.1.2 The Operator shall, in consultation with the Authority, evolve and publicise a system based on Good Industry Practice such that no User or category of Users is discriminated against or unduly favoured, as the case may be, in the use of the Buses.
- 28.1.3 The Operator shall have the right and obligation to manage, operate and regulate the Buses on a common carrier basis providing non-discriminatory services to all persons.

28.2 Security

- 28.2.1 The Operator acknowledges and agrees that unless otherwise specified in this Agreement it shall, at its own cost and expense, provide or cause to be provided security at the Maintenance Depots and within the Buses for the prevention of vandalism, arson, terrorism, hijacking, sabotage and/or similar acts or occurrences; provided that the Authority and the Operator may at any time mutually enter into an agreement to jointly provide security services in the Buses.
- 28.2.2 The Operator shall abide by and implement any instructions of the Authority for enhancing the security within the Buses and at the Maintenance Depots. The Operator shall co-operate with any relevant organisations appointed by the Authority for the purpose providing security. The Authority agrees that it shall cause the relevant organisations to take such actions as reasonably deemed necessary by them, in order to ensure security within the Buses, without unduly or unreasonably disrupting the operations of the Buses or interfering with the exercise of rights or fulfilment of obligations by the Operator under this Agreement. The Operator agrees that it shall extend its full support and cooperation to the Authority and to the other organisations authorised by the Authority in the discharge of their obligations thereunder.
- 28.2.3 Subject to the rights of the Operator under this Clause 28.2.3, the Authority or any agency duly authorised by it shall be entitled to inspect and search all Buses and the Maintenance Depots and to search any person or vehicle entering the Depot Sites or departing there from, without unduly or unreasonably disrupting the operations of the Buses.
- 28.2.4 The Authority agrees that it shall, at the request of the Operator, procure and provide the services of security forces of the Authority on a best effort basis.

ARTICLE-29 : FORCE MAJEURE

29.1 Force Majeure

As used in this Agreement, the expression “**Force Majeure**” or “**Force Majeure Event**” shall mean, save and except as expressly provided otherwise, occurrence in India of any Non-Political Event, Indirect Political Event and Political Event, as defined in Clauses 29.2, 29.3 and 29.4, respectively, if, and to the extent, it affects the performance by the Party claiming the benefit of Force Majeure (the “**Affected Party**”) of its obligations under this Agreement and which act or event (a) is beyond the reasonable control of the Affected Party, and (b) could not have been prevented or overcome by the Affected Party by exercise of due diligence and by following Good Industry Practice, and (c) has a Material Adverse Effect on the Affected Party.

29.2 Non-Political Event

A Non-Political Event shall mean one or more of the following acts or events:

- (a) act of God, epidemics, pandemics, extremely adverse weather conditions, lightning, earthquake, landslide, cyclone, flood, volcanic eruption, chemical or radioactive contamination or ionising radiation, fire or explosion;
- (b) strikes or boycotts (other than those involving the Operator, Contractors or their respective employees/representatives, or directly attributable to any act or omission of any of them) interrupting supplies and services to the Project for a continuous period of 24 (twenty four) hours and an aggregate period exceeding 7 (seven) days in an Accounting Year, and not being an Indirect Political Event set forth in Clause 29.3;
- (c) any failure or delay of a Contractor but only to the extent caused by another Non-Political Event and which does not result in any offsetting compensation being payable to the Operator by or on behalf of such Contractor;
- (d) any delay or failure of an overseas Contractor to deliver the Buses or equipment to India if such delay or failure is caused outside India by any event specified in Subclause (a) above and which does not result in any offsetting compensation being payable to the Operator by or on behalf of such Contractor;
- (e) any judgement or order of any court of competent jurisdiction or statutory authority made against the Operator in any proceedings for reasons other than (i) failure of the Operator to comply with any Applicable Law or Applicable Permit, or (ii) on account of breach of any Applicable Law or Applicable Permit or of any contract, or (iii) enforcement of this Agreement, or (iv) exercise of any of its rights under this Agreement by the Authority;
- (f) the discovery of geological conditions, toxic contamination or archaeological remains on the Depot Sites that could not reasonably have been expected to be discovered through a site inspection; or
- (g) any event or circumstances of a nature analogous to any of the foregoing.

Signature :-

User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

29.3 Indirect Political Event

An Indirect Political Event shall mean one or more of the following acts or events:

- (a) an act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, riot, insurrection, terrorist or military action, civil commotion or politically motivated sabotage;
- (b) any political or economic upheaval, disturbance, movement, struggle or similar occurrence which could not have been anticipated or foreseen by a prudent person and which causes the construction or operation of the Project to be financially unviable or otherwise not feasible;
- (c) industry-wide or State-wide strikes or industrial action for a continuous period of 24 (twenty-four) hours and exceeding an aggregate period of 7 (seven) days in an Accounting Year;
- (d) any civil commotion, boycott or political agitation which prevents production, and assembly of Buses, Fit Out Works at the Maintenance Depots or fulfilment of Operations and Maintenance obligations of the Operator for an aggregate period exceeding 15 (fifteen) days in an Accounting Year;
- (e) failure of the Authority to permit the Operator to continue perform its obligations under this Agreement, with or without modifications, in the event of stoppage of any works after discovery of any geological or archaeological finds or for any other reason;
- (f) any failure or delay of a Contractor to the extent caused by any Indirect Political Event and which does not result in any offsetting compensation being payable to the Operator by or on behalf of such Contractor;
- (g) any Indirect Political Event that causes a Non-Political Event;
- (h) the imposition, by any Government Instrumentality, of any lockdowns, curfews or mandatory quarantine rules arising out of the occurrence of any Non-Political Event or otherwise, which prevents the manufacture, procurement and delivery of the Buses, of the Fit Out Works at the Maintenance Depots or fulfilment of the Operations and Maintenance obligations of the Operator for an aggregate period exceeding 7 (seven) days in an Accounting Year; or
- (i) any event or circumstances of a nature analogous to any of the foregoing.

29.4 Political Event

A Political Event shall mean one or more of the following acts or events by or on account of any Government Instrumentality:

- (a) a Change in Law;
- (b) compulsory acquisition in national interest or expropriation of any Project Assets or rights of the Operator or of the Contractors;
- (c) unlawful or unauthorised or without jurisdiction revocation of, or refusal to renew or grant without valid cause, any clearance, licence, permit, authorisation, no objection certificate, consent, approval or exemption required by the Operator or any of the

Contractors to perform their respective obligations under this Agreement and the Project Agreements; provided that such delay, modification, denial, refusal or revocation did not result from the Operator's or any Contractor's inability or failure to comply with any condition relating to grant, maintenance or renewal of such clearance, licence, authorisation, no objection certificate, exemption, consent, approval or permit;

- (d) any failure or delay of a Contractor but only to the extent caused by another Political Event and which does not result in any offsetting compensation being payable to the Operator by or on behalf of such Contractor; or
- (e) any event or circumstance of a nature analogous to any of the foregoing.

29.5 Duty to report Force Majeure Event

29.5.1 Upon occurrence of a Force Majeure Event, the Affected Party shall by notice report such occurrence to the other Party forthwith. Any notice pursuant hereto shall include full particulars of:

- (a) the nature and extent of each Force Majeure Event which is the subject of any claim for relief under this Article 29 with evidence in support thereof;
- (b) the estimated duration and the effect or probable effect which such Force Majeure Event is having or will have on the Affected Party's performance of its obligations under this Agreement;
- (c) the measures which the Affected Party is taking or proposes to take for alleviating the impact of such Force Majeure Event; and
- (d) any other information relevant to the Affected Party's claim.

29.5.2 The Affected Party shall not be entitled to any relief for or in respect of a Force Majeure Event unless it shall have notified the other Party of the occurrence of the Force Majeure Event as soon as reasonably practicable, and in any event no later than 7 (seven) days after the Affected Party knew, or ought reasonably to have known, of its occurrence, and shall have given particulars of the probable material effect that the Force Majeure Event is likely to have on the performance of its obligations under this Agreement.

29.5.3 For so long as the Affected Party continues to claim to be materially affected by such Force Majeure Event, it shall provide the other Party with regular (and not less than weekly) reports containing information as required by Clause 29.5.1, and such other information as the other Party may reasonably request the Affected Party to provide.

29.6 Effect of Force Majeure Event on the Contract Period

29.6.1 Upon the occurrence of any Force Majeure Event prior to the Appointed Date, the period set forth in Clause 4.2 for fulfilment of Conditions Precedent and for achieving the Appointed Date shall be extended by a period equal in length to the duration of the Force Majeure Event.

Date : 29-12-2023

- 29.6.2 At any time after the Appointed Date and up until COD, if any Force Majeure Event occurs, the Contract Period shall be extended by a period, equal in length to the period during which the Operator was prevented from performing its obligations.

29.7 Allocation of costs arising out of Force Majeure

- 29.7.1 Upon occurrence of any Force Majeure Event prior to the Appointed Date, the Parties shall bear their respective costs and no Party shall be required to pay to the other Party any costs thereof.
- 29.7.2 Upon occurrence of a Force Majeure Event after the Appointed Date, the costs incurred and directly attributable to such event and directly relating to the Project (the “**Force Majeure Costs**”) shall be allocated and paid as follows:
- (a) upon occurrence of a Non-Political Event, the Parties shall bear their respective Force Majeure Costs and neither Party shall be required to pay to the other Party any costs thereof;
 - (b) upon occurrence of an Indirect Political Event, all Force Majeure Costs attributable to such Indirect Political Event, and not exceeding the Insurance Cover for such Indirect Political Event, shall be borne by the Operator, and to the extent Force Majeure Costs exceed such Insurance Cover, one half of such excess amount shall be reimbursed by the Authority to the Operator; and
 - (c) upon occurrence of a Political Event, all Force Majeure Costs attributable to such Political Event shall be reimbursed by the Authority to the Operator, provided that in case of a Change in Law, no additional compensation shall be payable to the Operator if the consequences of such Change in Law have been dealt with under and in accordance with the provisions of Article 36.

For the avoidance of doubt, Force Majeure Costs shall only include costs directly attributable remedying, rectifying and/or mitigating such Force Majeure Event and shall not include interest payments on debt, O&M Expenses, any increase in the cost of the Fit Out Works or the Buses on account of inflation, loss of income or debt repayment obligations and for determining such costs, the Affected Party shall be required to submit such information as may be relevant to evidence that it has incurred such costs, including documentary proof such as receipts, challans, invoices etc.

- 29.7.3 Save and except as expressly provided in this Article 29, neither Party shall be liable in any manner whatsoever to the other Party in respect of any loss, damage, cost, expense, claims, demands and proceedings relating to or arising out of occurrence or existence of any Force Majeure Event or exercise of any right pursuant hereto.

29.8 Termination Notice for Force Majeure Event

- 29.8.1 If a Force Majeure Event affecting all, or substantially all, parts of the Project subsists for a period of 180 (one hundred and eighty) days or more within a continuous period of 365 (three hundred and sixty five) days, then and subject to Clause 29.8.2 below, either Party may in its discretion terminate this Agreement by issuing a Termination Notice to the other Party without being liable in any manner whatsoever, save as provided in this Article 29, and upon issue of such Termination Notice, this Agreement shall, notwithstanding anything to the contrary contained herein, stand terminated forthwith; provided that before issuing such Termination Notice, the Party intending to issue the Termination Notice shall inform the other Party of such intention and grant 15 (fifteen) days' time to make a representation, and may after the expiry of such 15 (fifteen) days period, whether or not it is in receipt of such representation, in its sole discretion issue the Termination Notice.
- 29.8.2 If a Force Majeure Event affecting all, or substantially all, parts of the Project occurs after the Lot COD has been achieved for at least 80% (eighty per cent) of the total Buses procured under this Agreement, and provided that the Authority is fulfilling its obligations under Clause 22.3.2, the Operator shall not have a right to terminate this Agreement for an extended Force Majeure Event under Clause 29.8.1 above.

29.9 Termination Payment for Force Majeure Event

- 29.9.1 If Termination is on account of a Non-Political Event, the Authority shall make a Termination Payment to the Operator in an amount equal to 90% (ninety per cent) of the Debt Due less Insurance Cover.
- 29.9.2 If Termination is on account of an Indirect Political Event, the Authority shall make a Termination Payment to the Operator in an amount equal to:
- (a) Debt Due less Insurance Cover; provided that if any insurance claims forming part of the Insurance Cover are not admitted and paid, then 80% (eighty per cent) of such unpaid claims shall be included in the computation of Debt Due;
 - (b) 110% (one hundred and ten per cent) of the Adjusted Equity; and
 - (c) an amount equivalent to the Additional Termination Payment less Insurance Cover; provided that if any insurance claims forming part of the Insurance Cover are not admitted and paid, then 80% (eighty per cent) of such unpaid claims shall be included in computation of the amount payable hereunder.
- 29.9.3 If Termination is on account of a Political Event, the Authority shall make a Termination Payment to the Operator in an amount that would be payable under Clause 32.3 as if it were an Authority Default.

29.10 Dispute resolution

In the event that the Parties are unable to agree in good faith about the occurrence or existence of a Force Majeure Event, such Dispute shall be finally settled in accordance with the Dispute Resolution Procedure; provided that the burden of proof as to the occurrence or existence of such Force Majeure Event shall be upon the Party claiming relief and/or excuse on account of such Force Majeure Event. Asset redeployment shall be allowed while termination is in process.

29.11 Excuse from performance of obligations

If the Affected Party is rendered wholly or partially unable to perform its obligations under this Agreement because of a Force Majeure Event, it shall be excused from performance of such of its obligations to the extent it is unable to perform on account of such Force Majeure Event; provided that:

- (a) the suspension of performance shall be of no greater scope and of no longer duration than is reasonably required by the Force Majeure Event;
- (b) the Affected Party shall make all reasonable efforts to mitigate or limit damage to the other Party arising out of or as a result of the existence or occurrence of such Force Majeure Event and to cure the same with due diligence; and
- (c) when the Affected Party is able to resume performance of its obligations under this Agreement, it shall give to the other Party notice to that effect and shall promptly resume performance of its obligations hereunder.

ARTICLE-30 : COMPENSATION FOR BREACH OF AGREEMENT

30.1 Compensation for default by the Operator

In the event of the Operator being in material default or breach of this Agreement, it shall pay to the Authority by way of compensation, all direct costs suffered or incurred by the Authority as a consequence of such material default or breach, within 30 (thirty) days of receipt of the demand supported by necessary particulars thereof; provided that no compensation shall be payable under this Clause 30.1 for any default or breach in respect of which Damages are expressly specified and payable under this Agreement.

30.2 Compensation for default by the Authority

In the event of the Authority being in material default or breach of this Agreement at any time after the Appointed Date, it shall pay to the Operator by way of compensation, all direct costs suffered or incurred by the Operator as a consequence of such material default or breach within 30 (thirty) days of receipt of the demand supported by necessary particulars thereof; provided that no such compensation shall be payable for any material breach or default in respect of which Damages have been expressly specified in this Agreement.

30.3 Extension of Contract Period

Subject to the provisions of Clause 30.5, in the event that a material default or breach of this Agreement set forth in Clause 30.2 causes delay in achieving COD, the Authority shall, in addition to payment of compensation under Clause 30.2, extend the Contract Period, with such extension being equal in duration to the period by which COD was delayed.

30.4 Compensation to be in addition

Compensation payable under this Article 30 shall be in addition to, and without prejudice to, the other rights and remedies of the Parties under this Agreement including Termination thereof.

30.5 Mitigation of costs and damage

The affected Party shall make all reasonable efforts to mitigate or limit the costs and damage arising out of or as a result of breach of Agreement by the other Party.

ARTICLE-31 : SUSPENSION OF OPERATOR'S RIGHTS

31.1 Suspension upon Operator Default

Upon occurrence of an Operator Default, the Authority shall be entitled, without prejudice to its other rights and remedies under this Agreement including its rights of Termination hereunder, to (a) suspend all rights of the Operator under this Agreement including the Operator's right to receive the Fee, and other payments pursuant hereto, and (b) exercise such rights itself and perform the obligations hereunder or authorise any other person to exercise or perform the same on its behalf during such suspension (the "**Suspension**"). Suspension hereunder shall be effective forthwith upon issue of notice by the Authority to the Operator and may extend up to a period not exceeding 180 (one hundred and eighty) days from the date of issue of such notice.

31.2 Authority to act on behalf of Operator

- 31.2.1 During the period of Suspension, the Authority may, at its option and at the risk and cost of the Operator, remedy and rectify the cause of Suspension. The Authority shall be entitled to make deductions from the Fee for meeting the costs incurred by it for remedying and rectifying the cause of Suspension, and for incurring any expenses on Operation and Maintenance of Buses.
- 31.2.2 During the period of Suspension hereunder, all assets and liabilities in relation to the Operation and Maintenance of Buses, including the Maintenance Depots, shall continue to vest in the Operator in accordance with the provisions of this Agreement and all things done or actions taken, including expenditure incurred by the Authority for discharging the obligations of the Operator under and in accordance with this Agreement, shall be deemed to have been done or taken for and on behalf of the Operator and the Operator undertakes to indemnify the Authority for all costs incurred during such period. The Operator hereby licenses and sub-licenses respectively, the Authority or any other person authorised by it under Clause 31.1 to use during Suspension, all Intellectual Property belonging to or licensed to the Operator for and in respect of Operation and Maintenance of Buses.

31.3 Revocation of Suspension

- 31.3.1 In the event that the Authority shall have rectified or removed the cause of Suspension within a period not exceeding 90 (ninety) days from the date of Suspension, it shall revoke the Suspension forthwith and restore all rights of the Operator under this Agreement. For the avoidance of doubt, the Parties expressly agree that the Authority may, in its discretion, revoke the Suspension at any time, whether or not the cause of Suspension has been rectified or removed hereunder.
- 31.3.2 Upon the Operator having cured the Operator Default within a period not exceeding 90 (ninety) days from the date of Suspension, the Authority shall revoke the Suspension forthwith and

Date : 29-12-2023

restore all rights of the Operator under this Agreement. For the avoidance of doubt, the Authority shall provide access to the Maintenance Depots and Buses, as the case may be, to enable the Operator to cure the Operator Default hereunder.

31.4 Termination

- 31.4.1 At any time during the period of Suspension under this Article 31, the Operator may by notice require the Authority to revoke the Suspension and issue a Termination Notice. The Authority shall, within 15 (fifteen) days of receipt of such notice, terminate this Agreement under and in accordance with Article 32 as if it is an Operator Default under Clause 32.1.
- 31.4.2 Notwithstanding anything to the contrary contained in this Agreement, and in the absence of any mutual agreement between the Parties to the contrary, in the event that Suspension is not revoked within 180 (one hundred and eighty) days from the date of Suspension hereunder, the Agreement shall, upon expiry of the aforesaid period, be deemed to have been terminated by mutual agreement of the Parties and all the provisions of this Agreement shall apply, *mutatis mutandis*, to such Termination as if a Termination Notice had been issued by the Authority upon occurrence of an Operator Default.

ARTICLE-32 : TERMINATION

32.1 Termination for Operator Default

32.1.1 Save as otherwise provided in this Agreement, in the event that any of the defaults specified below shall have occurred, and the Operator fails to cure the default within the Cure Period set forth below, or where no Cure Period is specified, then within a Cure Period of 120 (one hundred and twenty) days, the Operator shall be deemed to be in default of this Agreement (an “**Operator Default**”), unless the default has occurred as a result of any breach of this Agreement by the Authority, the Authority's Representative or due to Force Majeure. The defaults referred to herein shall mean and include the following:

- (a) The Performance Security has been encashed and appropriated in accordance with Clause 9.2, and the Operator fails to replenish or provide fresh Performance Security, within a Cure Period of 30 (thirty) days;
- (b) subsequent to the replenishment or furnishing of fresh Performance Security in accordance with Clause 9.2, the Operator fails to cure, within a Cure Period of 120 (one hundred and twenty) days, the Operator Default for which whole or part of the Performance Security was appropriated;
- (c) the Operator fails to complete the Fit Out Works for the Maintenance Depots within 270 (two hundred and seventy) days from the Scheduled Maintenance Depot Completion Date, as may be extended in accordance with the terms of this Agreement;
- (d) the Operator fails to supply the Prototype within the period specified in Clause 13.6;
- (e) the Operator fails to procure and deliver the Buses in accordance with the Delivery Schedule and the amount of Damages payable by the Operator for such delay exceeds the maximum amount specified in Clause 13.9.2.
- (f) the Operator is in material breach of the Maintenance Requirements or the Safety Requirements, as the case may be;
- (g) the Operator is in breach of its obligations under Clause 19.7;
- (h) the Operator has failed to make any payment to the Authority within the period specified in this Agreement and the Authority is unable to set-off such amounts from amounts due from it to the Operator in accordance with the terms of this Agreement;

- (i) a failure by the Operator to achieve the Key Performance Indicators set out in Clauses 20.2 and 20.4 to 20.7 such that the Damages payable by the Operator for such failure exceeds the maximum amount specified in Clause 20.4+10 in any 6 (six) consecutive months or for aggregated 18 months during the period of the Agreement;
- (j) a failure by the Operator to achieve the Key Performance Indicators set out in Clause 20.3 such that the Damages payable by the Operator for such failure exceeds the maximum amount specified in Clause 20.4+10 for 3 (three) consecutive months;
- (k) a material breach of any of the Project Agreements by the Operator has caused a Material Adverse Effect on the Authority;
- (l) the Operator creates any Encumbrance in breach of this Agreement;
- (m) the Operator repudiates this Agreement (or any part thereof) or otherwise takes any action or evidences or conveys an intention not to be bound by the Agreement (or any part thereof);
- (n) a Change in Ownership has occurred in breach of the provisions of Clause 5.3;
- (o) there is a transfer, pursuant to law either of (i) the rights and/or obligations of the Operator under any of the Project Agreements, or of (ii) all or part of the assets or undertaking of the Operator, and such transfer causes a Material Adverse Effect on the Authority;
- (p) an execution levied on any of the assets of the Operator has caused a Material Adverse Effect on the Authority;
- (q) the Operator is adjudged bankrupt or insolvent, or if a trustee or receiver is appointed for the Operator or for the whole or material part of its assets that has a material bearing on the Project;
- (r) the Operator suffers an Insolvency Event;
- (s) The Operator has been, or is in the process of being amalgamated or reconstituted in a manner that would cause, in the reasonable opinion of the Authority, a Material Adverse Effect provided that, the same shall not be considered to be an Operator Default if, as part of such amalgamation or reconstruction, the entire property, assets and undertaking of the Operator are transferred to the amalgamated or reconstructed entity and that the amalgamated or reconstructed entity has unconditionally assumed

the obligations of the Operator under this Agreement and the Project Agreements; and provided that:

- (i) the amalgamated or reconstructed entity has the capability and operating experience necessary for the performance of its obligations under this Agreement and the Project Agreements;
- (ii) the amalgamated or reconstructed entity has the financial standing to perform its obligations under this Agreement and the Project Agreements and has a credit worthiness at least as good as that of the Operator as at the Appointed Date; and
- (iii) each of the Project Agreements remains in full force and effect;
- (t) any representation or warranty of the Operator herein contained which is, as of the date hereof, found to be materially false or the Operator is at any time hereafter found to be in breach thereof;
- (u) the Operator submits to the Authority any false statement, notice or other document, in written or electronic form, which has a Material Adverse Effect on the Authority;
- (v) the Operator has failed to fulfil any obligation, for which failure Termination has been specified in this Agreement; or
- (w) a Suspension of this Agreement pursuant to Clause 31 (to the extent such Suspension is directly attributable to the Operator) for a period exceeding 180 (one hundred and eighty) days;
- (x) the Operator commits a default in complying with any other provision of this Agreement if such default causes a Material Adverse Effect on the Authority and the Operator fails to cure such default in a Cure Period of 120 (one hundred and twenty) days.

32.1.2 Without prejudice to any other rights or remedies which the Authority may have under this Agreement, upon occurrence of an Operator Default, the Authority shall be entitled to terminate this Agreement by issuing a Termination Notice to the Operator; provided that before issuing the Termination Notice, the Authority shall by a notice inform the Operator of its intention to issue such Termination Notice and grant 15 (fifteen) days to the Operator to make a representation, and may after the expiry of such 15 (fifteen) days, whether or not it is in receipt of such representation, issue the Termination Notice subject to the provisions of Clause 32.1.3.

- 32.1.3 The Authority shall, if there be Senior Lenders, send a copy of its notice of intention to issue a Termination Notice referred to in Clause 31.4.1 to inform the Lenders' Representative and grant 15 (fifteen) days to the Lenders' Representative, for making a representation on behalf of the Senior Lenders stating the intention to substitute the Operator in accordance with the Substitution Agreement. In the event the Authority receives such representation on behalf of Senior Lenders, it shall, in its discretion, either withhold Termination for a period not exceeding 180 (one hundred and eighty) days from the date of such representation or exercise its right of Suspension, as the case may be, for enabling the Lenders' Representative to exercise the Senior Lenders' right of substitution in accordance with the Substitution Agreement:

Provided that the Lenders' Representative may, instead of exercising the Senior Lenders' right of substitution, (i) procure that the default specified in the notice is cured within the aforesaid period of 180 (one hundred and eighty) days, and upon such curing thereof, the Authority shall withdraw its notice referred to above and restore all the rights of the Operator, or (ii) issue a notice to the Authority requiring it to terminate the Agreement, and upon such notice being issued, the Authority shall, forthwith, immediately terminate this Agreement.

Provided further that upon written request from the Lenders' Representative and the Operator, the Government shall extend the aforesaid period of 180 (one hundred and eighty) days by such further period not exceeding 90 (ninety) days, as the Authority may deem appropriate.

32.2 Termination for Authority Default

- 32.2.1 In the event that any of the defaults specified below shall have occurred, and the Authority fails to cure such default within a Cure Period of 90 (ninety) days or such longer period as has been expressly provided in this Agreement, the Authority shall be deemed to be in default of this Agreement (the "**Authority Default**") unless the default has occurred as a result of any breach of this Agreement by the Operator or due to Force Majeure. The defaults referred to herein shall mean and include the following:

- (a) the Authority commits a material default in complying with any of the provisions of this Agreement and such default has a Material Adverse Effect on the Operator;
- (b) the Authority has failed to make any payments to the Operator in accordance with the provisions of this Agreement.
- (c) the Authority fails to provide the Right of Way to the Depot Sites in accordance with the terms of this Agreement;
- (d) an assignment by the Authority, of its rights, interests and obligations under this Agreement in contravention of Clause 35.5; or
- (e) the Authority repudiates this Agreement or otherwise takes any action that amounts to or manifests an irrevocable intention not to be bound by this Agreement.

- 32.2.2 Without prejudice to any other right or remedy which the Operator may have under this Agreement, upon occurrence of an Authority Default, the Operator shall be entitled to terminate this Agreement by issuing a Termination Notice to the Authority, with a copy to the CESL; provided that before issuing the Termination Notice, the Operator shall by a notice (which shall also be copied to CESL) inform the Authority of its intention to issue the

Termination Notice and grant 15 (fifteen) days to the Authority to make a representation, and may after the expiry of such 15 (fifteen) days, whether or not it is in receipt of such representation, issue the Termination Notice.

32.3 Termination Payment

32.3.1 Upon Termination on account of an Operator Default after COD, the Authority shall pay to the Operator, by way of Termination Payment, an amount equal to:

- (a) 90% (ninety per cent) of the Debt Due less Insurance Cover; and
- (b) 70% (seventy per cent) of the amount representing the Additional Termination Payment.

Provided that if any insurance claims forming part of the Insurance Cover are not admitted and paid, then 80% (eighty per cent) of such unpaid claims shall be included in the computation of Debt Due.

Provided further that, in computing the Termination Payment due to the Operator, the Authority shall deduct an amount equal to any Subsidy and Government Fiscal Assistance received by the Operator from the Program Manager and/or the Authority. Further, upon Termination on account of an Operator Default prior to the Lot COD of the first Lot of Buses, the Authority shall have the right to take over the Fit Out Works in progress in which case it shall pay to the Operator an amount equal to the actual capital cost of the Fit Out Works completed by the Operator up until the date of Termination as verified.

32.3.2 Upon Termination on account of an Authority Default at any time after the Appointed Date, the Authority shall pay to the Operator, by way of Termination Payment, an amount equal to:

- (a) Debt Due;
- (b) 150% (one hundred and fifty per cent) of the Adjusted Equity; and
- (c) 115% (one hundred and fifteen per cent) of the amount representing the Additional Termination Payment.

It is further clarified that in case of termination on account of an Authority Default, the Authority shall return the Performance Security available with it at the time- (if not already released).

32.3.3 Termination Payment shall become due and payable to the Operator within 60 (sixty) days of a demand being made by the Operator to the Authority with the necessary particulars, and in the event of any delay, the Authority shall pay interest at a rate equal to 3% (three per cent above the Bank Rate on the amount of Termination Payment remaining unpaid; provided that such delay shall not exceed 90 (ninety) days of a demand being made by the Operator to the Authority with the necessary particulars; provided further that liability of the Authority to make the Termination Payment hereof is subject to the fulfilment of the Divestment Requirements in accordance with the provisions of Article 33 of this Agreement. For the avoidance of doubt,

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

it is expressly agreed that Termination Payment shall constitute full discharge by the Authority of its payment obligations in respect thereof hereunder.

- 32.3.4 Upon Termination on expiry of the Contract Period by efflux of time, no Termination Payment shall be due and payable to the Operator; provided that in the event any Project Assets shall have been acquired and installed after the 5th (fifth) anniversary of the COD, with prior written consent of the Authority, which consent shall not be unreasonably denied, a Termination Payment equal to 80% (eighty percent) of the Adjusted Depreciated Value of such assets and equipment shall be deemed to be Debt Due for the purposes of Termination Payment. Provided that, any Project Assets acquired by the Operator without the prior written consent of the Authority shall not be taken into account when calculating the Termination Payment under this Clause 32.3.4 and such Project Assets shall remain the property of the Operator after Termination and the Operator may dispose of such Project Assets as it deems fit.
- 32.3.5 The Operator expressly agrees that Termination Payment under this Article 32 shall constitute a full and final settlement of all claims of the Operator on account of Termination of this Agreement for any reason whatsoever and that the Operator or any shareholder thereof shall not have any further right or claim under any law, treaty, convention, contract or otherwise.

32.4 Certain limitations on Termination Payment

- 32.4.1 Termination Payment, not being Additional Termination Payment, due and payable under this Agreement shall be limited to the Debt Due and Adjusted Equity, as the case may be, which form part of the Total Project Cost in accordance with the provisions of this Agreement; provided that the amount payable in respect of any Debt Due expressed in foreign currency shall be computed at the Reference Exchange Rate for conversion into the relevant foreign currency as on the date of Termination Payment. For the avoidance of doubt, it is agreed that within a period of 60 (sixty) days from COD, the Operator shall notify to the Authority, the Total Project Cost as on COD and its disaggregation between Debt Due and Equity, and only the amounts so conveyed shall form the basis of computing Termination Payment, and it is further agreed that in the event such disaggregation is not notified to the Authority, Equity shall be deemed to be the amount arrived at by subtracting Debt Due from Total Project Cost. The Parties also agree that for the purposes of computing Termination Payment, the Debt Due shall at no time exceed 70 % (seventy per cent) of the Total Project Cost.
- 32.4.2 The Operator may only construct, acquire or install any Specified Assets after the 5th (fifth) anniversary of COD, but before the 10th (tenth) anniversary thereof (and excluding land), with the prior written consent of the Authority and which consent shall not be unreasonably withheld by the Authority. Provided that, any Project Assets constructed, acquired or installed by the Operator without the prior written consent of the Authority shall not be taken into account when calculating any “**Additional Termination Payment**” due to the Operator under this Article 32 and such Project Assets shall remain the property of the Operator after Termination and the Operator may dispose of such Project Assets as it deems fit.

32.5 Other rights and obligations of the Authority

Upon Termination for any reason whatsoever, the Authority shall:

- (a) take possession and control of the Buses, provided that the Termination has occurred after COD;
- (b) take possession and control of the Maintenance Depots (including the Charging Infrastructure) forthwith;
- (c) take possession and control of all materials, stores, implements, plants and equipment on or about the Maintenance Depots;
- (d) be entitled to restrain the Operator and any person claiming through or under the Operator from entering upon the Maintenance Depots or any part of the Authority's premises;
- (e) require the Operator to comply with the Divestment Requirements set forth in Clause 33.1; and
- (f) succeed upon election by the Authority, without the necessity of any further action by the Operator, to the interests of the Operator under such of the Project Agreements as the Authority may in its discretion deem appropriate, and shall upon such election be liable to the Contractors only for compensation accruing and becoming due and payable to them under the terms of their respective Project Agreements from and after the date the Authority elects to succeed to the interests of the Operator. For the avoidance of doubt, the Operator acknowledges and agrees that all sums claimed by such Contractors as being due and owing for works and services performed or accruing on account of any act, omission or event prior to such date shall constitute debt between the Operator and such Contractors, and the Authority shall not in any manner be liable for such sums. It is further agreed that in the event the Authority elects to cure any outstanding defaults under such Project Agreements, the amount expended by the Authority for this purpose shall be deducted from the Termination Payment.

32.6 Survival of rights

Notwithstanding anything to the contrary contained in this Agreement, but subject to the provisions of Clause 32.3.5, any Termination pursuant to the provisions of this Agreement shall be without prejudice to the accrued rights of either Party including its right to claim and recover money damages, insurance proceeds, security deposits, and other rights and remedies, which it may have in law or contract. All rights and obligations of either Party under this Agreement, including Termination Payments and Divestment Requirements, shall survive the Termination to the extent such survival is necessary for giving effect to such rights and obligations.

ARTICLE-33 : DIVESTMENT OF RIGHTS AND INTEREST

33.1 Divestment requirements upon expiry of the Contract Period

33.1.1 Upon expiry of the Contract Period, the Operator shall comply with and conform to the following divestment requirements (the “**Divestment Requirements**”), no later than 15 (fifteen) days from the date of expiry of the Contract Period:

- (a) remove all its personnel and vacate and deliver forthwith the actual or constructive possession of the Maintenance Depots along with the infrastructure therein and any Opportunity Charging Stations, free and clear of all Encumbrances;
- (b) cure the equipment at the Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations (if applicable) of any defect or deficiency such that it can continue to be used efficiently and economically in accordance with Good Industry Practice, provided that if such defects and deficiencies have arisen on account of accidents, vandalism, arson, riot or natural calamity occurring (in each case for reasons not directly attributable to the Operator) no earlier than 120 (one hundred and twenty) days prior to the expiry of the Contract Period, the Authority shall grant to the Operator such additional time, not exceeding 240 (two hundred forty) days from the date of expiry of the Contract Period, as may be reasonably required for repair and rectification thereof;
- (c) provide to the Authority a license or sub-license, free of any Encumbrances, with respect to all Intellectual Property pertaining to the Maintenance Depots, the Charging Infrastructure and the Opportunity Charging Stations, if any, including transferring all relevant records, reports, software (including software codes) and manuals, and complete ‘as built’ Drawings as on the Transfer Date so as to enable the Authority to operate and maintain the Maintenance Depots, the Charging Infrastructure and the Opportunity Charging Stations, and execute such deeds of conveyance, documents and other writings as the Authority may reasonably require in connection therewith. For the avoidance of doubt, the Operator represents and warrants that the Intellectual Property shall be adequate and complete for the operation and maintenance of the Maintenance Depots, the Charging Infrastructure and Opportunity Charging Stations;
- (d) transfer and/or deliver to the Authority all Applicable Permits in respect of the Maintenance Depots, the Charging Infrastructure and Opportunity Charging Stations, if any, to the extent permissible under Applicable Laws;
- (e) execute such deeds of conveyance, documents and other writings as the Authority may reasonably require for conveying, divesting and assigning all the rights, title and interest of the Operator in respect of the outstanding insurance claims to the extent due and payable to the Authority;
- (f) execute such deeds of conveyance, documents and other writings as the Authority may reasonably require for conveying, divesting and assigning all the rights, title and interest of the Operator in the Maintenance Depots, the Charging Infrastructure and the Opportunity Charging Stations, if any; and
- (g) comply with all other requirements as may be prescribed or required under Applicable Laws for completing the divestment and assignment of all rights, title and interest of

the Operator in the Maintenance Depots, the Charging Infrastructure and the Opportunity Charging Stations, if any, and Insurance Cover, free from all Encumbrances, absolutely unto the Authority or to its nominee.

33.2 Inspection and cure

Not earlier than 90 (ninety) days prior to expiry of the Contract Period, but not later than [15 (fifteen)] days prior to the effective date of such expiry, the Authority shall verify, after giving due notice to the Operator specifying the time, date and place of such verification and/or inspection, compliance by the Operator with the Maintenance Obligations, and if required, cause appropriate tests to be carried out at the Operator's cost for this purpose. The Operator shall at its own cost and expense, cure defaults if any, in the Maintenance Obligations and the provisions of Article 32 shall apply, *mutatis mutandis*, in relation to curing of defects or deficiencies under this Article 33.

33.3 Cooperation and assistance on transfer of Maintenance Depots

33.3.1 The Parties shall cooperate on a best effort basis and take all necessary measures, in good faith, to achieve a smooth transfer of the assets specified in Clause 33.1.1 in accordance with the provisions of this Agreement so as to protect the safety of and avoid undue delay or inconvenience to the Users, other members of the public or the lawful occupiers of any part of the Depot Sites.

33.3.2 The Authority shall have the option to purchase or hire from the Operator at a fair market value and free from any Encumbrance all or any part of the plant and machinery used in connection with the Project but which does not form part of the assets specified in Clause 33.1.1 and is reasonably required in connection with operation of the Maintenance Depots. For the avoidance of doubt, in the event of Dispute or difference relating to the determination of the fair market value of such plant and machinery, the Dispute Resolution Procedure shall apply.

33.4 Divestment requirements upon termination

33.4.1 Upon Termination after COD and before the expiry of the Contract Period, the Operator shall comply with and conform to the following divestment requirements (the “**Divestment Requirements**”), no later than 15 (fifteen) days from the date of Termination:

- (a) procure and deliver forthwith title to, and actual or constructive possession of the Buses and vacate and handover actual or constructive possession of the Maintenance Depots, the Charging Infrastructure and the Opportunity Charging Stations, if any, free and clear of all Encumbrances;
- (b) cure the Maintenance Depots, all Buses, Charging Infrastructure and Opportunity Charging Stations, if any, of all defects and deficiencies so that the Maintenance Depots, Buses, Charging Infrastructure and Opportunity Charging Stations are compliant with the Maintenance Obligations; provided that if such defects and

deficiencies have arisen on account of accidents, vandalism, arson, riot or natural calamity occurring no earlier than 120 (one hundred and twenty) days prior to such Termination, the Authority shall grant to the Operator such additional time, not exceeding 240 (two hundred forty) days from the date of expiry of the Contract Period, as may be reasonably required for repair and rectification thereof;

- (c) provide to the Authority a license or sub-license, free of any Encumbrances, with respect to all Intellectual Property pertaining to the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations including transferring all relevant records, reports, software and manuals and complete 'as built' Drawings as on the Transfer Date so as to enable the Authority to operate and maintain the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations and execute such deeds of conveyance, documents and other writings as the Authority may reasonably require in connection therewith. For the avoidance of doubt, the Operator represents and warrants that the Intellectual Property shall be adequate and complete for the Operation and Maintenance of the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations and shall be assigned or licensed to the Authority free of any Encumbrance for the operational life of these assets;
- (d) transfer and/or deliver to the Authority all Applicable Permits in respect of the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations to the extent permissible under Applicable Laws;
- (e) take all necessary steps to safeguard and protect the Buses, the Charging Infrastructure, the Opportunity Charging Stations, if any, the Maintenance Depot(s) and all other equipment, materials and goods on the Depot Site;
- (f) execute such deeds of conveyance, documents and other writings as the Authority may reasonably require for conveying, divesting and assigning all the rights, title and interest of the Operator in respect of the outstanding insurance claims to the extent due and payable to the Authority;
- (g) execute such deeds of conveyance, documents and other writings as the Authority may reasonably require for conveying, divesting and assigning all the rights, title and interest of the Operator in the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations; and
- (h) comply with all other requirements as may be prescribed or required under Applicable Laws for completing the divestment and assignment of all rights, title and interest of the Operator in the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations free from all Encumbrances, absolutely unto the Authority or to its nominee.

33.4.2 Subject to the exercise by the Authority of its rights under this Agreement or any of the Project Agreements to perform or procure the performance by a third party of any of the obligations of the Operator, the Parties shall continue to perform their obligations under this Agreement notwithstanding the giving of any Termination Notice until the Termination of this Agreement becomes effective in accordance with its terms.

33.4.3 Upon Termination of this Agreement prior to the Lot COD of the First Lot of Buses, if the Authority exercises its right to take over the Fit Out Works, the Operator shall be required to

handover peaceful possession of the Depot Sites and any Fit Out Works to the Authority no later than 15 (fifteen) days from the date of Termination. If the Authority chooses not to take over the Fit Out Works, the Operator shall clear the Depot Site(s) and handover vacant, peaceful possession of the Depot Site(s) to the Authority no later than 30 (thirty) days from the date of Termination.

33.5 Vesting Certificate

The divestment of all rights, title and interest in the assets specified in Clause 33.1.1 shall be deemed to be complete on the date on which all of the Divestment Requirements have been fulfilled, and the Authority shall, without unreasonable delay, thereupon issue a certificate substantially in the form set forth in Schedule-O (the “**Vesting Certificate**”), which will have the effect of constituting evidence of divestment by the Operator of all of its rights, title and interest in such assets, and their vesting in the Authority pursuant hereto. It is expressly agreed that any defect or deficiency in the Divestment Requirements shall not in any manner be construed or interpreted as restricting the exercise of any rights by the Authority or its nominee on, or in respect of, the Buses and Maintenance Depots on the footing that all Divestment Requirements have been complied with by the Operator.

33.6 Divestment costs etc.

- 33.6.1 Upon expiry of the Contract Period, the Authority shall bear and pay, all costs incidental to divestment of all of the rights, title and interest of the Operator in the Maintenance Depots, Charging Infrastructure and the Opportunity Charging Stations, if any, in favour of the Authority. It is further clarified that Authority will not reimburse/ bear and pay the capital cost of any of the assets which are to be transferred to the Authority.
- 33.6.2 In the event of Termination attributable to the Operator, the Operator shall bear and pay all costs incidental to divestment of all of the rights, title and interest of the Operator in the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations, if any, in favour of the Authority upon such Termination.
- 33.6.3 In the event of Termination attributable to the Authority, the Authority shall bear and pay all costs incidental to divestment of all of the rights, title and interest of the Operator in the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations, if any, in favour of the Authority upon such Termination. It is further clarified that Authority will not reimburse the capital cost of any of the assets which are to be transferred to the Authority.
- 33.6.4 In the event of any Dispute relating to matters covered by and under this Article 33, the Dispute Resolution Procedure shall apply.

ARTICLE-34 : DEFECTS LIABILITY AFTER TERMINATION

34.1 Liability for defects after Termination

The Operator shall be responsible for all defects and deficiencies in the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations, if any, for a period of within 180 (one hundred and eighty) days after Termination, and it shall have the obligation to repair or rectify, at its own cost, all defects and deficiencies observed by the Authority in the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations during the aforesaid period. In the event that the Operator fails to repair or rectify such defect or deficiency within a period of 15 (fifteen) days from the date of notice issued by the Authority in this behalf, the Authority shall be entitled to get the same repaired or rectified at the Operator's risk and cost. All costs incurred by the Authority hereunder shall be reimbursed by the Operator to the Authority within 15 (fifteen) days of receipt of demand thereof, and in the event of default in reimbursing such costs, the Authority shall be entitled to recover the same from the Escrow Account.

34.2 Retention in Escrow Account

- 34.2.1 Notwithstanding anything to the contrary contained in this Agreement, but subject to the provisions of Clause 34.2.3, a sum equal to 10% (ten per cent) of the total Fee in respect of the Contract Year immediately preceding the Transfer Date shall be retained by the Authority for a period of 180 (one hundred and eighty) days after Termination for meeting the liabilities, if any, arising out of or in connection with the provisions of Clause 34.1.
- 34.2.2 Without prejudice to the provisions of Clause 34.2.1, the Authority shall carry out an inspection of the Buses, Maintenance Depots, Charging Infrastructure and Opportunity Charging Stations, if any, at any time between 180 (one hundred and eighty) and 15 (fifteen) days prior to the Transfer Date and if it determines that the status of the Buses, Maintenance Depots, Charging Infrastructure or Opportunity Charging Stations is such that a sum larger than the amount stipulated in Clause 34.2.1 should be retained by the Authority and for a period longer than the aforesaid 180 (one hundred and eighty) days, the amount so determined, subject to a ceiling equivalent to twice the amount specified in Clause 34.2.1 shall be retained by the Authority for a period not exceeding 240 (two hundred and forty) days.
- 34.2.3 The Operator may, for the performance of its obligations under this Article 34, provide to the Authority a guarantee from a Bank for a sum equivalent to the amount determined under Clause 34.2.1 or 34.2.2, as the case may be, and for the period specified therein, substantially in the form set forth in Schedule-D (the “**Defects Performance Security**”), to be modified, *mutatis mutandis*, for this purpose, and the Authority shall, without prejudice to its other rights and remedies hereunder or in law, be entitled to encash and appropriate the required amounts from the Defects Performance Security for undertaking the repairs or rectification at the Operator's risk and cost in accordance with the provisions of this Article 34. Upon furnishing of a Performance Security under this Clause 34.2.3, the retention of funds in terms of Clause 34.2.1 or 34.2.2, as the case may be, shall be dispensed with.

ARTICLE-35 : ASSIGNMENT AND CHARGES

35.1 Ownership of Project Assets

- 35.1.1 The Operator shall be the legal and beneficial owner, or shall have legal and beneficial right of use, of the Project Assets during the Contract Period and up until the divestment of its rights in the Project Assets in accordance with Article 33.

35.2 Restrictions on assignment and charges

- 35.2.1 Subject to Clause 35.3, this Agreement shall not be assigned by the Operator to any person, save and except with the prior consent in writing of the Authority.
- 35.2.2 Subject to the provisions of Clause 35.3, the Operator shall not create nor permit to subsist any Encumbrance, or otherwise transfer or dispose of all or any of its rights and benefits under this Agreement or any Project Agreement to which the Operator is a party except with prior consent in writing of the Authority, which consent the Authority shall be entitled to decline without assigning any reason.

35.3 Permitted assignment and charges

The restraints set forth in Clause 35.2 shall not apply to:

- (a) liens arising by operation of law (or by an agreement evidencing the same) in the ordinary course of business of the Operator;
- (b) mortgages/pledges/hypothecation of goods/assets, and their related documents of title, other than Project Assets, arising or created in the ordinary course of business of the Operator, and as security only for indebtedness to the Senior Lenders under the Financing Agreements and/or for working capital arrangements for the Project;
- (c) assignment of rights, interest and obligations of the Operator to or in favour of the Lenders' Representative as nominee and for the benefit the Senior Lenders, to the extent covered by an in accordance with the Substitution Agreement as security for financing provided by the Senior Lenders under the Financing Agreements; and
- (d) retention of title and ownership of the Buses by the Lessors, if any;
- (e) liens or encumbrances required by any Applicable Law.
- (f) subcontracting limited to operations of the buses; and
- (g) any assignment of Insurance Policy in favour of Lenders as per the Financing Agreements.

35.4 Substitution Agreement

- 35.4.1 The Lenders' Representative, on behalf of Senior Lenders, or Lessor(s) if any may exercise the right to substitute the Operator pursuant to the agreement for substitution of the Operator (the "**Substitution Agreement**") to be entered into amongst the Operator, the Authority and the Lenders' Representative, on behalf of Senior Lenders, substantially in the form set forth in Schedule-R.
- 35.4.2 Upon substitution of the Operator under and in accordance with the Substitution Agreement, the Nominated Company substituting the Operator shall be deemed to be the Operator under this Agreement and shall enjoy all rights and be responsible for all obligations of the Operator under this Agreement as if it were the Operator; provided that where the Operator is in breach of this Agreement on the date of such substitution, the Authority shall by notice grant a Cure Period of 120 (one hundred and twenty) days to the Operator for curing such breach.

35.5 Assignment by the Authority

Notwithstanding anything to the contrary contained in this Agreement, the Authority may, after giving 60 (sixty) days' notice to the Operator, assign and/ or transfer any of its rights and benefits and/or obligations under this Agreement to an assignee who shall, at a minimum, have a credit rating (set by a reputed credit rating agency) that is equal to or better than that of the Authority as of the date of such assignment.

ARTICLE-36 : CHANGE IN LAW

36.1 Increase in costs

If as a result of Change in Law, the Operator suffers an increase in costs or reduction in net after-tax return or other financial burden, the Operator may so notify the Authority. Upon the issuance of a notice by the Operator, the Parties shall meet, as soon as reasonably practicable but no later than 30 (thirty) days from the date of notice, and either agree on any amendments to this Agreement or on any other mutually agreed arrangement by which the Authority will compensate the Operator.

Provided that if no agreement is reached within 90 (ninety) days of the aforesaid notice, the Operator may by notice require the Authority to pay an amount that would place the Operator in the same financial position that it would have enjoyed had there been no such Change in Law, and within 15 (fifteen) days of receipt of such notice, along with particulars thereof, the Authority shall pay the amount specified therein; provided that if the Authority shall dispute such claim of the Operator, the same shall be settled in accordance with the Dispute Resolution Procedure. For the avoidance of doubt, it is agreed that this Clause 36.1 shall be restricted to changes in law directly affecting the Operator's costs of performing its obligations under this Agreement.

36.2 Reduction in costs

If as a result of Change in Law, the Operator benefits from a reduction in costs or increase in net after-tax return or other financial gains, the Authority may so notify the Operator and propose amendments to this Agreement so as to place the Operator in the same financial position as it would have enjoyed had there been no such Change in Law resulting in decreased costs, increase in return or other financial gains as aforesaid. Upon notice by the Authority, the Parties shall meet, as soon as reasonably practicable but no later than 30 (thirty) days from the date of notice, and either agree on such amendments to this Agreement or on any other mutually agreed arrangement.

Provided that if no agreement is reached within 90 (ninety) days of the aforesaid notice, the Authority may by notice require the Operator to pay an amount that would place the Operator in the same financial position that it would have enjoyed had there been no such Change in Law, and within 15 (fifteen) days of receipt of such notice, along with particulars thereof, the Operator shall pay the amount specified therein to the Authority; provided that if the Operator shall dispute such claim of the Authority, the same shall be settled in accordance with the Dispute Resolution Procedure. For the avoidance of doubt, it is agreed that this Clause 36.2 shall be restricted to changes in law directly affecting the Operator's costs of performing its obligations under this Agreement.

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

36.3 Protection of NPV

Pursuant to the provisions of Clauses 36.1 and 36.2 and for the purposes of placing the Operator in the same financial position as it would have enjoyed had there been no Change in Law affecting the costs, returns or other financial burden or gains, the Parties shall endeavour to establish a net present value (the “NPV”) of the net cash flow and make necessary adjustments in costs, revenues, compensation or other relevant parameters, as the case may be, to procure that the NPV of the net cash flow is the same as it would have been if no Change in Law had occurred. For the avoidance of doubt, the Parties expressly agree that for determination of NPV, the discount rate to be used shall be equal to the weighted average rate of interest at which the Operator has raised its debt under its Financing Agreements.

36.4 Restriction on cash compensation

The Parties acknowledge and agree that the demand for cash compensation under this Article 36 shall be restricted to the effect of Change in Law during the respective Accounting Year and shall be made at any time after commencement of such year, but no later than 1 (one) year from the close of such Accounting Year. Any demand for cash compensation payable for and in respect of any subsequent Accounting Year shall be made after the commencement of the Accounting Year to which the demand pertains, but no later than 2 (two) years from the close of such Accounting Year.

ARTICLE-37 : LIABILITY AND INDEMNITY

37.1 General indemnity

37.1.1 The Operator shall indemnify, defend, save and hold harmless the Authority and its officers, servants, agents, Government Instrumentalities and Authority owned and/or controlled entities/enterprises, (the “**Authority Indemnified Persons**”) from and against any and all suits, proceedings, actions, demands and third party claims for any loss, damage, cost and expense of whatever kind and nature, whether arising out of any breach by the Operator of any of its obligations under this Agreement or any related agreement or on account of any defect or deficiency in the provision of goods and services by the Operator to the Authority or to any person or from any negligence of the Operator under contract or tort or on any other ground whatsoever, except to the extent that any such suits, proceedings, actions, demands and claims have arisen due to any negligent act or omission, a breach or default of this Agreement or any related agreement and/or a breach of its statutory duty on the part of the Authority Indemnified Persons.

37.1.2 The Authority shall indemnify, defend, save and hold harmless the Operator and its officers, servants and agents (the “**Operator Indemnified Parties**”) against any and all suits, proceedings, actions, demands and third party claims for any loss, damage, cost and expense of whatever kind and nature arising out of (a) defect in title and/or the rights of the Authority in the land comprised in the Depot Sites, and/or (b) breach by the Authority of any of its obligations under this Agreement or any related agreement, which materially and adversely affect the performance by the Operator of its obligations under this Agreement, save and except that where any such claim, suit, proceeding, action, and/or demand has arisen due to a negligent act or omission, or breach of any of its obligations under any provision of this Agreement or any related agreement and/or breach of its statutory duty on the part of the Operator, its subsidiaries, affiliates, Contractors, servants or agents, the same shall be the liability of the Operator.

37.2 Indemnity by the Operator

37.2.1 Without limiting the generality of Clause 37.1, the Operator shall fully indemnify, hold harmless and defend the Authority and the Authority Indemnified Persons from and against any and all loss and/or damages arising out of or with respect to:

- (a) failure of the Operator to comply with Applicable Laws and Applicable Permits;
- (b) payment of taxes required to be made by the Operator in respect of the income or other taxes of the Operator’s Contractors, suppliers and representatives; or
- (c) non-payment of amounts due as a result of materials or services furnished to the Operator or any of its Contractors which are payable by the Operator or any of its Contractors.

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

37.2.2 Without limiting the generality of the provisions of this Article 37, the Operator shall fully indemnify, hold harmless and defend the Authority Indemnified Persons from and against any and all suits, proceedings, actions, claims, demands, liabilities and damages which the Authority Indemnified Persons may hereafter suffer, or pay by reason of any demands, claims, suits or proceedings arising out of claims of infringement of any domestic or foreign Intellectual Property or confidentiality rights with respect to any materials, information, design or process used by the Operator or by the Operator's Contractors in performing the Operator's obligations or in any way incorporated in or related to the Project. If in any such suit, action, claim or proceedings, a temporary restraint order or preliminary injunction is granted, the Operator shall make every reasonable effort to secure the revocation or suspension of the injunction or restraint order. If, in any such suit, action, claim or proceedings, the Maintenance Depots, Buses, Charging Infrastructure or Opportunity Charging Stations, if any, as the case may be, or any part thereof or comprised therein, are held to constitute an infringement and their use is permanently enjoined, the Operator shall promptly make every reasonable effort to secure for the Authority a licence, at no cost to the Authority, authorising continued use of the infringing work. If the Operator is unable to secure such licence within a reasonable time, the Operator shall, at its own expense, and without impairing the Specifications and Standards, either replace the affected work, or part, or process thereof with non-infringing work or part or process, or modify the same so that they become non-infringing.

37.3 Notice and contest of claims

In the event that either Party receives a claim or demand from a third party in respect of which it is entitled to the benefit of an indemnity under this Article 37 (the "**Indemnified Party**") it shall notify the other Party (the "**Indemnifying Party**") within 15 (fifteen) days of receipt of the claim or demand and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim or demand, it may conduct the proceedings in the name of the Indemnified Party, subject to the Indemnified Party being secured against any costs involved, to its reasonable satisfaction.

37.4 Defence of claims

37.4.1 The Indemnified Party shall have the right, but not the obligation, to contest, defend and litigate any claim, action, suit or proceeding by any third party alleged or asserted against such Party in respect of, resulting from, related to or arising out of any matter for which it is entitled to be indemnified hereunder, and reasonable costs and expenses thereof shall be reimbursed by the Indemnifying Party. If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party in respect of loss to the full extent provided by this Article 37, the Indemnifying Party shall be entitled, at its option, to assume and control the defence of such claim, action, suit or proceeding, liabilities, payments and obligations at its expense and through the counsel of its choice; provided it gives prompt notice of its intention to do so to the Indemnified Party and reimburses the Indemnified Party for the reasonable cost and expenses incurred by the Indemnified Party prior to the assumption by the Indemnifying Party of such defence. The Indemnifying Party shall not be entitled to settle or compromise any claim, demand, action, suit or proceeding without the prior written consent of the Indemnified Party, unless the Indemnifying Party provides such security to the Indemnified Party as shall

Date : 29-12-2023

be reasonably required by the Indemnified Party to secure the loss to be indemnified hereunder to the extent so compromised or settled.

37.4.2 If the Indemnifying Party has exercised its rights under Clause 37.3, the Indemnified Party shall not be entitled to settle or compromise any claim, action, suit or proceeding without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed).

37.4.3 If the Indemnifying Party exercises its rights under Clause 37.3, the Indemnified Party shall nevertheless have the right to employ its own counsel, and such counsel may participate in such action, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party, when and as incurred, unless:

- (a) the employment of counsel by such party has been authorised in writing by the Indemnifying Party;
- (b) the Indemnified Party shall have reasonably concluded that there may be a conflict of interest between the Indemnifying Party and the Indemnified Party in the conduct of the defence of such action;
- (c) the Indemnifying Party shall not, in fact, have employed independent counsel reasonably satisfactory to the Indemnified Party, to assume the defence of such action and shall have been so notified by the Indemnified Party; or
- (d) the Indemnified Party shall have reasonably concluded and specifically notified the Indemnifying Party either:
 - (i) that there may be specific defences available to it which are different from or additional to those available to the Indemnifying Party; or
 - (ii) that such claim, action, suit or proceeding involves or could have a material adverse effect upon it beyond the scope of this Agreement:

Provided that if Sub-clauses (b), (c) or (d) of this Clause 37.4.3 shall be applicable, the counsel for the Indemnified Party shall have the right to direct the defence of such claim, demand, action, suit or proceeding on behalf of the Indemnified Party, and the reasonable fees and disbursements of such counsel shall constitute legal or other expenses hereunder.

37.5 No consequential claims

Notwithstanding anything to the contrary contained in this Article 37, the indemnities herein provided shall not include any claim or recovery in respect of any cost, expense, loss or damage of an indirect, incidental or consequential nature, including loss of profit, except as expressly provided in this Agreement.

37.6 Limitation of Liability

- 37.6.1 Notwithstanding anything to the contrary in this Agreement, the liability of one Party towards the other Party for any damages or compensation of any nature whatsoever under this Agreement, save and except with respect to any Termination Payment payable by the Authority in accordance with the terms of this Agreement, shall not exceed Rs. 1 crore (Rupees one crore) per Bus that is procured under this Agreement. For the avoidance of doubt, the limitation hereunder shall not apply to any or all liabilities in respect of third parties.
- 37.6.2 Except as otherwise provided in this Agreement, neither Party shall be liable to the other Party for any loss of profit or for any other indirect or consequential damages or losses that may be suffered in connection with this Agreement.

37.7 Survival on Termination

The provisions of this Article 37 shall survive Termination.

ARTICLE-38 : RIGHTS AND TITLE OVER SITES

38.1 Operator's rights

For the purpose of this Agreement, the Operator shall have rights to the use of the Depot Sites as the sole and exclusive licensee, subject to and in accordance with this Agreement, and to this end, it may regulate the entry and use of the Depot Sites by third parties in accordance with and subject to the provisions of this Agreement.

38.2 Access rights of the Authority and others

- 38.2.1 The Operator shall allow free access to the Depot Sites at all times for the authorised representatives of the Authority and for the persons duly authorised by any Government Instrumentality to inspect the Maintenance Depots, and to investigate any matter within their authority, and upon reasonable notice, the Operator shall provide to such persons reasonable assistance necessary to carry out their respective duties and functions.
- 38.2.2 The Operator shall, for the purpose of operation and maintenance of any utility allow free access to the Depot Sites, as the case may be, at all times for the authorised persons and vehicles of the controlling body of such utility.

38.3 Property taxes

- 38.3.1 All property taxes on the Depot Sites shall be payable by the Authority as owner of the Depot Sites; provided, however, that any such taxes payable by the Operator under Applicable Laws for use of the Depot Sites shall not be reimbursed or payable by the Authority. For the avoidance of doubt, the Parties agree that stamp duties, if any, due and payable on the grant of licence comprising this Agreement shall be paid by the Authority. Provided, however, that the Authority may require the Operator to pay such stamp duties, which shall be reimbursed by the Authority to the Operator within 15 (fifteen) days of receiving the demand therefor.

38.4 Restriction on sub-letting

The Operator shall not sublicense or sublet the whole or any part of Depot Sites, save and except as may be expressly set forth in this Agreement; provided that nothing contained herein shall be construed or interpreted as restricting the right of the Operator to appoint Contractors for the performance of its obligations hereunder including for Operation and Maintenance of all or any part of the Depot Sites.

ARTICLE-39 : DISPUTE RESOLUTION

39.1 Dispute resolution

39.1.1 Any dispute, difference or controversy of whatever nature howsoever arising under or out of or in relation to this Agreement (including its interpretation) between the Parties, and so notified in writing by either Party to the other Party (the “**Dispute**”) shall, in the first instance, be attempted to be resolved amicably in accordance with the conciliation procedure set forth in Clause 39.2.

39.1.2 The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non-privileged records, information and data pertaining to any Dispute.

39.2 Conciliation

39.2.1 Conciliation in case of Operational disputes. The following procedure is to be followed for conciliation in case of disputes impacting the daily operations of the Buses.

Provision of Dispute Resolution Committee at the City & State level:

a) City Dispute Resolution Committee (CDRC)

The city shall constitute/ notify Standing Dispute Resolution Committee within 30 days from the signing of agreement. The committee shall comprise of the following members:

- i) Municipal commissioner/ Deputy Municipal Commissioner of the city- Chair of the committee;
- ii) Depot Manager- Convener of the committee;
- iii) One representative from the Operator; and
- iv) An independent expert nominated by the Chair.

b) State Dispute Resolution Committee (SDRC)

The state shall constitute/ notify Standing Dispute Resolution Committee within 30 days from the signing of agreement by first city. The committee shall comprise of the following members:

- i) Secretary/Principal Secretary of Transport/Urban Development- Chair of the committee;
- ii) Municipal commissioner/ Deputy Municipal Commissioner of the respective city- Convener of the committee;

User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- iii) One representative at the level of Director from the Operator; and
 - iv) An independent subject expert nominated by the Chair.
- c) In the event of any dispute either Party may apply in writing for resolution of dispute by the city level committee initially. The City Dispute Resolution Committee shall make efforts to resolve the dispute within 30 days from the date of application. Failing resolution of dispute by the Committee, applicant party may approach the State Dispute Resolution Committee which shall make efforts to resolve the dispute within 30 days from the date of application. Failing resolution of dispute at both the levels, either Party may refer the Dispute for arbitration in accordance with the provisions of Clause 39.3.

39.2.2 Conciliation in case of disputes other than Operational disputes covered in 39.2.1

In the event of any Dispute between the Parties, either Party may call upon a mutually accepted person (the Adjudicator) to mediate and assist the Parties in arriving at an amicable settlement thereof. Failing mediation by such person or without the intervention of such person, either Party may require such Dispute to be referred to the [Chairman of ***] and the Chairman of the Board of Directors of the Operator for amicable settlement, and upon such reference, the said persons shall meet no later than 7 (seven) days from the date of reference to discuss and attempt to amicably resolve the Dispute. If such meeting does not take place within the 7 (seven) day period or the Dispute is not amicably settled within 15 (fifteen) days of the meeting or the Dispute is not resolved as evidenced by the signing of written terms of settlement within 30 (thirty) days of the notice in writing referred to in Clause 39.1.1 or such longer period as may be mutually agreed by the Parties, either Party may refer the Dispute to arbitration in accordance with the provisions of Clause 39.3. The fees payable to the Adjudicator shall be borne equally by the Parties.

39.3 Arbitration

39.3.1 Any Dispute which is not resolved amicably by conciliation, as provided in Clause 39.2, shall be finally decided by reference to arbitration by an arbitral tribunal constituted in accordance with Clause 39.3.2. Such arbitration shall be held in accordance with the Rules of Arbitration of the International Centre for Alternative Dispute Resolution, New Delhi (the “Rules”) or such other rules as may be mutually agreed by the Parties, and shall be subject to provisions of the Arbitration and Conciliation Act, 1996. The place of such arbitration shall be [[●]]⁵, and the language of arbitration proceedings shall be English.

39.3.2 There shall be an arbitral tribunal comprising 3 (three) arbitrators, of whom each Party shall nominate 1 (one) arbitrator within 15 days of either Party notifying the other their intent to initiate arbitration proceedings, and the third arbitrator shall be appointed by the 2 (two) arbitrators so selected. In the event of either Party failing to nominate an arbitrator or the two arbitrators failing to nominate the third arbitrator within 15 days of their nomination, the appointment shall be made in accordance with the Rules.

⁵ **Drafting Note** – Insert relevant city for which the agreement pertains (i.e., the city where the buses are being deployed)

- 39.3.3 The arbitral tribunal shall make a reasoned award (the “**Award**”) within a period of twelve (12) months from the date of constitution of the Panel or an extended period mutually agreed by the Parties. Any Award made in any arbitration held pursuant to this Article 39 shall be final and binding on the Parties as from the date it is made, and the Operator and the Authority agree and undertake to carry out such Award without delay.
- 39.3.4 The Operator and the Authority agree that an Award may be enforced against the Operator and/or the Authority, as the case may be, and their respective assets wherever situated.
- 39.3.5 This Agreement and the rights and obligations of the Parties shall remain in full force and effect, pending the Award in any arbitration proceedings hereunder.

39.4 Adjudication by a tribunal

In the event of constitution of a statutory tribunal or other forum with powers to adjudicate upon disputes between the Operator and the Authority, all Disputes arising after such constitution shall, instead of reference to arbitration under Clause 39.3, be adjudicated upon by such tribunal or other forum in accordance with Applicable Laws and all references to Dispute Resolution Procedure shall be construed accordingly.

ARTICLE-40 : DISCLOSURE

40.1 Disclosure of Specified Documents

The Operator shall make available for inspection by any person, copies of this Agreement, the Maintenance Manual, the Operation Manual, the Safety Requirements and the Specifications and Standards (hereinafter collectively referred to as the “**Specified Documents**”), free of charge, during normal business hours on all working days at the Operator’s registered office. The Operator shall prominently display at the Maintenance Depots, public notices stating the availability of the Specified Documents for such inspection and shall make copies of the same available to any person upon payment of copying charges on a ‘no profit no loss’ basis.

40.2 Disclosure of Documents relating to safety

The Operator shall make available for inspection by any person copies of all Documents and data relating to Safety of the Buses, free of charge, during normal business hours on all working days, at the Operator’s registered office. The Operator shall make copies of the same available to any person upon payment of copying charges on a ‘no profit no loss’ basis.

40.3 Withholding disclosure of Protected Documents

Notwithstanding the provisions of Clauses 40.1 and 40.2, the Authority shall be entitled to direct the Operator, from time to time, to withhold the disclosure of Protected Documents (as defined herein below) to any person in pursuance of the aforesaid Clauses.

Explanation:

The expression “**Protected Documents**” shall mean such of the Specified Documents or documents referred to in Clauses 40.1 and 40.2, or portions thereof, the disclosure of which the Authority is entitled to withhold under the provisions of the Right to Information Act, 2005.

ARTICLE-41 : REDRESSAL OF COMPLAINTS

41.1 Complaint Register

- 41.1.1 The Operator shall keep one register (the “**Complaint Register**”) in every Bus for recording of complaints by Users, and another for recording of complaints by drivers and maintenance staff.
- 41.1.2 The Complaint Register shall be securely bound, and each page thereof shall be duly numbered. It shall have appropriate columns including the complaint number, date, substance of the complaint and the action taken by the Operator.
- 41.1.3 Without prejudice to the provisions of Clauses 41.1.1 and 41.1.2, the Authority may, in consultation with the Operator, specify the procedure for making complaints in electronic form and for responses thereto.

41.2 Redressal of complaints

- 41.2.1 The Operator shall inspect the Complaint Register of every Bus including complaints registered electronically before undertaking any Maintenance, as the case may be, and take prompt and reasonable action for redressal of each complaint. The action taken shall be briefly recorded by the Operator in the Complaint Register.
- 41.2.2 In the event that a complaint shall require an urgent response from the Operator, the driver of a Bus or any maintenance staff of the Authority, as the case may be, shall inform the Maintenance Depot or the Control Centre forthwith.
- 41.2.3 The Operator shall submit to the Authority, relevant extracts of the Complaint Register no later than [7 (seven)] days from the close of each month. If the Operator fails to address complaints in accordance with this Article 41, the Operator shall pay Damages equal to ~~0.5% (zero point five percent) of the Performance Security~~ INR 2,500 per bus for each day of delay to rectify each of the complaints specified in the Complaint Register, to the satisfaction of the Authority.

ARTICLE-42 : MISCELLANEOUS

42.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the courts at [●]⁶ shall have exclusive jurisdiction over matters arising out of or relating to this Agreement.

42.2 Waiver of immunity

Each Party unconditionally and irrevocably:

- (a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;
- (b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Party with respect to its assets;
- (c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and
- (d) consents generally in respect of the enforcement of any judgement or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgement that may be made or given in connection therewith).

42.3 Depreciation

For the purposes of depreciation under Applicable Laws, the property representing the capital investment made by the Operator in the Maintenance Depots shall be deemed to be acquired and owned by the Operator. For the avoidance of doubt, the Authority shall not in any manner be liable in respect of any claims for depreciation to be made by the Operator under Applicable Laws.

⁶ Drafting Note – Insert relevant city for which the agreement pertains (i.e., the city where the buses are being deployed)

42.4 Delayed payments

- 42.4.1 The Parties hereto agree that payments due that are not covered under Payment Security Mechanism from one Party to the other Party under the provisions of this Agreement shall be made within the period set forth therein, and if no such period is specified, within 30 (thirty) days of receiving a demand along with the necessary particulars. Unless otherwise specified in this Agreement, in the event of delay beyond such period, the defaulting Party shall pay interest for the period of delay calculated at a rate equal to 3% (three per cent) above the Bank Rate, and recovery thereof shall be without prejudice to the rights of the Parties under this Agreement including Termination thereof.
- 42.4.2 Unless otherwise specified, any interest payable under this Agreement shall accrue on a daily outstanding basis and shall be compounded on the basis of quarterly rests.

42.5 Waiver

- 42.5.1 Waiver, including partial or conditional waiver, by either Party of any default by the other Party in the observance and performance of any provision of or obligations under this Agreement:
- (a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;
 - (b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and
 - (c) shall not affect the validity or enforceability of this Agreement in any manner.
- 42.5.2 Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by a Party to the other Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

42.6 Liability for review of Documents and Drawings

Except to the extent expressly provided in this Agreement:

- (a) no review, comment or approval by the Authority of any Project Agreement, Document or Drawing submitted by the Operator nor any observation or inspection of the construction, operation or maintenance of the Project and Buses nor the failure to review, approve, comment, observe or inspect hereunder shall relieve or absolve the Operator from its obligations, duties and liabilities under this Agreement, Applicable Laws and Applicable Permits; and
- (b) the Authority shall not be liable to the Operator by reason of any review, comment, approval, observation or inspection referred to in Sub-clause (a) above.

Signature : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da8016722444d6ec7e96fa1c207cc28d61b8, ST=DELHI, OID.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN

42.7 Exclusion of implied warranties etc.

This Agreement expressly excludes any warranty, condition or other undertaking implied at law or by custom or otherwise arising out of any other agreement between the Parties or any representation by either Party not contained in a binding legal agreement executed by both Parties.

42.8 Survival

42.8.1 Termination shall:

- (a) not relieve the Operator or the Authority, as the case may be, of any obligations hereunder which expressly or by implication survive Termination hereof; and
- (b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such Termination or arising out of such Termination.

42.8.2 All rights and obligations surviving Termination shall only survive for a period of 3 (three) years following the date of such Termination; provided, however, that all obligations of the Operator in relation to licensing, sub-licensing, assignment or transfer of the specified Intellectual Property to the Authority shall survive the Termination in perpetuity.

42.9 Entire Agreement

This Agreement and the Schedules together constitute a complete and exclusive statement of the terms of the agreement between the Parties on the subject hereof, and no amendment or modification hereto shall be valid and effective unless such modification or amendment is agreed to in writing by the Parties and duly executed by persons especially empowered in this behalf by the respective Parties. All prior written or oral understandings offers or other communications of every kind pertaining to this Agreement are abrogated and withdrawn. For the avoidance of doubt, the Parties hereto agree that any obligations of the Operator arising from the Request for Qualification or Request for Proposals, as the case may be, shall be deemed to form part of this Agreement and treated as such, provided however, that if there is a contradiction or conflict between the terms of the Request for Qualification or Request for Proposals and the terms of this Agreement, the terms of this Agreement shall prevail.

42.10 Severability

If for any reason whatsoever, any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with

a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to the Dispute Resolution Procedure set forth under this Agreement or otherwise.

42.11 No partnership

This Agreement shall not be interpreted or construed to create an association or partnership between the Parties, or to impose any partnership obligation or liability upon either Party, and neither Party shall have any right, power or Authority to enter into any agreement or undertaking for, or act on behalf of, or to act as or be an agent or representative of, or to otherwise bind, the other Party.

42.12 Third parties

This Agreement is intended solely for the benefit of the Parties, and their respective successors and permitted assigns, and nothing in this Agreement shall be construed to create any duty to, standard of care with reference to, or any liability to, any person not a Party to this Agreement.

42.13 Successors and assigns

This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns.

42.14 Notices

Any notice or other communication to be given by any Party to the other Party under or in connection with the matters contemplated by this Agreement shall be in writing and shall:

- (a) in the case of the Operator, be given by facsimile or e-mail and by letter delivered by hand to the address given and marked for attention of the person set out below or to such other person as the Operator may from time to time designate by notice to the Authority; provided that notices or other communications to be given to an address outside [●]7 may, if they are subsequently confirmed by sending a copy thereof by registered acknowledgement due, air mail or by courier, be sent by facsimile or email to the number as the Operator may from time to time designate by notice to the Authority;

- (c) any notice or communication by a Party to the other Party, given in accordance herewith, shall be deemed to have been delivered when in the normal course of post it ought to have been delivered and in all other cases, it shall be deemed to have been delivered on the actual date and time of delivery; provided that in the case of facsimile or e-mail, it shall be deemed to have been delivered on the working day following the date of its delivery.

42.15 Language

All notices required to be given by one Party to the other Party and all other communications, Documentation and proceedings which are in any way relevant to this Agreement shall be in writing and in English language.

42.16 Counterparts

This Agreement may be executed in two counterparts, each of which, when executed and delivered, shall constitute an original of this Agreement.

⁸ **Drafting Note** – Insert relevant city for which the agreement pertains (i.e., the city where the buses are being deployed)

ARTICLE-43 : DEFINITIONS

In this Agreement, the following words and expressions shall, unless repugnant to the context or meaning thereof, have the meaning hereinafter respectively assigned to them:

“Accounting Year” means the financial year commencing from the first day of April of any calendar year and ending on the thirty-first day of March of the next calendar year;

“Additional Auditors” shall have the meaning ascribed to it in Clause 26.2.3;

“Additional Termination Payment” means the amount payable upon Termination in respect of Specified Assets, if any, as further limited by the provisions of Clause 32.4.2;

“Adjusted Depreciated Value” means the amount arrived at after adjusting the depreciated book value of an asset (as stated in the books of account of the Operator) to reflect the variation occurring in WPI between the date of procurement thereof and the Transfer Date;

“Adjusted Equity” means the Equity funded in Indian Rupees and adjusted on the first day of the current month (the **“Reference Date”**), in the manner set forth below, to reflect the change in its value on account of depreciation and variations in WPI, and for any Reference Date occurring:

- (a) on or before COD, the Adjusted Equity shall be a sum equal to the Equity funded in Indian Rupees and expended on the Project, revised to the extent of one half of the variation in WPI occurring between the first day of the month of Appointed Date and the Reference Date;
- (b) from COD and until the 4th (fourth) anniversary thereof, an amount equal to the Adjusted Equity as on COD shall be deemed to be the base (the **“Base Adjusted Equity”**) and the Adjusted Equity hereunder shall be a sum equal to the Base Adjusted Equity, revised at the commencement of each month following COD to the extent of variation in WPI occurring between COD and the Reference Date; and
- (c) after the 4th (fourth) anniversary of COD, the Adjusted Equity hereunder shall be a sum equal to the Base Adjusted Equity, reduced by 0.56% (zero point five six per cent)⁹ thereof at the commencement of each month following the 4th (fourth) anniversary of COD and the amount so arrived at shall be revised to the extent of variation in WPI occurring between COD and the Reference Date;

For the avoidance of doubt, the Adjusted Equity shall, in the event of Termination, be computed as on the Reference Date immediately preceding the Transfer Date; provided that no reduction in the Adjusted Equity shall be made for a period equal to the duration, if any, for which the Contract Period is extended, but the revision on account of WPI shall continue to be made;

“Affected Party” shall have the meaning as set forth in Clause 29.1;

⁹ This number shall be substituted in each case by the figure arrived at upon dividing 100 by the number of months comprising the Contract Period. For example, the figure for a 15 (fifteen) year Contract Period shall be $100/180 = 0.555$ rounded off to two decimal points i.e. 0.56.

“**Agreement**” or “means this Agreement, its Recitals, the Schedules hereto and any amendments thereto made in accordance with the provisions contained in this Agreement;

“**Allowed Energy Consumption**” shall have the meaning as set forth in Clause 22.5.3;

“**Annual Safety Report**” shall have the meaning ascribed to it in Clause 18.5.1;

“**Appendix**” shall have the meaning as set forth in Clause 10.3.1;

“**Applicable Laws**” means the Constitution of India and all and any laws, enacted or brought into force and effect by the GoI, the State Government or any Government Instrumentality having jurisdiction over the Parties, the Depot Sites or the Project, including rules, regulations and notifications made thereunder, and judgements, decrees, injunctions, writs and orders of any court of record, applicable to this Agreement and the exercise, performance and discharge of the respective rights and obligations of the Parties hereunder, as may be in force and effect during the subsistence of this Agreement;

“**Applicable Permits**” means all clearances, licences, permits, authorisations, no objection certificates, consents, approvals and exemptions required to be obtained or maintained under Applicable Laws in connection with the construction, Operation and Maintenance of the Buses and Maintenance Depots, as the case may be, during the subsistence of this Agreement and shall include those as set out in Schedule-C;

“**Appointed Date**” means the date on which Financial Close is achieved and all the Condition Precedents are satisfied or waived, as the case may be, in accordance with the provisions of this Agreement, and such date shall be the date of commencement of the Contract Period;

“**Approved Valuer**” means a firm of valuers recognized as such by the Inform Tax Department and having experience of valuing at least 5 (five) properties exceeding Rs. 100 cr. (Rs. One hundred crore) each in value.

“**Arbitration Act**” means the Arbitration and Conciliation Act, 1996 and shall include modifications to or any re-enactment thereof, as in force from time to time;

“**Associate**” or “**Affiliate**” means, in relation to either Party {and/or Consortium Members}, a person who controls, is controlled by, or is under the common control with such Party {or Consortium Member} (as used in this definition, the expression “control” means, with respect to a person which is a company or corporation, the ownership, directly or indirectly, of more than 50% (fifty per cent) of the voting shares of such person, and with respect to a person which is not a company or corporation, the power to direct the management and policies of such person, whether by operation of law or by contract or otherwise);

“**Authority Applicable Permits**” shall mean those Applicable Permits that are required to be obtained by the Authority as set out in Schedule-C;

“**Authority Default**” shall have the meaning set forth in Clause 32.2.1;

“**Authority Indemnified Persons**” shall have the meaning set forth in Clause 37.1.1;

“**Authority Nominated Personnel**” means any person authorized by the Authority to collect User

“Project Agreements” means this Agreement, construction contracts, supply contracts, O&M Contract, the Bus Lease Agreement and any other material agreements or contracts that may be entered into by the Operator with any person in connection with matters relating to, arising out of or incidental to this Agreement, but does not include any agreement for goods and services for the Maintenance Depots;

“Project Assets” means all physical and other assets relating to and forming part of the Depot Sites and Maintenance Depots, including:

- (a) rights over the Licensed Premises in the form of licence, Right of Way or otherwise;
- (b) tangible assets such as civil works and equipment including foundations, embankments, electrical systems, communication systems and administrative offices;
- (c) all rights of the Operator under the Project Agreements;
- (d) financial assets, such as receivables, security deposits etc.;
- (e) insurance proceeds; and
- (f) Applicable Permits and authorisations relating to or in respect of the Project;

“Project Milestones” means the project milestones set forth in Schedule-E;

“Protected Documents” shall have the meaning as set forth in Clause 40.3;

“Prototype” shall have the meaning as set forth in Clause 13.4.1;

“Provisional Maintenance Manual” shall have the meaning as set forth in Clause 17.2.1;

“Provisional Operation Manual” shall have the meaning as set forth in Clause 16.3.1;

“Punch List” shall have the meaning set forth in Clause 14.1.5;

“Re.”, “Rs.” or “Rupees” or “Indian Rupees” means the lawful currency of the Republic of India;

“Real Estate Development” shall have the meaning set forth in Annex-II ;

“Reference Exchange Rate” means, in respect of any one currency that is to be converted into another currency in accordance with the provisions of this Agreement, the exchange rate as of 12.00 (twelve) noon on the relevant date quoted in Delhi by the State Bank of India, and in the absence of such rate, the average of similar rates quoted in Delhi by the Bank of India and the Bank of Baroda;

“Reference Index Date” for and in respect of a Year, means the last date of the month which shall have closed no later than 30 (thirty) days prior to commencement of that Year;

“Request for Proposals” or “RFP” shall have the meaning as set forth in Recital (B);

“Revision of Fee” shall have the meaning set forth in Clause 22.4.1;

“Right of Way” means the constructive possession of the Depot Sites, together with all way leaves, easements, unrestricted access and other rights of way, howsoever described, necessary for

construction, operation and maintenance of the Maintenance Depots [and Real Estate Development]¹⁰, in accordance with this Agreement;

“**Safety**” means general safety and severe safety;

“**Safety Requirements**” shall have the meaning as set forth in Clause 18.1;

“**Scheduled COD**” shall have the meaning set forth in Clause 14.3;

“**Scheduled CP Satisfaction Date**” shall have the meaning set forth in Clause 4.2(a);

“**Scheduled Maintenance**” shall have the meaning as set forth in Clause 17.2.2;

“**Scheduled Maintenance Depot Completion Date**” shall have the meaning set forth in Clause 12.5.1;

“**Scope of the Agreement**” shall have the meaning as set forth in Clause 2.1;

“**Selected Bidder**” shall have the meaning as set forth in Recital (C);

“**Senior Lenders**” means the financial institutions, banks, multilateral lending agencies, trusts, funds and agents or trustees of debenture holders, including their successors and assignees or lessors in case of leasing of assets, who have agreed to guarantee or provide finance to the Operator under any of the Financing Agreements for meeting all or any part of the Total Project Cost and who hold *pari passu* charge on the assets, rights, title and interests of the Operator;

“**Severe Safety**” means an event of a **Major Accident** causing a loss of life or a grievous injury due to which a person is detained in hospital as an “in patient” or if any one of the following injuries are sustained whether or not he or she is detained in the hospital such as fractures, concussions, internal injuries, crushing, severe cuts and lacerations or severe general shock requiring medical treatment and victim may or may not require ICU admission.

“**Spares**” shall have the meaning as set forth in Clause 17.3.2;

“**Specifications and Standards**” means the specifications and standards relating to the quality, quantity, capacity and other requirements for the Buses and Maintenance Depots, as set forth in Schedule-B, and any modifications thereof, or additions thereto, as included in the design and engineering for the Buses submitted by the Operator to, and expressly approved by, the Authority;

“**Specified Assets**” means and includes such of the Project Assets which are constructed, acquired or installed after the [5th (fifth)] anniversary of COD, but before the [10th (tenth)] anniversary thereof; and but shall in no case include land.

“**Specified Documents**” shall have the meaning as set forth in Clause 40.1;

“**Start Punctuality**” shall have the meaning as set forth in Clause 20.4.1;

“**State**” means the State of [●] and

¹⁰ **Drafting Note** – To be deleted if Real Estate Development is not included.

“State Government” means the government of [●];

“Statutory Auditors” means a reputable firm of chartered accountants acting as the statutory auditors of the Operator under the provisions of the Companies Act, 2013 including any re-enactment or amendment thereof, for the time being in force;

“Substitution Agreement” shall have the meaning as set forth in Clause 35.4.1;

“Suspension” shall have the meaning as set forth in Clause 31.1;

“Taxes” means any Indian taxes including the goods and services tax, excise duties, customs duties, value added tax, sales tax, local taxes, cess and any impost or surcharge of like nature (whether Central, State or local) on the goods, materials, equipment and services incorporated in and forming part of the Project, which are charged, levied or imposed by any Government Instrumentality, but excluding any interest, penalties and other sums in relation thereto imposed on any account whatsoever. For the avoidance of doubt, Taxes shall not include taxes on corporate income;

“Termination” means the termination of this Agreement in accordance with its terms;

“Termination Notice” means the communication issued in accordance with this Agreement by one Party to the other Party terminating this Agreement;

“Termination Payment” means the amount payable by the Authority under and in accordance with the provisions of this Agreement, upon Termination and includes Additional Termination Payment. For the avoidance of doubt, it is expressly agreed that the amount payable shall be subject to the limitations specified in Clause 32.3;

“Tests” means the tests as set forth in Schedule-H to determine the conformity of Buses with the provisions of this Agreement;

“Total Project Cost” means the capital cost incurred on construction and financing of the Project, excluding Real Estate Development, and shall be limited to the lowest of:

- (a) the capital cost* of the project as set forth in the Financial Package;
- (b) the actual capital cost of the Project upon completion;

*Capital cost per bus calculated at 50% of the PK fee quoted by the bidder at Net Present Value (NPV) of Net Present Value (NPV) of all future payments, using total minimum Monthly Assured Kilometers and total contract period, cost of the bus will be calculated using 10.5 % discount rate, to be compounded on monthly basis. This will be calculated using the following formula.

$$\text{Capital cost per bus} = \frac{a}{r} \left(1 - \frac{1}{(1+r)^n} \right)$$

Where,

a – Monthly equal payment for Capital Cost

$$= 0.5 * L1 \text{ GCC Rate} * \text{Monthly Assured Kilometers}$$

r - Monthly discount rate in decimals

n - Contract Period in months

provided that in the event of Termination, the Total Project Cost shall be deemed to be modified to the extent of variation in WPI or Reference Exchange Rate occurring in respect of Adjusted Equity and Debt Due, as the case may be, in accordance with the provisions of this Agreement; provided further that in the event WPI increases, on an average, by more than 6% (six per cent) per annum for the period between the date hereof and COD, the Parties shall meet, as soon as reasonably practicable, and agree upon revision of the amount herein before specified such that the effect of increase in WPI, in excess of such 6% (six per cent), is reflected in the Total Project Cost. For the avoidance of doubt, it is agreed that Total Project Cost shall not include the cost of Specified Assets.

“Total Scheduled Bus Kilometers” shall have the meaning as set forth in Schedule-J;

“Training Obligations” shall have the meaning as set forth in Clause 23.1;

“Transfer Date” means the date of completion of the services under this Agreement or termination of the Agreement by a Termination Notice;

“Trip Frequency” shall have the meaning as set forth in Clause 20.5.1;

“Unscheduled Maintenance” shall have the meaning as set forth in Clause 17.2.4;

“Unsubsidised Buses” shall have the meaning as set forth in Clause 22.6.2;

“User” means a person who uses or intends to use the Buses on payment of User Fare or in accordance with the provisions of this Agreement and Applicable Laws;

“User Fare” means the fare payable by users for traveling on the Bus;

“Vesting Certificate” shall have the meaning as set forth in Clause 33.5.

“WPI” means the Wholesale Price Index for all commodities as published by the Ministry of Industry, GoI and shall include any index which substitutes the WPI, and any reference to WPI shall, unless the context otherwise requires, be construed as a reference to the WPI published for the period ending with the preceding month

SCHEDULE-D : PERFORMANCE SECURITY

(See Clause 9.1)

.....
Government of,
.....

WHEREAS:

A. The ~~Governor~~ **MUNICIPAL ADMINISTRATION** of [•], acting through {.....}, [•], and having its head office at {.....} (hereinafter referred to as the “**Authority**” or, which expression shall, unless excluded by and/or repugnant to the context, mean and include its successors, legal representatives and permitted assigns) of the one part;

AND

{***** Limited}, having its registered office at {.....} represented through its ***** (hereinafter referred to as the “**Operator**”, which expression shall, unless it be repugnant or contrary to the subject or context thereof, be deemed to mean and include its legal representatives, successors and permitted assigns) of the other part.

The Authority and the Operator are hereinafter collectively referred to as the “**Parties**” and individually as a “**Party**”.

B. The Agreement requires the Operator to furnish a Performance Security to the Authority in a sum of Rs (Rupees only) (the “**Guarantee Amount**”) as security for due and faithful performance of its obligations, under and in accordance with the Agreement, during the term of the Agreement Period (as defined in the Agreement).

C. We,through our Branch at.....(the “**Bank**”) have agreed to furnish this Bank Guarantee by way of Performance Security.

NOW, THEREFORE, the Bank hereby, unconditionally and irrevocably, guarantees and affirms as follows:

1. The Bank hereby unconditionally and irrevocably guarantees the due and faithful performance of the Operator’s obligations during the Agreement Period, under and in accordance with the Agreement, and agrees and undertakes to pay to the Authority, upon its mere first written demand, and without any demur, reservation, recourse, contest or protest, and without any reference to the Operator, such sum or sums up to an aggregate sum of the Guarantee Amount as the Authority shall claim, without the Authority being required to prove or to show grounds or reasons for its demand and/or for the sum specified therein.
2. A letter from the Authority, under the hand of an Officer not below the rank of the, that the Operator has committed default in the due and faithful performance of all or any of its obligations under and in accordance with the Agreement shall be conclusive, final and binding on the Bank. The Bank further agrees that the Authority shall be the sole judge as to whether the Operator is in default in due and faithful performance of its obligations during the Agreement Period under the Agreement and its decision that the Operator is in default shall be final, and binding on the

Bank, notwithstanding any differences between the Authority and the Operator, or any dispute between them pending before any court, tribunal, arbitrators or any other authority or body, or by the discharge of the Operator for any reason whatsoever.

3. In order to give effect to this Guarantee, the Authority shall be entitled to act as if the Bank were the principal debtor and any change in the constitution of the Operator and/or the Bank, whether by their absorption with any other body or corporation or otherwise, shall not in any way or manner affect the liability or obligation of the Bank under this Guarantee.
4. It shall not be necessary, and the Bank hereby waives any necessity, for the Authority to proceed against the Operator before presenting to the Bank its demand under this Guarantee.
5. The Authority shall have the liberty, without affecting in any manner the liability of the Bank under this Guarantee, to vary at any time, the terms and conditions of the Agreement or to extend the time or period for the compliance with, fulfilment and/ or performance of all or any of the obligations of the Operator contained in the Agreement or to postpone for any time, and from time to time, any of the rights and powers exercisable by the Authority against the Operator, and either to enforce or forbear from enforcing any of the terms and conditions contained in the Agreement and/or the securities available to the Authority, and the Bank shall not be released from its liability and obligation under these presents by any exercise by the Authority of the liberty with reference to the matters aforesaid or by reason of time being given to the Operator or any other forbearance, indulgence, act or omission on the part of the Authority or of any other matter or thing whatsoever which under any law relating to sureties and guarantors would but for this provision have the effect of releasing the Bank from its liability and obligation under this Guarantee and the Bank hereby waives all of its rights under any such law.
6. This Guarantee is in addition to and not in substitution of any other guarantee or security now or which may hereafter be held by the Authority in respect of or relating to the Operator for the fulfilment, compliance and/or performance of all or any of the obligations of the Operator under the Agreement.
7. Notwithstanding anything contained hereinbefore, the liability of the Bank under this Guarantee is restricted to the Guarantee Amount and this Guarantee will remain in force until a period of ~~30 (thirty)~~ 60 (sixty) days ~~beyond the Contract Period~~ from one year from COD and unless a demand or claim in writing is made by the Authority on the Bank under this Guarantee, no later than 3 (three) months from the date of expiry of this Guarantee, all rights of the Authority under this Guarantee shall be forfeited and the Bank shall be relieved from its liabilities hereunder.
8. The Bank undertakes not to revoke this Guarantee during its currency, except with the previous express consent of the Authority in writing, and declares and warrants that it has the power to issue this Guarantee and the undersigned has full powers to do so on behalf of the Bank.
9. Any notice by way of request, demand or otherwise hereunder may be sent by post addressed to the Bank at its above referred Branch, which shall be deemed to have been duly authorised to receive such notice and to effect payment thereof forthwith, and if sent by post it shall be deemed to have been given at the time when it ought to have been delivered in due course of post and in proving such notice, when given by post, it shall be sufficient to prove that the envelope containing the notice was posted and a certificate signed by an officer of the Authority that the envelope was so posted shall be conclusive.

SCHEDULE-E : MAINTENANCE DEPOT COMPLETION SCHEDULE

(See Clause 12.5.1)

1. Completion Schedule

During Construction Period, the Operator shall comply with the requirements set forth in this Schedule-E for each of the Project Milestones and Scheduled Maintenance Depot Completion Date (the “**Maintenance Depot Completion Schedule**”). Within 15 (fifteen) days of the date of each Project Milestone, the Operator shall notify the Authority of such compliance along with necessary particulars thereof.

2. The completion timeline of the following essential components, *inter alia*, of construction of Maintenance Depot shall be periodically reviewed by the Authority:

- (a) Structural Work
- (b) Electrical Work
- (c) IT/Telecom system
- (d) Fire safety system
- (e) Water supply system
- (f) Drainage system

4. Extension of period

Upon extension of any or all of the aforesaid Project Milestones or the Scheduled Maintenance Depot Completion Date, as the case may be, under and in accordance with the provisions of this Agreement, the Maintenance Depot Completion Schedule shall be deemed to have been amended accordingly.

SCHEDULE-F : DESIGN AND DRAWINGS

(See Clause 12.4 and 13.4)

1 Designs and Drawings

- 1.1 In compliance of the obligations set forth in Clause 12.4 of this Agreement, the Operator shall furnish to the Authority, free of cost, all Designs and Drawings listed in clause 3 of this Schedule-F; provided that the Designs and Drawings relevant for design review by the Government as specified in Clause 13.4.2, shall be submitted prior to such review.
- 1.2 For the purposes hereof, Design shall mean and include plans and Drawings of the Buses or sub-system or equipment thereof. Provided that the Operator may share only details regarding the layout of the bus and not any other propriety information.
- 1.3 All Designs shall include maintenance and service manual of the respective sub-systems.
- 1.4 All Designs and Drawings shall be supplied in hard copy, in duplicate, and in electronic form. All Drawings shall be provided in auto-cad format.
- 1.5 All Designs and Drawings shall conform to and refer to the relevant provisions in the Specifications and Standards.
- 1.6 All Designs and Drawings shall be in English.

2 Additional Designs and Drawings

If the Authority determines that for discharging its duties and functions under this Agreement, it requires any Designs or Drawings other than those listed in this schedule, it may by notice require the Operator to prepare and furnish such Designs and Drawings forthwith. Upon receiving a requisition to this effect, the Operator shall promptly prepare and furnish such Designs and Drawings to the Authority, as if such Designs and Drawings formed part of this Schedule F.

3 Bus Designs and Drawings

In compliance with the requirement under Clause 13.4.1, the Operator shall provide the following Designs and Drawings:

- (i) General schematic Drawings
- (ii) Bus offer drawing attached Layout
- (iii) Front, rear and both side views of the offered design of the Bus

SCHEDULE-G : DELIVERY SCHEDULE

(See Clause 13.3)

Lot No.	Type of Bus	Number of Buses	Timeline for delivery of Buses
1	7m*/9m/12m	Minimum 40% of the Quantity awarded as per the LOA	Within 6 weeks of Appointed Date
2	7m/9m/12m	Minimum 75% of the Quantity awarded as per the LOA	Within 18 weeks of Appointed Date
3	7m/9m/12m	100% of the Quantity awarded as per the LOA	Within 30 weeks of Appointed Date

~~*For 7m buses an~~The additional 2 weeks shall be time relaxation for 7m Buses is being provided for delivery of 01st Lot. Rest of the timelines only for delivery of 2nd and 3rd lot shall be similar to 9m and 12m, the first tender being rolled out under PM-eBus Sewa.

The Operators are required to plan the activities like Financial close, prototype testing etc, in such a manner so that the above-mentioned timelines are achieved.

SCHEDULE-H : TESTS

(See Clause 13.5)

1 Tests

- 1.1 Save and except as otherwise provided in this Agreement, the Operator shall conduct, or cause to be conducted, each of the Tests specified in this Schedule-H.
- 1.2 The Authority shall conduct, or cause to be conducted, adequate trial runs of Prototypes to determine their compliance with Specifications and Standards, requirements and Safety Requirements.
- 1.3 Tests to be conducted on the Prototype or its sub-systems, as the case may be, (the “**Type Tests**”) have been specified in Annex-I of this Schedule-H and routine tests to be carried out on all Buses (the “**Routine Tests**”) as per the guidelines issued by the Government of India approved agencies from time to time.
- 1.4 The Operator shall provide the results of all Tests to the Authority for review and comments, if any.

2 Schedule for Tests

- 2.1 The Operator shall, not later than [●] weeks prior to the likely date of conducting a Type Test, notify the Authority of its intent to conduct the Test and furnish particulars of the equipment and methodology forming part of the Test.
- 2.2 The Operator shall notify the Authority of its intent to conduct the Type Test, referred to in paragraph 2.1 above, at any time after [●] days from the date of such notice. The notice shall specify the place, date and time of such Test. Upon receipt of such notice, the Authority may, within [●] days of such notice, designate its representative to witness the Test. The Operator shall, whether or not an Authority Representative is designated, conduct the Test in accordance with Article 13 and this Schedule-H.
- 2.3 The Authority may at any time designate its representative to witness any Routine Test on a Bus and the Operator shall, upon receipt of a notice to this effect, undertake such Routine Test on a mutually agreed date, and in the presence of the Authority Representative.

3 Agency for conducting Tests

Save and except as otherwise specified, all Tests set forth in this Schedule-H shall be conducted by the Operator or such other agency or person as it may specify in consultation with the Authority.

4 Tests for Safety certification

Tests for determining the conformity of a Bus with the Safety Requirements shall be conducted in accordance with Good Industry Practice and in conformity with Applicable Laws.

5 Acceptance certificate

Upon successful completion of Tests, the Authority shall issue an Acceptance Certificate for the Prototype in accordance with the provisions of Article 13.

Annex - I Type Tests

In addition to the standard Type Tests of ARAI, the following tests shall be conducted for the buses:

S. No.	Applicable Tests	Standard / Regulation
1	Gradeability	AIS 003 & AIS 049
2	Pass by noise	IS 3028 & AIS 049
3	Coast Down Test	IS 14785 & AIS 049
4	Brake, Base line (Part – 3)	IS 11852 & AIS 049
5	Brake static (Part - 4)	IS 11852 & AIS 049
6	Construction and Functional safety requirements	AIS 038
7	Electrical energy consumption	AIS 039
8	Range Test	AIS 040 and test defined in Volume 3 of this RfP
9	Net Power and Max 30 min power test	AIS 041
10	Safety requirements of Traction batteries	AIS 048 <u>038</u>
11	EMC	AIS 004 (Part 3) & AIS 049
12	LT Wire	AIS 052 & Flammability test as per IS:2465-1984 or latest
13	Floor surface material	As mentioned in clause 17.4 (D) of Volume 3 (Technical specifications)

SCHEDULE-I : OPERATION AND MAINTENANCE REQUIREMENTS

(See Clause 16.1.1 and Clause 17.4)

Bus repair and maintenance generally calls for following activities amongst others at varying intervals / periodicity / Km operated by each bus, requirements varying with bus make, model, etc.:

- (a) Daily washing and cleaning of buses.
- (b) Periodic inspections and rectifications as required.
- (c) Preventive Maintenance as prescribed by Bus Manufacturer in form of maintenance schedules at certain time intervals / Km plied - such maintenance generally varies with period / Km plied by various sub-systems of a Bus. As an example periodicity of some such maintenance schedules and main activities therein are illustrated as under:
 - (i) Daily maintenance - oils / lubricants, coolant, air pressure, air inflation, loose fasteners, fitments etc. - check, top up, tighten, as required.
 - (ii) Monthly / bi-monthly – [•] / [•] Km operation - All activities of earlier schedules and tyre condition necessary for corrective / preventive actions.
 - (iii) Quarterly – [•] Km operation - All activities of earlier schedules and brake system maintenance including but not limited to inspection, servicing, brake lining change / replacement, servicing of other brake system items, greasing etc.; vehicle electrical, lighting, alignment, etc.
 - (iv) Six monthly – [•] Km - All activities of above schedules, and activities related to steering, axles, transmission, tyres, drive line, etc.
 - (v) Yearly – [•] Km - All above activities and full checking / inspection of bus chassis, bus bodies and their fitments, and taking necessary corrective / preventive actions.
 - (vi) Bi-annual / annual - Certification of road worthiness of buses - Initial periodicity being after two years for up to certain age then annually.
 - (vii) Replacement of in-use bus aggregates at about Mean Time Between Failures (MTBF) to prevent failures and consequent costs and inconvenience.
- (d) Running repairs upon driver complaints/ report etc.
- (e) Break down repairs on-site of Bus failures.
- (f) Towing of failed Bus to a depot workshop and repairing the bus failures.
- (g) Accidental vehicles' towing and or repairs.
- (h) Preparation of buses for periodic roadworthiness certification which includes all types of denting / painting of bus bodies / bus body items and operational functionality of chassis items and the bus as a whole.
- (i) Bus body and related items repairs / replacements etc. on the basis of periodic inspections / crew reports / general presentation aspects / operational problems reported by commuters / any other stake holders, etc.
- (j) Major repairs /calibrations of bus aggregates such as rear axle, traction motor, etc.
- (k) Replacement of failed aggregates with new / serviceable ones.
- (l) Removal, dismantling, repairing, assembling and re-fitment of tyres and rims to buses.

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, OID.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1ddb27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- (m) Repair, replacement of electrical, electronic, ITS, lighting, etc. items, subsystems etc.
- (n) Removal, replacement of items failing due to operational wear and tear, such as brake and clutch lining, etc.
- (o) Repair / replacement of seats, upholstery; cleaning, dusting and washing upholstery.
- (p) Denting / painting of buses as per requirement.
- (q) Reconditioning of Bus aggregates such as transmission, axles, steering system, electrical, etc.
- (r) Retrieval of spare parts during / for above processes.
- (s) Repair and re-treading of tyres / repair of tubes.
- (t) Major accidental repair of buses including chassis, bus body and related items.
- (u) Acquisition, storage, inventory management, distribution, scrapping and disposal of spares / items / materials / vehicles etc.
- (v) Any other activity related to operation and maintenance of buses.
- (w) Infrastructure and other requirements for repair and maintenance functions of Bus, such as:
 - (i) Bus depot duly equipped with requisite plant and equipment, machinery, tools, jigs and fixtures, etc.
 - (ii) Other facilities as under:
 - A. Washing facilities complete with washing machine, water storage and treatment facilities, etc.,
 - B. Charging infrastructure,
 - C. Service pits / ramps etc.,
 - D. Painting facilities,
 - E. Welding - electric arc and oxy-acetylene gas based,
 - F. Tyre repair facilities,
 - G. Air compressor and air inflation facilities,
 - H. Utilities, administrative, accounts, stores, and other related facilities, and
 - I. Breakdown van / recovery / towing vehicle etc.
 - J. Depot yard lighting - high mast type, search lights, etc.
 - (iii) Operator Control Centre facilities duly equipped with microprocessors, communications and other related facilities.
 - (iv) Trained staff for various trades and shifts of work.
 - (v) Documents, schedules, manuals etc. for maintenance activities; specifications of spares, etc.

SCHEDULE-J : DEPLOYMENT PLAN

(See Clause 16.5)

The Deployment Plan should include list of Operational Routes including schedule of buses, description of bus stops frequencies, headway, number of Buses to be deployed on each Route, and any other information the Authority intends to include.¹¹

Route Number	From	Via	To	Span of Operations	Number of Buses	Headway	List of Bus Stops

Additionally, the Authority is require to present detailed bus operations schedule including details such as trip start time, trip end time, trip length, staff breaks and shift changes and other details to the operator to ensure planning and installation of chargers and allied downstream charging infrastructure for the operations of the provided schedules.

¹¹ The number of Users in the Bus should not exceed 4 (four) persons during non-peak hours and 6 (six) persons during peak hours per square metre of the floor space available for use by passengers inside a Bus to ensure that the Operator can meet its KPIs accordingly.

SCHEDULE-K : SAFETY REQUIREMENTS

(See Clause 18.1)

1. General Safety Requirements

- 1.1 The Operator shall be responsible for all safety matters related to the performance of the Project and shall manage on behalf of the Authority all safety requirements related to the Bus Service in accordance with all Applicable Laws.
- 1.2 Without prejudice to the Operator's obligation to ensure all the safety aspects during the Bus Operations, the Operator shall:
 - (a) comply with Applicable Laws;
 - (b) undertake all necessary measures to ensure the safety of all the passengers, contractors, staff and the general public; and
 - (c) consult with Authority and adopt the requirements of the emergency services;

2. Safety Planning

- 2.1 The Operator shall participate in any safety and emergency planning with relevant third parties, which shall include the Authority and the emergency services which together makes a forum. This forum will consider and agree the safety related matters and safety risks associated with the Project, consult with relevant internal and external stakeholders and examine these risks in a thorough manner and plan the appropriate contingencies.

3. Safety Management

- 3.1 The Operator shall develop safety procedures for the Project and shall implement the safety procedures throughout the Contract Period.

4. Applicable Laws

- 4.1 The Operator shall, after prior consultation with the Authority, implement all alterations to the Bus Service which are required by any Applicable Laws which comes into force after the Effective Date relating to safety.
- 4.2 The Operator along with its Sub-Contractors shall comply with all the statutory requirements.

5. Response to Emergencies

- 5.1 The Operator shall react safely and quickly to emergencies in all aspects of the Project.
- 5.2 The Operator shall co-operate with relevant Fire Services, Police, and any other Government Instrumentalities wherever necessary.
- 5.3 The Operator shall develop an Emergency Management Plan that sets out its predetermined actions to providing a response to a major crisis or emergency occurring at Maintenance Depots, and en-Route Buses (the “**Emergency Management Plan**”).
- 5.4 In developing the Emergency Management Plan, the Operator shall consult with all relevant Government Instrumentalities, emergency services and local authorities.
- 5.5 All personnel designated to carry out specific responsibilities under the Emergency Management Plan are expected to know and understand the policies and procedures outlined in the Plan. The response to any major crisis or disturbance shall always be conducted within the framework of the Plan.
- 5.6 The Operator shall ensure that all staff are given clear instructions in line with the Emergency Management Plan, including training to deliver public address announcements in a way that avoids causing alarm and that instils confidence in passengers that the matter is under control.

6. Reporting of Incidents

- 6.1 The Operator shall comply with all Applicable Laws relating to the reporting of accidents, incidents, severe accidents, injuries, and dangerous occurrences. The Operator shall liaise with the Authority in relation to the reporting of any incident and the future measures to be taken to prevent the recurrence thereof.

SCHEDULE-L: MAINTENANCE DEPOTS EQUIPMENT

(See Clause 17.1)

The operator shall install the following list of equipment to ensure majority of the periodic and unscheduled maintenance activities are carried out at the maintenance depots. The equipment required to be installed at the depot must include the list of equipment provided below. The list is inclusive and not exhaustive and operator shall install additional tools/equipment to ensure maintenance activities of the bus may be undertaken at the depots.

S. No.	Equipment
1.	Washing pumps with guns Depot yard lighting – high mast type, search lights, etc.
2.	Fully automatic three brushes bus washing machine with simultaneous chassis and wheel washing arrangement and complete with waste water treatment and recycling system
3.	[Effluent Treatment Plant (ETP)] (if not already available at depot)
4.	Heavy duty vacuum cleaner
5.	Fire safety equipment set
6.	Air compressor
7.	Paint booth complete with environment control, paint drying system, etc.
8.	Lathe machine complete with general tools, jigs and fixtures
9.	Radial drilling machine
10.	Brake drum turning / re-boring machine
11.	Hydraulic press
12.	Brake efficiency assessment system
13.	Wheel alignment
14.	Head light beam aligner
15.	Grease pump (Air operated)
16.	Hand held grease pump
17.	Pedestal mounted and portable digital, with auto cut-off, tire inflation system
18.	Nitrogen tire inflation
19.	Tire - wheel rim dismantling and assembling system / tyre changer
20.	Wheel balancing equipment
21.	Auto electrical test bench

SCHEDULE-M : ESCROW AGREEMENT

(See Clause 27.1)

THIS ESCROW AGREEMENT is entered into on this the day of 20....

AMONGST

1 Limited, a company incorporated under the provisions of the Companies Act, 2013 and having its registered office at (hereinafter referred to as the “**Operator**” which expression shall, unless repugnant to the context or meaning thereof, include its successors, permitted assigns and substitutes);

~~2 (name and particulars of Lenders’ Representative) and having its registered office at acting for and on behalf of the Senior Lenders as their duly authorised agent with regard to matters arising out of or in relation to this Agreement (hereinafter referred to as the “Lenders’ Representative” which expression shall, unless repugnant to the context or meaning thereof, include its successors and substitutes);~~

32 (name and particulars of the Escrow Bank) and having its registered office at (hereinafter referred to as the “**Escrow Bank**” which expression shall, unless repugnant to the context or meaning thereof, include its successors and substitutes); and

43 The Governor of *****, represented by [**** and having its principal offices at *****) (hereinafter referred to as the “**Authority**” which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns).

WHEREAS:

(A) The Authority has entered into a Supply cum Operation and Maintenance Agreement dated with the Operator (the “**SCOM Agreement**”) for operation of Buses on build, own, operate and transfer basis (“**BOOT**”), and a copy of which is annexed hereto and marked as Annex-A to form part of this Agreement.

~~(B) Senior Lenders have agreed to finance the Project in accordance with the terms and conditions set forth in the Financing Agreements.~~

~~(C)~~(B) The SCOM Agreement requires the Operator to establish an Escrow Account, *inter alia*, on the terms and conditions stated therein.

NOW THEREFORE, in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1 DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Agreement, the following words and expressions shall, unless repugnant to the context or

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O=D.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

meaning thereof, have the meaning hereinafter respectively assigned to them:

“**Agreement**” means this Escrow Agreement and any amendment thereto made in accordance with the provisions contained herein;

“**Contract**” means the Supply cum Operation and Maintenance Agreement and annexed hereto as Annex-A, and shall include all of its Recitals and Schedules and any amendments made thereto in accordance with the provisions contained in this behalf therein;

“**Cure Period**” means the period specified in this Agreement for curing any breach or default of any provision of this Agreement by the Operator or the Authority, as the case may be and shall commence from the date on which a notice is delivered by the Authority or Operator, to the Operator or the Authority, as the case may be, with either the Operator or the Authority asking the other Party to cure the breach or default specified in such notice;

“**Escrow Account**” means an escrow account established in terms of and under this Agreement, and shall include the Sub-Accounts;

“**Escrow Default**” shall have the meaning ascribed thereto in Clause 6.1;

“**Parties**” means the parties to this Agreement collectively and “Party shall mean any of the Parties to this Agreement individually;

“**Payment Date**” means, in relation to any payment specified in Clause 4.1, the date(s) specified for such payment; and

“**Sub-Accounts**” means the respective Sub-Accounts of the Escrow Account, into which the monies specified in Clause 4.1 would be credited every month and paid out if due, and if not due in a month then appropriated proportionately in such month and retained in the respective Sub Accounts and paid out therefrom on the Payment Date(s).

1.2 Interpretation

- 1.2.1 The words and expressions beginning with capital letters and defined in this Agreement shall have the meaning ascribed thereto herein, and the words and expressions used in this Agreement and not defined herein but defined in the Contract shall, unless repugnant to the context, have the meaning ascribed thereto in the Contract.
- 1.2.2 References to Clauses are, unless stated otherwise, references to Clauses of this Agreement.
- 1.2.3 The rules of interpretation stated in Clauses 1.2, 1.3 and 1.4 of the Contract shall apply, *mutatis mutandis*, to this Agreement.

2 ESCROW ACCOUNT

2.1 Escrow Bank to act as trustee

- 2.1.1 The Authority hereby appoints the Escrow Bank to act as trustee for the Authority and the Operator in connection herewith and authorises the Escrow Bank to exercise such rights, powers, authorities and discretion as are specifically delegated to the Escrow Bank by the terms hereof together with all such

rights, powers, authorities and discretion as are reasonably incidental hereto, and the Escrow Bank accepts such appointment pursuant to the terms hereof.

- 2.1.2 The Authority hereby declares that all rights, title and interest in and to the Escrow Account shall be vested in the Escrow Bank and held in trust for the Authority and the Operator, and applied in accordance with the terms of this Agreement. No person other than the Authority and the Operator shall have any rights hereunder as the beneficiaries of, or as third party beneficiaries under this Agreement.

2.1.3 View rights to the Escrow Bank account should be provided by the Escrow Bank to all the parties signing this agreement.

2.2 Acceptance of Escrow Bank

The Escrow Bank hereby agrees to act as such and to accept all payments and other amounts to be delivered to and held by the Escrow Bank pursuant to the provisions of this Agreement. The Escrow Bank shall hold and safeguard the Escrow Account during the term of this Agreement and shall treat the amount in the Escrow Account as monies deposited by the Operator or the Authority with the Escrow Bank. In performing its functions and duties under this Agreement, the Escrow Bank shall act in trust for the benefit of, and as agent for, the Authority and the Operator or their nominees, successors or assigns, in accordance with the provisions of this Agreement.

2.3 Establishment and operation of Escrow Account

- 2.3.1 Within {insert number of days} days from the date of this Agreement, and in any case prior to the Appointed Date, the Authority shall open and establish the Escrow Account with the..... (name of Branch) Branch of the Escrow Bank. The Escrow Account shall be denominated in Rupees.
- 2.3.2 The Escrow Bank shall maintain the Escrow Account in accordance with the terms of this Agreement and its usual practices and applicable regulations and pay the maximum rate of interest payable to similar customers on the balance in the said account from time to time.
- 2.3.3 The Escrow Bank and the Authority shall, after consultation with the Operator and the Authority agree on the detailed mandates, terms and conditions, and operating procedures for the Escrow Account, but in the event of any conflict or inconsistency between this Agreement and such mandates, terms and conditions, or procedures, this Agreement shall prevail.

2.4 Escrow Bank's fee

The Escrow Bank shall be entitled to receive its fee and expenses in an amount, and at such times, as may be agreed between the Parties. Such fee and expenses shall be appropriated from the Escrow Account in accordance with Clause 4.1.

2.5 Rights of the parties

The rights of the Authority and the Operator in the monies held in the Escrow Account are set forth in their entirety in this Agreement and the Authority and the Operator shall have no other rights against or to the monies in the Escrow Account.

2.6 Substitution of the Operator

The Parties hereto acknowledge and agree that upon substitution of the Operator with the Nominated

Company, pursuant to the Substitution Agreement, it shall be deemed for the purposes of this Agreement that the Nominated Company is a Party hereto and the Nominated Company shall accordingly be deemed to have succeeded to the rights and obligations of the Operator under this Agreement on and with effect from the date of substitution of the Operator with the Nominated Company.

3 DEPOSITS INTO ESCROW ACCOUNT

3.1 Deposit by the Authority

3.1.1 The Authority agrees and undertakes that it shall deposit or cause to be deposited into and/or credit the Escrow Account with;

- (a) all Fees and taxes thereon due and payable to the Operator subject to and in accordance with Article 22;
- (b) any deposits required to be made by the Authority to maintain the Minimum Escrow Balance;
- (c) all grants, payments and financial support received by the Authority from the State Government and/or GoI in relation to the Project;
- (d) amounts towards insurance claims, if any, received;
- (e) all payments due to the Operator towards any Damages payable by the Authority under and in accordance with the terms of this Agreement;
- (f) any amounts towards Termination Payment due to the Operator;
- (g) all revenues generated and all the income accruing from the Project including but not limited to the User Fare and advertising revenue, deposits, etc. ; and
- (h) any other revenues or capital receipts from or in respect of the Project.

3.2 Interest on deposits

The Escrow Bank agrees and undertakes that all interest accruing on the balances of the Escrow Account shall be credited to the Escrow Account; provided that the Escrow Bank shall be entitled to appropriate therefrom the fee and expenses due to it from the Authority in relation to the Escrow Account and credit the balance remaining to the Escrow Account.

4 WITHDRAWALS FROM ESCROW ACCOUNT

4.1 Withdrawals during Contract Period

4.1.1 At the beginning of every month, or at such intervals as the ~~Operator~~Authority may by written instructions determine, the Escrow Bank shall withdraw amounts from the Escrow Account and appropriate them in the following order by depositing such amounts in the relevant Sub Accounts for making due payments, and if such payments are not due in any month, then retain such monies in such Sub-Accounts and pay out therefrom on the Payment Date(s):

- (a) all taxes due and payable by the Operator for and in respect of the Project;

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- (b) All Fees due and payable to the Operator subject to and in accordance with Article 22 ;
- (c) all staff expenses payable by the Authority pertaining to the manpower exclusively deployed under the SCOM Agreement;
- (d) O&M Expenses and other costs and expenses incurred by the Authority in accordance with the provisions of this Agreement, and certified by the Authority as due and payable to it;
- (e) all payments and Damages certified by the Authority as due and payable to it by the Operator; and
- (f) balance, if any, in accordance with the instructions of the Authority.

Provided that any and all payments to the Operator from the Escrow Account under this Agreement shall be first made into the account designated by the lender(s) of the Operator.

4.2 Withdrawals upon Termination

Upon Termination of the Contract, all amounts standing to the credit of the Escrow Account shall, notwithstanding anything in this Agreement, shall be appropriated in the following order:

- (a) all taxes due and payable by the Operator for and in respect of the Project;
- (b) 90% (ninety per cent) of Debt Due;
- (c) all payments and Damages certified by the Authority as due and payable to it by the Operator;
- (d) retention and payments relating to the liability for defects and deficiencies set forth in Article 37;
- (e) outstanding Debt Service including the balance of Debt Due;
- (f) incurred or accrued Fees;
- (g) any payments due and payable to the Authority;
- (h) any other payments required to be made under this Agreement; and
- (i) balance, if any, in accordance with the instructions of the Authority.

Provided that the disbursements specified in Sub-clause (i) of this Clause 4.2 shall be undertaken only after the Vesting Certificate has been issued by the Authority.

Provided further that any and all payments to the Operator from the Escrow Account under this Agreement shall be first made into the account designated by the lender(s) of the Operator.

4.3 Application of insufficient funds

Funds in the Escrow Account shall be applied in the serial order of priority set forth in Clauses 4.1. If

 User ID : mahendra.singh
 Serial No : 1628840
 PB : a.bhattacharya(Ashim Bhattacharya)
 Date : 29-12-2023

the funds available are not sufficient to meet all the requirements, the Escrow Bank shall apply such funds in the serial order of priority until exhaustion thereof.

4.4 Application of insurance proceeds

Notwithstanding anything in this Agreement, the proceeds from all insurance claims, except life and injury, shall be deposited into and/or credited to the Escrow Account and utilised for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Project, and the balance remaining, if any, shall remain deposited in the Escrow Account.

5 OBLIGATIONS OF THE ESCROW BANK

5.1 Segregation of funds

Monies and other property received by the Escrow Bank under this Agreement shall, until used or applied in accordance with this Agreement, be held by the Escrow Bank in trust for the purposes for which they were received and shall be segregated from other funds and property of the Escrow Bank.

5.2 Notification of balances

15 (fifteen) business days prior to each Payment Date (and for this purpose the Escrow Bank shall be entitled to rely on an affirmation by the Authority as to the relevant Payment Dates), the Escrow Bank shall notify the Authority of the balances and any anticipated shortfall in the Escrow Account and Sub-Accounts as at the close of business on the immediately preceding business day. In the event of any such shortfall, the Authority shall meet the same by crediting adequate sums to the Escrow Account from its own financial sources.

5.3 Communications and notices

In discharge of its duties and obligations hereunder, the Escrow Bank:

- (a) may, in the absence of bad faith or gross negligence on its part, rely as to any matters of fact which might reasonably be expected to be within the knowledge of the Authority upon a certificate signed by or on behalf of the Authority;
- (b) may, in the absence of bad faith or gross negligence on its part, rely upon the authenticity of any communication or document believed by it to be authentic;
- (c) shall, within 7 (seven) business days after receipt, deliver a copy to the Authority acting through..... (name to be specified by the Authority) of any notice or document received by the Escrow Bank (in its capacity as the Escrow Bank) from the Operator or any other person hereunder or in connection herewith; and
- (d) shall, within 7 (seven) business days after receipt, deliver a copy to the Operator of any notice or document received by the Escrow Bank (in its capacity as the Escrow Bank) from the Authority or any entity in connection herewith.

5.4 No set off

The Escrow Bank agrees not to claim or exercise any right of set off, banker's lien or other right or remedy with respect to amounts standing to the credit of the Escrow Account. For the avoidance of doubt, it is hereby acknowledged and agreed by the Escrow Bank that the monies and properties held by the Escrow Bank in the Escrow Account shall not be considered as part of the assets of the Escrow Bank and being trust property, shall in the case of bankruptcy or liquidation of the Escrow Bank, be

wholly excluded from the assets of the Escrow Bank in such bankruptcy or liquidation.

5.5 Regulatory approvals

The Escrow Bank shall use its best efforts to procure, and thereafter maintain and comply with, all regulatory approvals required for it to establish and operate the Escrow Account. The Escrow Bank represents and warrants that it is not aware of any reason why such regulatory approvals will not ordinarily be granted to the Escrow Bank.

6 ESCROW DEFAULT

6.1 Escrow Default

6.1.1 Authority Default

Following events shall constitute an event of default by the Authority (an “**Authority Escrow Default**”) unless such event of default has occurred as a result of Force Majeure or any act or omission of the Operator:

- (a) the Authority commits breach of this Agreement by failing to deposit any monies into the Escrow Account as provided herein and fails to cure such breach by depositing the same into the Escrow Account within a Cure Period of 30 (thirty) business days;
- (b) the Authority causes the Escrow Bank to transfer funds to any account of the Authority in breach of the terms of this Agreement and fails to cure such breach by depositing the relevant funds into the Escrow Account or any Sub-Account in which such transfer should have been made, within a Cure Period of 30 (thirty) business days; or
- (c) the Authority commits or causes any other breach of the provisions of this Agreement and fails to cure the same within a Cure Period of 30 (thirty) business days.

6.1.2 Operator Default

Following events shall constitute an event of default by the Operator (an “**Operator Escrow Default**”) unless such event of default has occurred as a result of Force Majeure or any act or omission of the Authority:

- (a) the Operator causes the Escrow Bank to transfer funds to any account of the Operator in breach of the terms of this Agreement and fails to cure such breach by depositing the relevant funds into the Escrow Account or any Sub-Account in which such transfer should have been made, within a Cure Period of 30 (thirty) business days; or
- (b) the Operator commits or causes any other breach of the provisions of this Agreement and fails to cure the same within a Cure Period of 30 (thirty) business days.

6.1.3 Upon occurrence of an Authority Escrow Default or Operator Escrow Default, as the case may be, the consequences thereof shall be dealt with under and in accordance with the provisions of the Contract.

7 TERMINATION OF ESCROW AGREEMENT

7.1 Duration of the Escrow Agreement

This Agreement shall unless terminated earlier by the mutual consent of the Parties or otherwise in

Date : 29-12-2023

accordance with the provisions of this Clause by written notice from the Authority and the Operator to the Escrow Bank, remain in full force and effect for the duration of the Contract.

7.2 Substitution of Escrow Bank

The Authority may after consultation with the Operator, by not less than 30 (thirty) days prior notice to the Escrow Bank, the Authority, terminate this Agreement and appoint a new Escrow Bank, provided that arrangements are made for transfer of amounts deposited in the Escrow Account to a new Escrow Account established with the successor Escrow Bank. The termination of this Agreement shall take effect only upon coming into force of an Escrow Agreement with the substitute Escrow Bank.

7.3 Closure of Escrow Account

The Escrow Bank shall, at the request of the Authority made on or after the payment by the Authority of all outstanding amounts under the Contract including the payments specified in Clause 4.2, and upon confirmation of receipt of such payments, close the Escrow Account and Sub-Accounts and pay any amount standing to the credit thereof to the Authority. Upon closure of the Escrow Account hereunder, the Escrow Agreement shall be deemed to be terminated.

8 SUPPLEMENTARY ESCROW AGREEMENT

8.1 Supplementary escrow agreement

The Authority and the Operator shall be entitled to enter into a supplementary escrow agreement with the Escrow Bank providing, inter alia, for detailed procedures and documentation for withdrawals from Sub-Accounts pursuant to Clause 4.1.1 and for matters not covered under this Agreement such as the restrictions on withdrawals by the Operator or the Authority in the event of breach of this Agreement or upon occurrence of an Escrow Default, procedures relating to operation of the Escrow Account and withdrawal therefrom, reporting requirements and any matters incidental thereto; provided that such supplementary escrow agreement shall not contain any provision which is inconsistent with this Agreement and in the event of any conflict or inconsistency between provisions of this Agreement and such supplementary escrow agreement, the provisions of this Agreement shall prevail.

9 INDEMNITY

9.1 General indemnity

9.1.1 The Authority will indemnify, defend and hold the Operator and Escrow Bank, harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of any breach by the Authority of any of its obligations under this Agreement or on account of failure of the Authority to comply with Applicable Laws and Applicable Permits.

9.1.2 The Operator will indemnify, defend and hold the Authority harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Operator to fulfil any of its obligations under this Agreement materially and adversely affecting the performance of the Authority's obligations under the Contract.

9.1.3 The Escrow Bank will indemnify, defend and hold the Authority harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Escrow Bank to fulfil its obligations under this Agreement materially and adversely affecting the

performance of the Authority's obligations under the Contract other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Escrow Bank, its officers, servants and agents.

9.2 Notice and contest of claims

In the event that any Party hereto receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under Clause 9.1 or in respect of which it is entitled to reimbursement (the "**Indemnified Party**"), it shall notify the other Party responsible for indemnifying such claim hereunder (the "**Indemnifying Party**") within 7 (seven) days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim, it may conduct the proceedings in the name of the Indemnified Party and shall bear all costs involved in contesting the same. The Indemnified Party shall provide all cooperation and assistance in contesting any claim and shall sign all such writings and documents as the Indemnifying Party may reasonably require.

10 DISPUTE RESOLUTION

10.1 Dispute resolution

10.1.1 Any dispute, difference or claim arising out of or in connection with this Agreement, which is not resolved amicably, shall be decided finally by reference to arbitration to a Board of Arbitrators comprising one nominee of each Party to the dispute, and where the number of such nominees is an even number, the nominees shall elect another person to such Board. Such arbitration shall be held in accordance with the Rules of Arbitration of the International Centre for Alternative Dispute Resolution, New Delhi (the "Rules") or such other rules as may be mutually agreed by the Parties, and shall be subject to the provisions of the Arbitration and Conciliation Act, 1996.

10.1.2 The Arbitrators shall issue a reasoned award and such award shall be final and binding on the Parties. The venue of arbitration shall be..... (name of the city) and the language of arbitration shall be English.

11 MISCELLANEOUS PROVISIONS

11.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the Courts at..... shall have jurisdiction over all matters arising out of or relating to this Agreement.

11.2 Waiver of sovereign immunity

The Authority unconditionally and irrevocably:

- (a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;
- (b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Authority with respect to its assets;

- (c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and
- (d) consents generally in respect of the enforcement of any judgement or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgement that may be made or given in connection therewith).

11.3 Priority of agreements

In the event of any conflict between the Contract and this Agreement, the provisions contained in the Contract shall prevail over this Agreement.

11.4 Alteration of terms

All additions, amendments, modifications and variations to this Agreement shall be effectual and binding only if in writing and signed by the duly authorised representatives of the Parties.

11.5 Waiver

11.5.1 Waiver by any Party of a default by another Party in the observance and performance of any provision of or obligations under this Agreement:

- (a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;
- (b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and
- (c) shall not affect the validity or enforceability of this Agreement in any manner.

11.5.2 Neither the failure by any Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by any Party to another Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

11.6 No third party beneficiaries

This Agreement is solely for the benefit of the Parties and no other person or entity shall have any rights hereunder.

11.7 Survival

11.7.1 Termination of this Agreement:

- (a) shall not relieve the Parties of any obligations hereunder which expressly or by implication survive termination hereof; and
- (b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, shall not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

 User ID : mahendra.singh
 Serial No : 1628840
 PB : a.bhattacharya(Ashim Bhattacharya)
 Date : 29-12-2023

11.7.2 All obligations surviving the cancellation, expiration or termination of this Agreement shall only survive for a period of 3 (three) years following the date of such termination or expiry of this Agreement.

11.8 Severability

If for any reason whatever any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to Dispute Resolution under Clause 10.1 of this Agreement or otherwise.

11.9 Successors and assigns

This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

11.10 Notices

All notices or other communications to be given or made under this Agreement shall be in writing and shall either be delivered personally or sent by courier or registered post with an additional copy to be sent by facsimile or e-mail. The addresses for service of each Party, its facsimile number or e-mail, are set out under its name on the signing pages hereto. A notice shall be effective upon actual receipt thereof, save that where it is received after 5.30 (five thirty) p.m. on a business day, or on a day that is not a business day, the notice shall be deemed to be received on the first business day following the date of actual receipt. Without prejudice to the foregoing, a Party giving or making a notice or communication by facsimile or e-mail shall promptly deliver a copy thereof personally or send it by courier or registered post to the addressee of such notice or communication. It is hereby agreed and acknowledged that any Party may by notice change the address to which such notices and communications to it are to be delivered or mailed. Such change shall be effective when all the Parties have notice of it.

11.11 Language

All notices, certificates, correspondence and proceedings under or in connection with this Agreement shall be in English.

11.12 Authorised representatives

Each of the Parties shall, by notice in writing, designate their respective authorised representatives through whom only all communications shall be made. A Party hereto shall be entitled to remove and/or substitute or make fresh appointment of such authorised representative by similar notice.

11.13 Original Document

This Agreement may be executed in three counterparts, each of which when executed and delivered shall constitute an original of this Agreement

SCHEDULE-N : STAFFING QUALIFICATIONS

(See Clause 5.5)

1. Drivers:

The Operator to ensure that the driver complies with the following conditions:

- (a) Must be a holder of a valid driving license in accordance with Applicable Laws for at least [•] years preceding the date of employment; (the Operator to submit copies of the licenses of all such drivers appointed by it to the Authority for its record);
- (b) Should possess minimum [eight standard qualifications] and any other educational/ other requirements such as Public Service Vehicle (PSV) badge as prescribed under Applicable Law;
- (c) Should possess minimum [•] years' experience of driving heavy transport vehicles in India;
- (d) Should not have been blacklisted from operation of a heavy commercial vehicle and or a transport vehicle;
- (e) Should not have any pending cases related to fatal accidents or traffic fines due or have his license suspended at any time during the last [•] years preceding Effective Date; and
- (f) Should meet all requirements specified under Applicable Laws including without limitation, the Central Motor Vehicle Rules, 1989.

SCHEDULE-O : VESTING CERTIFICATE

(See Clause 33.5)

1. The (the “**Authority**”) refers to the Contract dated*** (the “**Contract**”) entered into between the Authority and (the “**Operator**”) for(hereinafter called the ‘Project’).
2. The Authority hereby acknowledges compliance and fulfilment by the Operator of the handback requirements set forth in Article 33 of the Contract on the basis that upon issue of this Vesting Certificate, the Authority shall be deemed to have acquired, and all title and interest of the Operator in or about the Project shall be deemed to have vested unto the Authority, free from any encumbrances, charges and liens whatsoever.
3. Notwithstanding anything to the contrary contained hereinabove, it shall be a condition of this Vesting Certificate that nothing contained herein shall be construed or interpreted as waiving the obligation of the Operator to rectify and remedy any defect or deficiency in any of the handback requirements and/or relieving the Operator in any manner of the same.

SCHEDULE-P: INTELLIGENT TRANSPORT SYSTEM

(See Clause 19.7)

1. On Board Devices

In compliance with the obligations set forth in Clause 19.7 of this Agreement, the Operator shall install the on-board devices on each bus in accordance with the specifications listed in Annex 1 of this Schedule-P.

2. ITS- Requirements for Public Transport Vehicle Operations

In compliance with the obligations set forth in Clause 19.7 of this Agreement, the Operator shall install the data monitoring system comprising of all equipment and services listed in Annex 2 of this Schedule-P.

3. Parameters and Data standards

In compliance with the obligations set forth in Clause 19.7 of this Agreement, the Operator shall adhere to the list of standards in Annex 3 of this Schedule-P.

4. Communication between ITS Equipment and ITMS Cloud

In compliance with the obligations set forth in Clause 19.7 of this Agreement, the Operator shall adhere to the communication guidelines specified in Annexure 3 of Volume 3 (Technical specifications).

Date : 29-12-2023

Annex – 1 On Board Devices

- i. The Bidder shall procure buses as defined by the Authority which shall also include various but not limited to ITS System as defined by UBS II, AIS 140 Specifications and any amendments issued thereof. Some of the equipment's and their quantities are listed below:

Sr. No	Type of Equipment	12m/9m/7m (Qty)	Remarks
1	Passenger Display Boards	[4/4/3/4]	
2	Speaker	2	
3	Amplifier	1	
4	Single Control Unit (SCU) / On Board Unit (OBU)	1	
5	Driver Display Unit (DDU)	1	
6	CCTV with MDVR	[4/4/3/4]	Internal and External with minimum <u>715</u> days backup storage
7	Panic Button	<u>Each row of the seat</u>	As per AIS 140 Specifications
8	Camera based Automatic Passenger Counters (APC)	[2/2/1/2]	At each door

- ii. The ITS equipment installed in the buses should provide location accuracy up to 5 meters.
- iii. The equipment of the ITS shall be integrated to each other and the CAN Bus for transmitting all the bus data, vehicle tracking data and any other data as required by the Authority. The Cost of such integration should be the responsibility of the Operator.
- iv. The Authority shall provide all the information related to route and Passenger Information System (PIS) to the Operator.
- v. The camera based passenger counter shall be integrated to the ITS at the time of prototype approval, or delivery of the bus or as a date mutually agreed with the Authority.
- vi. Security Camera Network (CCTVs) and display screen should meet the specification for IP based cameras and mNVR as per Detailed specification document for CCTV devices as per UBS II and AIS 153, 16833:2018 CCTV system with integrated emergency System (with minimum 2-megapixel camera, SSD hard disc, 4G/5G, Wifi for data transfer).
- vii. Rear View Camera System to display the zone behind the vehicle shall be provided along with display on or near dash board. The Reverse Parking Alert System (RPAS) shall comply with provisions of AIS 145. The indirect vision system shall get activated upon engagement of reverse gear. RPAS should give audio warning on reaching the critical distance available for reverse parking.
- viii. ITS shall send data directly to Centralized ITMS server as per the communication protocol, data standard and message Architecture provided in Clause 3
- ix. Data from OEM server can also be accessed by Centralized ITMS server through API Integration as and when needed.

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN

Date : 29-12-2023

Annex – 2

ITS- Requirements for Public Transport Vehicle Operations (to be updated)

- i. The bidder shall procure buses in compliance with AIS-140: Intelligent Transportation Systems (ITS) – Requirements for Public Transport vehicle operation and set up data monitoring systems for on board ITS: Vehicle Location Tracking, Camera Surveillance System and Emergency Request Button. The bidder shall set up systems for monitoring operations and managing incidents.
- ii. The bidder shall share real time data from on-board devices using standard communications protocols defined by AIS 140 with the AuthorityCentral ITMS. The bidder shall give the Authority access to real time raw data feed from buses and support the Authority in integrating feed from the buses procured under the concession to centralized Intelligent Transit Management Systems (ITMS) to ensure monitoring of services and KPIs set out under Article 20 of the agreement.

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, OID.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

Annex - 3

List of parameters and data standard

The bidder shall share vehicle health monitoring and diagnostics (VHMD) parameters through the bus CAN data on a real time basis with the ~~Authority~~**Central ITMS**. The list of CAN data parameters shall be shared over and above the vehicle location data through the on-board telematics system.

Electric bus (eBus) performance and safety are directly linked with the battery performance. The usage of eBus battery under sub-optimal conditions can directly influence the performance as well as life of the battery. Analysis of the impact of different stress factors (Battery temperature, C-rate, DOD, and SOC) on the battery can help in getting more insights into the degradation mechanism and battery aging (i.e. Calendar and Cyclic aging). Monitoring and analysis of some of the battery parameters during eBus operation is important to ensure optimal battery life and eBus performance along with a high level of safety. As the Battery Management System (BMS) of the eBus battery monitors all the critical parameters of the battery during eBus operation, the availability of these data with the Authority will help in better planning of eBus operation and charging strategies and ensure safety of operations.

The following CAN parameters should be integrated to the on board IoT device/ITS and capable of transmitting data at a frequency of 30 sec (which may be changed based on requirement of the Centralized ITMS platform) to the centralized ITMS server.

1.	Timestamp
2.	Odometer reading
3.	Vehicle Status
4.	SoC (State of Charge)
5.	SoH (State of Health)
6.	Speed
7.	Acceleration
8.	Voltage (pack and cell level)
9.	Current (pack and cell level)
10.	Power
10 11.	Charger Current
11 12.	Charger Voltage
12 13.	Ambient temperature
13 14.	<u>Battery</u> Cell temperature
14 15.	Motor temperature
15 16.	BMS error
17.	<u>Coolant Temperature</u>

The Operator shall provide for communication of additional parameters (if any) as per the requirement of the Centralized ITMS platform.

SCHEDULE-Q : SUBSTITUTION AGREEMENT

(See Clause 35.4)

THIS SUBSTITUTION AGREEMENT is entered into on this the day of 20....

AMONGST

- 1 The Governor of *****, represented by [• and having its principal offices at *****) (hereinafter referred to as the “**Authority**” which expression shall unless repugnant to the context or meaning thereof include its administrators, successors and assigns);
- 2 [..... Limited], a company incorporated under the provisions of the Companies Act, 2013 and having its registered office at, (hereinafter referred to as the “**Operator**” which expression shall unless repugnant to the context or meaning thereof include its successors and permitted assigns and substitutes); AND
- 3 (name and particulars of Lenders’ Representative) and having its registered office at, acting for and on behalf of the Senior Lenders as their duly authorised agent with regard to matters arising out of or in relation to this Agreement (hereinafter referred to as the “**Lenders’ Representative**”, which expression shall unless repugnant to the context or meaning thereof include its successors and substitutes).

WHEREAS:

- (A) The Authority has entered into a Supply cum Operation and Maintenance Agreement dated with the Operator (the “**SCOM Agreement**”) for eBuses in the State on build, own, operate and transfer basis (“**BOOT**”), and a copy of which is annexed hereto and marked as Annex-A to form part of this Agreement.
- (B) Senior Lenders have agreed to finance the Project in accordance with the terms and conditions set forth in the Financing Agreements.
- (C) Senior Lenders have requested the Authority to enter into this Substitution Agreement for securing their interests through assignment, transfer and substitution of the Contract to a Nominated Company in accordance with the provisions of this Agreement and the SCOM Agreement.
- (D) In order to enable implementation of the Project including its financing, construction, operation and maintenance, the Authority has agreed and undertaken to transfer and assign the Contract to a Nominated Company in accordance with the terms and conditions set forth in this Agreement and the SCOM Agreement.

Date : 29-12-2023

NOW, THEREFORE, in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1 DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Substitution Agreement, the following words and expressions shall, unless repugnant to the context or meaning thereof, have the meaning hereinafter respectively assigned to them:

“Agreement” means this Substitution Agreement and any amendment thereto made in accordance with the provisions contained in this Agreement;

“Financial Default” means occurrence of a material breach of the terms and conditions of the Financing Agreements or a continuous default in Debt Service by the Operator for a minimum period of 3 (three) months;

“Lenders’ Representative” means the person referred to as the Lenders’ Representative in the foregoing Recitals;

“Nominated Company” means a company, incorporated under the provisions of the Companies Act, 1956, or the Companies Act, 2013, as the case may be, selected by the Lenders’ Representative, on behalf of Senior Lenders, and proposed to the Authority for assignment/transfer of the Contract as provided in this Agreement;

“Notice of Financial Default” shall have the meaning ascribed thereto in Clause 3.2.1; and

“Parties” means the parties to this Agreement collectively and **“Party”** shall mean any of the Parties to this Agreement individually.

1.2 Interpretation

1.2.1 References to Lenders’ Representative shall, unless repugnant to the context or meaning thereof, mean references to the Lenders’ Representative, acting for and on behalf of Senior Lenders.

1.2.2 References to Clauses are, unless stated otherwise, references to Clauses of this Agreement.

1.2.3 The words and expressions beginning with capital letters and defined in this Agreement shall have the meaning ascribed thereto herein, and the words and expressions used in this Agreement and not defined herein but defined in the SCOM Agreement shall, unless repugnant to the context, have the meaning ascribed thereto in the SCOM Agreement.

1.2.4 The rules of interpretation stated in Clauses 1.2, 1.3 and 1.4 of the SCOM Agreement shall apply, *mutatis mutandis*, to this Agreement.

2 ASSIGNMENT

2.1 Assignment of rights and title

The Operator hereby agrees to assign the rights, title and interest in the Contract to, and in favour of,

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O=D.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN

Date : 29-12-2023

the Lenders' Representative pursuant to and in accordance with the provisions of this Agreement and the SCOM Agreement by way of security in respect of financing by the Senior Lenders under the Financing Agreements.

3 SUBSTITUTION OF THE OPERATOR

3.1 Rights of substitution

3.1.1 Pursuant to the rights, title and interest assigned under Clause 2.1, the Lenders' Representative shall be entitled to substitute the Operator by a Nominated Company under and in accordance with the provisions of this Agreement and the SCOM Agreement.

3.1.2 The Authority hereby agrees to substitute the Operator by endorsement on the SCOM Agreement in favour of the Nominated Company selected by the Lenders' Representative in accordance with this Agreement. (For the avoidance of doubt, the Senior Lenders or the Lenders' Representative shall not be entitled to operate and maintain the Project as Operator either individually or collectively).

3.2 Substitution upon occurrence of Financial Default

3.2.1 Upon occurrence of a Financial Default, the Lenders' Representative may issue a notice to the Operator (the "Notice of Financial Default") along with particulars thereof and send a copy to the Authority for its information and record. A Notice of Financial Default under this Clause 3 shall be conclusive evidence of such Financial Default and it shall be final and binding upon the Operator for the purposes of this Agreement.

3.2.2 Upon issue of a Notice of Financial Default hereunder, the Lenders' Representative may, without prejudice to any of its rights or remedies under this Agreement or the Financing Agreements, substitute the Operator by a Nominated Company in accordance with the provisions of this Agreement.

3.2.3 At any time after the Lenders' Representative has issued a Notice of Financial Default, it may by notice require the Authority to suspend all the rights of the Operator and undertake the operation and maintenance of the Project in accordance with the provisions of Article 16 and 17 of the SCOM Agreement, and upon receipt of such notice, the Authority shall undertake Suspension under and in accordance with the provisions of the SCOM Agreement. The aforesaid Suspension shall be revoked upon substitution of the Operator by a Nominated Company, and in the event such substitution is not completed within 180 (one hundred and eighty) days from the date of such Suspension, the Authority may terminate the SCOM Agreement forthwith by issuing a Termination Notice in accordance with the provisions of the SCOM Agreement; provided that upon written request from the Lenders' Representative and the Operator, the Authority may extend the aforesaid period of 180 (one hundred and eighty) days by a period not exceeding 90 (ninety) days. For the avoidance of doubt, the Authority expressly agrees and undertakes to terminate the SCOM Agreement forthwith, upon receipt of a written request from the Lenders' Representative at any time after 240 (two hundred and forty) days from the date of Suspension hereunder.

3.3 Substitution upon occurrence of Operator Default

3.3.1 Upon occurrence of an Operator Default, the Authority shall by a notice inform the Lenders' Representative of its intention to issue a Termination Notice and grant 15 (fifteen) days time to the Lenders' Representative to make a representation, stating the intention to substitute the Operator by a Nominated Company.

Signature :-

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- 3.3.2 In the event that the Lenders' Representative makes a representation to the Authority within the period of 15 (fifteen) days specified in Clause 3.3.1, stating that it intends to substitute the Operator by a Nominated Company, the Lenders' Representative shall be entitled to undertake and complete the substitution of the Operator by a Nominated Company in accordance with the provisions of this Agreement within a period of 180 (one hundred and eighty) days from the date of such representation, and the Authority shall either withhold Termination or undertake Suspension for the aforesaid period of 180 (one hundred and eighty) days; provided that upon written request from the Lenders' Representative and the Operator, the Authority shall extend the aforesaid period of 180 (one hundred and eighty) days by a period not exceeding 90 (ninety) days.

3.4 Procedure for substitution

- 3.4.1 The Authority and the Operator hereby agree that on or after the date of Notice of Financial Default or the date of representation to the Authority under Clause 3.3.2, as the case may be, the Lenders' Representative may, without prejudice to any of the other rights or remedies of the Senior Lenders, invite, negotiate and procure offers, either by private negotiations or public auction or tenders for the take over and transfer of the Project including the Contract to the Nominated Company upon such Nominated Company's assumption of the liabilities and obligations of the Operator towards the Authority under the SCOM Agreement and towards the Senior Lenders under the Financing Agreements.
- 3.4.2 To be eligible for substitution in place of the Operator, the Nominated Company shall be required to fulfil the eligibility criteria that were laid down by the Authority for shortlisting the bidders for award of the Contract; provided that the Lenders' Representative may represent to the Authority that all or any of such criteria may be waived in the interest of the Project, and if the Authority determines that such waiver shall not have any material adverse effect on the Project, it may waive all or any of such eligibility criteria.
- 3.4.3 Upon selection of a Nominated Company, the Lenders' Representative shall request the Authority to:
- (a) accede to transfer to the Nominated Company the right to construct, operate and maintain the Project in accordance with the provisions of the SCOM Agreement;
 - (b) endorse and transfer the Contract to the Nominated Company, on the same terms and conditions, for the residual Contract Period; and
 - (c) enter into a Substitution Agreement with the Lenders' Representative and the Nominated Company on the same terms as are contained in this Agreement.
- 3.4.4 If the Authority has any objection to the transfer of Contract in favour of the Nominated Company in accordance with this Agreement, it shall within 15 (fifteen) days from the date of proposal made by the Lenders' Representative, give a reasoned order after hearing the Lenders' Representative. If no such objection is raised by the Authority, the Nominated Company shall be deemed to have been accepted. The Authority thereupon shall transfer and endorse the Contract within 15 (fifteen) days of its acceptance/deemed acceptance of the Nominated Company; provided that in the event of such objection by the Authority, the Lenders' Representative may propose another Nominated Company whereupon the procedure set forth in this Clause 3.4 shall be followed for substitution of such Nominated Company in place of the Operator.

3.5 Selection to be binding

The decision of the Lenders' Representative and the Authority in selection of the Nominated

Company shall be final and binding on the Operator. The Operator irrevocably agrees and waives any right to challenge the actions of the Lenders' Representative or the Senior Lenders or the Authority taken pursuant to this Agreement including the transfer/assignment of the Contract in favour of the Nominated Company. The Operator agrees and confirms that it shall not have any right to seek revaluation of assets of the Project or the Operator's shares. It is hereby acknowledged by the Parties that the rights of the Lenders' Representative are irrevocable and shall not be contested in any proceedings before any court or Authority and the Operator shall have no right or remedy to prevent, obstruct or restrain the Authority or the Lenders' Representative from effecting or causing the transfer by substitution and endorsement of the Contract as requested by the Lenders' Representative.

4 PROJECT AGREEMENTS

4.1 Substitution of Nominated Company in Project Agreements

The Operator shall ensure and procure that each Project Agreement contains provisions that entitle the Nominated Company to step into such Project Agreement, in its discretion, in place and substitution of the Operator in the event of such Nominated Company's assumption of the liabilities and obligations of the Operator under the SCOM Agreement.

5 TERMINATION OF SCOM AGREEMENT

5.1 Termination upon occurrence of Financial Default

At any time after issue of a Notice of Financial Default, the Lenders' Representative may by a notice in writing require the Authority to terminate the SCOM Agreement forthwith, and upon receipt of such notice, the Authority shall undertake Termination under and in accordance with the provisions of Article 32 of the SCOM Agreement.

5.2 Termination when no Nominated Company is selected

In the event that no Nominated Company acceptable to the Authority is selected and recommended by the Lenders' Representative within the period of 180 (one hundred and eighty) days or any extension thereof as set forth in Clause 3.3.2, the Authority may terminate the SCOM Agreement forthwith in accordance with the provisions thereof.

5.3 Realisation of Debt Due

The Authority and the Operator hereby acknowledge and agree that, without prejudice to their any other right or remedy, the Lenders' Representative is entitled to receive from the Operator, without any further reference to or consent of the Operator, the Debt Due upon Termination of the SCOM Agreement. For realisation of the Debt Due, the Lenders' Representative shall be entitled to make its claim from the Escrow Account in accordance with the provisions of the SCOM Agreement and the Escrow Agreement.

6 DURATION OF THE AGREEMENT

6.1 Duration of the Agreement

This Agreement shall come into force from the date hereof and shall expire at the earliest to occur of

the following events:

- (a) Termination of the Agreement; or
- (b) no sum remains to be advanced and no sum is outstanding to the Senior Lenders, under the Financing Agreements.

7 INDEMNITY

7.1 General indemnity

- 7.1.1 The Operator will indemnify, defend and hold the Authority and the Lenders' Representative harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense of whatever kind and nature arising out of any breach by the Operator of any of its obligations under this Agreement or on account of failure of the Operator to comply with Applicable Laws and Applicable Permits.
- 7.1.2 The Authority will indemnify, defend and hold the Operator harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Authority to fulfil any of its obligations under this Agreement, materially and adversely affecting the performance of the Operator's obligations under the SCOM Agreement or this Agreement, other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Authority, its officers, servants and agents.
- 7.1.3 The Lenders' Representative will indemnify, defend and hold the Operator harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Lenders' Representative to fulfil its obligations under this Agreement, materially and adversely affecting the performance of the Operator's obligations under the SCOM Agreement, other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Lenders' Representative, its officers, servants and agents.

7.2 Notice and contest of claims

In the event that any Party hereto receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under Clause 7.1 or in respect of which it is entitled to reimbursement (the "**Indemnified Party**"), it shall notify the other Party responsible for indemnifying such claim hereunder (the "**Indemnifying Party**") within 15 (fifteen) days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, such approval not to be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim, it may conduct the proceedings in the name of the Indemnified Party and shall bear all costs involved in contesting the same. The Indemnified Party shall provide all cooperation and assistance in contesting any claim and shall sign all such writings and documents as the Indemnifying Party may reasonably require.

8 DISPUTE RESOLUTION

8.1 Dispute resolution

- 8.1.1 Any dispute, difference or claim arising out of or in connection with this Agreement which is not resolved amicably shall be decided by reference to arbitration to a Board of Arbitrators comprising one nominee each of the Authority, Operator and the Lenders' Representative. Such arbitration shall be held in accordance with the Rules of Arbitration of the International Centre for Alternative Dispute Resolution, New Delhi (the "**Rules**") or such other rules as may be

mutually agreed by the Parties, and shall be subject to provisions of the Arbitration and Conciliation Act, 1996.

- 8.1.2 The Arbitrators shall issue a reasoned award and such award shall be final and binding on the Parties. The venue of arbitration shall be *** and the language of arbitration shall be English.

9 MISCELLANEOUS PROVISIONS

9.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the Courts at *** shall have jurisdiction over all matters arising out of or relating to this Agreement.

9.2 Waiver of sovereign immunity

The Authority unconditionally and irrevocably:

- (a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;
- (b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Authority with respect to its assets;
- (c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and
- (d) consents generally in respect of the enforcement of any judgement or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgement that may be made or given in connection therewith).

9.3 Priority of agreements

In the event of any conflict between the SCOM Agreement and this Agreement, the provisions contained in the SCOM Agreement shall prevail over this Agreement.

9.4 Alteration of terms

All additions, amendments, modifications and variations to this Agreement shall be effectual and binding only if in writing and signed by the duly authorised representatives of the Parties.

9.5 Waiver

- 9.5.1 Waiver by any Party of a default by another Party in the observance and performance of any provision of or obligations under this Agreement:

- (a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;
- (b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and
- (c) shall not affect the validity or enforceability of this Agreement in any manner.

Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

- 9.5.2 Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by a Party to another Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

9.6 No third party beneficiaries

This Agreement is solely for the benefit of the Parties and no other person or entity shall have any rights hereunder.

9.7 Survival

9.7.1 Termination of this Agreement:

- (a) shall not relieve the Parties of any obligations hereunder which expressly or by implication survive termination hereof; and
- (b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, shall not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of or caused by acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

- 9.7.2 All obligations surviving the cancellation, expiration or termination of this Agreement shall only survive for a period of 3 (three) years following the date of such termination or expiry of this Agreement.

9.8 Severability

If for any reason whatever any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to Dispute Resolution under Clause 8 of this Agreement or otherwise.

9.9 Successors and assigns

This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

9.10 Notices

All notices or other communications to be given or made under this Agreement shall be in writing, shall either be delivered personally or sent by courier or registered post with an additional copy to be sent by facsimile or e-mail. The address for service of each Party, its facsimile number and e-mail address are set out under its name on the signing pages hereto. A notice shall be effective upon actual receipt thereof, save that where it is received after 5.30 (five thirty) p.m. on any day, or on a day that is a public holiday, the notice shall be deemed to be received on the first working day following the date of actual receipt. Without prejudice to the foregoing, a Party giving or making a notice or communication by facsimile or e-mail shall promptly deliver a copy thereof personally or send it by

It is hereby agreed and acknowledged that any Party may by notice change the address to which such notices and communications to it are to be delivered or mailed. Such change shall be effective when all the Parties have notice of it.

9.11 Language

All notices, certificates, correspondence and proceedings under or in connection with this Agreement shall be in English.

9.12 Authorised representatives

Each of the Parties shall by notice in writing designate their respective authorised representatives through whom only all communications shall be made. A Party hereto shall be entitled to remove and/or substitute or make fresh appointment of such authorised representative by similar notice.

9.13 Original Document

This Agreement may be executed in three counterparts, each of which when executed and delivered shall constitute an original of this Agreement.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

THE COMMON SEAL OF OPERATOR has been affixed pursuant to the resolution passed by the Board of Directors of the Operator at its meeting held on the day of 20..... hereunto affixed in the presence of, Director, who has signed these presents in token thereof and, Company Secretary / Authorised Officer who has countersigned the same in token thereof [§]:

SCHEDULE-S : OPERATIONAL INFRACTIONS

(See Clause 20.8)

A. Lost Kilometers

For any missed Trip or Trip not completed, deductions shall be made in the following manner:

Sr. No.	Extent to which a Trip is missed	Deductions
1	A Trip, which either does not commence or does not complete even 25% of the kilometers for the Trip.	100% of the payment payable for the trip will be applied as performance deductions for the round trip. In addition, payment for the lost kilometers of the round trip, shall not be payable.
2	A Trip, which has completed more than 25% but less than 60% of the kilometers for the Trip.	75% of the payment payable for the kilometres for the trip will be applied as performance deductions for the round trip. In addition, payment for the lost kilometers of the round trip, shall not be payable.
3	A Trip, which has completed more than 60% but has not completed 100% kilometers for the Trip.	50% of the payment payable for the kilometres of the trip will be applied as performance deductions for the round trip. In addition, payment for the lost kilometers of the round trip, shall not be payable.

“LOST KILOMETERAGE CLASSIFICATION & CAUSES - DEDUCTIBLE AND NON-DEDUCTIBLE

1. Staff (Deductible)

In service kilometres not operated due to Operator staff causes may include (but is not limited to):

- Insufficient staff to cover the service including shortage, sickness or absence, industrial action etc.
- Sickness on duty (part loss).
- Suspension of driver (with-out replacement).

2. Mechanical (Deductible)

In service kilometers not operated due to mechanical causes may include

Data availability for every fleet below 98% (ninety eight percent) in any month 1% (one percent) of the Monthly Fees shall be deducted. This infraction will be considered in un-capped category.

4. Other Deductibles

In service kilometers not operated due to something over which the Operator has an element of control but which is not covered by staff or mechanical causes may include (but is not limited to):

- Staff error or unauthorized curtailments by staff.
- A bus blocked in the garage and unable to depart on time.
- A bus running got discharged en-route.
- Where a bus in service has to be withdrawn due to a defective PIS / GPS.
- Where the reason for the lost Kilometers is unknown or is in doubt.

5. Traffic (Non-Deductibles)

- In service kilometers not operated due to traffic causes may include (but is not limited to) Curtailments or lost journeys arising from the effect of traffic congestion whatever the cause.
- Losses arising from conductor (STU staff) being late in reaching changeover points must not be included.
- Losses arising from road traffic accidents involving the Operator's vehicle, when there is no fault

of operator's driver.

6. Other Non-Deductibles

In service kilometers not operated due to something beyond the Operator's reasonable control but which is not covered by traffic causes may include (but is not limited to):

a) Incidents

Any kilometers losses resulting from incidents reportable to STU.

In case of strike / Bandh if bus and driver are available for duty but bus could not be operated.

Non-deductible losses apply only to the day the incident occurred and should not exceed the remainder of the duty in question unless exceptional circumstances are explained. For road traffic accidents or vandalism whilst in service it must be demonstrated that action was taken as quickly as possible to render the vehicle(s) fit for service. Evidence must be readily available to show the number of vehicles affected, incident times, the extent of the damage, engineers action etc.

b) Disasters

Where a major occurrence requires a fundamental change to the planned operation, for example accidents or explosions.

Losses arising from traffic congestion caused by these events will be classified as non deductible.

c) Road Closed/Blocked

Where vehicles are 'turned back' or prevented from completing part of the route, for example security alerts, floods, diversions or roads blocked.

Losses arising from traffic congestion caused by these events should be classified as non deductible.

Other Infractions

An Incidence of sub-optimal performance and/or non-compliance of Specifications and standards shall be referred to as an "Infraction". The deduction for each Infraction shall be made in terms of the table set out below.

Infractions:

An Incidence of sub-optimal performance and/or non-compliance of Specifications and standards shall be referred to as an "Infraction". The deduction for each Infraction shall be made in terms of the table set out below:

Sr. No.	Category of Infraction	Reference Table for Infraction in Annexure	Amount for Each Infraction for calculating Performance Claim/ Deduction (in Rupees)	Time to Resolve for next higher slab in terms of Clause ...of this Schedule (Bus related infraction)
1	A	Table A	100/-	One day
2	B	Table B	500/-	Two days
3	C	Table C	1,000/-	Three Days
4	D	Table D	1,500/-	Three Days
5	E	Table E	3,000/-	One day
6	F	Table F	10,000/-	One day
7	G	Table G	50,000/- + Actual expenses to be borne by the operator.	One day
8	H	Table H		

Note: Performance Deduction/Claim amount shall be applied even during time to resolve the infraction (Period indicated as in above table).

Infractions can be identified by STU, a nominated person, on visual checking, electro-mechanical reviews, reports from STU/passenger feedback and data from the Central Data Base of STU.

STU shall have access to Operator's facilities in order to check such Infractions on a regular basis either through visits to the workshops and garages commonly used by the Operator, or bus inspections at terminal points along the route during service hours.

The Operator may note that the formats provided in category wise Infractions given in tables A, B, C, D, E, F, and G are typical, but are subject to revision from time to time based on actual information, logistics and monitoring requirements.

In case of non-rectification of infraction within stipulated time to resolve, any subsequent repetition shall attract penalty of next higher slab with a ceiling of Rs. 3,000 per infraction, for category A, B, C, D & E. Thereafter, it will be binding on the Operator not to operate the vehicle till rectification of the bus related to infractions.

Total infractions of all buses, mentioned in tables A, B, C, D except Safety items shall be capped to 5 % of the total monthly due payments.

All other infractions (of Safety category) mentioned in tables A, B, C and D & all infractions mention in tables E, F, and G shall be non-capped.

The fine and penalties for Traffic offences shall be paid by the operator to Traffic police / RTO and any other authority within stipulated period.

If ITS equipments found switched off or not operated, then payment for that trip will not made.

CATEGORY WISE LIST OF INFRACTION

Table A : Category “A” Infraction

Sr. no.	Description of the infraction
Safety	
1	Damaged/Missing window safety guard rails.
2	Loose electrical wiring/ tampering with electrical wiring harness.
3	Lack of specified fire extinguishers, empty or partially empty fire extinguishers that are beyond the date of expiry, or do not specify the expiry date.
4	Damaged floor, steps, hatches, or hatch covers inside the bus.
5	Missing damaged, or loosely hanging rub rails, hand grab rails, and hand holds.
6	Missing, broken, or loosely hanging, seat belts if provided
7	LED board defective (per board)
8	Missing/ non operative, or blackened saloon lights, indicator lights, wiper system, wiper blades, prescribed horn and any indicating instruments (per item)
9	Fixing any additional lights, gadgets, guards, fixtures, etc. on the exterior of the bus in contravention to the Applicable Laws.
10	Fitment of radio, music system, or any other gadgets inside the bus in contravention to the Applicable Laws.
Operations	
11	Not stopping at authorized bus stops on the Route
12	Delaying operation of Stage Carriage Services without cause.
13	Parking vehicles in stations against permitted rules and regulations.
14	Driver smoking, chewing tobacco, betel leaf while on board the bus
15	Picking and dropping passengers at unauthorized bus stops, if no conductor provided by STU
16	Late out of bus more than 15 minutes at the time of turn out.
Quality	
17	To operate vehicle with visible dents, damaged / torn external panels that are more than 6” in width.
18	Oil spillage on wheel rims, hubs, tyres, etc
19	Discoloration or unpainted repair work inside the bus or on any of its items
20	Not maintaining USB charging ports in operating condition

Table B: Category “B” Infraction

Sr. no.	Description of the infraction
Safety	
1	To operate with defective front, side and/or back brake lights
2	Section of handrail loose or with sharp edges
3	Inadequate operation of passenger access doors, either due to damage or incorrect operation which affects the boarding and alighting of passengers
4	Defective, emergency exits and hatches or damaged or bent bumpers
Operations	
5	Parking Stage Carriage Buses in places other than those prescribed by STU
6	Deviating from the route of a service without the prior authorization or instruction of STU/ Police without due cause
7	Roof leakage , Surveillance system not working/ recording, CCTV defect
8	Vehicle Tracking System defect
Quality	
9	Dirty vehicle, outside or inside, at the beginning of the journey
10	Damaged, broken, loosely fitted, or missing passenger seats, windows Rattling
11	Display of incorrect passenger route information, inadequately lit or illegible display of passenger information at any of designated locations for displaying passenger information on the bus
12	Display of slogans, posters on the bus without prior approval of STU.
13	Running the bus with a lux level less than 70 in the saloon area

Table C: Category “C” Infraction

Sr. no.	Description of the infraction
Safety	
1	To reduce the percentage of visual transmission of lights of safety glasses beyond normal as prescribed in Rule 100(2) of CMVR
2	To drive with lights off in the saloon area and/or destination boards after lighting uptime
3	Use of unauthorized electronic equipment by the driver while driving (Cell Phones, Walkman etc.)
4	Causing minor road accidents
5	Violation of any of the legal requirements related to registration, operation and maintenance of the buses
6	Fitment of an Air Pressure Horn
7	Driving the bus in a defective condition, getting battery discharged out

SCHEDULE-T : PANEL OF CHARTERED ACCOUNTANTS

(See Clause 26.2)

1 Panel of Chartered Accountants

Pursuant to the provisions of Clause 26.2.1 of the Agreement, the Authority and the Operator shall prepare a mutually agreed panel of 5 (five) reputable firms of Chartered Accountants having their registered offices in India (the “**Panel of Chartered Accountants**”). The criteria for preparing such Panel and the procedure to be adopted in this behalf shall be as set forth in this Schedule-Q.

2 Invitation for empanelment

2.1 The Authority shall invite offers from all reputable firms of Chartered Accountants who fulfil the following eligibility criteria, namely:

- (a) the firm should have conducted statutory audit of the annual accounts of at least one hundred companies registered under the Companies Act, 1956, or the Companies Act, 2013, of which at least ten should have been public sector undertakings;
- (b) the firm should have at least 5 (five) practicing Chartered Accountants on its rolls, each with a minimum experience of ten years in the profession;
- (c) the firm or any of its partners should not have been disqualified or black-listed by the Comptroller and Auditor General of India or the Authority; and
- (d) the firm should have an office in the State or in an adjacent State with at least 2 (two) practicing Chartered Accountants on its rolls in such State.

2.2 Interested firms meeting the eligibility criteria shall be required to submit a statement of their capability including the bio-data of all the practicing Chartered Accountants on its rolls. In particular, each firm shall be required to furnish year-wise information relating to the names of all the companies with an annual turnover exceeding Rs. 25,00,00,000 (Rupees twenty five crore) whose annual accounts were audited by such firm in any of the preceding 5 (five) Accounting Years.

3 Evaluation and selection

3.1 The information furnished by each firm shall be scrutinised and evaluated by the Authority and 1 (one) point shall be awarded for each annual audit of the companies specified in Paragraph 2.2 above. (For the avoidance of doubt, a firm which has conducted audit of the annual accounts of any such company for five years shall be awarded five points).

3.2 The Authority shall prepare a list of all the eligible firms along with the points scored by each such firm and 5 (five) firms scoring the highest points shall be identified and included in the draft Panel of Chartered Accountants.

4 Consultation with the Operator

The Authority shall convey the aforesaid panel of firms to the Authority for scrutiny and comments, if any. The Operator shall be entitled to scrutinise the relevant records of the Authority to ascertain whether the selection of firms has been undertaken in accordance with the prescribed procedure and it shall send its comments, if any, to the Authority within 15 (fifteen) days of receiving the aforesaid panel.

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

5 Mutually agreed panel

- 5.1 The Authority shall, after considering all relevant factors including the comments, if any, of the Operator, finalise and constitute a panel of 5 (five) firms which shall be deemed to be the mutually agreed Panel of Chartered Accountants.
- 5.2 After completion of every 5 (five) years from the date of preparing the mutually agreed Panel of Chartered Accountants, or such earlier period as may be agreed between the Authority and the Operator, a new panel shall be prepared in accordance with the provisions of this Schedule-R.

SCHEDULE-U : LIQUIDATED DAMAGES PAYABLE BY THE AUTHORITY

Clause	Event of default	Liquidated Damages
4.1.4	Delay in fulfilment (unless waived or extended by the Operator) of all the Conditions Precedent set forth in Clause 4.1.2	0.1% of the Performance Security per day subject to a maximum of 20% (twenty per cent) of the Performance Security
10.2. 56	Delay in providing vacant access, constructive possession and license to possess the Maintenance Depots	0.1% of the Performance Security per day <u>Rs. 5,000/day for each day of delay</u>
10.3.4	Delay in providing Right of Way to the Operator	Rs. 1000 <u>1,000</u> /day for every 500 square meters or part thereof
14.3	Failure on the part of Authority that leads to delay in achieving COD	0.1% (zero point one per cent) of the amount of Performance Security per bus times the number of buses for which COD is delayed for each day of delay
27.1.3 & 27.1.4	Failure to maintain requisite balance in Escrow Account	3% above SBI PLR on the quantum of shortfall for the period of delay

SCHEDULE-W : PRODUCT GUARANTEE WARRANTY UNDERTAKING

(To be on non-judicial stamp paper of appropriate value as per Stamp Act)
[To be executed by the OEM Supported by Board Resolution at the time of signing of the Concession Agreement]

Date:

OEM Name and Address:

To,

(Name & Address of Authority)

Dear Sir/Madam,

1. We, M/s (Name of the OEM) [are undertaking the Project] OR [are a shareholder of <name of the Operator> (Operator) holding% equity share capital in the Operator which has been incorporated as a Special Purpose Vehicle for undertaking the Project] OR [are indirectly holding% equity share capital in the <name of the Operator> (Operator) through our Associate namely M/s <name of the Associate> for undertaking the Project] for Procurement, Supply, Operation and Maintenance of ~~xxxx~~ **3,600** Electric Buses and Development of Allied Electric and Civil Infrastructure on Gross Cost Contracting (GCC) under PM-eBus Sewa under the Concession Agreement dated xxxxx executed between the Authority and ourselves / Operator.
2. One of the conditions of the said Concession Agreement is that we have to provide guaranteewarranty for product restoration to ensure continuous operation in case of Termination of the Concession Agreement under Clause 32 of Concession Agreement.
3. We hereby undertake that we pledge our unconditional & irrevocable product guaranteewarranty for all goods and equipment forming part of mechanical & electrical systems in the electric buses supplied by the Operator, for the remaining term of the Concession Agreement from the date of termination of the Concession Agreement. We further agree that this undertaking shall be without prejudice to the various liabilities that the Operator would be required to undertake in terms of the Concession Agreement as well as other obligations of the Operator.
4. We undertake that we shall supply and replace all goods and equipment forming part of mechanical & electrical systems in the electric buses supplied by the Operator, for the remaining term of the Concession Agreement from the date of termination of the Concession Agreement, at the pre-defined rate as per the Comprehensive Maintenance Contract.
5. This undertaking is irrevocable and unconditional and shall remain in force till the end of Contract Period.
6. We are herewith enclosing a copy of the Board Resolution* in support of this undertaking.

SCHEDULE-Y : KEY PERFORMANCE INDICATORS- DAMAGES & INCENTIVES

Clause	Event of default	Condition required	Damages/ Incentives
20.2	Reliability	Number of Breakdowns per 10,000 (ten thousand) kilometers travelled by the Buses (the “Breakdown Factor”)	0.1% of the Monthly Fees* for 0.1 increase in reliability factor above 0.5
	- Damages - Incentive		0.05% of the Monthly Fees for every 0.1 decrease in Reliability factor below 0.5
20.3	Availability Damages	Number of Buses available for operations in the start of Shift(s) as per the scheduled turn out time divided by total number of Buses planned	Damages payable per non available Bus 1. Less than 100% and till 95% - 50 kms/ shift/ bus 2. Less than 95% and till 90% - 60 kms /shift/ bus 3. Less than 90% - 70 kms / shift/ bus
20.4	Punctuality - Damages	Time start of trips for trips operated daily in the relevant month (“Start Punctuality”) and on-time arrival at the final destination (in accordance with the Deployment Plan) (“Arrival Punctuality”). The Start Punctuality shall be equal to or more than 90% in any month (“Guaranteed Start Punctuality”) and the Arrival Punctuality shall be equal to or more than 80% in any month (“Guaranteed Arrival Punctuality”).	For every 1% reduction in the Start Punctuality or the Arrival Punctuality in any month, as the case may be, as compared to the Guaranteed Start Punctuality or the Guaranteed Arrival Punctuality, in each case, for that month, it shall pay Damages to the Authority at the rate of 2% of the Monthly Fees.
	- Incentive		For every 1% increase in the Start Punctuality or the Arrival Punctuality over and above the Guaranteed Start Punctuality or the Guaranteed Arrival Punctuality, as the case may be, for that month, the Authority shall pay to the Operator an incentive equal to 0.05% of the Monthly Fees.
20.5	Frequency - Damages	% of the cumulative completed trips travelled by all Buses (“Trip Frequency”) and % of the cumulative Bus Kilometers travelled by all Buses (“Bus Kms Frequency”).	1% reduction in the Trip Frequency or the Bus Kms Frequency, 2% of the Monthly Fees
	- Incentive		1% reduction in the Trip Frequency or the Bus Kms Frequency, 0.05% of the Monthly fees.
20.6	Safety of Operations - Damages	Number of accidents per 10,000 kms (Ten thousand Kilometers) (the “General Safety”) and the number of severe accidents per month (the “Severe Safety”).	For every increase in number of accidents, by a factor of 0.01 as compared to the Assured General Safety, damages at a rate of 2% of the Monthly Fees shall be applicable. For every number of Severe Safety incident occurrence, Damages at a rate of 2% of the

Clause	Event of default	Condition required	Damages/ Incentives
			Monthly Fees for each incident shall be applicable.
	- Incentive		If the General Safety is less than 0.005, then for every 0.001 decrease in the General Safety, an incentive equal to 0.05% of the Monthly Fees shall be paid.
20.10	Limits of Damages - KPIs - Operational Infractions:	10% of the aggregate Monthly Fees payable. 5% of the Monthly Fees for that month.	Damages under clause 20.3 will not be subject to the 10% capping mentioned in this clause.

***Monthly Fees** shall mean the Fees payable to the Operator for each month after commencement of the Bus Services and which shall be calculated in accordance with Article 22;

SCHEDULE-Z

: COMPREHENSIVE MAINTENANCE AGREEMENT

THIS COMPREHENSIVE MAINTENANCE CONTRACT AGREEMENT is entered into on this the day of 20.....

AMONGST

..... Limited, a company incorporated under the provisions of the Companies Act, 2013 and having its registered office at (hereinafter referred to as the “**OEM**” which expression shall, unless repugnant to the context or meaning thereof, include its successors, permitted assigns and substitutes); and

The Governor of *****, represented by [***** and having its principal offices at *****) (hereinafter referred to as the “**Authority**” which expression shall, unless repugnant to the context or meaning thereof, include its administrators, successors and assigns).

WHEREAS:

- A. The Authority has entered into a Agreement dated with the Operator for Supply cum Operation and Maintenance Agreement dated (the “**SCOM or Concession Agreement**”) for operation of Buses on build, own, operate and transfer basis (“**BOOT**”).
- B. The OEM is a constituent/shareholder of the Operator and is bound for the obligations of the Operator under the Concession Agreement. As part of its obligations, the Operator has already provided a Product Guarantee Warranty Undertaking to the Authority.
- C. In furtherance to the Product Guarantee Warranty Undertaking, the OEM is entering into this Comprehensive Maintenance Agreement.

NOW THEREFORE in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the sufficiency and adequacy of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1 COMPREHENSIVE MAINTENANCE CONTRACT

1.1 Meaning

“**Comprehensive Maintenance Contract**” shall mean and includes

- a) predictive, preventive and breakdown maintenance of Buses and Chargers
- b) cost of consumables
- c) repair and replacement of faulty parts, assembly, sub-assembly and ITS hardware
- d) refurbishment of Buses as per the Concession Agreement on actual cost basis
- e) periodic painting of Buses
- f) labour costs
- g) maintenance, upgradation and revision of vehicle control software installed in Buses
- h) attending Bus related infractions
- i) repairs for accidents resulting from poor maintenance of Buses, any other repairs required due to accidents on actual cost basis
- j) periodic fitness, safety and any other mandatory certifications of Buses
- k) attending driver complaints related to maintenance issues of Buses and
- l) washing and cleaning of Buses

User ID : mahendra.singh
Serial No : 162B840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

1.2 Applicability

In case of Termination of the Concession Agreement after COD and before the end of the Concession Agreement period, the OEM agrees to provide annual maintenance services for the Buses till the end of the original end date of the Concession Agreement period.

This Agreement is mutually exclusive with the Product Guarantee Warranty Undertaking executed by the OEM for the purpose of executing the Concession Agreement by either the OEM or its Associate and it will become applicable only in the case of Termination of Concession Agreement.

1.3 Responsibility of the OEM

The OEM agrees to maintain Buses in operational condition till the end of the original period as per the Concession Agreement. Further, OEM undertakes to supply and/ or replace any consumables which may be required as per the Maintenance Schedule under the Concession Agreement.

The OEM will also ensure replacement of battery, motor or any other mechanical and electrical part of the Bus which is defected or has reached the end of its useful life.

2. CONSIDERATION

2.1 Amount of consideration

For providing the Annual Maintenance services by OEM, the Authority hereby undertakes to pay the OEM at the predefined rate of 5% of the applicable PK Fees (at the time of Termination) against the Actual Bus Kilometers (“**Monthly AMC Fees**”) as per the Concession Agreement on a monthly basis till the end of the original contract period. For the purpose of calculating the Monthly AMC Fees, the PK Fees will be revised in accordance with the provisions of this Agreement.

Further, notwithstanding anything to the contrary contained under this Agreement or the Concession Agreement, the OEM agrees to replace battery when SoH falls below 80%.

3. DAMAGES PAYABLE

3.1 Key Performance Indicators (KPIs)

Article 20.2, 20.3 and 20.6 reflecting the Key Performance Indicators (KPIs) related to Reliability, Availability and Safety respectively, as per the Concession Agreement should not be affected due to failure of OEMs to ensure regular maintenance of Buses. In case such KPIs are not met by the Buses after termination due to the reasons attributable to the OEM then in such case the OEM shall be liable to damages as per the following table:

Date : 29-12-2023

KPIs	Condition required	Damages/ Incentives
Reliability	Number of Breakdowns per 10,000 (ten thousand) kilometers travelled by the Buses (the “Breakdown Factor”)	0.1% of the Monthly AMC Fees* for 0.1 increase in reliability factor above 0.5
Availability	Number of Buses available for operations in the start of Shift(s) as per the scheduled turn out time divided by total number of Buses planned	Damages payable per non available Bus 1. Less than 100% and till 95% - 50 kms/ shift/ bus 2. Less than 95% and till 90% - 60 kms /shift/ bus 3. Less than 90% - 70 kms / shift/ bus
Safety of Operations	Number of accidents per 10,000 kms (Ten thousand Kilometers) (the “General Safety”) and the number of severe accidents per month (the “Severe Safety”).	For every increase in number of accidents, by a factor of 0.01 as compared to the Assured General Safety, damages at a rate of 2% of the Monthly AMC Fees shall be applicable. For every number of Severe Safety incident occurrence, Damages at a rate of 2% of the Monthly AMC Fees for each incident shall be applicable.
Limits of Damages	10% of the Monthly AMC Fees	

3.2 Infractions

Damages on account of Infractions related to maintenance of Buses as defined in the Original Concession Agreement shall be payable by the OEM.

Table 1: Technical specifications of Electric bus Compliant with the requirements of CMVR AIS:052 (Type — I) + AIS:153 + UBS II +& AIS:140 of 7m, 9m and 12m electric bus

S No.	Description	Technical Specification
	Introduction	<p>The bus shall conform to the technical specifications mentioned in this Table 1 are applicable for following type of buses:</p> <ol style="list-style-type: none"> 12m, 900 mm floor height AC Bus 9m, 900 mm floor height AC Bus 7m, 650 to 900 mm floor height AC Bus <u>12m, 400mm floor height AC bus</u> <p>For detailed characteristics, refer to clause 14</p> <ol style="list-style-type: none"> The word “bus” shall mean the New electric bus to be used for the project. The word “bus” shall also mean a bus powered exclusively by an Electric Motor whose traction energy is supplied exclusively by traction battery (Other than hybrid) installed in the vehicle suitable for operations in city conditions. The bidder shall comply with all applicable Central, State and local laws (including Acts, Rules & Regulations). The word “Bus” wherever it has been used in specifications means the “Battery Operated Bus”. The bus in general shall meet all applicable Central Motor Vehicle Rules, 1989 as amended from time to time (hereinafter referred to as “CMVR”), norms for safety applicable on the date of manufacture and Bus Code AIS 052 1989 as amended from time to time thereof [hereinafter called Bus Body Code], AIS:049, AIS:038 and AIS:153 all as amended from time to time as also those related to easy passenger accessibility including for persons with disabilities (PWDs) and all other norms and regulations on electric vehicles. Where there is conflict between the requirement as per any applicable law in force and the requirement emanating from these specifications whichever of these two is of superior/higher standard shall prevail. Also, any specifications superior to the ones set out as Minimum Technical Specifications shall meet requirements of the contract. <p>Bus Model shall be in compliance with latest CMVR & Bus Body Code and approved as per AIS:052+AIS:153+Annexure 3 of UBS II+FAME II by any Indian Government approved testing agency like ARAI, ICAT, NATRaX, CIRT etc.</p>
	Statutory requirements	<p>The eBus shall be designed and manufactured in accordance with the as per the latest CMVR requirements & AIS:052 and UBS-II: Code of Practice for Bus Body Design & Approval [Bus Code], AIS:049, AIS:038 and AIS:153 all amended from time to time as also those related to easy passenger accessibility including for persons with disabilities (PWDs).</p>

S No.	Description	Technical Specification
		eBus shall be type approved as per CMVR requirements.
1	Electric propulsion system & its requirements.	<p>Electrically propelled system should design to meet “Code of practice for Electric Propulsion System” performance as per AIS:048 & AIS:049.</p> <p>Electric Propulsion system should propel the bus at GVW fitted with all other auxiliary devices and system including air conditioning.</p> <p>Electric propulsion system and other sub-system should be able to operate efficiently at ambient temperatures / environmental conditions in India.</p>
2	Type of Battery	<p>Manufacture should use advance new generation batteries. Battery should certified as per AIS:038 Rev-02 Amendment 3</p> <p>Advance chemistry battery as defined by Ministry of Heavy Industry vide Notification No S.O. 1472(E) dated 28th March 2019, as amended from time to time.</p> <p>For Human Safety, Battery should also be cerified with Office memorandum F.NO. 01(02) /2022 –AEI (20555) Dated 28th October 2022.</p>
3	a. Battery Pack Rating and Energy/Power b. Minimum & Maximum Charging% c. Motor/s Capacity d. Charging standard e. Charging standard in high voltage system	<p>(i) No. of Motors / Batteries as per Manufacturer’s design</p> <p>(ii) Location of motor and batteries as per Manufacturer’s design considering minimal maintenance and ease of charging</p> <p>(iii) Electric Regeneration is required</p> <p>(iv) Charging Mode as per Manufacturer’s design. Charging Time less than 5 hours- overnight charging.</p> <p>(v) Safety–Short circuit/ Over Temperature / Lightning Protection is mandatory.</p> <p>(vi) CCS 2.0- Combined Charging System.</p>
3.1	Battery Cooling System	Liquid Cooling system. Battery Temperature to be maintained between 5 – 45 degree C.
3.2	Battery Life	Battery to be used in mobility application upto 80% SoH. Operator to replace battery when SoH falls below 80%.
3.3	Battery Charging System	DC fast charging by CCS 2.0

S No.	Description	Technical Specification
3.4	Electric Drive Motors	Optimal Rating, Type, Make, Model of Electric Drive Motors with minimum maintenance. Motor should be able to operate efficiently at ambient temperatures of approximately <u>0(-10)</u> to 50 degrees centigrade, humidity level from 5% to 100%.
3.5	Electric propulsion system motor rating / power sufficient to provide Rated Performance at GVW in Stop/ Start In Urban Operation:	
a.	Rated Performance at GVW in Stop/ Start In Urban Operation	Maximum rated speed should meet the requirement as per CMVR
b.	Acceleration (Meter / Sec. ²) minimum	Greater than or equal to 0.8
c.	Bus Speed of 0 – 30 kmph in Seconds.	Less than or equal to 10.5 seconds
d.	Maximum Speed	Maximum speed without speed limiter to be as per CMVR
e.	Minimum Grade ability from Stop at GVW	17%
f.	Rated motor power/torque preferably at lower rpm range	Rated motor power at low rpm and Maximum torque required at lower range of motor RPM and spread over a wider range of RPM Sufficient torque to meet the acceleration, gradeability, AC and range requirement.
g.	Power requirements for Air conditioning system ITS, etc	Required to be provided by traction battery of electric propulsion system
h.	Allowed Specific Energy Consumption of e-Bus when tested as per AIS 039 (latest revision) with AC switched ON condition (Annual Average)	12 m AC: 1.3 kWh/km 9 m AC: 1.0 kWh/km 7m AC: 0.8 kWh/km
3.6	Pass bye noise norms	As per CMVR
4	Operational safety	Transmission system to be fitted with a mechanism which makes it possible to engage reverse drive only when vehicle is stationary
5	Bus Characteristics	
5.1	Front Axle	As per manufacturers design / CMVR
5.2	Rear Axle	As per manufacturers design / CMVR
6	Suspension (Front & Rear)	Air suspension at Front & Rear
6.1	Anti-roll bars/stabilizers	Required at front and rear. If independent front suspension is used, anti-roll bar is not required.
6.2	Shock absorbers	Hydraulic double acting 2 at front & 2/4 at rear
<u>6.3</u>	<u>Kneeling applicable in case of air suspension (required only for 400 mm floor height buses)</u>	<u>Min. 60mm entry/ exit side collectively</u>

S No.	Description	Technical Specification		
6.4	Controls (optional)	Electronically controlled air suspension system		
7	Steering	Power steering with height and angle adjustment. As per manufacturers design / CMVR		
8	Transmission	Transmission, as per manufacturers design		
9	Brakes	As per manufacturers design / CMVR		
9.1	Braking system	<p>Mandatory ABS with Disc at front and Drum at rear OR disc brake at front and rear.</p> <p>In case of Brake Failure provision should made for obtaining effectiveness of service brake.</p> <p>Graduated hand controlled, spring actuated parking brakes acting on rear wheels.</p>		
10	Electrical system for auxiliary devices	24V DC		
10.1	Batteries (ancillaries' equipment and light and light signalling devices)	Low maintenance type leads acid batteries for 24 V & Min 100Ah system- performances as per BIS: 14257- 1995 (latest).		
10.2	Electrical wiring & controls -type	<p>Multiplexing type: As specified separately under ITS specifications and conforming to IP 67.</p> <p>It should be as per UBS-II and AIS:153.</p>		
11	Speed limiting device	Electronic type duly approved /certified as per AIS:018/2001 or latest, tamper proof and be adjusted to applicable speed limit SLF.		
12	Tyres	Steel Radial Tube-less. Size and performance as per CMVR/IS.		
13	Charging range	<p>The minimum range on single charge:</p> <p>(i) 200 kms (at 80% SoC) for 12 m bus</p> <p>(ii) 180 kms (at 80% SoC) for 9 m bus, &</p> <p>(iii) 160 kms (at 80% SoC) for 7 m bus,</p> <p>duly certified as per AIS 040 standard by testing agency as per CMVR rule 126 along with type approval certificate at GVW and additional AC load along with all system operations.</p> <p>Daily operation km per bus maximum up to 225 kms with one opportunity fast charging of up to 3045 minutes (depot-in, depot-out basis or at any terminal).</p>		
14.1	Bus characteristics	12- Meter	9- Meter	7- Meter
A	Overall length (excluding bumper)	12000 mm \pm 500 mm	9000 mm \pm 500 mm	7000 mm \pm 200 mm
B	Overall width (sole bar/floor level- extreme points)	As per CMVR	As per CMVR	As per CMVR
C	Overall height (unladen - at extreme point)	As per CMVR	As per CMVR	As per CMVR

S No.	Description	Technical Specification		
D	Floor Height above ground	900 mm ± 25 mm -As per UBS II	900 mm ± 25 mm As per UBS II	650 mm ± 25 mm to 900 mm ± 25 mm As per UBS II
E	Wheelbase	5900 mm to 6200 mm As per UBS II	4250-4750 mm As per UBS II	3450 mm to 3600 mm As per UBS II
F	Front Overhang	As per CMVR: To accommodate Door ahead of Front axle and meeting the requirement of AIS:052		
G	Rear Overhang	As per CMVR		
14.2	Maximum turning circle radius (mm)	As per CMVR		
14.3	Clearances (mm)			
A	Minimum Axle clearance (mm)	Minimum 165 mm		
B	Wheel area clearance (mm)	> 220 mm for parts fixed to bus body & > 170 mm for the parts moving vertically with axle.		
C	Minimum ground clearance (un-kneeled) at GVW	Within the wheelbase not less than 240mm.		
14.4	Angles (degrees)			
A	Angle of approach (unladen)	Not less than 8.5° for Standard bus & 8.0° for Midi and Mini bus As per UBS II		
B	Angle of departure (unladen)	Not less than 9° for Standard bus & 8.5° for Midi and Mini bus As per UBS II		
c	Ramp over angle (half of break-over angle)	Not less than 4.8°		
15	Bus Gates/Doors (Passenger Doors, Driver door & Emergency Exit & Door) Ramp for wheel chair at the gates	Entry and exit Door: Power operated passenger door, JK type/in-Swing door as per manufacturing design. <ul style="list-style-type: none"> - 2 Door for 12 Metre & 9 Metre bus, - 1 Door for 7 Metre -there should be only 1 door within Wheel base. Driver Door as per CMVR/AIS:052, Emergency Exits as per CMVR/AIS:052 & AIS:153		
A.	Operating mechanism	Passenger Door: Power operated Electro pneumatically controlled Driver Door: Manually Operated		
B.	Opening/Closing time in seconds per operation (maximum)	4 Seconds		
C.	Positions of door controls	On dashboard and also inside & outside of doors as per AIS:052.		

S No.	Description	Technical Specification
D.	Passenger safety system – allowing bus motion on doors closing and doors opening only when the bus is stopped	Mandatory.
E	Door Components/Door Locks/Locking system/door hinges/Door retention	As per AIS:052
15.1	Service doors – Requirement	As per AIS:052 & AIS:153
A	Minimum door aperture (without flaps) in mm	As per AIS:052
B	Minimum clear door width (fully opened) in mm	As per AIS:052
C	Minimum door height in mm	As per AIS:052
D	Positioning front & Rear service door	As per AIS:052
E	Number of gates	2 Nos. for 12 Metre and 9 Metre. 1 No. for 7 Metre
15.2	Door closing requirements for bus movement	Bus should move only after door closing completed
A	Power operated service door - construction & control system of a power operated service door to be such that a Passenger is unlikely to be injured/trapped between the doors while closing	As per AIS:052
15.3	Step height (mm) from ground - unladen & un-kneeled position in buses	<u>As For Low Floor Fully Built - Direct entry no step</u> <u>Standard Floor Height Steps as per AIS:052</u>
16	Provisions of wheelchair for wheel chair of Persons with Disability (PwD)	<u>Ramp mandatory for one door (Preferably Within rear side door) as per AIS-153 for Low Floor Bus.</u> As per AIS:153 in at least 25% of the <u>total standard floor Bus fleet in city</u> (except for 7 m buses)
A	wheel chair <u>wheelchair</u> Boarding Devices	<u>Ramp/mechanism to allow wheel chair entry should be power operated</u> and should meet the requirement as per AIS-153 for Low Floor Buses. <u>For the Floor Height 900 mm, 12m & 9 m Buses, Hydraulic Lift arrangement should be provided for PwD as per AIS: 052 & AIS:153</u>
B	Area, Length and Width of boarding -devices	As per AIS:153
C	Slope of ramp in % & Slope of extended ramp if provided in %	As per AIS:153, AIS:052

S No.	Description	Technical Specification
D	Load carrying capacity (in kilograms)	As per AIS:153, AIS:052
E	Device to prevent the wheel chair <u>wheelchair</u> roll off the sides when the length exceeds	As per AIS:153
F	Device to lock wrapped up ramp	As per AIS:153
G	Kneel ramp control	As per AIS:153 <u>Applicable only for Low floor buses. Kneel control to be as per AIS:153 (Not applicable for Standard Floor Buses).</u>
H	Mode of operation for Ramp	As per AIS:153, AIS:052
I	Requirement for passengers with Reduced -mobility	As per AIS:153, AIS:052
J	Wheel chair <u>Wheelchair</u> anchoring - minimum for one-wheel chair	As per AIS:153, AIS:052
K	Priority seats - minimum 2 seats	As per AIS:153, AIS:052
L	Stop request	As per AIS:153, AIS:052
M	Emergency door /exists or Apertures	As per AIS:153, AIS:052 Emergency Exit (Door/Window) should provide for Disabled person near to Wheelchair location. Safety and proper movement of disabled person should considered.
N	Other Technical requirement	As per AIS:153, AIS:052 Push button, Stop request button on alternate stanchion. <u>The push button of an alighting buzzers should be clearly visible: of adequate size, installed at 900 mm to 1200 mm from the bus floor level and display the information in Braille/raised numbers as well.</u> Location of wheelchair space shall be clearly highlighted and be visible using the standard symbols for wheelchair accessibility. The lifting platform should be fitted with a safety restraints system e.g., safety belt, handrails, etc. With built-in safety parametres <u>parameters</u> to avoid any slippage. For the Floor Height 900 mm and above — 12m & 9 m Buses Hydraulic Lift arrangement should be provided for PwD as per AIS: 052 & AIS:153.
17	Bus design	
17.1	Design type approval	As per CMVR, AIS:052 + AIS:153
17.2	Bus structure - materials specifications etc.	OEM should ensure GI tubular structure To meet the requirements of Annexure 3 of UBS II + AIS:052 + AIS:153 Exterior panels: as per OEM design
17.3	Insulation	As per AIS:052, FR grade material as per IS 15061
A	Roof and side	

S No.	Description	Technical Specification
B	Battery Pack compartment	FR Grade material glass wool, PU foam or thermocol: As per AIS:052.
17.4	Floor type/Materials etc.	
A	Type of Floor	As per AIS:052 requirements.
B	Steps on floor	As per AIS:052 / AIS:153 requirements.
C	Maximum floor slope	As per Bus AIS:052
D	Floor surface material	Minimum 15 mm <u>(12 Metre Bus) and minimum 12 mm (9 Metre and 7 Metre Buses)</u> thickness phenolic resin bonded densified laminated compressed wooden floorboard (both side plain surface) having density of 0.95 - 1.25 gms/cc conforming to IS 3513 (Part- 3): type VI 1989 or latest. The flooring should also be boiling water resistant as for marine board as per BIS:710-1976/ latest and fire retardant as per BIS:5509-2000 (IS15061:2002). The chequered plywood <u>minimum 15mm (12 Metre Bus) and minimum 12 mm (9 Metre and 7 Metre Buses)</u> thick is also allowed as per the relevant standard for the quality and fire resistance/flammability.
E	Anti – skid material	3 mm thick anti-skid type silicon grains ISO 877/76 for colour, IS:15061:2002 for FR grade.
17.5	Safety glasses and fittings:	
A	Front windscreen (laminated) glass:	Single piece laminated safety glass, plain, lateral/curved with curved corners with PVB film IS 2553 (Part-2) 2019 latest. Standard designs for each variant of buses to be followed
B	Laminated Glass Specifications	Min Thickness = 7.76 mm ± 0.2 mm Clear Interlayer
C	Rear windscreen: (wherever provided)	Single piece flat/curved toughened glass- plain/flat/curved at centre & curved at corners IS:2553 (Part-2) 2019/latest revision
D	Side windows:	Single piece flat /curved pasted toughened glass as per IS:2553 (Part-2)-1992/latest revisoin revision
E	Side Window /Rear Windshield Glass specifications	Toughened glass IS:2553 (Part-2) 2019 latest revision Thickness = 5 mm, 4.93-5.03mm
F	Other glasses - material specs, thickness etc. (If Provided).	Toughened as per IS:2553 (Part-2) 2019 latest revision of Thickness = 5 mm 4.93-5.03 mm thickness
17.6	Driver Seat	Should meet the requirement as per AIS:023 and AIS:052
A	Performance & strength requirements Driver Seat	As per AIS:023
B	Driver's working space	As per AIS:052
C	Driver seat belt & anchorage duly type approved.	ELR recoil type, 3 point mounting as per CMVR & AIS:052 conforming to AIS:005 & AIS:015
17.7	Passenger Seat and Layout	Should meet the requirement as per AIS-023 and AIS-052
A	Performance & strength requirements passenger Seat	As per AIS:023

S No.	Description	Technical Specification
B	Passenger Seat	Type Approved Seats & seating layout as per bus code 'PP-LD' (Polypropylene Low Density)/ LDPE moulded construction, with moulded flame retardant Polyurethane (PU) cushion for seat & back rest meeting the performance requirements of AIS:023 and other requirements as per the AIS:052 for Type I application. Flammability of passenger seat components As per IS:15061:2002 The gangway shall be 600 mm minimum and as per the provisions of the AIS:052 Bus Code /UBS-II
C	Passengers seat belt Number and Location	As per AIS:052, Mandatory to provide at seats on wheel arch (if applicable), opposite to service door and last row middle seat.
D	Seat layout in Floor area	2X2 as per AIS:052 for 12 & 9 meter buses & 2X1 for 7 meter bus
E	Minimum seating capacity	I. Without wheelchair: <u>(Standard Floor Buses):</u> i. Total 41 numbers for 12-meter bus (40 seats + Driver), ii. Total 28 numbers for 9-meter bus (27 seats + Driver), & iii. Total 19 numbers for 7-meter bus (18 seats + Driver) II. For wheelchair compatible buses: <u>(Standard Floor Buses):</u> i. Total 37 numbers for 12-meter bus including wheelchair (36 seats + 1 wheelchairs + Driver), <u>ii. Total 24 numbers for 9-meter bus including wheelchair (23 seats + 1 wheelchairs + Driver).</u> <u>III. For Low Floor Buses:</u> <u>i. Total 36 numbers for 12-meter bus including wheelchair (35 seats + 1 wheelchairs + Driver),</u> <u>ii.</u>
F	Standee Passenger	As per AIS:052
G	Seat area/seat space per Passenger (width*depth) mm	As per AIS:052
H	Seat pitch - minimum (mm)	As per AIS:052
I	Minimum backrest height- from floor to top of seat/headrest	As per AIS:052
J	Seat back rest & height mm	Fixed Type seat and Height as per AIS:052

S No.	Description	Technical Specification
K	Seat base height-distance from floor to horizontal front upper seat cushion mm.	As per AIS:052
L	Free height over seating position (mm)	As per AIS:052
M	Seat base height:	As per AIS:052, AIS:023
N	Torso angle (degrees)	As per AIS:052
O	Clearance space for seated Passenger facing partition (mm)	As per AIS:052
P	Seat Arm	Seat arm required for aisle seats and seats opposite to service door and above wheel arches.
Q	Upholstery:	FR grade Pile Fabric OR Jacquard 0.8-1.0 mm thickness
SR	Side Facing seat location	AIS:052
TS	Seat belts & their anchorage	As per AIS:052
18	Rear view mirrors	As per CMVR
A	Mirrors right/left side exterior/interior	As per AIS:001 & 002 and CMVR.
19	Escape Hatch/Ventilator on Floor /Roof	As per AIS:052 & AIS:153
20	Corrosion prevention & painting	As per AIS:052
21	Wind screen wiping system:	As per CMVR, IS:15802
A	Wiper motor:	
B	Wiper arm/Wiper blade Washing system	
22	Electrical system	As per CMVR, AIS:052 & AIS:153.
22.1	Electrical cables:	Copper conductors with fire retardant as per IS/ISO:6722:2006 as per appropriate class. Conductor cross-section varying as per circuit requirements, minimum cross-section 0.5 sq. mm. Quality marking may also be as per equivalent or better European, Japanese, US standards, Conforming to IP 67 water& air-tight for traction battery. For Bus Body Building IS 2465/Multiplex wiring /ISO 6722
22.2	Conductor cross section	
22.3	Safety requirements of electrical	
A	Fuse	As per AIS:052. Battery cut off (Total Three) <ul style="list-style-type: none"> - One manual near driver seat - One electronic on driver Dashboard area - One manual at the rear compartment.
B	Isolation switches for electrical circuits where RMS value of voltage exceeds 100 volts	
C	Location of cables away from heat sources	
D	Type approval of circuit diagram as per

6	CCTV Camera with 4G/ 5G	4 (3 for 7m Buses) 1	Internal and External with 30 minimum 15 days backup storage as per IS:16833 annexure C																											

S No.	Description	Technical Specification			
			eSIM MNVR		4 or 8 channel minimum 2 TB NVR for recording
		7	Panic Button	Each row of the seat	As per AIS:140 Specifications
		8	Camera based Passenger Counters	2 (1 for 7m Buses)	At each door as per the specifications in Annexure 1 below
		<p>ii. The ITS equipment installed in the buses should provide accuracy up to 5 meters. The Authority has the right to ask the Contractor to change the ITS system including but not limited to if the accuracy is not within the prescribed distance of actual location and if the system is not performing accurately. The Operator shall be responsible to change the entire system without any additional charge upon receipt of request from the Authority on such change.</p> <p>iii. The<u>All the</u> equipment of the ITS shall be integrated to each other<u>single control unit</u> and the Bus<u>vehicle</u> CAN <u>Bus</u> for transmitting all the bus data, vehicle tracking data and the any other data as required by the Authority<u>data to central ITMS</u>. The Cost of such integration should be the responsibility of the Operator.</p> <p>iv. The operator is required to share vehicle health monitoring and diagnostics (VHMD) parameters through the bus CAN data on a real time basis with the <u>Authority</u>Centralized ITMS. The following CAN parameters should to be integrated to the ITS and capable of transmitting data at a frequency of 30 sec either to a centralized ITMS server set up by the Authority or through APIs set up by the operator.</p> <ol style="list-style-type: none"> 1. Timestamp 2. Odometer reading 3. Vehicle Status 4. SoC (State of Charge) 5. SoH (State of Health) 6. Speed 7. Acceleration 8. Voltage (pack and cell level) 9. Current (pack and cell level) 10. Power 11. Charger Current 12. Charger Voltage 13. Ambient temperature 14. Battery temperature 15. Motor temperature 16. BMS error/charging fault 			

S No.	Description	Technical Specification
		<p>17. Coolant Temperature-(optional)</p> <p>v. The Authority shall provide all the route information to the Operator to upload into the ITS in regular intervals. The Operator should make the required changes as and when provided by the Authority within seven (7) working days for the envisaged routes to be made operational. Information displayed in the PIS Boards should be dynamic and not static accounting for any route change or deviation from existing routes.</p> <p>vi. The Camera Based Passenger Counter shall be integrated to the SCU at the time of prototype approval, or delivery of the bus or as a date mutually agreed with the Authority.</p> <p>vii. Security Camera Network (CCTVs) minimum four numbers should meet the specification for IP based cameras and MNVR as per Detailed specification document IS 16833:2018 CCTV system with integrated emergency System and built-in tracking system (with min 5<u>minimum 2</u>-megapixel camera, SSD hard disc, 4G/5G, Wifi for data transfer). Real-time feed enabled at DDU and provision for integration with central ITMS system through APIs.</p> <p>viii. Four hi-resolution CCTV cameras and one reverse camera to be installed in the e-buses. These hi-resolution CCTV cameras shall be installed each one at 'A' pillar facing towards front road view, one above the passenger entrance door from inside facing towards driver seat, one above driver door from inside facing towards the passenger & fourth one in the exit door from the inside facing towards passenger compartment. Three hi-resolution CCTV cameras and one reverse camera to be installed for 7m buses each one facing towards front road view, one facing towards driver seat and one inside facing towards the passengers for 7m buses. Operating temp is -10°C to 60°C. The camera should provide day/night functionality, automatically switches to night mode in low light scenes. Rear View Camera System to display the zone behind the vehicle shall be provided along with display on or near dash board.</p> <p>ix. The successful bidders shall ensure device level interoperability of the ITMS to be communicated by MoHUA or any of its nominated agencies in due course. A tentative such guideline is attached as Annexure 31 of the RfP.</p>
24	Safety related items:	
24.1	First Aid Box	As per CMVR
24.2	Fire extinguisher:	As per AIS:052 & AIS:153

S No.	Description	Technical Specification
24.3	Handrails minimum length*diameter*height above floor in mm	Colour contrasting and slip resistant sleeves with MS tubing of 32 mm dia, 3 mm thick/ powder coated/hammer toned Rest as per AIS:052
24.4	Handholds:	Colour contrasting and slip resistant/ powder coated. 2 to 4 numbers handholds per bay. Rest as per AIS:052 & AIS:46
24.5	Stanchions:	<i>As Manufacturer design.</i> MS tubing of 38 mm dia, 3 mm thick with colour contrasting PVC sleeves/ powder coated/ hammer toned. Rest as per AIS:052
24.6	Passengers stop request signal	High visibility bell pushes/pulley chord/touch tapes shall be fitted at a height of 1.2 ± 0.1 meter on alternate stanchions mainly for persons with disabilities.
24.87	Entrance/Exit Guard/Step well guard:	As per AIS:052
24.98	Emergency exit doors, warning devices etc:	As per AIS:052/CMVR
24.109	Front/rear door, step well lights, door open sign, Buzzers	As per AIS:052
24.110	Towing device front/rear	Heavy duty 1.2 times (minimum) the kerb weight of the bus with 30° of the longitudinal axis of the bus. As per CMVR & IS 9760 Ring Type. Towing at Front of Bus is required and optional at Rear of Bus. As per UBS II
24.1211	Warning triangle	As per CMVR
24.1312	Fog lighting	As per AIS:052/CMVR
24.1413	Bumpers - front and rear	FRP or steel or combination of both meeting requirement of an energy absorbing system. As per CMVR and AIS:052.
24.1514	Passenger safety system	Mandatory allowing bus motion on doors closing and doors opening only when the bus is stopped
24.1615	Reverse Parking Alert System (RPAS)	As per CMVR
25	Windows	
A	Type of window	Fixed (Pasted) glass windows.
B	Minimum height of window aperture (clear vision) in mm	As per AIS:052
C	Clear vision includes partition between fixed and sliding glass subject to a maximum width of 100 mm	As per AIS:052
D	Minimum height of upper edge of window aperture from bus floor	As per AIS:052
E	Minimum width of windows (clear vision zone)	As per AIS:052

S No.	Description	Technical Specification
26	Life cycle requirements of bus	12 years OEM to take responsibility of bus bodies as well as of chassis for the period of warranty assured period. Operator to ensure refurbishment of vehicle after 6 years
27	Air conditioning system – <u>(HVAC to be provided according to Authority guidelines in colder cities)</u> – test procedure for type approval	Specifications, Target results, apparatus and procedure as per UBS II with both the conditions of 42 & 48 degrees. <ul style="list-style-type: none"> - Min.20 kwW for 7m - Min. 26 kwW for 9m, - Min. 34 kwW for 12m
A	Air curtains on entry/exit gates to avoid loss/gain of heat and or cool air when doors are frequently opened for boarding/alighting of Passenger with min air flow of 1000±50 m ³ /hr. at each gate. Type of air curtains at entry exit gates their power consumption etc. be accounted for while deciding Motor power, etc.	Optional Fitment
B	Demister	To be provided Optional Fitment
28	Additional requirements	
28.1	Air circulations and ventilation in driver's area	As per AIS:052, An air passage/duct/roof hatch to be provided in driver area at a suitable location for proper inflow of air inside the driver cabin As per AIS:052, Drivers work area to be provided with AC vent or suitable device (200 mm diameter fan) to ensure proper ventilation. These devices may be capable of 3 – speed adjustment
28.2	Interior noise and pass by noise	shall conform to IS:12832:2010 or latest and IS:3028:2018, AIS:20, AIS:153 or latest respectively.
28.3	Destination boards	Four Destination Board: Internal, Front, Side and Rear. (UV resistant) Alphanumeric Dual Display Technology Amber colour LED based electronic route display system in English and appropriate regional language of High Intensity illumination with automatic brightness control shall be installed at the front, rear and side of bus with GPS feed triggered display on internal display board and announcement of name of approaching bus-stop inside the bus. Destination boards should comply with IS:16490 BIS standards. (As per AIS:153 and AIS:052)

S No.	Description	Technical Specification
		<p>Information on a route and its final destination should be displayed outside the bus in large text, especially on the front and side of the bus. This information should be in bright contrasting color and be well illuminated by an external light to make it readable in the dark.</p> <p>The pitch of the LEDs shall be optimized to cover the maximum possible area along the length for displaying the maximum number of letters.</p> <p>The display shall be clearly visible in all weathers at a distance of up to 30 meters.</p> <p>For Inside Display: The micro- processor-based Signature of the announcement shall be made for both current and next bus stop/destination synchronized with the display alternatively in local and English. The illumination system will be of modular display type. The display shall be mounted behind the driver at an appropriate height for clear visibility to all passengers in the bus from all angles.</p> <p>Ingress Protection Grade of IP 65/55 for destination Boards</p>
29	Paint/ color scheme	<p>Colour scheme as per STU requirement. The approval of design and shade of the paint be obtained from respective STU before painting.</p> <p>Exterior, interior colour schemes and logo/ graphics to be applied will be as notified by Public Transport Authority. The buses must be recognizable as environmentally friendly battery buses.</p> <p>All the structural members of the bus shall be treated for corrosion prevention internally as well as externally and painted wherever required. The Polyurethane (PU) painting conforming to BIS:13213-1991 or latest shall be used for exteriors painting of the bus including interiors wherever required. Colour shade shall match to the shades as per BIS:5-1978 or latest. In case of Matt black paint, the same shall be tested as per IS:13213-1991 or latest except the gloss value should be up to 30 units.</p>
	PM-eBus Sewa Logo	Buses shall bear PM-eBus Sewa Logo and branding as provided by MoHUA. Logos shall be lodged onto the bus body as per the guidelines issued by MoHUA.
30	Jack	As per CMVR / bus manufacturer design
31	Fire Detection & Alarm System (FDAS)	As per AIS:135
32	Tool Kit	As per CMVR
33	GVW	As per CMVR Rules & its amendments from time to time.
34	Fire retardancy	All bus body building material used inside the bus, should be fire retardant as per IS:15061:2002

Signature :-
Subject : CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, O=D.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh
Serial No : 1628840
PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

Note:

- I. The Bidder shall submit Technical Specification of Components/Systems of Electric Propulsion system and submit the test certificate for these components as per the prescribed standards from the notified testing agencies like ICAT, CIRT, ARAI, VRDE, etc.
- II. All electrical wiring harness and accessories used on electric bus shall comply necessary automotive safety standards amended from time to time.
- III. All units & electrical accessories and wiring harnesses use on the bus shall be so mounted that they are easily accessible and can be removed without disturbing other components. Further these accessories and wiring harnesses shall be well protected to prevent ingress of water.
- IV. Mandatory Certification Compliance and acceptance tests for Safety Components, Batteries, Buses and Requirements for Battery Charging Infrastructure Systems etc. by competent authority to be obtained.
- V. The Bidder shall ensure the fitment of all electric propulsion system components on the bus confirming to National/International Standards.
- VI. The Bidder shall undertake type approval testing of Traction Batteries pack fitted on the bus as per CMVR notified standard amended from time to time and submit copy of Approved certificate.
- VII. The Buses shall meet all the above technical specification requirements. The buses shall be deemed satisfactory for operation only after the buses meet all the requirements prescribed above.
- VIII. The Bidder shall monitor the operation of these Buses and sort out the operational issues, if any.
- IX. The Bidder shall ensure safe & successful operation of these buses. In case of breakdown in these vehicle systems or battery charging infrastructure system, the Bidder shall immediately rectify the defects / replace parts and make the Buses, vehicle systems or charging system operational as the case may be.
- X. Bus manufacturer needs to provide lifetime warranty for the battery, electric motor, and controller. Smaller repairs- to be resolved in six hours while system faults with battery, electric motor and controller have to be corrected within 48 hours. The warranty also requires the manufacturers to replace batteries when the state of health (SOH) falls below 80 percent. The bidder shall provide quarterly reports on the SoH of battery packs of each bus. This will be measured at the charger level or by a certified Ammeter by the energy (measured Ah) uptake of the battery packs while charging from 25% to 100% SoC. The relative deterioration of energy uptake of the battery packs will be used to determine the SoH of the battery to be calculated at energy uptake in quarter (kWh)/ energy uptake in first quarter post COD.
- XI. Manufacturers need to meet high safety standards for battery packs. These standards include a protection level that is no less than IP67—which represents a high water and dustproof battery pack—and satisfactory operation safety in extreme temperatures ranging from 0 to 65°C.
- XII. Bidder to submit the CMVR type approval certificate for the allocated bus at the time of final inspection of the Buses to the respective cities.
- XIII. Operator to ensure refurbishment of vehicle after 6 years from the date of commercial operation date (COD). Refurbishment of buses to be in best conditions with completion of all missing

components, proper working of major aggregates/ assemblies/ sub-assemblies, replacement of damaged body panels, replacement of cushions of passenger seats, flooring, structural members etc. the refurbishment of buses is required to be completed within window of 1 year i.e., before competition of seventh year from the date of COD. During the refurbishment period, curtail of operations schedule by 5% is allowed. The technical team will inspect the buses before put in services after refurbishment of the bus, if the bus is found not refurbished in near to showroom condition, bussuch Bus will not be permitted for the operations.

- XIV. Camera Based Passenger Counting System should be Bi – Directional Counting on a Definable Line (Polygon), Variable position of counting lines, Adaptation to on-site requirement, No Double Counting, Automatic Compensation for interference from swinging and sliding doors, It should also have real-Time Video Streaming or recording of video files to external storage media, Start and Stop function via door contact, No interference with other functions. The system shall achieve minimum 95% counting accuracy. The system should be integrated through ITS to the backend of the System(s) of the Authority. The cost of such integration shall be the responsibility of the Bidder during the Contract Period.
- XV. Camera Based Passenger Counting System should generate Total Passenger Report- A basic report to analyze passenger counts on a single vehicle only. Time resolution shall be by day, week, month or year. Option to select a range of dates shall also be available; default time interval shall be by day with maximum 90-day90day resolution allowed. Report output shall be displayed on screen as tabular, chart or both. Export feature shall be of the tabular output only, downloadable as a CSV file.
- XVI. Integration to Existing ITMS/AFC System: Bidder shall provide the complete ITS system as specified herein above in the Buses. Scope related to the NCMC based Ticket Validator and AFCS is not in scope of the Operator. However, the Operator needs to provide necessary AC / DC power arrangement for the NCMC based Ticket Validator near the gates of the buses as per the best industry practices. The bidder shall also ensure to supply equipment compatible with existing ITS System of Authority so as to enable smooth integration. Bidder is responsible for regular maintenance ITS equipment installed by throughout the Contract Period. The Contractor and Authority agree to share interfacing protocols and Active Programming Interface with each other for smooth integration of the ITS equipment provided by Bidder to the Authority's ITMS. The Authority can mount any equipment in the Buses provided by the Bidder at its own cost and the Bidder shall be responsible for the safety and security of such equipment during the Contract Period.

Annexure 1

Camera Based Passenger Counter Specification & Functionality

A. Feature and Functionality

1. The APC (Automatic Person Counting) system shall use ceiling mounted stereovision cameras giving a 3D representation of the count zone.
2. The APC sensors shall be connected in a serial daisy chain or parallel wired star format.
3. There should be no impact on accuracy due to bad lighting. The APC should count with the light of up to 30 LUX, with no shadow influence.
4. There should be no impact on accuracy due to steps. Step counting feature should be there.
5. The Ethernet connector on the device should of Industrial Grade like M12 connector.
6. Power Supply should be 24V DC
7. The power consumption of the device should be less than 5 watts.
8. Aperture angle should be greater than 100°
9. APC should be able to monitor area of up to 4 x 4 meter
10. The APC should be Configurable and versatile based on the vehicle type.
11. The APC shall have the capacity to retain count data for a minimum of 30 days either onboard or offboard to an external storage media or cloud based servers.
12. In the event of interrupted power to the APC sensors, no counting data shall be lost.
13. The APC system has to give a control video via Ethernet to control the entrance area (door free).
14. The APC system has to support the storage and the verification of control videos and of counting results to control the accuracy of the system in an offline state.
15. The APC sensor shall determine the count result via onboard processing. The real time video streaming or recording of video files to external storage media shall be made available to the Authority and integration of real time streaming through the OBITS with the backend of the Authority system(s) is the responsibility of the bidder.
16. All count results shall be time-stamped via a synchronized onboard real-time clock. The operator shall ~~provide~~**provide** passenger reports based on daily, weekly and monthly passenger counts at single vehicle, route and fleet level with the option of downloading data as a CSV file format.
17. The APC should eliminate the counts resulting from partial passages and motion reversals
18. Automatic passenger counter should be able to detect passenger in both direction ie bi – Directional Counting on a Definable Line (Polygon), variable position of counting lines, adaptation to on-site requirement, no double counting, with automatic compensation for interference from swinging and sliding doors
19. The Automatic Passenger counter should be fixed at the gate of the bus and should be vandal resistant.
20. The automatic passenger counter device should have minimum following certifications:

Subject: CN=MAHENDRA SINGH, SERIALNUMBER=6cbeabfc6d23672f81d4da801672244d6ec7e96fa1c207cc28d61b8, ST=DELHI, OID.2.5.4.17=110003, O ID.2.5.4.20=5e8477fb32abf996688234344cba31cbd6feb2b686c927a5e1d6b27acb4dd2fc, OU=SUPPLY CHAIN MANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID : mahendra.singh

PB : a.bhattacharya(Ashim Bhattacharya)
Date : 29-12-2023

B. Technical Specifications – Specifications and Integration

1. An additional onboard computer or OBITS shall provide a communication interface to the APC sensor network.
2. All APC sensors shall be accessible from the additional onboard computer or OBITS.
3. The additional onboard computer or OBITS shall provide the user with a software interface to monitor the health of the counting system.
4. The additional onboard computer or OBITS shall provide an Internet connection for the local counting database to be replicated in real-time to an Internet-based destination.
5. Processor: Minimum ARM 9 or ARM 11 or Intel Atom 1.6 Ghz
6. RAM: Minimum 1 GB
7. SSD: 32 GB
8. VGA: Single port
9. Network: 10/100 Gbps
10. USB: 4 ports
11. RS232: 1 port
12. GSM & GPRS module with antenna
13. Wi-Fi: Not required / optional
14. Power Input: 24 V DC with power consumption
15. Internal Slot for putting the mobile SIM card.
16. Operating Temp: 0 to +60 degrees
17. Mounting Kit for buses – holes for the screws / bolts should be there.
18. Certification:
 - a. EMC: FCC Part 15, EN55022, EN55024, EN 50121-3-2, EN 61000-6-2
 - b. Radio: FCC Part 22, 24, RSS132,133, EN301 489-1, EN489-3 (-GP Only), EN 301 489-7, EN301 511,AS/ACIF S042.1, S042.3
 - c. Shock & Vibration Certification: IEC 61373 category 1, class B
 - d. Safety Compliance: UL60950-1, cUL60950-1, IEC60950-1

Annexure 2

~~NCMC Based Ticket Validator Specifications~~

~~A. Feature and Functionality~~

- ~~1. The on-board ticket validators will enable commuters to use National Common Mobility Card (NCMC) for fare payment and pre-paid ticket and pass validation.~~
- ~~2. The Validator should provided for the AFC Provider of STU/Authority to upload the software and security features in the OS provided in the Validator. The AFC Provider will integrate the Validator through the ITS to the AFC software at the backend which would be integrated into the Acquiring Bank / Central System.~~
- ~~3. The flow of data of regular transaction will be through the ITS as defined by RBI regulations for security and safety guidelines. This is the responsibility of the AFC provider of the STU/Authority and not the Bidder.~~
- ~~4. The validators will allow commuters to pay fares through multiple media types read including smartphone/tablet/smartwatch displays & paper tickets. The hardware with basic OS, wiring and wiring would be provided by the Bidder, the software and the complete AFC solutions would be provided by the AFC Provider of the STU/Authority and not the Bidder.~~

No wiring for any kind of retro fitting will be allowed for the validators after deployment. All wiring for the validators in the buses would be pre-installed irrespective of the validators being installed during the contract period.

~~B. Technical Specifications~~

Physical	
Dimensions	less than 300 mm(L) x 225 mm(W) x 150 mm(H), mounted on stanchions near passenger entry and exit doors
Display	minimum 4.3" display, sunlight readable with contrast ratio 800:1 with capacitive multi touch, viewing angle (CR>10);
Body	ABS (Acrylonitrile Butadiene Styrene)
Power Supply and external connectivity	
Voltage	24V
USB Port	1* Type-C supporting OTG (on the go)
Operating Environment	
Temperature	Storage temp: 20°C~60°C Operating temp: 0°C~50°C
Humidity	5-100% humidity

Shock and Vibrations	IEC 61373 category 1, class B
CPU and OS requirement	
CPU	ARM Cortex A9 processor or higher
Operating System	Android 7.0 or higher/ Linux OS with full API and device access for developers
RAM	1GB or above
Device Memory	4 GB or above
Communication and Connectivity	
SIM Slot	1* NANO SIM & 1* MINI SIM
Cellular Data	Mobile Data: 5G with a fall back option to 4G
WIFI	WiFi: 2.4GHz/5GHz, IEEE 802.11a/b/g/n
Positioning	GPS, Sensitivity: -159dBm; receive frequency: 1575.42MHz; satellite Channel: 20 channel; positioning accuracy: <10m
Bluetooth	Bluetooth 2.1/3.0/4.2 and BLE
Speaker	Stereo speakers with digital control for audio playback
Readers and Validation	
QR-code reader	1D/ 2D barcode reading. Media types read: Smartphone/tablet/smartwatch displays & paper tickets
NFC	NFC: ISO/ICE 14443 Type A&B, Mifare cards
Smart card	MIFARE PLUS SE 1K, operating distance upto 5 cm
Card Readers	Magstripe: ISO 1/2/3, ISO 18092 compliant
Certification	RuPay qSPARC certified for NCMC Contactless: EMV Level 1 and 2 compliant Certified PCI PTS 5.x, EMV-certified Smartcard: EMV Level 1, NPCI Rupay Qspare (attendant and unattended)

Guidelines for Communication between ITS Equipment and ITMS Cloud

1. Introduction

Protocol Proposed - MQTT

MQTT is a standards-based messaging protocol, or set of rules, used for machine-to-machine communication. The MQTT broker is responsible for maintaining stable connections with clients, processing messages, and forwarding them to the subscribed and approved MQTT packet usually responds to an MQTT command. The MQTT protocol defines two types of network entities: a message broker and several clients. An MQTT broker is a server that receives all messages from the clients and then routes the messages to the appropriate destination clients. An MQTT client is any device (from a microcontroller to a fully-fledged server) running an MQTT library and connecting to an MQTT broker over a network.

MQTT is a lightweight protocol that is used globally while communicating with the IOT Devices. Features of MQTT –

- Lightweight Protocol
- Low bandwidth consumption
- Low power Consumption
- Data agnostic
- Used where M2M communication is required
- Based on Pub/Sub Architecture
- works best where the connection with the devices is not stable

2. MQTT Packet format

Message Format - JSON

JSON, which stands for "JavaScript Object Notation," is a lightweight data interchange format that is easy for humans to read and write and easy for machines to parse and generate. JSON has become a widely adopted standard for data exchange in various programming languages and is commonly used in web development, APIs, and data storage.

JSON is commonly used for configuration files, data interchange between web servers and clients (e.g., RESTful APIs), and data storage (NoSQL databases often use JSON-like formats). It is also widely used in JavaScript, but its simplicity and versatility have led to its adoption in many programming languages through libraries and APIs, making it a popular choice for data serialization and transmission in modern software development.

At its core, MQTT is a binary-based protocol that utilizes a command and command-acknowledgement format. Moreover, an acknowledgment in the form of an MQTT packet usually responds to an MQTT command.

JSON (JavaScript Object Notation) is commonly used in embedded programming for several reasons:

- Human-readable
- Lightweight
- Standardization
- Ease of parsing
- Data serialization
- Compatibility with web technologies
- Debugging and testin

A packet in MQTT is a unit of data that is sent between clients and the MQTT broker.

The MQTT packet format consists of the following three parts:

- **Fixed header**: Made up of the packet type, packet flags, and length of the remaining packet.
- **Variable header**: Includes packet-type specific meta-data.
- **Payload**: The packet-type specific payload data, e.g., the message for a PUBLISH packet.

2.1 Fixed Header

Each MQTT Control Packet contains a Fixed Header as shown below.

Bit	7	6	5	4	3	2	1	0
byte 1	MQTT Control Packet type				Flags specific to each MQTT Control Packet type			
byte 2...	Remaining Length							

The first 4-bits represent the control packet type of the MQTT packet. There are 15 different MQTT packet types. Some of the packet types with value and allowed direction are given in the following table.

PUBREC	5	Client to Server or Server to Client	Publish received (QoS 2 delivery part 1)
PUBREL	6	Client to Server or Server to Client	Publish release (QoS 2 delivery part 2)
PUBCOMP	7	Client to Server or Server to Client	Publish complete (QoS 2 delivery part 3)
SUBSCRIBE	8	Client to Server	Subscribe request
SUBACK	9	Server to Client	Subscribe acknowledgment
UNSUBSCRIBE	10	Client to Server	Unsubscribe request
UNSUBACK	11	Server to Client	Unsubscribe acknowledgment
PINGREQ	12	Client to Server	PING request
PINGRESP	13	Server to Client	PING response
DISCONNECT	14	Client to Server or Server to Client	Disconnect notification
AUTH	15	Client to Server or Server to Client	Authentication exchange

Name	Value	Direction of flow	Description
Reserved	0	Forbidden	Reserved
CONNECT	1	Client to Server	Connection request
CONNACK	2	Server to Client	Connect acknowledgment
PUBLISH	3	Client to Server or Server to Client	Publish message
PUBACK	4	Client to Server or Server to Client	Publish acknowledgment (QoS 1)

The last four bits of the MQTT control packet, the so-called control flags, are fixed corresponding to the used packet type and cannot be changed by the client, with one exception, the PUBLISH control packet type.

- DUP: Indicates if this packet is a duplicate. Bit 3
Value 0: New data packet
Value 1 → Redelivery of the old packet.
- QoS: The Quality of Service level. Bit 2,1
Value 0: At most one delivery (it might deliver or not based on TCP status)

The remaining bits [3-0] of byte 1 in the Fixed Header contain flags specific to each MQTT Control Packet 404 type as shown below. Where a flag bit is marked as “Reserved”, it is reserved for future use and MUST 405 be set to the value listed. If invalid flags are received it is a Malformed Packet.

MQTT Control Packet	Fixed Header flags	Bit 3	Bit 2	Bit 1	Bit 0
CONNECT	Reserved	0	0	0	0
CONNACK	Reserved	0	0	0	0
PUBLISH	Used in MQTT v5.0	DUP	QoS		RETAIN
PUBACK	Reserved	0	0	0	0
PUBREC	Reserved	0	0	0	0
PUBREL	Reserved	0	0	1	0
PUBCOMP	Reserved	0	0	0	0
SUBSCRIBE	Reserved	0	0	1	0
SUBACK	Reserved	0	0	0	0
UNSUBSCRIBE	Reserved	0	0	1	0
UNSUBACK	Reserved	0	0	0	0
PINGREQ	Reserved	0	0	0	0
PINGRESP	Reserved	0	0	0	0
DISCONNECT	Reserved	0	0	0	0
AUTH	Reserved	0	0	0	0

This
sent
suit

DUP = Duplicate delivery of a PUBLISH packet 411

QoS = PUBLISH Quality of Service 412

RETAIN = PUBLISH retained message flag

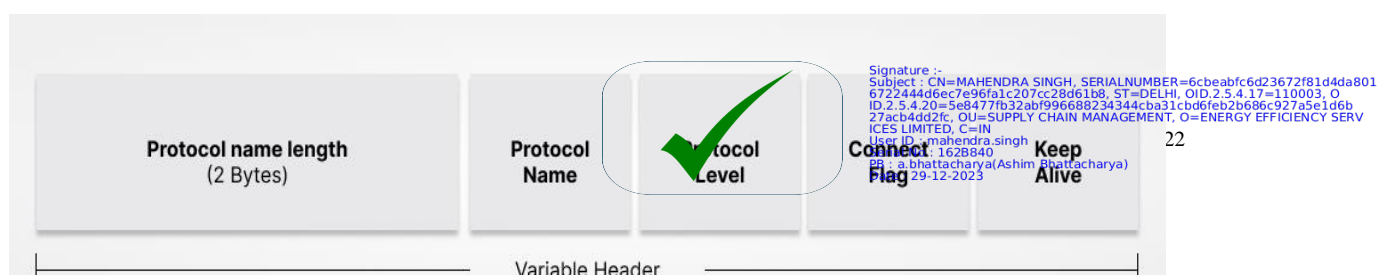

Remaining Length

Position: starts at byte 2.

The Remaining Length is a Variable Byte Integer that represents the number of bytes remaining within the current Control Packet, including data in the Variable Header and the Payload. The Remaining Length does not include the bytes used to encode the Remaining Length. The packet size is the total number of bytes in an MQTT Control Packet, this is equal to the length of the Fixed Header plus the Remaining Length.

2.2 Variable Header

The content and length of the variable header differ according to the packet type. For example, the following image shows the structure of the variable header for the CONNECT control packet.

Protocol name length: Indicates the length in bytes of the Protocol Name

Protocol name: ASCII representation of the protocol name, e.g., MQTT (0x4d 0x51 0x54 0x54)

Protocol level: “4” for MQTT v3.1.1, “5” for MQTT v5.0.

Connect flag: A 1-byte field with information about connection options like retention, QoS, clean session, etc. An example of this is attached just below.

Bit	7	6	5	4	3	2	1	0
	username flag	password flag	will retain	will QOS		will flag	*)	reserved
	x	x	x	x	x	x	x	0

Username Flag:

1 → Username to send.

0 → Username not necessary

Password Flag:

1 → Password to send.

0 → Password not necessary

Will retain: if enabled, the message will be set as retained.

Will QoS: Indicates the QoS level with which the message will be sent.

Denotes the QoS level in 2 bits, i.e., QoS 0 = “0” and “0,” QoS 1 = “1” and “0,”
QoS 2 = “0” and “1.”

Will flag: if activated, the broker sends a Last Will message (LWT) on behalf of the client
when it disconnects unexpectedly.

Clean session: if active, the broker will clear any existing session when this client connects
and not store any session data after the client disconnects. Note that in MQTT
v5.0, this flag is called “clean start” and only affects the start of the session.

Keep Alive: Denotes the maximum time, in seconds, the client will leave before sending a packet to
the broker.

2.3 Payload

The payload holds the data related to the packet being sent. For a PUBLISH packet, this is the actual
message being sent. The message can be in any format, but most often in ASCII-encoded characters
formatted as JSON, XML, or text.

3. Packet Structures

This section contains some of the important packet structures. One can add his/her proprietary packets
as per wish.

The packet ASCII encoded in the JSON format, fields are separated by comma.

3.1 CONNECT Packet

Control Packet Type: 0x10 (16 in decimal)

The CONNECT packet is used by an MQTT client to establish a connection with an MQTT broker. It
includes information such as the protocol version, client identifier, clean session flag, keep-alive
interval, and authentication credentials (username and password).

S.No	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header		16
2	Length of the Packet		83
Variable Header			
3	Protocol Name Length		4
4	Protocol Name		MQTT
5	Protocol Level		5
6	Connect Flag		4
7	Keep Alive		60
Payload			
8	15 Digit IMEI number		123456789012345
9	Vehicle Number		DL35XX9821
10	Firmware version		V1.0.0
11	Protocol Version		V1.0.0
12	GPS fix (1→Fixed,0→not Fixed)		1
13	Date (DDMMYY)		200728
14	Time (HH:mm:ss)		200900
15	Latitude value in decimal degrees (6 decimal places)		17.7823411
16	Latitude Direction (N=North; S=South)		N
17	Longitude value in decimal degrees (6 decimal places)		78.3123121
18	Longitude Direction (E=East; W=West)		E
19	Speed		20

Example Jsosn Data:

```
[
{
  "Fixed Header": {
    "Header": 16,
    "Length of the Packet": 83
  },
  "Variable Header": {
    "Protocol Name Length": 2,
    "Protocol Name": "MQTT",
    "Protocol Level": 4,
    "Connect Flag": 4,
    "Keep Alive": 60
  },
  "Payload": {
    "15 Digit IMEI number": "123456789012345",
    "Vehicle Number": "DL35XX9821",
    "Firmware version": "V1.0.0",
    "Protocol Version": "V1.0.0",
    "GPS fix": 1,
    "Date": "200728121324",
    "Time": 12091,
    "Latitude value": 17.782341,
    "Latitude Direction": "N",
    "Longitude value": 78.312312,
    "Longitude Direction": "E",
    "Speed": 20
  }
}
]
```

3.2 CONNACK Packet

Control ACK Packet Type: 0x20 (32 in decimal)

The CONNACK packet is sent by the MQTT broker in response to a CONNECT packet. It acknowledges the client's connection request and provides status information, including a return code that indicates whether the connection was successful.

Thers is no Payload.

S.No	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header		32
2	Length of the Packet		2
Variable Header			
3	Reserved		0

4	Return Code			0
	0	0x00	Connection Accepted	
	1	0x01	Connection Refused: unacceptable protocol version	
	2	0x02	Connection Refused: identifier rejected	
	3	0x03	Connection Refused: server unavailable	
	4	0x04	Connection Refused: bad user name or password	
	5	0x05	Connection Refused: not authorized	
	6- 255		Reserved for future use	

Example Json Data:

```
[
{
  "Fixed Header": {
    "Header": 32,
    "Length of the Packet": 2
  },
  "Variable Header": {
    "Reserved": 0,
    "Return Code": {
      "Value": 0,
    }
  }
}
]
```

3.3 PUBLISH Packet

The PUBLISH packet is used by an MQTT client to publish a message to a specific topic on the MQTT broker. It can have different Quality of Service (QoS) levels and includes the topic name, message content, and optional message identifier.

Control Packet Type:

0x30 (48 in decimal) → for QoS 0

0x32 (50 in decimal) → for QoS 1

0x34 (52 in decimal) → for QoS 2

3.3.1 Vehicle Location Packet

Topic Name: its/vehicle/location

Ack Packet: publish acknowledgement is needed.

This packet will be sent at configurable period time interval. Minimum is 5 seconds.

Sno	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header (QOS 1)		50
2	Length of the Packet		105
Variable Header			
3	Topic Name Length		20
4	Topic Name		its/vehicle/location
5	Message ID or Frame Number Sequence Number of the messages (000001 to 999999)		1
Payload			
6	Vendor ID		SU3339
7	Firmware Version		11.0.15
8	Packet Type (NR =Normal EA = Emergency alert. TA = Tamper alert HP = Health packet IN = Ignition On IF = Ignition Off		NR

	BD = Main Battery disconnect (If device is disconnected from vehicle battery and running on its internal battery) BR = Battery reconnect BL = Battery low (If device internal battery had fallen below a defined threshold, indicating that device need to get a recharge) BC = (Low battery removed Indicate that vehicle internal battery is charged again) MB (Connect back to main battery Indicate that vehicle is connected back to main battery) GO (– GPS box opened Message would be generated indicating GPS box opened) HB (Harsh Break) HA (Harsh Acceleration) RT(Rash Turning)		
9	Packet Status L=Live or H= History		L
10	15 Digit IMEI number		123456789009876
11	Vehicle number where the device was installed		DL35XX9821
12	GPS Fix (1 = GPS fix OR 0 = GPS invalid)		1
13	Date value (DDMMYY)		010123
14	Time in UTC format (hhmmss)		122315
15	Latitude value in decimal degrees (with minimum 6 decimal places)		17.5867543
16	Latitude Direction (For example, N=North; S=South)		N
17	Longitude value in decimal degrees (with minimum 6 decimal places)		78.2345676
18	Longitude Direction (For example, E=East; W=West)		W
19	Speed in km/h		40
20	Ignition 1= Ign On ; 0 = Ign Off		1
21	Main Power Status: 0 = Vehicle Battery Disconnected 1= Vehicle battery power reconnected		1
22	Emergency Status 1= ‘On’; 0 = ‘Off’		1
23	GSM Signal Strength Value ranging from 0 – 31		27

24	Odometer Reading		25
----	------------------	--	----

Example Json Data:

```
[
  {
    "Fixed Header": {
      "Header ": 50,

```

3.3.7 PUBACK Packet:

Control Packet Type: 0x40 (64 in decimal)

Description: The PUBACK (Publish Acknowledgment) packet is sent by the MQTT broker in response to a PUBLISH packet with QoS level 1. It confirms that the message was received and processed by the broker.

There is no Payload for this packet.

Sno	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header (QOS 1)		64
2	Length of the Packet		1
Variable Header			
3	Message ID		2

Variable Header Contains the same message ID that was Published by the MQTT client.

Example Json Data:

```
[
  {
    "Fixed Header": {
      "Header": 64,
      "Length of the Packet": 1
    },
    "Variable Header": {
      "Message ID": 2
    }
  }
]
```

3.3.8 PINGREQ Packet:

Control Packet Type: 0xC0 (192 in decimal)

Description: The PINGREQ (Ping Request) packet is sent by the MQTT client to the broker to request a ping response. It helps keep the connection alive and verify that the broker is still responsive.

No variable Header and Payload.

Sno	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header (QOS 1)		192

2	Length of the Packet		0
---	----------------------	--	---

Example Json Data:

```
[
  {
    "Fixed Header": {
      "Header": 192,
      "Length of the Packet": 0
    }
  }
]
```

3.3.9 PINGRESP Packet:

Control Packet Type: 0xD0 (208 in decimal)

Description: The PINGRESP (Ping Response) packet is sent by the MQTT broker in response to a PINGREQ packet. It confirms that the broker is still alive and responsive.

No variable Header and Payload

Sno	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header (QOS 1)		208
2	Length of the Packet		0

Example Json Data:

```
[
  {
    "Fixed Header": {
      "Header": 208,
      "Length of the Packet": 0
    }
  }
]
```

3.3.10 DISCONNECT Packet:

Control Packet Type: 0xE0 (224 in decimal)

Description: The DISCONNECT packet is used by an MQTT client to gracefully terminate the connection with the MQTT broker.

No variable Header and Payload

Sno	Contents	Bytes	Sample Data
FIXED HEADER			
1	Header (QOS 1)		224
2	Length of the Packet		0

Example Json data:

```
[
  {
    "Fixed Header": {
      "Header": 224,
      "Length of the Packet": 0
    }
  }
]
```

Note

- The purpose of the meeting shall be to clarify any issues regarding the bid process.
- Record notes of the meeting including the text of the questions raised and responses given shall be transmitted to all the bidders who were present at the meeting. Based on that, amendment can be issued in the tender documents.
- The clarifications that could not be furnished during pre-bid conference shall be separately communicated to all the bidders.
- Non-attendance at the pre-bid meeting shall not be a cause for rejection of a Bidder(s).
- Based on the discussion in pre-bid meeting, CESL reserves the right to modify/amend the tender document.

6. We confirm that there are no litigations or disputes against us, which materially affect our ability to fulfill our obligations stated in RfP and Concession agreement with regard to the Project.
7. We hereby confirm that we shall continue to maintain compliance with Qualification Requirements till the execution of the Concession Agreement. Further, in case we emerge as Selected Bidder for the Project, we shall continue to maintain compliance with Qualification Requirements till COD of the Project.
8. We confirm that we have studied the provisions of relevant Indian laws and regulations as required to enable us to submit this Bid and execute the Concession Agreement, in the event of our selection as the Selected Bidder. We further undertake and agree that all such factors as mentioned in RfP have been fully examined and considered while submitting the Bid.
9. We hereby confirm that we shall abide unreservedly with CESL's decision in the qualification process for selection of Qualified Bidder and further warrant that under no circumstances we shall challenge either the CESL's decision or its right to make such decision at any time in the future.
10. We undertake, that if our bid is selected, we shall initiate the activities required to be undertaken by the Selected Bidder immediately upon issuance of Letter of Confirmation quantity (LoCQ) to us by CESL.
11. If our bid is selected, we undertake to provide performance security as per the format specified in the Concession Agreement and comply with the other requirements of the RfP document.
12. We agree to abide by our bid proposal for a period 180 days from the Bid Due date as stipulated in the RfP document and it shall remain binding upon us and may be accepted by you at any time before the expiration of that period.
13. Until the concession agreement is executed between the Selected Bidder and relevant Authority, our bid, together with your written acceptance thereof in the form of your LoCQ shall constitute a binding contract between parties.
14. We understand that you are not bound to accept the lowest or any other bid you may receive.
15. We, hereby, declare that only the persons or firms interested in this proposal as principals are named here and that no other persons or firms other than those mentioned herein have any interest in this proposal or in the contract to be entered into, if the award is made on us, that this proposal is made any connection with any other person, firm or party likewise submitting a proposal, is in all respects for and in good faith, without collusion or fraud.
16. We have enclosed a Bid Bond of Rupees Crores (Rs.) only or US\$..... (.....US Dollars), in the form of bank guarantee no [Insert number of the Bank Guarantee] dated.....[Insert Date of the Bank Guarantee] as per your proforma (Annexure-XXX) from [Insert name of bank providing Bid Bond] and valid up to.....in terms of Clause xxxx of the RfP.
17. ANNEXURE 2 - BID SECURITY

Bank Guarantee

(To be stamped in accordance with Stamp Act, if any, of the country of the issuing Bank)

Bank Guarantee No.

Date

To:

Convergence Energy Services Limited (CESL). (A 100% EESL Owned Subsidiary)

Core-3, 2nd Floor, SCOPE Complex,

Lodhi Road, New Delhi-110003

Dear Sir(s),

1. In accordance with invitation for bids under your RfP no.....dated.....M/s..... having its registered/head office at.....(here in after called "Bidder") wish to participate in the said bid for (name of package)

2. We, the (Name and address of the bank), having our head office at at the request of the Bidder, do hereby irrevocably, unconditionally and without reservation guarantee the due and faithful fulfilment and compliance of the terms and conditions of the Bidding Documents (including the RfP Document) by the said Bidder and unconditionally and irrevocably undertake to pay forthwith to CESL an amount of Rs. (Rupees only) (hereinafter referred to as the "Guarantee") as our primary obligation without any demur, reservation, recourse, contest or protest and without reference to the Bidder if the Bidder shall fail to fulfil or comply with all or any of the terms and conditions contained in the said Bidding Documents.

3. Any such written demand made by CESL stating that the Bidder is in default of the due and faithful fulfilment and compliance with the terms and conditions contained in the Bidding Documents shall be final, conclusive and binding on the Bank.

4. We, the Bank, do hereby unconditionally undertake to pay the amounts due and payable under this Guarantee without any demur, reservation, recourse, contest or protest and without any reference to the Bidder or any other person and irrespective of whether the claim of CESL is disputed by the Bidder or not, merely on the first demand from CESL stating that the amount claimed is due to CESL by reason of failure of the Bidder to fulfil and comply with the terms and conditions contained in the Bidding Documents including failure of the said Bidder to keep its Bid open during the Bid validity period as set forth in the said Bidding Documents for any reason whatsoever. Any such demand made on the Bank shall be conclusive as regards amount due and

payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding INR..... (Rupees only).

5. This Guarantee shall be irrevocable and remain in full force for a period of 180 (one hundred and eighty) days from the Bid Due Date ~~inclusive~~ ~~exclusive~~ of a claim period of ~~60-30~~ (sittythirty) days or for such extended period as may be mutually agreed between CESL and the Bidder, and agreed to by the Bank, and shall continue to be enforceable till all amounts under this Guarantee have been paid.

6. We, the Bank, further agree that CESL shall be the sole judge to decide as to whether the Bidder is in default of due and faithful fulfilment and compliance with the terms and conditions contained in the Bidding Documents including, inter alia, the failure of the Bidder to keep its Bid open during the Bid validity period set forth in the said Bidding Documents, and the decision of CESL that the Bidder is in default as aforesaid shall be final and binding on us, notwithstanding any differences between CESL and the Bidder or any dispute pending before any Court, Tribunal, Arbitrator or any other authority.

7. The Guarantee shall not be affected by any change in the constitution or winding up of the Bidder or the Bank or any absorption, merger or amalgamation of the Bidder or the Bank with any other person.

8. In order to give full effect to this Guarantee, CESL shall be entitled to treat the Bank as the principal debtor. CESL shall have the fullest liberty without affecting in any way the liability of the Bank under this Guarantee from time to time to vary any of the terms and conditions contained in the said Bidding Documents or to extend time for submission of the Bids or the Bid validity period or the period for conveying acceptance of Letter of Award by the Bidder or the period for fulfilment and compliance with all or any of the terms and conditions contained in the said Bidding Documents by the said Bidder or to postpone for any time and from time to time any of the powers exercisable by it against the said Bidder and either to enforce or forbear from enforcing any of the terms and conditions contained in the said Bidding Documents or the securities available to CESL, and the Bank shall not be released from its liability under these presents by any exercise by CESL of the liberty with reference to the matters aforesaid or by reason of time being given to the said Bidder or any other forbearance, act or omission on the part of CESL or any indulgence by CESL to the said Bidder or by any change in the constitution of CESL or its absorption, merger or amalgamation with any other person or any other matter or thing whatsoever which under the law relating to sureties would but for this provision have the effect of releasing the Bank from its such liability.

9. Any notice by way of request, demand or otherwise hereunder shall be sufficiently given or made if addressed to the Bank and sent by courier or by registered mail to the Bank at the address set forth herein.

10. We undertake to make the payment on receipt of your notice of claim on us addressed to [name of Bank along with branch address] and delivered at our above branch which shall be deemed to have been duly authorised to receive the said notice of claim.

11. It shall not be necessary for CESL to proceed against the said Bidder before proceeding against the Bank and the guarantee herein contained shall be enforceable against the Bank, notwithstanding any other

ANNEXURE 7 - FORMAT FOR CONSORTIUM AGREEMENT

(To be on non-judicial stamp paper of appropriate value as per Stamp Act)

THIS CONSORTIUM AGREEMENT executed on this..... day of two thousand..... between M/s....., a company incorporated under the laws of and having its Registered Office at.....(hereinafter called the "Party 1", which expression shall include its successors, executors and permitted assigns) and M/s.....a Company incorporated under the laws of and having its Registered Office at(hereinafter called the "Party 2", which expression shall include its successors, executors and permitted assigns) and for the purpose of submitting the Bid, executing the Project (in case of award) and entering into other Agreement(s) as specified in the RfP (hereinafter referred to as "Agreements") as may be entered into with the CESL and Authority.

WHEREAS, the CESL had invited Bid in response to RfP issued to.....(insert the name of purchaser of RfP) for Request for Proposal (RfP) for Selection of bus operator for Procurement, Operation and Maintenance of xxxxxx Electric Buses and development of allied electric and civil infrastructure on Gross Cost Contracting (GCC) under PM-eBus Sewa.

AND WHEREAS, Clause 8.2 of the RfP document stipulates that the Bidders qualifying on the strength of a Consortium will have to submit a legally enforceable Consortium Agreement in a format specified in the RfP document wherein the Consortium Members have to commit equity of a specific percentage in the Project.

AND WHEREAS, Clause 8.2 of the RfP document also stipulates that the Consortium shall provide along with the Bid, a Consortium Agreement as per prescribed format whereby the Consortium Members undertake to be liable for raising the required funds for its respective equity investment commitment as specified in Consortium Agreement.

NOW THEREFORE, THIS INDENTURE WITNESSTH AS UNDER:

In consideration of the above premises and agreement all the parties in this Consortium do hereby mutually agree as follows:

1. In consideration of the selection of the Consortium as the selected bidder by the CESL, we the Members of the Consortium and parties to the Consortium Agreement do hereby unequivocally agree that M/s..... (Insert name of the Lead Member), shall act as the Lead Member as defined in the RfP for self and agent for and on behalf of,, (the names of all the other Members of the Consortium to be filled in here).
2. The Lead Member is hereby authorized by the Members of Consortium and parties to the Consortium Agreement to bind the Consortium and receive instructions for and on behalf of the Members.
3. Notwithstanding anything contrary contained in this Consortium Agreement, the Lead Member shall always be liable for the equity investment obligations of all the Consortium Members, i.e., for both its own equity contribution as well as the equity contribution of other Members.
4. The Lead Member shall be liable and responsible for ensuring the individual and collective commitment of each of the Members of the Consortium in discharging all their respective equity obligations. Each Consortium Member further undertakes to be individually liable for the

Date : 29-12-2023

performance of its part of the obligations without in any way limiting the scope of collective liability envisaged in this agreement.

5. Subject to the terms of this agreement, the share of each Member of the Consortium in the “issued equity share capital of the SPV” shall be in the following proportion: (if applicable)

Name	Percentage of equity holding in the Project
Party 1
.....
Party n
Total	100%

[Note: The percentage equity holding for any Consortium Member in the Project cannot be zero in the above table]

6. The Lead Member shall inter alia undertake full responsibility for liaising with lenders and mobilizing debt resources for the Project and achieving financial closure.
7. In case of any breach of any of the equity investment commitment by any of the Consortium Members, the Lead Member shall be liable for the consequences thereof.
8. Except as specified in the Agreement, it is agreed that sharing of responsibilities as aforesaid and equity investment obligations thereto shall not in any way be a limitation of responsibility of the Lead Member under these presents.
9. It is further specifically agreed that the financial liability for equity contribution of Lead Member shall, not be limited in any way so as to restrict or limit its liabilities. The Lead Member shall be liable irrespective of their scope of work or financial commitments.
10. It is expressly understood and agreed between the Members that the responsibilities and obligations of each of the Members shall be as delineated as annexed hereto as Attachment - I to this Consortium Agreement, forming integral part of this Agreement. It is further agreed by the Members that the above sharing of responsibilities and obligations shall not in any way be a limitation of joint and several responsibilities and liabilities of the Members, with regards to all matters relating to the Project.
11. It is clearly agreed that the Lead Member shall ensure performance under the Agreements and if one or more Consortium Members fail to perform its /their respective obligations under the Agreement(s), the same shall be deemed to be a default by all the Consortium Members.
12. This Consortium Agreement shall be construed and interpreted in accordance with the Laws of India and courts at Delhi alone shall have the exclusive jurisdiction in all matters relating thereto and arising there under.
13. It is hereby agreed that the Lead Member shall furnish the bid security, on behalf of the Consortium Members.
14. It is hereby agreed that in case of selection of Consortium as the Selected bidder, the parties to this Consortium Agreement do hereby agree that they shall furnish the Performance security in favor of the Authority, as stipulated in the RfP and Concession Agreement.

15. It is further expressly agreed that the Consortium Agreement shall be irrevocable and shall form an integral part of the RfP Document and shall remain valid till the execution of the Concession Agreement, unless expressly agreed to the contrary by the CESL.
16. It is hereby agreed that in case of selection of Consortium as the Selected bidder, the members of the Consortium shall form an SPV (Project Implementing Entity) to execute the Concession Agreement and implement the Project. The OEM or its Associate whose technical capacity has been used to fulfill the Technical Qualification Criteria shall mandatorily hold minimum 26% subscribed and paid-up equity share capital in the SPV, throughout the period of the Agreement.
17. The Lead Member is authorized and shall be fully responsible for the accuracy and veracity of the representations and information submitted by the Consortium Members respectively from time to time in response to the RfP and for the purposes of the Project.
18. It is hereby expressly agreed between the parties to this Consortium Agreement that neither party shall assign or delegate its rights, duties or obligations under this Agreement except with the prior written consent of the CESL.

THIS CONSORTIUM AGREEMENT:

- a) has been duly executed and delivered on behalf of each party hereto and constitutes the legal, valid, binding and enforceable obligation of each such party, sets forth the entire understanding of the parties hereto with respect to the subject matter hereof;
- b) may not be amended or modified except in writing signed by each of the parties and with prior written consent of the CESL.

IN WITNESS WHEREOF, the parties to the Consortium Agreement have, through their authorized representatives, executed these present on the Day, Month and Year first mentioned above.

ANNEXURE 22 - COMPLIANCE FOR LAND BORDER RESTRICTIONS

Declaration regarding “Restrictions on procurement from a Bidder of a country which shares a land border with India”

(To be submitted on Bidder's Letter Head)

To,

CGM (SCM)

Convergence Energy Services Limited.(A 100% EESL Owned Subsidiary)

nd

Core-3, Floor, SCOPE Complex,

Lodhi Road, New Delhi-110003

Dear Sir/Madam,

With reference to our bid proposal for participation in RfP Ref:_____ dated:_____, I/we hereby confirm that, I/We have read the clause xxx as mentioned in the tender document mentioned above regarding restrictions on procurement from a bidder of a country which shares a land border with India, on sub-contracting to contractors and on transfer of technology from such countries.

I/We certify that we/our OEM/suppliers/Consortium member/suppliers/sub-contractors are/is not from such a country and we will not sub-contract any work to a contractor from such countries unless such contractor is registered with the Competent Authority.

AND

“I/We certify that we/our OEM/suppliers/Consortium member/suppliers/sub-contractors are/is not from such a country having Transfer of Technology (ToT) arrangement requiring registration with the Competent Authority.

OR

I/We certify that we/our OEM/suppliers/Consortium member/suppliers/sub-contractors are/is from such a country and we further confirm that they hold a valid registration for Transfer of Technology (ToT) by the Competent Authority which is enclosed as Attachment _____

We hereby certify that we fulfil all requirements in this regard and are eligible to be considered.

69.	Volume 3	Camera Based Passenger Counting System should be Bi – Directional Counting on a Definable Line (Polygon), Variable position of counting lines, Adaptation to on-site requirement, No Double Counting, Automatic Compensation for interference from swinging and sliding doors, It should also have real-Time Video Streaming or recording of video files to external storage media, Start and Stop function via door contact, No interference with other functions. The system shall achieve minimum 95% counting accuracy. The system should be integrated through ITS to the backend of the System(s) of the Authority. The cost of such integration shall be the responsibility of the Bidder during the Contract Period.	Camera Based Passenger Counting System should be Bi – Directional Counting on a Definable Line (Polygon), Variable position of counting lines, Adaptation to on-site requirement, No Double Counting, Automatic Compensation for interference from swinging and sliding doors, It should also have real-Time Video Streaming or recording of video files to external storage media, Start and Stop function via door contact, No interference with other functions. The system shall achieve minimum 95%-(85-90%) counting accuracy. The system should be integrated through ITS to the backend of the System(s) of the Authority. The cost of such integration shall be the responsibility of the Bidder during the Contract Period.	New technology and accuracy also depend on passenger behaviour.	As per RfP

Total 19 numbers for 7-meter bus (18 seats + Driver) II. For wheelchair compatible buses: i. Total 37 numbers for 12-meter bus including wheelchair (36 seats + 1 wheelchairs + Driver), ii. Total 24 numbers for 9-meter bus including wheelchair (23 seats + 1 wheelchairs + Driver).	13 seats + D	21 seats +D	24 seats + D +2Wheelchairs	Amended
89			Technical Qualification Criteria: For meeting technical qualification criteria the bidder should satisfy the criteria mentioned in (E) below					
			1. The Bidder should have regularly, starting 01 st April of the previous financial year till Bid Due Date, manufactured and supplied Electric Buses and 2. The Bidder should have manufactured and supplied at least 25 Electric buses in atleast one of the last five financial years or in the current financial year and 3. The Bidder must have an annual capacity to manufacture and supply at least 500 Electric Buses prior to the Bid Due Date. The manufacturing facility must be located in India.	License of manufacturing buses: Proof of manufacturing and sale like Work order, supply agreements, contract etc. (clearly mentioning the no. of unit sold, customer name and date of supply), proof of manufacturing capacity available and proof of delivery. Annual capacity for Bus manufacturing and supply: Certificate from a Chartered Engineer confirming the adequate production capacity of Electric Buses and self-certification by the OEM on its letterhead.	1. The Bidder should have regularly, starting 01st April of the previous financial year till Bid Due Date, manufactured and supplied Electric Buses and/or 2. The Bidder should have manufactured and supplied at least 25 Electric buses/15000 Diesel Vehicle/300 CNG in atleast one of the last five financial years or in the current financial year and 3. The Bidder must have an annual capacity to manufacture and supply at least 500 Electric Buses prior to the Bid Due Date. The manufacturing facility must be located in India.	The Clause should not restrict like an Old and Established Manufacturer like Force Motors Ltd from participation in the Tender		As per RFP

Sl. No.	Page (xx/481)	Part	Clause	Heading	Clause description	Remarks Inputs	Amended as / Clarified as
90	28	Section -2 - Instruction to the Bidder	5.2.2	Repeat Order	CESL reserves right to place repeat order upto 50% of original contract value	What if Operator is not able to complete the repeat order in time? Penalty, as per the original contract, should not be levied as it is an additional ask.	Section 4 prevails
91	34	Section -2 - Instruction to the Bidder	12.10.1	Suspension or Termination		CESL has unilateral power of termination without cause. Why?	Section 4 prevails
92	53	Section -3 General Condition of Contract	12.2	Terms of Payment		Why would payment not be deemed to constitute acceptance, and till when? The transaction cannot be open for dispute for an indefinite period.	Section 4 prevails
93	56	Section -3 General Condition of Contract	15.1	Intellectual Property		There needs to be a tenure mentioned till when CESL can use the Operator's intellectual property for the purpose of the contract. It cannot be indefinite.	As per RfP
94	165	Volume 2 - Concession Agreement	5.13.C	Obligations relating to appointment of Drivers and Staff	The Operator shall have to make payment to the driver's bank account through RTGS/NEFT mode only.	How will this be complied if the operator appoints a 3rd party for operating buses.	Clarified as : The payment shall be made to driver's bank account through RTGS/NEFT mode only
95	169	Volume 2 - Concession Agreement	6.1.2 (L)	Obligations of the Authority	The Authority shall bear passenger tax from revenue collection and/or from applicable passenger taxes levied by State Transport Authorities from operations in jurisdictions outside the registered state for interstate operations. Additionally, the Authority shall also bear the cost of tolls from operations of buses as per the deployment schedule. The above-mentioned costs shall be reimbursed to the operator by the Authority on submission of actual receipts by the Operator.	This cost shall be directly paid by Authority and not via Operator as Operator has limited role to play.	As per RfP
96	186	Volume 2 - Concession Agreement	13.6.1	Procurement of Buses	The Operator shall, no later than 30 (thirty) days after the execution of this Agreement, procure and deliver a Prototype and demonstrate to the central testing agency nominated by MoHUA, the tests and trials conducted in accordance with the provisions of Clause 13.5.	Inconsistent with Timeline Table on page 126 wherein 2 weeks is provided post signing of CA. We propose the same to be 90 days from signing of CA in line with previous CESL tender	Amended as: Article 13.6.1 - "The Operator shall, no later than 2 weeks (for 12m and 9m buses) and 16 weeks (for 7m bus) after the execution of this Agreement, procure and deliver a Prototype and demonstrate to the central testing agency nominated by MoHUA, the tests and trials conducted in accordance with the provisions of Clause 13.5.
97	287	Volume 2 - Concession Agreement	-	Definition	Provided further that the Debt Due, on or after COD, shall in no case exceed 70% (seventy per cent) of the Total Project Cost.	To be removed in line with previous CESL tender	As per RfP
98	324	Volume 2 - Concession Agreement	Schedule - M	Escrow Agreement	Fee Deposit 1 month	This shall be 2-3 months in line with previous CESL tender	As per RfP
99	324	Volume 2 - Concession Agreement	Schedule - M	Escrow Agreement		Waterfall mechanism for payment to be done by Operator. Further, why Authority is required to be party of supplementary escrow agreement ?	
100	-					Ridership/ fare collection per km/ daily Km operated by existing buses	
101	-					No. and location of depot in each city, whether brownfield/ greenfield	
102	116	Volume -1 - Instruction to Bidders	12.2	Evaluation and Allocation Process	Max no of cumulative buses that can be allotted to one Bidder ill be restricted to 2,520 buses	Maxm buses to be allocated to single bidder 1000	Amended
103	379	Volume 3		Technical Specification for Type 1 Buses		Single charge requirement alongwith opportunity charging to be sufficient to cover Assured KM. Accordingly, requirement of Single charge to be reduced by 20 km for each type of buses 12m/9m/7m	As per RfP
104	2	Bid Details		Earnest Money Deposit		EMD per bus to be reduced in line with previous CESL tenders	As per RfP
105	220	Article-20 - Key Performance Indicators	20.1	Cap on Damages for failure to achieve Key Performance Indicators	Damages under clause 20.3 will not be subject to the 10% capping mentioned in this clause	Penalty applicable under clause 20.3 in relation to operational availability shall be part of capping of 10% under article 20 - Key Performance Indicator	Amended
106	126	Volume -1 - Instruction to Bidders	21.3	Inspection and Procurement Schedule		We propose Delivery Timeline to be 40% - 12 months 75% - 18 months 100% - 24 months	Amended for 7m buses
107	127	Volume -1 - Instruction to Bidders	24	Indigenization And Component Wise Manufacturing And Origin Information		Clarity on indigenization, what % is required. Same is unclear in the RfP	Amended

Sl. No.	Page (xx/481)	Part	Clause	Heading	Clause description	Remarks Inputs	Amended as / Clarified as
108	198	Volume 2 - Concession Agreement	16.4.7	Routes and Schedules	In the event there is a need for change in the Operational Route of a Bus, the Operator shall inform to control center establish by Authority for monitoring of all the activities ("Control Centre") and same shall be tailed with the change in the route length measured by the Intelligent Transit Management system (ITMS) installed by the operator or the ODO meter reading at the end point of the route and the distance so measured shall be reckoned for the purpose of making payment to the Operator	Do the operator need to provide their own ITMS system or it will be authority ITMS or Central ITMS system. Who will upload the routes and schedules plan in ITMS Who will provide stoppages survey details with geo-fence coordinates Do the operators needs to run their buses without routes if not uploaded by Authority Do we have access of ITMS portal to monitor our buses What will be the Odometer source. Need more clarifications	Amended
109	214	Volume 2 - Concession Agreement	19.7	Real Time Data Access	The Operator shall ensure integration of the data feed from ITS devices to the Centralized ITMS Platform.	Please specify the protocol details which needs to be implement in device side. Please provide Schedule P annexure. Need more clarification and specification requirements of ITS system. Integration scope is not mentioned.	Amended
110	219	Volume 2 - Concession Agreement	20.7.1	Operational Infractions	The Operator shall Operate and Maintain the Buses so as to minimize the occurrence of any of the Operational Infractions. An Operational Infraction may be identified by the Authority (or the Authority's Representative) either through inspections of the Buses and Maintenance Depots, User complaints or review of the data generated from the ITS.	What will be the parameters needs to be used to monitor for Operational infractions.	As per RFP
111	220	Volume 2 - Concession Agreement	20.8.2	Operational Infractions	The Operator shall keep due and proper records of all data collected from the operation of the Buses from the Data Monitoring System, ITMS or any other systems installed, for the purposes of verification by the Authority.	Do the operators need to retain any device raw data for verification purposes. Which are the parameters needs to be collected from ITS devices.	Amended as : backup for 90 days of raw data at Operator/ OEM end to be retained
112	223	Volume 2 - Concession Agreement	22.1.2	Fee	In consideration for undertaking the Project, the Authority shall pay the Operator a fee calculated on the basis of methodology mentioned in the clause below, and in accordance with the deployment plan y each Bus operated by the Operator and as captured in the ITMS platform in fulfillment of the operation obligation under this agreement (the "Fee").	Need ITS device up time expected SLA for fee calculation. Need more clarification and specification requirements of ITS system.	As per RFP
113	223	Volume 2 - Concession Agreement	22.1.4	Fee	The Operator agrees and acknowledges that a Bus Kilometer, for the purpose of payment of the Fee, shall not include any kilometer travelled by the Bus to any maintenance facilities, other than the Maintenance Depot, or for any travel not authorized by the Authority or not captured in the ITMS platform or otherwise not in accordance with the terms of this Agreement.	what will be the process of fee calculation incase Authority demand to deploy buses without plan or delay to upload monthly route/ schedule plan by authority in central ITMS system.	As per RFP
114	224	Volume 2 - Concession Agreement	22.1.5, 22.1.6	Fee	In the event Bus Kilometers is not captured by ITMS on account of default of authority, the odometer reading of such fleet for the performed trips shall be referred for calculation of Bus Kilometer	What will be the Odometer reading source. Need more clarifications	Amended
115	395		Annexure 2	NCMC Based Ticket Validator Specifications		Is this a separate requirement. Do bus OEM/ Operator need to provide this hardware? Do bus OEM/ Operator need to provide application portal?	Amended as: Not in the scope of Operator
116	385	Technical Specification for Type-1 Buses	Table 1	ITS enabled Bus	CCTV Camer with 4G/5G	As per AIS-140 Annex-C it will be available on OBITS storage disk and not be on server. Please confirm.	As per RFP
117	341	Annex - 3		List of Parameters and data structured.	VHMD Parameters	Please do let us know which are the CAN parameters we need to provide as per MQTT protocol samples it more than publish on page number at page number 246, annexure 3, List of Parameters and data structured.	Amended
118	168	Article-6 - Obligation of the Authority	6.1.3	The following minimum depot infrastructure shall be provided by the authority		Scope for cable trench for chargers are not mentioned. Shed for charger shelter is not clarified. Bus cleaning machine scope is not clarified. Liaisoning with electrical department for load sanctioned and CEIG Inspector is not cleared during initial setup of Depo Scope of works for electrical infra works like Transformer, HT Panel/RMU, LT Panel for power supply for bus chargers	As per RFP

119	303	Schedule-A - Site of the maintenance Depot	Annex - I/II/III			Annexure-I, II and III are not descriptive. Infrastructure scope of works for operators are not cleared.	As per RFP
120	307	Schedule-C - Applicable Permit	Section-2	The following permits shall be procured by authority		the compliance requirement is specified for the operators. However, Depo will be constructed by the authority, hence all Statutory compliances like Depo FIRE NOC (fire hydrant, fire sprinkler, detection system), Electrical CEIG, PCB NOC, CTO, CTE would be in authority scope	Amended
121	168	Article-6 - Obligation of the Authority	6.1.2			The distance between bus charging area to substation infra are not mentioned Requirement of Chargers per bus is not mentioned. Any changes in charger count may impact on backend electrical and civil infrastructure requirement	As per RFP
122	223	Volume 2 - Concession Agreement	22.1.3	ARTICLE-22 FEE	FEE	Bus Breakdown in between routes & passenger deboarded and Bus travelled back to depot. Those KM travelled (Breakdown to Depot) will be billed to authority.	As per RFP
123	223	Volume 2 - Concession Agreement	22.1.5	ARTICLE-22 FEE	FEE	Any vehicle travelled prior to COD date will be billed on actual KM and will not be considered in assured KM in future or any other calculation.	As per RFP
124	223	Volume 2 - Concession Agreement	22.1.5	ARTICLE-22 FEE	FEE	COD of Buses Lots - contractual period will be extended according to COD of Lots instead of Contractual Expiry	As per RFP
125	223	Volume 2 - Concession Agreement	22.1.6	ARTICLE-22 FEE	FEE	In the event of Bus KM not captured in ITMS due to Telecom service provider or Network non availability, the Billing should be take placed based on ODO meter readings available	Amended
126	224	Volume 2 - Concession Agreement	22.3.2	MONTHLY ASSURED KM	MONTHLY ASSURED KM	Assured KM will be calculated based each bus and billing will be done based on each bus KM or cummulative KM for the month of bus lot	As per RFP
127	224	Volume 2 - Concession Agreement	22.4.1	REVISION OF FEE	REVISION OF FEE	Revision of Fee from the date of signing of the agreement, if the buses are not operated than also price will be revised after 6 months and updated price will be applicable at the time of first billing. And WPI & CPI reference and price should be available with example	As per RFP
128	224	Volume 2 - Concession Agreement	22.4.1	REVISION OF FEE	REVISION OF FEE	In any case PK Fee will not be in reduce due to WPI & CPI reduce	As per RFP
129	224	Volume 2 - Concession Agreement	22.4.1	REVISION OF FEE	REVISION OF FEE	WPI & CPI - Getting updated later after 1-2 months, in that case price revision for monthly billing will take be taken place through supplementary invoices	As per RFP
130	225	Volume 2 - Concession Agreement	22.5.1	ELECTRICITY COST	ELECTRICITY COST	Current Tariff of Electricity to be provided of that state according to this agreement and example of calculation of rate per unit should be available for more understanding.	Clarified as: Operator need to arrange for the Electricity bill for the state in which it is planning to bid
131	353	Schedule - S	Schedule S	Lost KM	For Any missed Trip or Trip not completed, deduction shall be made in following manner	Loss KM will not be calculated for the purpose of billing as bus not travelled - Need more clarity on Deduction Calculation with example to avoid any dispute	As per RFP
132	354	Data Unavailability (Deductable)	Data Unavailability (Deductable)	Data Unavailability (Deductable)	Parameters of Vehicle Health Monitoring	98% data availability of defined parameters - Data availability has linked for many internal and external parameters some are beyond control exaple - Network availability of Service Provider, System malfunctioning, Vehicle Breakdown, etc.. Required clarity with example of data required frequency and calculation of deduction	As per RFP
133	377	Technical Specification for Type-I Buses	3.1	Battery Cooling system	Liquid cooling system. Battery temperature to be maintained between 5-45 degree C	Should be as per manufacturer design & specification	As per RFP

143	Section No. 4 Vol. 1	Eligibility & Qualification Criteria The Bidder/ Consortium member must be a wholly owned subsidiary of its Parent, whose credentials are being used for seeking qualification based on financial capability	Eligibility & Qualification Criteria The Bidder/ Consortium member must be a wholly owned subsidiary of its Parent, whose credentials are being used for seeking qualification based on financial capability. The word subsidiary means having majority shareholding of its parent, hence the word wholly owned may be removed to meet the eligibility criteria. Since the OEM is holding Majority interest in the subsidiary and same shall hold majority interest in the SPV (if formed). Hence wholly owned subsidiary should be removed as per NEBP-1 Tender floated by CESL.	Amended
	Page No. 19			
	Para No/Clause No. 9.3.2			
144	Section No. 1	EMD for 3600 Buses - Rs. 91.89 Crores (Equivalent to Rs. 2.55 Lacs per Bus)	Since the BG requirement in current tender is too high in comparison to GC and NEBP-1 tender of CESL, we request EMD BG @ Rs.75000 per bus approx. inline with NEBP-1 tender.	as per rfp

	Para No/Clause No. 5.6			
146	Section No. 2	The Operator shall ensure and procure compliance of each of the Key Performance Indicators specified in Article 20. Any Damages payable by the Operator for a failure to achieve the Key Performance Indicators set out in Clauses 20.2 and 20.4 to 20.7 in any month in accordance with this Article 20 shall be capped at 10% of the aggregate Monthly Fees payable in such month. Any Damages payable by the Operator as a result of any Operational Infractions in any month shall be capped at 5% of the Monthly Fees for that month. It is further clarified that Damages under clause 20.3 (non-availability of buses) will not be subject to the 10% capping mentioned in this clause.	Please cap all the individual KPI penalties to 0.05% which is same as incentive. Since the operation penalties are too high in this regard we request, The Operator shall ensure and procure compliance of each of the Key Performance Indicators specified in Article 20. Any Damages payable by the Operator for a failure to achieve the Key Performance Indicators set out in Clauses 20.2 to 20.7 in any quarter in accordance with this Article 20 & Damages payable by the Operator as a result of any Operational Infractions in any month including Key Performance indicators shall be capped at 3% of the aggregate Monthly Fees payable in such quarter. Incentive and penalty should commensurate.	Amended

313		Technical Specification-	The bus shall conform to the technical specifications mentioned in this Table 1 are applicable for following type of buses:	The bus shall conform to the technical specifications mentioned in this Table 1 are applicable for following type of buses:	We request to consider below-	Amended
					9m & 12m - 900mm /650 mm floor height	
			1. 12m, 900 mm floor height AC Bus	1. 12m, 650 to 900 mm floor height AC Bus	7m - 650mm floor height.	
			2. 9m, 900 mm floor height AC Bus	2. 9m, 650 to 900 mm floor height AC Bus		
			3. 7m, 650 to 900 mm floor height AC Bus For detailed characteristics, refer to clause 14	3. 7m, 650 to 900 mm floor height AC Bus		
			i. The word “bus” shall mean the New electric bus to be used for the project.			
			ii. The word “bus” shall also mean a bus powered exclusively by an Electric Motor whose traction energy is supplied exclusively by traction battery (Other than hybrid) installed in the vehicle suitable for operations in city conditions.			
			iii. The bidder shall comply with all applicable Central, State and local laws (including Acts, Rules & Regulations).			
			iv. The word “Bus” wherever it has been used in specifications means the “Battery Operated Bus”. The bus in general shall meet all applicable Central Motor Vehicle Rules, 1989 as amended from time to time (hereinafter referred to as “CMVR”), norms for safety applicable on the date of manufacture and Bus Code AIS 052 1989 as amended from time to time thereof [hereinafter called Bus Body Code], AIS:049, AIS:038 and AIS:153 all as amended from time to time as also those related to easy passenger accessibility including for persons with disabilities (PWDs) and all other norms and regulations on electric vehicles.			
			v. Where there is conflict between the requirement as per any applicable law in force and the requirement emanating from these specifications whichever of these two is of superior/ higher standard shall prevail. Also, any specifications superior to the ones set out as Minimum Technical Specifications shall meet requirements of the contract.			
			Bus Model shall be in compliance with latest CMVR & Bus Body Code and approved as per AIS:052+AIS:153+Annexure 3 of UBS II+FAME II by			
	any Indian Government approved testing agency like ARAI, ICAT, NATRaX, CIRT etc.

	Page No.				
	Para No/Clause No.				
342	Section No. 4 of Vol - 2	Notwithstanding anything to the contrary contained in this Agreement, the Operator agrees and acknowledges that selection or replacement of an O&M Contractor and execution of the O&M Contract shall be subject to the prior approval of the Authority from national security and public interest perspective, the decision of the Authority in this behalf being final, conclusive and binding on the Operator, and undertakes that it shall not give effect to any such selection or contract without prior approval of the Authority. Provided however, that this Clause 5.2.6 shall not apply to any subcontracts entered into by the Operator for the provision of any housekeeping or basic office support staff services. For the avoidance of doubt, it is expressly agreed that approval of the Authority under this Clause 5.2.6 shall be limited to national security and public interest perspective, and the Authority shall endeavour to convey its decision thereon expeditiously. It is also agreed that the Authority shall not be liable in any manner on account of grant or otherwise of such approval and that such approval or denial thereof shall not in any manner absolve the Operator or its Contractors from any liability or obligation under this Agreement.	We request Authority that Operator may select/ replace/ sub-contract the of O&M sub-contractor. The Operator shall provide the necessary information to Authority, request Authority to not insist of Authority consent for selection/ replacement of O&M sub-contractor. OR We should also remove the word Public interest as we cannot quantify the same. In case any delay on account of such event, further timeline extensions has to be agreed by authority without any LD or penalty.	There should not be any such clause as Operator will be the sole responsibility for all the work under the agreement and hence Project Agreement should be left at discretion of Operator	as per RFP

	Page No. - 11/27	(j) a failure by the Operator to achieve the Key Performance Indicators set out in Clause 20.3 such that the Damages payable by the Operator for such failure exceeds the maximum amount specified in Clause 20.11 for 3 (three) consecutive months: maximum amount specified in Clause 20.11 for 3 (three) consecutive months: Periodic third-party audits shall be conducted for ensuring transparency in the project finances			
	Para No/Clause No. - General Conditions - 6.6				
386	Section No. 4 of Vol-2	29.7.2 Upon occurrence of a Force Majeure Event after the Appointed Date, the costs incurred and directly attributable to such event and directly relating to the Project (the "Force Majeure Costs") shall be allocated and paid as follows: (a) upon occurrence of a Non-Political Event, the Parties shall bear their respective Force Majeure Costs and neither Party shall be required to pay to the other Party any costs thereof; (b) upon occurrence of an Indirect Political Event, all Force Majeure Costs attributable to such Indirect Political Event, and not exceeding the Insurance Cover for such Indirect Political Event, shall be borne by the Operator, and to the extent Force Majeure Costs exceed such Insurance Cover, one half of such excess amount shall be reimbursed by the Authority to the Operator; and (c) upon occurrence of a Political Event, all Force Majeure Costs attributable to such Political Event shall be reimbursed by the Authority to the Operator, provided that in case of a Change in Law, no additional compensation shall be payable to the Operator if the consequences of such Change in Law have been dealt with under and in accordance with the provisions of Article 36.	29.7.2 Upon occurrence of a Force Majeure Event after the Appointed Date, the costs incurred and directly attributable to such event and directly relating to the Project (the "Force Majeure Costs") shall be allocated and paid as follows: (a) upon occurrence of a Non-Political Event, the authority will provide Force Majeure Costs (b) upon occurrence of an Indirect Political Event, all Force Majeure Costs attributable to such Indirect Political Event, and not exceeding the Insurance Cover for such Indirect Political Event, shall be borne by the Operator, and to the extent Force Majeure Costs exceed such Insurance Cover, hundred percent of such excess amount shall be reimbursed by the Authority to the Operator; and (c) upon occurrence of a Political Event, all Force Majeure Costs attributable to such Political Event shall be reimbursed by the Authority to the Operator, provided that in case of a Change in Law, no additional compensation shall be payable to the Operator if the consequences of such Change in Law have been dealt with under and in accordance with the provisions of Article 36.	Payment of Debt, O&M cost is important to reimburse because of fixed & labour cist which are to be paid even on strike like situation.	as per RFP
	Page No. 149				
	Para No/Clause No. - General Conditions - 29.7.2	For the avoidance of doubt, Force Majeure Costs shall only include costs directly attributable remedying, rectifying and/or mitigating such Force Majeure Event and shall not include interest payments on debt, O&M Expenses, any increase in the cost of the Fit Out Works or the Buses on account of inflation, loss of income or debt repayment obligations and for determining such costs , the Affected Party shall be required to submit such information as may be relevant to evidence that it has incurred such costs, including documentary proof such as receipts, challans, invoices etc.			
387	Section No. 4 of Vol-2	The Operator agrees that it shall be solely responsible for the procurement of Buses. Subject to the terms of this Agreement, the Parties agree that during the Contract Period, ownership of the Buses shall remain with the Operator and the Operator shall cause all Buses to be registered in the name of the Operator, or, where title and ownership of the Buses lies with any other Person pursuant to the terms of any Project Agreement, in the name of such Person, and the Authority shall not exercise any right, title, or interest over any of the Buses, unless provided otherwise under the terms of this Agreement. The Operator shall have the right to lease the Buses required to be provided under this Agreement under the Bus Lease Agreements on terms that are consistent with this Agreement. In instances where the Buses are leased to the Operator or the Financier, then the Ownership and Registration of the Buses shall be in the name of the Lessor.	Request Authority to consider 1. Bus leasing should be between financier & STUs/Authority as with introduction of Payment Security Mechanism bankability of the model increases. STUs/Authorities will enter into O&M Agreement with Operator/OEM. 2. As in the consortium model OEM & its associates have been given an option to have minimum share of 26% after 3 years. Hence, Authority should allow 2 contracts in the initial years to ensure asset light balance sheet for OEMs.		Amended

Sr. No.	Section No.	Description as Per RfP	Queries/ Clarification of the bidder	Remarks	Amended as / Clarified as
	Page No.				
	Para No/Clause No.				
411	Section No. 4 of Vol-2	it shall pay Damages to the Authority in a sum calculated at the rate of 0.1% (zero point one per cent) of the amount of Performance Security per bus times the number of buses allocated to the specific depot for each day of delay until the Fit Out Works are completed and the relevant Maintenance Depot is ready to be put into commercial operation.	1. The timeline of 30 days for Depot completion is too short. It is requested to provide a period of 90 days. 2. It is requested to add Authority's obligation in this Clause or Schedule U in case of delay in completion of Maintenance Depot due to reasons attributable to the Authority		NA
	Page No. - 88				
	Para No/Clause No. - 12.5 Completion of the Maintenance Depots				
412	Section No. 4 of Vol-2	The Operator shall, no later than 30 (thirty) days after the execution of this Agreement, procure and deliver a Prototype and demonstrate to the central testing agency nominated by MoHUA, the tests and trials conducted in accordance with the provisions of Clause 13.5.	1. The time line is contradictory to the the timeline provide in Clause 21.3 in Section -4 Vol-1		amended
	Page No. - 93				
	Para No/Clause No. - 13.6.1 Prototype Supply				
413	Section No. 4 of Vol-2	14.1.4 The Operator shall ensure that all Buses meet the prescribed safety standards as set out in the Specifications and Standards and Applicable Law, including but not limited to, ensuring that the Buses are fitted with CCTV cameras, digital ticketing systems	It is requested to omit the requirement for "digital ticketing systems"		amended
	Page No. 96				
	Para No/Clause No. - 14.1.4 Inspection by the Authority				
414	Section No. 4 of Vol-2	The Parties agree that for discharging the Maintenance Obligations hereunder, the Operator shall provide its staff, movable equipment, Spares and Consumables, workshop, office space etc. The Parties further agree that the workshop space to be provided hereunder by the Operator for discharging the Maintenance Obligations of the Operator shall be no less than 100 m (hundred metres) long and 20 m (twenty metres) wide, within the Maintenance Depot.	It is requested to remove this Clause - The Operator can confirm that the Workshop Space will be no less than 100 m (hundred metres) long and 20 m (twenty metres) wide, within the Maintenance Depot only after getting the Depot Handover. This is also dependent on Number of Buses.		as per RFP
	Page No. 108				
	Para No/Clause No. - 17.1.2 Maintenance Obligations				
415	Section No. 4 of Vol-2	The Operator shall submit to the Authority before the 31st (thirty first) May of each Accounting Year, an annual report in 10 (ten) copies containing, without limitation, a detailed listing and analysis of all accidents occurring on account of the operation of the Buses or in the Maintenance Depots during the preceding Accounting Year and the measures taken by the Operator for averting or minimizing such accidents in the future ("Annual Safety Report").	May 10 Copies of Annual Safety Report will not be necessary. It is requested to reduce the number of Copies to three (3) nos.		as per RFP
	Page No. 116				
	Para No/Clause No. - 18.5.1 Annual Safety Report				
416	Section No. 4 of Vol-2	1. (20.2.3) - Operator agrees that the Breakdown Factor for the Buses, determined in accordance with Clause 20.2.2, shall be equal to or less than 0.5 2. (20.6.3) - Operator agrees that the assured General Safety ("Assured General Safety") determined in accordance with Clause 20.6.1 and 20.6.2 shall be equal to or less than 0.01	Request authority to consider threshold limits as below: Breakdown factor <=1 Assured General Safety <=0.1		as per RFP
	Page No. - 120 & 124				
	Para No/Clause No. - 20.2.3 & 20.6				
417	Section No. 4 of Vol-2	The Operator shall appoint, and have during the subsistence of this Agreement as its Statutory Auditors, a firm chosen by it from the mutually agreed list of 5 (five) reputable firms of chartered accountants (the "Panel of Chartered Accountants"),	It is requested to remove this Clause. Claases of Companies Act shall prevail. Audit will be performed by Statutory Auditors of the Operator.		as per RFP
	Page No. - 138				
	Para No/Clause No. - 26.2 Appointment of auditors				
418	Section No. 4 of Vol-2The Operator hereby licenses and sub-licenses respectively, the Authority or any other person authorised by it under Clause 31.1 to use during Suspension, all Intellectual Property belonging to or licensed to the Operator for and in respect of Operation and Maintenance of Buses.	1. It is requested to remove the obligations of the Operator to license its Intellectual Property 2. It is requested to include the consent of the Lender in this Clause. Otherwise obtaining a Lender will become very difficult		as per RFP

	Page No.				
	Para No/Clause No.				
432	Page No. 157	5.1.3 Subject to and on the terms and conditions of this Agreement, the Operator shall, at its own cost and expense, undertake the Fit Out Works and Operation and Maintenance of the Maintenance Depots for the maintenance of Buses and shall observe, fulfil, comply with and perform all its obligations set out in this Agreement or arising hereunder	Initially as per understanding, Authority will provide the complete infra except the chargers in the depot. Further over the period of contract the fit out work will be in scope of the operator, request Authority to confirm.		as per RFP
	Para No/Clause No. 5.1.3				
433	Section No. 4 of Vol-2	5.1.5 The Operator shall procure, install, operate and maintain adequate metering equipment for the Charging Infrastructure to accurately record throughout the term of this Agreement the electricity consumed for charging the Buses.	As the provision of power in the depot and HT level and further stepping down to 415 V is in the scope of the Authority, the suitable energy meter installation also need to be taken care by Authority. Energy meter at Charger end will be provide by Operator for measurement of charger wise power consumption - Request to confirm		as per RFP
	Page No. 157				
	Para No/Clause No. 5.1.5				
434	Section No. 4 of Vol-2	5.12 Obligations relating to Charging Infrastructure The Operator agrees that it shall procure, construct, install and provide the Charging Infrastructure at the Maintenance Depots such that each Maintenance Depot is capable of Overnight Charging a minimum 50 (fifty) Buses and opportunity charging of Buses at mutually identified locations (Maintenance depot, Terminal, etc.,) for a maximum period of 30 (thirty) minutes in accordance with the Deployment Plan. The Operator agrees that it shall ensure that the Charging Infrastructure are used only for the purpose of charging of Buses and no other purpose whatsoever.	1. Request authority to confirm, in case of the cities with less than 50 buses, wheather operator need to provide required charging infra for the fleet deployed or still need to provide the infra for min 50 bus size depot. 2. Request Authority to clarify no.of opportunity charging location for each city as this will attract additional cost		Amended
	Page No. 165				
	Para No/Clause No. 5.12				
435	Section No. 4 of Vol-2	(e) procure and provide to the Operator, electricity connections (at the available HT metering level, which for the avoidance of doubt may be a 11/22/33/66 kV connection) and sub-station up to 415 V at the locations of the Maintenance Depots specified in Schedule-A for charging of the Buses and operation of the Charging Infrastructure, along with all requisite permissions, approvals and licenses in relation to the utilisation by the Operator of such electricity connection. The maintenance of the electricity connections and substations up to 415V at the locations of the Maintenance Depots shall be in the scope of Authority;	a) Request authority to provide the 415 V LT power with suitable LT distribution panel with suitable numbers of outgoing with respect to chargers and other auxilliary power supply points. B) As the supply and maintenance of the entire power infra upto 415 V is in the scope of the Authority, request to plan the load requirement in consultation with the selecte bidder for better power management and planning.		as per RFP
	Page No. 168				
	Para No/Clause No. 6.1.2 (e)				
436	Section No. 4 of Vol-2	22.5.1 The Parties agree and acknowledge that, as on the date of this Agreement, the PK Fee is inclusive of electricity cost including consumption charges, fixed charges, cess, taxes and other charges imposed by the local DISCOM at HT level metering dedicated for the operator. The operator is responsible for payment of electricity charges for operation and maintenance of buses and maintenance depot to the local DISCOM. The Parties agree that the Authority is liable for any increase in electricity tariff or other related charges including fixed fee, cess, taxes, etc post the Bid Due Date and shall compensate the Operator for any such increase in tariff up to the Allowed Energy Consumption as defined in 22.5.2. The bidder shall raise invoice against the increase in input costs for electricity along with actual bills and supporting documents of the revised electricity cost on actual basis as part of monthly bills. Reconciliation of payment against the differential in electricity tariff to be done annually subject to allowed energy consumption as defined in 22.5.2.	As the Authority is providing the entire depot electrical infra at 415 V with necessary sb station and stepping down from 11/22/33/66 KV then the losses on account of the electrical infra developed need to be take care by Authority. Operator will pay the electricity charges at the HT level after deduction of losses on accont of the electrical infra upto LT outgoing panel. Losses at he charger end will be in scope of the operator.		as per RFP
	Page No. 226				
	Para No/Clause No. 22.5.1				
437	Section No. 4 of Vol-2	Depot yard lighting - high mast type, search lights, etc.	Request authority to consider the provision of operational Street light, High masts, searh lights etc. under Min Standard depot provision scope , which already menioned , Operator will be responsible for further maintenance of the same during contractual period.		Amended
	Page No. 321 Para No/Clause No. SCHEDULE-L				
438	Section No. 4 of Vol-2	[Effluent Treatment Plant (ETP)] (if not already available at depot)	Request authority to consider the provision of operational ETP plant in the depot with the necessary approvals from related govt agencies under Min Standard depot provision scope, which already menioned, Operator will be responsible for further maintenance of the same during contractual period.		Amended

	Page No. Para No/Claue No.				
439	Section No. 4 of Vol-2	The Operator shall ensure that they have a minimum of 1 no. of Maintenance Vehicle ("Break Van") for each lot of 50 Buses. This Break Van should be available at the Depot for servicing or towing any Bus that has a breakdown during normal course of operations.	Request to consider expected no. of breakdowns i.e., 0.5 per 10 K Kms. So, Breakdown van suggested 1 per 50 buses appears to be very high. Authority is requested to modified clause as below suggested for one van + one Bick per depot.		amended
	Page No. 62				
	Para No/Claue No. 5.1.7				
440	Section No. 4 of Vol-2	The Operator agrees that it shall procure, construct, install and provide the Charging Infrastructure at the Maintenance Depots such that each Maintenance Depot is capable of Overnight Charging a minimum 50 (fifty) Buses and opportunity charging of Buses at mutually identified locations (Maintenance depot, Terminal, etc.) for a maximum period of 30 (thirty) minutes in accordance with the Deployment Plan. The Operator agrees that it shall ensure that the Charging Infrastructure are used only for the purpose of charging of Buses and no other purpose whatsoever.	Requested to provide Route details including terminal locations with tentative bus operation plan to understand bus operation and to conclude no of chargers to install per terminal and no of terminals		as per RFP
	Page No. 70				
	Para No/Claue No. 5.12				
441	Section No. 4 of Vol-2	Subject to the requirements set out in Clause 16.4.2 and this Clause 16.4.3, the Authority may change an Operational Route any number of times. However, the Authority shall not change any Operational Route (involving a change of the origin, destination or opportunity charging locations) more than [] times in a Contract Year per Bus to ensure operational efficiencies.	The authority shall bear the cost involved for additional chargers / shifting of chargers due to change in routes if any.		as per RFP
	Page No. 102				
	Para No/Claue No. 16.4.3				
442	Section No. 4 of Vol-2	Notwithstanding anything contained in Clause 16.4, if the Authority wishes to deploy a Bus on any route which requires the Bus to undergo opportunity charging at a location that is not a Maintenance Depot as per Schedule-A ("Opportunity Charging Stations"), then the Authority shall, at its cost, be responsible for procuring and providing to the Operator:	1. Requested to provide Route details including terminal locations with tentative bus operation plan to understand bus operation and to conclude no of chargers to install per terminal and no of terminals 2. The authority shall bear the cost involved for additional chargers / shifting of chargers due to change in routes if any.		as per RFP
	Page No. 103				
	Para No/Claue No. 16.4.8				
443	Section No. 4 of Vol-2	In case of a Breakdown of a Bus during normal course of Operations, the Operator shall immediately inform the Control Centre and its maintenance team whereupon the Operator shall ensure speedy tow-away of the affected Bus within 1 (one) hour of the Breakdown. The Operator shall as soon as is reasonable practicable, provide a replacement Bus to complete the route after such breakdown, or shall transfer all (or as many as capacity permits) Users to the next Bus plying on the same Operational Route in order to minimise inconvenience to the Users, failing which it will be deemed as an Operator Default and the Operator shall be liable to pay Damages of 20 kms deduction per instance. In case bus is not repaired or towed away from the break down spot within a period of 1 (one) hour, Operator shall be liable to pay additional damages of deduction of 20 kms per each additional hour.	Cosidering route length, time required to reach breakdown location and to attend the bus as per defect, authority is suggested to provide 2 hrs to breakdown team to attend (reach at location) the bus.		as per RFP
	Page No. 105				
	Para No/Claue No. 16.6.1				
444	Section No. 4 of Vol-2	"Breakdown" means the mechanical failure of a bus that prevents the bus from being in operation or impedes the operation so much that it is impossible or dangerous to operate, provided that such mechanical failure has not arisen on account of any accidents, vandalism, arson, riots or natural calamities;	Authority is suggested to not to consider Tyre puncture as breakdown and no any penalty shall be made applicable for tyre puncture, as tyre puncture mostly attributes to bad road conditions		as per RFP
	Page No. 189				
	Para No/Claue No. ARTICLE-43 10th Para				
445	Section No. 4 of Vol-2	Depot Site shall include the land described in Annex-I of this Schedule-A.	Authority is requested to provide depot list that will be shared with successful bidders for better clarification		Amended
	Page No. 207				
	Para No/Claue No. Schedule - A				
446	Section No. 4 of Vol-2	The Deployment Plan should include list of Operational Routes including schedule of buses, description of bus stops frequencies, headway, number of Buses to be deployed on each Route, and any other information the Authority intends to include.	Request authority to provide these tentative details in RFP only to achieve better cost estimation.		as per RFP
	Page No. 223				
	Para No/Claue No. Schedule - A				
447	Section No. 4 of Vol-2	The operator shall install the following list of equipment to ensure majority of the periodic and unscheduled maintenance activities are carried out at the maintenance depots. The equipment required to be installed at the depot must include the list of equipment provided below. The list is inclusive and not exhaustive and operator shall install additional tools/equipment to ensure maintenance activities of the bus may be detaken at the depots.	Authority is requested to make the list indicative and let the service provider to decide which tools and equipments to be installed.		as per RFP
	Page No. 226

The date of repeat order will not beyond 3 months after the completion of earlier order.	Please confirm if " same price" would mean the price/ PK Fee being charged at that particular time or in that particular year when the requirement for 25% revision/variation in quantity is requested.	This is important because the PK Fee keeps changing as per the minimum wages in the respective states twice every year. Hence cost of operation also changes accordingly.	Section 4 will prevail
	Para No/Clause No. 5.2.1	5.2.3 Applicability of the above clause (cl. 5.2.1 and cl. 5.2.2) will be specified in Section-4 (SCC). The bidder should note that either one of these clauses may be applicable in the tender as specified in Section-4 (SCC). the finalized permissible variation in Quantity in either case shall be specified in Section-4.			
450	Section No. 2 of ITB	2.21. Prices of items shall be quoted as per instruction contained in SCC. However, Bidders are required to quote their prices inclusive of all taxes and duties except applicable GST. The Input Tax Credit (ITC) available, if any, under the GST Law as per the relevant Government policies wherever applicable shall be taken into account by the Bidder while quoting bid price.	Please confirm if all taxes except GST shall be payable by CESL. GST may be applied as applicable over and above the quote. Further, it shall be subject to change as per the government guidelines.	This is essential as the applicable GST may change as per government guidelines. Further, it is difficult to include all other taxes applicable in the quote.	As per RFP; Section 4 will prevail
	Page No. 18 of 32	14(iii). For the purpose of Evaluation, GST quoted in the Bid shall only be considered.			
	Para No/Clause No. 2.21				
451	Section No. 3 GCC	14(iii). For the purpose of Evaluation, GST quoted in the Bid shall only be considered.	Please confirm if GST shall be subject to change as per the government guidelines at the relevant time.	This is essential as the applicable GST may change as per government guidelines and the quoted price may accordingly increase or decrease.	As per RFP; Section 4 will prevail
	Page No. 15 of 52 Para No/Clause No. 14(iii)				
452	Section No. 2 of ITB	12.9.1. In the event of Force Majeure, the contractual obligations, as far as affected by such event, shall be suspended for as long as performance remains impossible due to the Force Majeure, provided that one party to the Contract receives notification of the Force Majeure event from the other party within two weeks after its occurrence and both the parties agree for that to be a force majeure. Any and all liability of the Consultant for damages arising due to its absence caused by the Force Majeure is excluded.	Suggested Change: <i>" In the event of Force Majeure, the contractual obligations, as far as affected by such event, shall be suspended for as long as performance remains impossible due to the Force Majeure, provided that both the parties agree for that to be a force majeure. Any and all liability of the Consultant for damages arising due to its absence caused by the Force Majeure is excluded."</i> Practically it is not possible to report these events within a specified time.		As per RFP
	Page No. 30 of 32				
	Para No/Clause No. 12.9.1				
453	Section No. 3 GCC	26. Completion Time Guarantee 26.1 The Implementing Partner guarantees that it shall attain Completion of the Facilities (or a part for which a separate time for completion is specified in the SCC) within the Time for Completion specified in the SCC pursuant to GCC Sub-Clause 8.2, or within such extended time to which the Implementing Partner shall be entitled under GCC Clause 40 (Extension of Time for Completion) hereof.	It is suggested to replace the term "guarantee" with the term "warranty"		Section 4 will prevail
	Page No. 31 of 52				
	Para No/Clause No. 26.1				
454	Section No. 4 of Vol-2	29.5 Duty to report Force Majeure Event 29.5.2 The Affected Party shall not be entitled to any relief for or in respect of a Force Majeure Event unless it shall have notified the other Party of the occurrence of the Force Majeure Event as soon as reasonably practicable, and in any event no later than 7 (seven) days after the Affected Party knew, or ought reasonably to have known, of its occurrence, and shall have given particulars of the probable material effect that the Force Majeure Event is likely to have on the performance of its obligations under this Agreement.	Practically it is not possible to report these events within a specified time, this it is suggested to remove this clause.		as per RFP
	Page No. 148				
	Para No/Clause No. 29.5				
455	Section No. 4 of Vol-2	13.11 Damage due to Accident 13.11.3 The Operator shall In the event, such accident involves any fatality, the Operator shall intimate such accident verbally within 5 (five) minutes of the occurrence of such accident, followed by a written notice (setting out in reasonable detail the cause of the accident and the steps taken or proposed to be taken by the Operator in connection with the same)..... operator in such situation	Suggested that the said clause be changed to <i>" in the event, such accident involves any fatality, the Operator shall intimate such accident verbally within 1 (one) hour of the occurrence of such accident, followed by a written notice (setting out in reasonable detail the cause of the accident and the steps taken or proposed to be taken by the Operator in connection with the same)."</i> <i>This is because when a fatal accident takes place the crew is in trauma and complying with such a stringent deadline becomes difficult.</i>		as per RFP
	Page No. 95				
	Para No/Clause No. 13.11.3				
456	Section No. 4 of Vol-2	31.2 Authority to act on behalf of Operator 31.2.1 During the period of Suspension, the Authority may, at its option and at the risk and cost of the Operator, remedy and rectify the cause of Suspension. The Authority shall be entitled to make	Please confirm if the cost to be imposed on the Operator will be as per the rates being charged.		as per RFP

	Para No/Clause No. 31.2.1	deductions from the Fee for meeting the costs incurred by it for remedying and rectifying the cause of Suspension, and for incurring any expenses on Operation and Maintenance of Buses.	by the Operator at that given time.		
457	Section No. 4 of Vol-2	32. Termination 32.3.4 Upon Termination on expiry of the Contract Period by efflux of time, no Termination Payment shall be due and payable to the Operator; provided that in the event any Project Assets shall have been acquired and installed after the 5th (fifth) anniversary of the COD, with prior written consent of the Authority, which consent shall not be unreasonably denied, a Termination Payment equal to 80% (eighty percent) of the Adjusted Depreciated Value of such assets and equipment shall be deemed to be Debt Due for the purposes of Termination Payment.	Recommended change to the Clause: <i>Within 2 years of entering into the agreement/ 2 years from the date of COD, if the Authority terminates the agreement, a depreciated cost of the assets and buses procured by the Authority shall be paid to the Operator on a pro-rata basis.</i>		as per RFP
	Page No. 160				
	Para No/Clause No. 32.3.4				
458	Section No. 4 of Vol-2	13.11. Damage due to Accident 13.11.1 The Operator shall be liable for any damage to the Bus on account of accidents. The Operator agrees that it shall undertake repair and rectification of such damaged Bus such that the Bus conforms to the Specifications and Standards, to the satisfaction of the Authority.	Suggested Change: <i>"The Operator agrees that it shall undertake repair and rectification of such damaged Bus such that the Bus conforms to the Specifications and Standards, as mentioned in the agreement."</i>	As the specifications of the buses are already finalised, it is essential the buses after repair comply with the pre-established specifications.	as per RFP
	Page No. 95				
	Para No/Clause No. 13.11.1				
459	Section No. 4 of Vol-2	9.1 Performance Security 9.1.1 The Operator shall, for the performance of its obligations hereunder till the expiry of the Contract Period, provide to the Authority, on or prior to, the date of this Agreement, an irrevocable and unconditional guarantee from a Bank for a sum equivalent to Rs. [**** (Rupees *****)]3 in the form set forth in Schedule-D (the "Performance Security"). Until such time the Performance Security is provided by the Operator pursuant hereto and the same comes into effect, the Bid Security shall remain in force and effect, and upon such provision of the Performance Security pursuant hereto, the Authority shall release the Bid Security to the Operator.	Please clarify what percentage of the contract value will be charged as the performance security? It is suggested that the said performance security be capped to 03% of the contract value.		as per RFP
	Page No. 80				
	Para No/Clause No. 9.1.1				
460	Section No. 4 of Vol-2	5.7 Bid Validity: Bid shall remain valid for a period of 180 days from Bid Due Date. CESL reserves the right to reject a bid as non-responsive if such bid is valid for a period of less than bid validity period and CESL shall not be liable to send an intimation of any such rejection to such Bidder.	It is suggested to reduce the validity period from 180 days to 3 months. This is suggested by taking into consideration the cost of inflation and its resultant effect on the prices of the products and services.		as per RFP
	Page No. 69				
	Para No/Clause No. 5.7				
461	Section No. 4 of Vol-2	5.1.11 (e) make reasonable efforts to maintain harmony and good industrial relations among the personnel employed by it or its Contractors in connection with the performance of its obligations under this Agreement; 5.5.11 The Operator shall make efforts to maintain harmony and good industrial relations among the labour and personnel employed in connection with the performance of the Operator's obligations under this Agreement by exercising appropriate supervision and control;	Please remove the said clauses as the Bidder cannot be held responsible for the personal acts of the Contractors.		NA

462	Section No. 4 of Vol-2	5.2.7 Product Guarantee by the OEM to the Authority In case of Termination of the Agreement, the OEM guarantees Product restoration to ensure continuous operation of Buses and other infrastructure provided by the Operator under this Agreement. The Product Guarantee Undertaking to be executed by the OEM is at Schedule W. In addition to the Product Guarantee, OEM also agrees to execute Comprehensive Maintenance Contract as specified in Schedule Z. For the purpose of clarity, it is mentioned that a specific distinction between OEM and its associate/Parent is specifically made. The Agreements referred herein shall be signed by OEM i.e manufacturing the eBuses.	Please remove the said clause because the Bidder is not privy to the contract between the OEM Contractor and the Authority, thus, the Bidder cannot be asked to give a guarantee with respect to the obligations of the OEM Contractor under the Comprehensive Maintenance Contract.		Amended
	Page No. 65				
	Para No/Clause No.5.2.7				
463	Section No. 4 of Vol-2	5.14 Obligations of the Operator under Labour codes and Rules 5.1.12 The Operator shall comply with the provisions of the Labour Codes, which including Code on Wages, 2019, The Industrial Relations Code 2020, Code on the Social Security 2020, and The Occupational Safety, Health and Working Conditions 2020, and Draft Rules made thereunder, as modified from time-to-time, wherever applicable and shall also indemnify Authority from and against any claims under the aforesaid Labour codes and the Rules.	Suggested Change: <i>"The Operator shall comply with the applicable provisions of the Labour Codes, which including Code on Wages, 2019, The Industrial Relations Code 2020, Code on the Social Security 2020, and The Occupational Safety, Health and Working Conditions 2020, and Draft Rules made thereunder, as modified from time-to-time, wherever applicable and shall also indemnify Authority from and against any claims under the aforesaid Labour codes and the Rules."</i>	It is important because all the provisions of the mentioned codes may not be applicable to the Bidder.	as per RFP
	Page No. 72				
	Para No/Clause No.5.14-Sub clause 5.1.12				
464	Section No. 4 of Vol-2	38.3 Property taxes 38.3.1 All property taxes on the Depot Sites shall be payable by the Authority as owner of the Depot Sites; provided, however, that any such taxes payable by the Operator under Applicable Laws for use of the Depot Sites shall not be reimbursed or payable by the Authority. For the avoidance of doubt, the Parties agree that stamp duties, if any, due and payable on the grant of licence comprising this Agreement shall be paid by the Authority. Provided, however, that the Authority may require the Operator to pay such stamp duties, which shall be reimbursed by the Authority to the Operator within 15 (fifteen) days of receiving the demand therefor.	It is suggested to delete or suitably modify this clause which reads as follows: <i>"that any such taxes payable by the Operator under Applicable Laws for use of the Depot Sites shall not be reimbursed or payable by the Authority"</i> This is because the Authority being the owner of the depot land/premises shall be liable to pay all taxes applicable to the depot sites.		as per RFP
	Page No. 176				
	Para No/Clause No. 38.3.1				
465	Section No. 4 of Vol-2	5.9 Obligations relating to aesthetic quality The Operator shall maintain a high standard in the appearance and aesthetic quality of the Buses, the Maintenance Depot and the Project as a whole and achieve integration of the Buses, Maintenance Depots and Charging Infrastructure with the character of the surrounding landscape through both appropriate design and sensitive management of all visible elements. The Operator shall engage a professional architect, town planner and consultants of repute for ensuring that the design of the Buses and Maintenance Depots meets the aforesaid aesthetic standards.	Please clarify / specify the meaning of the term "high standard" used in this clause because the said term is generic and does not give clarity on the expectation from/obligation on the bidder.		as per RFP
	Page No. 70				
	Para No/Clause No. 5.9				
466	Section No. 4 of Vol-2	8.1. Disclaimer 8.1.5 Except as otherwise provided in this Agreement, all risks relating to the Agreement shall be borne by the Operator and the Authority shall not be liable in any manner for such risks or the consequences thereof.	The suggested change to this clause is as follows: <i>"Except as otherwise provided in this Agreement, all risks relating to the Agreement shall be borne by the Operator to the extent of the Operators default and the Authority shall not be liable in any manner for such risks or the consequences thereof."</i>		As per RFP

470	Section No. 4 of Vol-2	5.5.12The Operator shall be responsible for employing any and all competent manpower, personnel, labour, etc., as may be required to be deployed by it for implementation of the Project and as such the Operator on an exclusive basis shall be responsible for exercising supervision and control over such manpower, personnel, labour, etc. For all intents and purposes under this Contract, the Operator alone shall be the principal employer in terms of the provisions of the Factories Act, 1948 and the Contract Labour (Regulation and Abolition) Act, 1970 in respect of such manpower, personnel, labour, etc. The Authority shall at no point of time be concerned in any manner whatsoever with any employee or labour related issues of such manpower, personnel, labour, etc. of the Operator and shall not have any liability or responsibility towards them. The Operator shall keep the Authority indemnified for all claims that may arise due to Operator's non-compliance with any provisions of this Clause 5.5.12.	Compliance Under Factories Act, 1948 : Each STU/Depot is ownership of STU and hence the Factory License needs to be obtained by STU/Depot. If you wants Operator to obtain the Factory License then you need to give the depot on lease or rent to Operator. For Contract Labour (Regulation and Abolition) Act, 1970 : Each Depot must obtain Registration Certification under the CLRA. STU/Depot should issue Form V /VA to Operator and Sub-Operator (currently STUs are not issuing Form V/VA to sub-contractor of operator).		as per RFP

Sr. No.	Section No.	Description as Per RfP	Queries/ Clarification of the bidder	Remarks	Amended as / Clarified as
	Page No.				
	Para No/Clause No.				
495	Page No. 220	In addition, to the standard, Type Tests of ARAI, following test shall be conducted for buses	<p>Schedule H clauses Page 220 says :</p> <p>1.1 : Operator shall conduct, or cause to be conducted, each of the Tests specified in this Schedule H : Who will be conducting the tests ? Central agency / STU . will this be required to be done once involving all STUs or will be done separately by each STU ? Since location and facilities for conducting these test will be available only at Certifying agencies , this clause will have time implications related to making testing slots available</p> <p>1.2 The Authority shall conduct, or cause to be conducted, <u>adequate trial runs of Prototypes to determine their compliance</u> with Specifications and Standards, requirements and Safety Requirements : Needs clarity on the underlined clause. What is expected by adequate trials ? place of trial and conducting authority ?</p> <p>2.1 : The Operator shall, not later than [●] weeks prior to the likely date of conducting a Type Test, notify the Authority of its intent to conduct the Test and furnish particulars of the equipment and methodology forming part of the Test. : authority to clarify following 2 queries</p> <p>1. These tests will be done at ARAI/ testing agencies in different point in time as per the testing slots available at ARAI : OEM understands that every time, before test is being conducted at ARAI, OEM need to notify the authority</p> <p>2. If a certain test certification has already been obtained and available : do OEM need to repeat the test for authority to witness ?</p>		as per RfP
	Para No/Clause No. Schedule-H of Annex - I (8)				
496	Section No. 4 of Vol-1	Range Test - AIS 040 and test defined in Volume 3 of this RfP	Clarification is required as Volume 3 defines only AIS 040 and no other test procedure is mentioned. Thus OEM understands that range test has to be conducted as per AIS 040 only by the Certifying agency which is ARAI in this case.		as per RfP
	Page No. 220				
	Para No/Clause No. Schedule-H of Annex - I				
497	Section No. 4 of Vol-1	21.1 The procurement of bus after the award of contract shall be subject to prototype approval by a central agency nominated by MoHUA. The central agency will carry out a detailed inspection and trial of the prototype bus to ensure compliance with RfP specifications including particularly bus battery capacity and range, quality of the bus and workmanship. Bidder should provide testing certificates as per the requirement stated in Volume 1 with the Technical Bid which will comply the statutory requirements as stipulated in Motor Vehicles Act, 1988 /Central Motor Vehicle Rules including the CMVR Type Approval of the Electric bus offered at the time of delivery of vehicle.	What will be the mode of inspection ? : Stage wise / final vehicle and which all agencies will be required to attend ?		as per RfP
	Page No. 30				
	Para No/Clause No. 21.1				
498	Section No. 4 of Vol-1	Each State may also carry out a centralized test trial of the prototype bus for each type of Bus (7m, 9m and 12m) demanded by those States under this RfP or it can refer the report submitted to MoHUA by the central agency	<p>A. Request authority to clarify:</p> <p>1. Which authority approval will be taken as final approval. Central agency or the STU ?</p> <p>2. During Central agency inspection : STU representative will join or it will be a separate inspection event ? in case of separate event, how the timeline for delivery will be adjusted ?</p> <p>3. for Central inspection : Which colour scheme and Stickers to be put on bus as this is likely to vary from STU to STU ?</p> <p>4. Do we need to prepare 1 proto each for each awarded STU ? or it will be done only on 1 proto and it will be acceptable to all STUs</p> <p>5. Since Each state may carry out a centralised test trial for each type of bus, what will be the location of the testing ? accordingly the number of protos will have to be planned in advance</p> <p>6. Conducting these tests will be a prior requisite of final proto approval ?</p> <p>7. STU need to specify what tests they will be conducting on the proto and where ? as locations will have to be equipped with charging and other support infrastructure which will call for additional time</p> <p>B. In order to ensure timely delivery, request CESL to ensure that, during proto inspection, STU specific changes are restricted to body colour scheme only. Any additional change w.r.t RfP will call for a customized version which will have to be again CMVR certified (if applicable) and the FAME and PLI applications will have to be freshly initiated for these versions which will delay the certificates . In such cases, the tender should either clearly mention in the final corrigendum that no customization is permissible from STU to STU or declare the state specific changes/ customisations in the finally corrigendum only.</p> <p>C. If the STU request changes other than RfP requiring CMVR/design modifications, extra time will be necessary for design, development and delivery of lot : in that case, how to adjust delivery timeline ?.</p>		<p>A. Request authority to clarify:</p> <p>1. Which authority approval will be taken as final approval. Central agency or the STU ? - STU</p> <p>2. During Central agency inspection : STU representative will join or it will be a separate inspection event ? in case of separate event, how the timeline for delivery will be adjusted ? - No change in timeline</p> <p>3. for Central inspection : Which colour scheme and Stickers to be put on bus as this is likely to vary from STU to STU ? - Color scheme & graphics as per State</p> <p>4. Do we need to prepare 1 proto each for each awarded STU ? or it will be done only on 1 proto and it will be acceptable to all STUs - 1 proto per State for each model</p> <p>5. Since Each state may carry out a centralised test trial for each type of bus, what will be the location of the testing ?</p>
	Page No. 30				
	Para No/Clause No. 21.1				
499	Section No. 4 of Vol-1	Prototype testing and approval of the same (T7) - T6 + 2 weeks	<p>1. Will there be any additional tests done by STU on final vehicles which will be delivered to them after proto is approved ?</p> <p>2. If prototypes need to include details and a color scheme, all details should be provided at the time of LOA</p>		As per RfP

Sr. No.	Section No.	Description as Per RfP	Queries/ Clarification of the bidder	Remarks	Amended as / Clarified as
	Page No.				
	Para No/Clause No.				
518	Section No.4 of Vol-3	XVI.Integration to Existing ITMS/AFC System: Bidder shall provide the complete ITS system as specified herein above in the Buses. The bidder shall also ensure to supply equipment compatible with existing ITS System of Authority so as to enable smooth integration . Bidder is responsible for regular maintenance ITS equipment installed by throughout the Contract Period. The Contractor and Authority agree to share interfacing protocols and Active Programming interface with each other for smooth integration of the ITS equipment provided by Bidder to the Authority's ITMS. The Authority can mount any equipment in the Buses provided by the Bidder at its own cost and the Bidder shall be responsible for the safety and security of such equipment during the Contract Period	Request Authority to share the Details of existstg ITMS of Authority(STU) And centralised ITMS(MoHUA) Request Authority to add a clause addressing the sharing of API document by both parties in time bound manner (eg. Within 30 days of contract signing)		as per RfP
	Page No. 297				
	Para No/Clause No. Note				
519	Section No.4 of Vol-3	Camera Based Passenger Counter Specification & Functionality	Camera Based Passenger Counter Specification & Functionality 15. Request Authority to Note: Data from APC will be streamed as per the protocol shared will be stream to Authority ITMS as per Volume 3, Annex-3 MQTT protocol and video/photos from APC will not be send, video of Internal camera will be shared		as per RfP
	Page No. 298	15.The APC sensor shall determine the count result via onboard processing. The real time video streaming or recording of video files to external storage media shall be made available to the Authority and integration of real time streaming through the OBITS with the backend of the Authority system(s) is the responsibility of the bidder.			
	Para No/Clause No. Annexure 1 (15)				
520	Section No. 4 of Vol-3	Camera Based Passenger Counter Specification & Functionality	Camera Based Passenger Counter Specification & Functionality 16. Request Authority to delete the clause, please refer below note: Data from APC will be streamed as per the protocol shared will be stream to Authority ITMS as per Volume 3, Annex-3 MQTT protocol. Report generation is a feature of Authority ITMS system Hence clause to be deleted.		as per RfP
	Page No. 298	16. All count results shall be time-stamped via a synchronized onboard real-time clock. The operator shall provid passenger reports based on daily, weekly and monthly passenger counts at single vehicle, route and fleet level with the option of downloading data as a CSV file format			
	Para No/Clause No. Annexure 1 (16)				
521	Section No. 4 of Vol-3	1.The on-board ticket validators will enable commuters to use National Common Mobility Card (NCMC) for fare payment and pre-paid ticket and pass validation. •The Validator should provided for the AFC Provider of STU/Authority to upload the software and security features in the OS provided in the Validator. The AFC Provider will integrate the Validator through the ITS to the AFC software at the backend which would be integrated into the Acquiring Bank / Central System.	Request Authority to modify the clause " OEM will provide the necessary wiring and power socket for installation for the validator, Authority to procure the Validator from AFC service providor for smooth integration of AFC system.		as per RfP
	Page No. 300	2.The flow of data of regular transaction will be through the ITS as defined by RBI regulations for security and safety guidelines. This is the responsibility of the AFC provider of the STU/Authority and not the Bidder.			
	Para No/Clause No. Annexure 2 NCMC Based Ticket Validator Specifications	3.The validators will allow commuters to pay fares through multiple media types read including smartphone/tablet/smartwatch displays & paper tickets. The hardware with basic OS, wiring and wiring would be provided by the Bidder , the software and the complete AFC solutions would be provided by the AFC Provider of the STU/Authority and not the Bidder.			
522	Section No. 4 of Vol-3	MQTT protocol for 1.Vehicle Loca 2. CAN 3. APC 4.Route	1.Tracking GPS raw data will be provided through AIS140 device and Video Data/2 Way data through ITS/MNVR system as per the the MQTT Protocol in Vol3-Annexure 3 Page #397 for both AIS 140 device & MNVR Data 3.1 from VTS thru MQTT-Raw Data 3.3.1 [GPS] from VTS thru MQTT-Raw Data as per AIS 140 3.3.2[GPS+VHMD] from VTS or ITS thru MQTT-Raw Data 3.3.3[APC] from ITS-Raw Data 3.3.4[Route start] from ITS-Raw Data 3.3.5[Route end] from ITS-Raw Data 3.3.6[Device Health] from ITS-Raw Data 2.Request Authority to share the details of Centralised ITMS platform 3.Raw Data as per Vol3-Annexure 3 Page #397 required can be shared to only 1 destination point (#1 IP avl) of Authority(eg STU) Future needs of Program Manager/MohuA, needs to be taken from Authority(STU) server through API		as per RfP
	Page No.303				
	Para No/Clause No.All

S.No	Page	Clause No.	Tender Clause	Description	Queries	Amended as / Clarified as						
528	214	19.7	Real Time Data Access	The Operator agrees that a failure to comply with its obligations under this Clause 19.7 shall be deemed to be an Operator Default.		as per RFP						
529	216	20.3.6	Operational Availability	Operator agrees that for any reduction in the Availability as compared to the Guaranteed Availability, it shall pay Damages to the Authority as per the table below: The Damages payable by the Operator for a failure to meet the Guaranteed Availability shall be payable monthly.		as per RFP						
				Damages in case of reduction in Guaranteed				Damages in case of reduction in Guaranteed Availability				
				Availability	Less than 100% and up to 95%		less than 95% and up to 90%	Less than 90%	Availability	Less than 100% and up to 95%	less than 95% and upto 90%	Less than 90%
				Damages payable per non available Bus	50 bus kms / shift/ non available Bus	60 bus kms/ shift/ non available Bus	70 bus kms/ shift/ non available Bus	Damages payable per non available Bus	10 bus kms / shift/ non available Bus	20 bus kms/ shift/ non available Bus	40 bus kms/ shift/ non available Bus	
530	220	20.10	Capping on Damages for failure to achieve Key Performance Indicators	in any month in accordance with this Article 20 shall be capped at 10% of the aggregate Monthly Fees payable in such month. Any Damages payable by the Operator as a result of any Operational Infractions in any month shall be capped at 5% of the Monthly Fees for that month. It is further clarified that Damages under clause 20.3 will not be subject to the 10% capping mentioned in this clause.	Requesting to revise the capping on damages at 5% of monthly billing	as per RFP						
531	223	22.1.2 point (b)	Fee	If the actual Bus Kilometers travelled by all Buses is less than the aggregated Monthly Assured Kilometers, then Fee shall be calculated, in accordance with clause 22.3.2 by using the following formula: Fee = (PK Fee * actual Bus Kilometers) + (PK Fee * 75%* (Monthly Assured Kilometers – actual Bus Kilometers))	Fixed expenses related to assets, manpower & other expenses is largely fixed but for electricity expenses (~10% of bid Price). Assured kms is the basis of Gross cost contract and hence should be sacrosanct. However, for underutilization, Requesting to revise the clause as Fee = (PK Fee * actual Bus Kilometers) + (PK Fee * 90%* (Monthly Assured Kilometers – actual Bus Kilometers))	as per RFP

S.No	Page	Clause No.	Tender Clause	Description	Queries	Amended as / Clarified as
536	278	42.4.1	Delayed payments	The Parties hereto agree that payments due that are not covered under Payment Security Mechanism from one Party to the other Party under the provisions of this Agreement shall be made within the period set forth therein, and if no such period is specified, within 30 (thirty) days of receiving a demand along with the necessary particulars. Unless otherwise specified in this Agreement, in the event of delay beyond such period, the defaulting Party shall pay interest for the period of delay calculated at a rate equal to 3% (three per cent) above the Bank Rate, and recovery thereof shall be without prejudice to the rights of the Parties under this Agreement including Termination thereof.	Request inclusion of Retired judge as a member of Committee.	as per RFP
537	312	12.5.1	MAINTENANCE DEPOT COMPLETION SCHEDULE	The completion timeline of the following essential components, inter alia, of construction of Maintenance Depot shall be periodically reviewed by the Authority:	Request Clarification	as per RFP
538	322	17.1	MAINTENANCE DEPOTS EQUIPMENT		The said clause lies under the scope of authority and hence ownership of development construction and completion lies with authority – Request to modify the same suitably	as per RFP
539	366	SCHEDULE-W	PRODUCT GUARANTEE UNDERTAKING	To be executed by the OEM Supported by Board Resolution Unconditional & irrevocable product guarantee for all goods	Most of the equipment marked is generic and related to conventional diesel vehicles. As the maintenance and related activities are in the scope of Bidder, equipment to be deployed is requested to be kept agnostic as per OEMs Discretion	Amended
540	366	SCHEDULE-W	<u>Guarantee Undertaking & AMC agreement from OEM</u>	OEM shall provide unconditional and irrevocable guarantee for product restoration to ensure continuous operations. In case of termination of the concession agreement and for the remaining term of the Concession Agreement from the date of termination of the Concession Agreement, at the pre-defined rate as per the Comprehensive Maintenance Contract. Same should be supported by board resolution or by Chairman of board of parent company	Board Resolution is technically challenging for Product guarantee. Respective warranties shall be extended with product. Request to modify on fair grounds	Amended

S.No	Page	Clause No.	Tender Clause	Description	Submission & Request	Amended as / Clarified as
560	163	5.5.7	Obligations relating to employment of personnel	The Authority may require the Operator to immediately remove any staff member/ personnel employed by the Operator for the purpose of the Project, who in the opinion of the Authority:	The same shall be done on post mutual discussion and justifiable grounds. Request consideration	As per RFP
561	166	5.9	Obligations relating to aesthetic quality	The Operator shall engage a professional architect, town planner and consultants of repute for ensuring that the design of the Buses and Maintenance Depots meets the aforesaid aesthetic standards.	Construction of depot is in the scope of authority. Requesting to share. Request to amend the clause suitably	as per RFP
562	166	5.12	Obligations relating to Charging Infrastructure	The Operator agrees that it shall procure, construct, install and provide the Charging Infrastructure at the Maintenance Depots such that each Maintenance Depot is capable of Overnight Charging a minimum 50 (fifty) Buses and opportunity charging of Buses at mutually identified locations (Maintenance depot, Terminal, etc.,) for a maximum period of 30 (thirty) minutes in accordance with the Deployment Plan. The Operator agrees that it shall ensure that the Charging Infrastructure are used only for the purpose of charging of Buses and no other purpose whatsoever.	Requesting CESL to share details of depots present infrastructure scope of work related to charging infrastructure as requested earlier	Amended
563	170	6.1.3	6.1 Obligations of the Authority	d) Civil infrastructure facilities that include security booths, office with adequate space, first-aid facility and rest room, canteen, spare parts store, Effluent treatment plant (ETP), Street light, septic tank, workshop sheds (for washing facilities, maintenance / service pits @ 2 pits per 50 buses).	Requesting to allocate at least 4 pits for 50 buses which is a standard model adopted for servicing of commercial vehicles	as per RFP
564	174	ARTICLE-8 DISCLAIMER	8.1 Disclaimer	8.1.1 The Operator acknowledges that prior to the execution of this Agreement, the Operator has, after a complete and careful examination, made an independent evaluation of the Request for Proposal, this Agreement, the Specifications and Standards, the Depot Sites, local conditions, physical qualities of ground, subsoil and geology and all information provided by the Authority and/ or CESL or obtained, procured or gathered otherwise, and has determined to its satisfaction the accuracy or otherwise thereof and the nature and extent of difficulties, risks and hazards as are likely to arise or may be faced by it in the course of performance of its obligations hereunder. Save as provided in Clause 7.2, the Authority makes no representation whatsoever, express, implicit or otherwise, regarding the accuracy, adequacy, correctness, reliability and/or completeness of any assessment, assumption, statement or information provided by it and the Operator confirms that it shall have no claim whatsoever against the Authority in this regard.	There are specific details related to depot allocation availability of infrastructure conditions precedent and distribution of buses the clause mentioned here should be equitable and applicable to both authority and bidder on fair grounds. Request revision of the same or deletion suitably	As per RFP

S.No	Page	Clause No.	Tender Clause	Description	Submission & Request	Amended as / Clarified as
565	174	ARTICLE-8 : DISCLAIMER	8.1 Disclaimer	8.1.2 The Operator acknowledges and hereby accepts the risk of inadequacy, mistake or error in or relating to any of the matters set forth in Clause 8.1.1 above and hereby acknowledges and agrees that the Authority shall not be liable for the same in any manner whatsoever to the Operator, the {Selected Bidder/ Members of Consortium} and its Associates or any person claiming through or under any of them.	Since the details shared in RFP are not comprehensive request for deletion of this clause	As per RFP
566	176	ARTICLE-10 : RIGHT OF WAY FOR DEPOTS	10.1 Site for the Maintenance Depots	The site(s) for the Maintenance Depots shall comprise the real estate described in Schedule-A and in respect of which a license shall be provided and granted by the Authority to the Operator as a licensee under and in accordance	There are no details captured in schedule a hence requesting CESL to provide details which is which are sacrosanct for this contract	As per RFP
567	177	10.2 Licence and Right of Way for Maintenance Depots	10.2Licence and Right of Way for Maintenance e Depots	10.2.6 If the Authority is unable to handover, to the Operator, Maintenance Depots which meet the Minimum Maintenance Depot Specifications by the relevant Scheduled Maintenance Depot Handover Date, then the Authority may, by way of a written notice provided at least 30 (thirty) days prior to the relevant Scheduled Maintenance Depot Handover Date, require the Operator to takeover possession and control of the Maintenance Depot on an "as is where is" basis. On and from the date on which the Operator takes over peaceful, vacant and unencumbered possession of the Maintenance Depot, the Operator shall, at the cost of the Authority and without prejudice to its obligations to carry out the Fit Out Works, undertake and perform all such works and activities that may be required in order to ensure that the Maintenance Depot meets the Minimum Maintenance Depot Specifications. The scope of work required to be undertaken by the Operator in this regard, including the costs payable by the Authority for such work, shall be mutually discussed and agreed by the Parties by way of a Change of Scope Order. The Operator shall also be entitled to a mutually agreed extension of the Scheduled Maintenance Depot Completion Date, with such extension being not less than 90 (ninety) days	requesting for deletion of this clause as the commercial arrangements done by better can vary with the estimations done by authority. In this case if the vehicles are delayed due to activities not performed by the authority penalties and interest liability shall lie with the authority. Request consideration and inclusion on fair tender grounds	as per RFP

S.No	Page	Clause No.	Tender Clause	Description	Submission & Request	Amended as / Clarified as
570	183	12.5.2 & 12.5.3	Completion of the Maintenance Depots	<p>12.5.2 In the event that the Operator fails to complete the Fit Out Works by the Scheduled Maintenance Depot Completion Date (as may be extended in accordance with the terms of this Agreement), unless such failure has occurred due to a Delay Event, it shall pay Damages to the Authority in a sum calculated at the rate of 0.1% (zero point one per cent) of the amount of Performance Security per bus times the number of buses allocated to the specific depot for each day of delay until the Fit Out Works are completed and the relevant Maintenance Depot is ready to be put into commercial operation. For the avoidance of doubt, it is agreed that recovery of Damages under this Clause 12.5.2 shall be without prejudice to the rights of the Authority under this Agreement, including the right of Termination thereof.</p> <p>12.5.3 In the event that the Maintenance Depot Completion Date, for any Maintenance Depot, does not occur within 270 (two hundred and seventy) days from the relevant Scheduled Maintenance Depot Completion Date (as may be extended in accordance with the terms of this Agreement), unless the delay is on account of a Delay Event, the Authority shall be entitled to terminate this Agreement for an Operator Default and the consequences of such termination as set out in Article 33 shall apply.</p>	<p>Clause seems ambiguous as depot infrastructure is in the scope of authority. Request consideration and suitable inclusion please</p> <p>12.5.3 Request clarification of clause as depot completion is in the scope of authority and termination of agreement is stated as operator default. Request suitable deletion and corrections please</p>	as per RFP
571	186	13.4.1	Prototype	The Operator shall, within 30 (thirty) days from the date of issuance of LOA, provide to the Authority (or any nominee appointed by it for this purpose) 5 (five) copies of the Designs and Drawings (along with soft copies) of a sample Bus that conforms to the Specifications and Standards (the "Prototype"), as specified in Schedule-F. Provided that the Operator may, share only the details of the layout of the Prototype and not share any propriety information forming part of Designs and Drawings of the Prototype.	Request revision of the clause for submission of drawings and designs from the date of execution of agreement than LOA	Amended
572	187	13.5.2	Tests at Manufacturer's Plant	The Operator shall, with at least 2 (two) weeks' notice to MoHUA, convey the date, schedule and type of tests that shall be conducted on the Prototype at the manufacturer's plant and the central testing agency nominated by MoHUA shall have the right to witness the tests. It is clarified that all costs incurred on account of the visit of central testing agency to the manufacturer's plant shall be borne by the Operator. Each State may also carry out a centralized test trial of the prototype bus for each type of Bus (7m, 9m and 12m) demanded by the Authority in those States or it can refer the report submitted to MoHUA by the central testing agency.	Request the test and inspection to be carried out by a single agency which represents both MOHUA and the street authority. This would avoid ambiguities and help in timely execution of the project on ground.	as per RFP.
573	189	13.9.1	Delay in Procurement	Damages at the rate of 0.1 % (zero point one per cent) of the Performance Security per bus for each day of delay for each Bus (whose procurement is delayed) till the date of procurement of such Bus.	Requesting to consider the damages at the rate of point zero 0.05% of the performance security per bus	as per RFP

S.No	Page	Clause No.	Tender Clause	Description	Submission & Request	Amended as / Clarified as
574	192	Clause 14.2.1 point (d) & (e)	Commercial Operation Date (COD) for Respective Lot of Buses	(d) ensure that the Maintenance Depot Completion Certificate has been issued in accordance with Clause 12.5.4 for each Maintenance Depot; (e) ensure that the Charging Infrastructure required for the charging of such Lot of Buses has been installed and is commissioned and ready to operate in accordance with the requirements of this Agreement; and	requesting readiness of depot infrastructure and power availability as condition precedent in the scope of the authority. The deployment of buses shall be considered based on fulfillment of conditions precedent	as per RFP
575	193	14.3	Damages for delay	at the rate of 0.1% (zero point one per cent) of the amount of Performance Security per bus times the number of buses allocated to the specific depot for each day of delay until COD is achieved.	Requesting to revise the penalty rate as 0.05% of the amount of performance security per bus	as per RFP
576	194	15.2.3	Procedure for Change of Scope	if the Authority decides to proceed with the Change of Scope, it shall convey its preferred option to the Operator, and the Parties shall thereupon make good faith efforts to agree upon the time and costs for implementation thereof. Upon reaching an agreement, the Authority shall issue an order (the "Change of Scope Order") requiring the Operator to proceed with the performance thereof. In the event that the Parties are unable to agree, the Authority may, by issuing a Change of Scope Order, require the Operator to proceed with the performance thereof pending resolution of the Dispute in accordance with the Dispute Resolution Procedure.	Any changes in scope shall be done on cost basis. Request consideration & Inclusion	as per RFP
577	195	15.4.2	Restrictions on certain works	the cumulative costs relating to all Change of Scope Orders for provision of works and services shall not exceed 5% (five percent) of the Total Project Cost during the Contract Period.	All works related to change of scope to be done on cost basis. Request consideration and inclusion	as per RFP

S.No	Page	Clause No.	Tender Clause	Description	Submission & Request	Amended as / Clarified as
578	196	16.3	Operation Manual	<p>16.3.1 The Operator shall prepare an operation manual (the "Operation Manual") for the operation of Buses in conformity with Good Industry Practice and the provisions of this Article 16. The Operator shall provide 10 (ten) copies of a provisional operation manual (the "Provisional Operation Manual") to the Authority no later than the date on which the Prototype is delivered pursuant to Clause 13.6. The Authority may review the Provisional Operation Manual and convey its comments to the Operator within a period of 15 (fifteen) days from the date of receipt thereof. The Operator shall revise the Provisional Operation Manual, as may be necessary, and provide 10 (ten) copies of the Operation Manual, accompanied by an electronic copy thereof, no later than the 15 (fifteen) days from the date on which it receives any comments from the Authority. The Operation Manual shall be revised and updated once every year and the provisions of this Clause 16.3 shall apply, mutatis mutandis, to such revision. For the avoidance of doubt, the Authority and the Operator expressly agree that until the Operation Manual is provided hereunder, the Provisional Operation Manual shall apply.</p> <p>16.3.2 The Operation Manual shall include:</p> <p>(a) instructions to operating staff for operation of the Bus;</p> <p>(b) instructions for troubleshooting the Buses, including any software incorporated in the Buses;</p> <p>(c) dos and don'ts for operating staff;</p> <p>(d) safety precautions to be taken by the operating staff;</p> <p>(e) rating and layout of equipment;</p> <p>(f) operating limits of installed systems; and</p> <p>(g) control and safety features of the Buses.</p>	<p>Since this is a gross cost model the operations are managed by the bidder. The bidder shall share the approach document related to operations at the time of commencement of operations.</p> <p>Request amendment of clause suitably as details related to maintenance of buses, may be confidential to OEM and can be shared as per the requirement of authority.</p> <p>Request modification suitably</p>	as per RFP
579	212	19.1.1	Monthly Status Reports	<p>During the Contract Period, the Operator shall, no later than 7 (seven) days after the end of each month, furnish to the Authority a monthly report stating in reasonable detail the maintenance services performed by the Operator on the Buses and the defects and deficiencies that require rectification (standard format as per schedule X). The report shall also include Key Performance Indicators achieved by the Buses, the compliance or otherwise with the Maintenance Requirements, Maintenance Manual and Operation Manual, details of any breakdowns, claims, challans etc. The Operator shall promptly give such other relevant information as may be required by the Authority.</p>	<p>This is a gross cost contract. Maintenance services operations and the ownership of buses lies with the bidder. Hence the request for details of maintenance services from buses serves no purpose in delivering SLA marked with the contract. Requesting CESL to amend the clause suitably</p>	as per RFP

S.no.	Page	Clause	GENERAL DESIGN	SPECIFICATIONS	Submission	Amended as / Clarified as
580	362	12	Charging range	The minimum range on single charge: (i) 200 kms (at 80% SoC) for 12 m bus (ii) 180 kms (at 80% SoC) for 9 m bus, & (ii) 160 kms (at 80% SoC) for 7 m bus, duly certified as per AIS 040 standard by testing agency as per CMVR rule 126 along with type approval certificate at GVW and additional AC load along with all system operations.	Request to consider following range considering electric vehicle technology increasing & to enhance efficiency of operations. Considering technology limitations Under various operating conditions, request you to consider: a) 180 km for 12m b) 150km for 9m c) 140 km for 7m We request CESL to allow SOC & DOD (Depth of discharge) agnostic and as per OEM design. Restricting the same at 80% is not a part of any EV specification while the SLA's of tender are achieved Request consideration	As per RFP
581	380	Table 1, Point 13		Daily operation km per bus maximum up to 225 kms with one opportunity fast charging of up to 30 minutes (depot-in, depot-out basis or at any terminal).	Depot in – depot out operational requirement and heat plays a critical role in opportunity charging. With limited duty cycles, It is requested to have 60 mins opportunity charging. Request consideration	Amended
582	383	Table 1, Point 17.4D	Floor surface material	Minimum 15 mm thickness phenolic resin bonded densified laminated compressed wooden floorboard (both side plain surface) having density of 0.95 - 1.25 gms/cc conforming to IS 3513 (Part- 3): type VI 1989 or latest. The flooring should also be boiling water resistant as for marine board as per BIS:710- 1976/ latest and fire retardant as per BIS:5509-2000 (IS15061:2002). The chequered plywood 15mm thick is also allowed as per the relevant standard for the quality and fire resistance/flammability.	Request to consider thickness as 12mm which is as per AIS 052 compliance. Technically for a 9m Bus 12mm is maximum width that is possible. Request Acceptance	Amended
583	383	17.5A Point	Laminated Glass Specifications	Min Thickness = 7.76 mm ± 0.2 mm Clear Interlayer	Request tinting should be allowed as per CMVR as this has a direct impact on A/C Performance & Passenger comfort. Request consideration	as per RFP
584	390	27B	Demister	To be provided	Demister only serves a limited purpose considering the large surface areas of wind screen. Request if the same can be excluded	Amended
