

Chapter -7:

The particulars of any arrangement that exists for consultation with, or representation by, the members of the public about the formulation of its policy or implementation thereof;

Details on consultation and representation from members of the public:

CESL is a commercial organization and its policies, as adopted from the holding company, EESL, relate to its internal management hence there is no arrangement for consultation with the members of the public before the formulation of its internal policies. However, the internal policies adopted from the holding company, EESL, comply with the applicable provisions of the constitution, statutes, rules and regulations.

Public Private Partnerships (PPP): Details of subsidiaries, joint ventures, Special Purpose Vehicles (SPVs) and associate companies of CESL:

The company has no subsidiaries, joint ventures, Special Purpose Vehicles (SPVs) and associate companies.

Dissemination of information widely and in such form and manner, which is easily accessible to the public, a form of accessibility and cost of such handbook (or manual):

CESL is already making information available electronically on its website for wider public use. The media corner section of the CESL website consists of all the publications of the CESL. This section already contains the following:

- 1) Press Releases: A compilation of press releases CESL sends out to media on regular basis.
- 2) Social media updates and handles: A link to CESL Twitter and Facebook handles.
- 3) Event updates: An update on CESL's internal and external events.
- 4) Project Literature: Informative content on CESL's schemes in form of pamphlets and brochures.
